The Billionaire's Baby

From "one of the most exciting breakout novelists" (USA TODAY) comes the first novel in an irresistible new series—a spin-off of the bestselling Marriage to a Billionaire series—featuring a matchmaker who falls for a man who doesn't believe in love. First in a sizzling new series from Jennifer Probst, the USA Today bestselling author adored for her "fresh, fun, and sexy" (Romancing the Book) storytelling! In charming Verily, New York, Kate Seymour has a smashing success with Kinnections, the

matchmaking service she owns with her two best girlfriends. But Kate's more than a savvy businesswoman: She's gifted with a secret power, a jolting touch that signals when love's magic is at work. It rocked her when she picked up a strange volume of love spells in the town's used bookstore . . . and it zapped her again when she encountered Slade Montgomery, the hot-tempered- and hot-bodied-divorce lawyer who storms into Kinnections demanding proof that playing Cupid won't destroy his vulnerable sister, Kate's newest client. The only way to convince this cynic that she's no fraud, and that love is no mirage, is for Kate to meet his audacious challenge: find him his dream woman. Can Kate keep their relationship strictly business when her electrifying attraction nearly knocked her off her feet? Or has the matchmaker finally met her match?

The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone

before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates

that human emotions can be unique and universal at the same time.

From New York Times and USA Today bestselling author Jennifer Probst comes a new story in her Marriage to a Billionaire series. The Book of Spells returns in this sparkling addition to the series! She had run from her

demons... Caterina Victoria Windsor fled her family winery after a humiliating broken engagement, and spent the past year in Italy rebuilding her world. But when Ripley Savage shows up with a plan to bring her back home, and an outrageous demand for her to marry him, she has no choice but to return to face her past. But when simple attraction begins to run deeper, Cat has to decide if she's strong enough to trust again...and strong enough to stay... He vowed to bring her back home to be his wife... Rip Savage saved Windsor Winery, but the only way to make it truly his is to marry into the family. He's not about to walk away from the only thing he's ever wanted, even if he has to tame the spoiled brat who left her legacy and her father behind without a care. When he convinces her to agree to a marriage arrangement and return home, he never counted on the fierce sexual attraction between them to grow into something more. story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

I should've never agreed to this arrangement... Thirty days ago, my boss (Mr. Wolf of Wall Street), came to me with an offer I couldn't refuse: Sign my name on the dotted line and pretend to be his fiancée for one month. If I agreed, he would let me out of my employment contract with a "very generous" severance package. The rules were pretty simple: No intimate kissing, no actual sex. Just pretend to love each other for the press, even though I've secretly wanted to knock that sexy smirk off his face since the first day we met. I definitely didn't need to think twice about this. I signed my name and started counting down the seconds to when I would never have to deal with his special brand of asshole again. I only made it to one minute... We argued the entire four-hour flight to his hometown, failed to make a convincing impression with the welcoming press, and right when I was about to knock that arrogant look off his face in

real life? He purposely dropped his bath towel in front of me, distracting me with his nine-inch cock to "show me who the bigger person was" in our relationship. Then he gave me his trademark smirk once again and asked if I wanted to consummate our marriage. Tragically, this is only day one. We still have 29 more days to go...

Rowan had been Isandro Salazar's bride of convenience. But in Isandro's eyes, Rowan's decision rendered her a gold digger who had committed the worst possible crime. However, he couldn't stop her seeing her baby son—or deny that the passion between them was as raw and intense as ever....

Dante Liakos had yet another challenge to overcome in securing his business empire's future, but this one was much more personal in nature – the need for a wife and an heir. Without them, he could lose control of the empire he had

worked so hard to rebuild and expand. However, as he had found so many times before, turning a challenge into a success was about recognizing the right opportunity and acting upon it decisively. In Jayden Hart, he saw such an opportunity, enclosed in the rare combination of innocence, beauty and brilliance - a combination he couldn't resist despite his attempts to remain aloof from the relationship! Normally poised and self-assured, Jayden's world had taken an alarming turn. What initially had seemed like a nuisance was quickly becoming a significant threat to her business, her family, and her whole way of life! And she had no idea how to avoid catastrophe. Dante's suggested solution presented a potential lifeline, but with what strings attached? Would the solution be worse than the crisis that had required it? And how was she to avoid falling in love with her secret husband?

She needs a total life reboot...even if it means marrying a stranger Taya Maverick has just volunteered to marry a random Navy SEAL as part of the military's new spouse-matching program. What other choice does she have? Her former best friend killed her father and torched her house. Taya's determined to start over, but to be safe she has to disappear. The program is the perfect opportunity, complete with refuge and a built-in bodyguard. Her Navy SEAL husband can keep her safe, right? After one

spectacularly disastrous marriage, Jim Stephens nixes round two. But his commanding officer never accepts no for an order. While an injury may have sidelined him temporarily, Jim still needs to salvage his career after a mistake in combat puts him in leadership's cross-hairs. Being the first in the pilot program guarantees him his rank and eventual active duty clearance...as long as he can last the trial year. The I dos are barely uttered before Jim and Taya realize they've each miscalculated. Their sizzling chemistry might lead to bed, but neither is prepared to open their heart. And then Taya's past comes knocking...

Three billionaire brothers: Cesare, Enzo, and Dante Sabatini have everything except the one thing money can't buy. Three big beautiful women Alicia, Bethany, and Chloe will teach them the ABCs of love. Follow these couples as they negotiate the riskiest deal of all, falling in love. My biological clock has been pounding, any minute now I'm going to hit buy on the sperm that's been sitting in my online cart for the last six months.... any minute. I want to be a single mom. The last five years without a man have been the best years of my life. Except, I do want kids, six if I had my way. But if I'm doing it alone I can't really afford more than one. At least what I need I can get off a website. I had no idea men had biological clocks too, Enzo Sabatini proved otherwise. The control-freak billionaire married a

gold-digging womb to get the children he wanted, and not surprisingly it blew up in his face. With the ink barely dry on his divorce that lasted longer than his marriage, I'm tasked with finding him a new place to live. I can't believe it's really heat I see in his eyes when he looks at me. I'm nothing like his usual women, plus size compared to size zero Shock is an understatement when I see the ring. I can barely process his insane proposal of me getting the dream house and the multifamily property I want in exchange for at least ten years and two kids. Wait, what? What kind of effing proposal is that? It's not a marriage proposal it's a bargain, one with limits and terms and signed off by lawyers. I don't care how hot he is he's lost his mind. So why do I say, not yet instead of no? Is this going to be the biggest mistake of my life, or is there any way we can find a happy ever after from this dirty bargain? This is the third book in a standalone series. You need not have read the previous books to enjoy this one.
