Peter Pan is an arrogant little wanker Sorry, not sorry, you'd say it too if you'd ever been to Neverland. I know the big story is that Wendy Darling is the first girl to end up on Neverland because girls are too smart to fall out of their prams. I'm living proof that's a lie. Wendy was just the first time Peter actually asked permission before he took a girl to Neverland to be his mother. I guess he learned his lesson from me. He kidnapped me from my bed while I was sleeping and just expected me to be his mother. I'd rather be a Lost Boy than his mother. Peter eventually gave up on me. He lost a mother and two Lost Boys that day that left with me. I've been living away from Peter Pan. Me and my Lost Boys are now the Wildlings. We even have a fairy with us named Coale, who is a blacksmith fairy, but prefers making explosives. Coale and Blaize get along marvelously as Blaize loves to play with fire. But we've committed the one crime on Neverland Peter won't forgive. An instant death sentence for anyone on Neverland no matter how close to Peter you are. We already have one strike against us leaving him. We've now committed the ultimate Neverland sin. We woke up one morning and we've

all grown up. There is a legend on Neverland, someone Peter hates. Someone no one knows where to find. Someone everyone on Neverland only knows as the hook nosed hag. If she's an old woman on Neverland, then she either predates Peter or she survived his culling. We have to stay out of Peter's way and find this mysterious hag. We find some old villains who end up not being villains. Captain Hook is not dead and may have information on the hag. We only have three days before Peter's Spring Cleaning is over and he returns Wendy's descendant back home. After that, he will be on the hunt for our blood. We don't even know if the hag survived Peter's culling. If not, everyone who has grown up on Neverland has died by Peter's blade.

WHAT NO ONE KNEW... That day, Annie Leonhart woke up in the barracks. It was the morning of her day off. The feeling of freedom doesn't last long, for tomorrow holds her biggest mission yet: During the 57th Expedition Outside the Walls, seize Eren Yaeger.

When my parents were banished from Wolf City before I was born, I thought there was no way I would ever live in a pack again. Cuffed, with my shifter magic bound, I was forced to go to school with witches in order to keep my true nature from coming out. Then I met him. Sawyer Hudson. The Alpha's son was visiting Delphi Witches' College and spotted me. He took one look at me, and an hour later, I was being pulled out of school, taken into Wolf City and leaving my parents and everything I knew behind. It's the Alpha's son's selection year, the year he must pick a mate, and every female aged 18-22 must be in attendance. I've landed myself in the middle of Werewolf Bachelor, and just when I think I've got a handle on things, Sawyer releases my cuffs, unbinds my magic, and sees what I really am. The problem is, I don't know what this creature is that I transform into. It's not an ordinary werewolf, that's for damn sure.

WINNER OF THE NOBEL PEACE PRIZE • *In this "courageous" (The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia's brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in the home of a Sunni*

Today, Nadia's story—as a witness to the Islamic State's brutality, a survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. When you're an identical twin, your story always starts with someone else. For Iris, that means her story starts with Lark. Iris has always been the grounded, capable, and rational one; Lark has been inventive, dreamy, and brilliant—and from their first moments in the world together, they've never left each other's side. Everyone around them realized early on what the two sisters already knew: they had better outcomes when they were together. When fifth grade arrives, however, it's decided that Iris and Lark should be split into different classrooms, and something breaks in them

Wendy I was just a normal girl in a normal human world. I'd loved. I'd lost. I'd grieved, and after some time, I moved on. Then, and quite suddenly, he returned. He--Peter Pan, my first love; a monster in disguise. In the end, he paid the ultimate price, but his demise wasn't enough. Now, I'm paying off the interest, dragged into a realm filled with wicked creatures I thought only existed in fairy tales and lores. They want answers. And I have none to give. But the proverbial hourglass is draining of sand, and as darkness consumes, I find myself accepting the fact I'll never make it home. I'll die at their merciless hands. That is, until one valiant creature intervenes--leader of The Lost Boys. The Alpha. Tavi Finding Wendy was by sheer chance. From the moment I saw her, I was blasted with this fierce sense of duty. I can't explain it. All I knew was, I had to save her. So I did, brought her back to the Woodlands--The Lost Boys' stomping grounds. But her connection to Peter leaves her as ostracized as he once found himself. Until her mortality poses a concern, one the factions can't

ignore. One no one has answers for, either. Both my father and the Sacred Six warn there might not be any, but that doesn't deter Wendy from trying to find a solution. Despite such pressing matters, though, there's a singular thought that incessantly crosses my mind. Proof that fate is real. She's mine. And I'll be damned if anyone--or anything--tries to rip my little wolf away from me.

The 1929 Louise Brooks film, *DIARY OF A LOST GIRL*, is based on a bestselling book first published in Germany in 1905. Though little known today, it was a literary sensation at the beginning of the 20th Century. Was it “ as many believed “ the real-life diary of a young woman forced by circumstance into a life of prostitution? Or a sensational and clever fake, one of the first novels of its kind? This controversial and often censored work inspired a sequel, a parody, a play, a score of imitators, and two silent films. It was also translated into 14 languages, and sold more than 1,200,000 copies. This new edition of the original English language translation brings this important book back into print in the United States after more than 100 years. It includes an introduction by Thomas Gladysz, Director of the Louise Brooks Society, detailing the book's remarkable history. Eva's life is not her own. She is a creation, an abomination—an echo. She was made by the Weavers as a copy of someone else, expected to replace a girl named Amarra, her "other," if she ever died. Eva spends every day studying that girl from far away, learning what Amarra does, what she eats, what it's like to kiss her boyfriend, Ray. So when Amarra is killed in a car crash, Eva should be ready. But sixteen years of studying never prepared her for this. Now she must abandon everything and everyone she's ever known—the guardians who raised her, the boy she's forbidden to love—to move to India and convince the world that Amarra is still alive. What Eva finds is a grief-stricken family; parents unsure how to handle this echo they thought they wanted; and Ray, who knew every detail, every contour of Amarra. And when Eva is unexpectedly dealt a fatal blow that will change her existence forever, she is forced to choose: Stay and live out her years as a copy or leave and risk it all for the freedom to be an original. To be Eva. From debut novelist Sangu Mandanna comes the dazzling story of a girl who was always told what she had to be—until she found the strength to decide for herself.

One of thousands of children who fled strife in southern Sudan, John Bul Dau survived hunger, exhaustion, and violence. His wife, Martha, endured similar hardships. In this memorable book, the two convey the best of African values while relating searing accounts of famine and war. There's warmth as well, in their humorous tales of adapting to American life. For its importance as a primary source, for its inclusion of the rarely told female perspective of Sudan's lost children, for its celebration of human resilience, this is the perfect story to inform and inspire young readers.
