A well-liked, respected, caring pillar of the community - or an outsider, socially inept and with a frightening appearance? Wearing many different masks, serial killers are among the most disturbing and dangerous violent criminals in existence. They are individuals who have a history of multiple murders, normally committed over a long period of time and often with periods of apparent normality in between. With their different appearances and motives serial killers are hard to identify and often much harder to understand. Yet they must be caught because the one unifying characteristic all serial killers share is their inability to feel remorse for their actions, and consequently their need to keep on killing...Some profilers believe that serial killers don't learn from their mistakes. This book explores the greed-factor that sets in and explains how killers come to think that the more they kill and get away with it, the easier it will become.

MY TED BUNDY INTERVIEWS RAW! ICONIC "CAMPUS KILLER" MURDER SCENES AND PRISON INTERVIEWS! Dr. Paul Dawson focuses on Ted Bundy's sex assaults and deadly encounters with his young women victims. Murder scenes have been recreated based on Dr. Dawson's actual prison interviews with Ted Bundy. Includes Dr. Dawson's prison interviews with Ted Bundy: which present the hair-raising and staggering confessions and livid and X-rated interview comments of the all-American psycho known as the Campus Killer. He was the all-American college boy murdering mostly all-American college girls. Bundy, a horrifying, mind-boggling puzzle, was one of the most notorious necrophilic-serial-sex killers in the American history of crime. Dr. Dawson brings his forensic-clinical psychologist's perspective to the Ted Bundy prison interviews, which he completed in 1988 and are now available for the first time. Dr. Dawson conducted a series of interviews with Ted Bundy, poster boy for mass-murder monsters, in 1988 while he was on Death Row in the Florida State Prison at Starke, Florida. Bundy, a slick psychopath without a conscience, was executed in January 1989. Dr. Dawson provides a rare, exclusive, thrilling, sometimes amusing, and gripping investigation and assessment inside the treacherous, labyrinthine mind of this infamous-serial-sex killer. Bundy's despicable charisma, the horror of his vicious-night-stalker, serial-sex-killer rampage, is revealed in depth. Dr. Dawson, in these interviews, exposes Bundy's darkest secrets, elicits rape-murder confessions from Bundy, and confronts the murderer of 30 to possibly over 100 young women and girls by probing his mind, examining and challenging Bundy's defenses. Bundy, an enigma, finally answers questions about his devious-sex crimes suppressed for many years. Some psychological theories to shine valid, logical light on Bundy's repulsive, depraved, ghastly crimes of assault-abduction, torture-rape, mutilation, murder-necrophilia, dismemberment, and cannibalism - at times he ate their flesh. CHARLES MANSON: MY CHARLES MANSON PRISON INTERVIEWS by Dr. Paul Dawson. Through prison interviews with Charles Manson, Dr. Dawson reveals the secrets of Manson's desert commune and murder cult, which was active in the late 1960s and early 1970s. Charles Manson led the Manson Family cult, which consisted of 20-30 hardcore members and ranged up to 100 followers, including mostly girls, often underage girls. The Manson Family lived a strange, avant-garde lifestyle involving petty crime, wild sex orgies, daily use of hallucinogenic drugs, marijuana, brainwashing, and drug dealing. Charles Manson was guilty of sex assaults, mental and physical abuse. The hippie-style sex, love, and New Age psychobabble transitioned over months into a paranoid, dark vision. Charles Manson ordered his followers to commit mass murders. The forming of the Manson Family is discussed, which was 5:1 girls-to-guys. A particular emphasis is on the development and life passages of the young women in the Manson Family. Many of the girls Manson recruited for his hippie-murder cult seemed to be wild-and-crazy teenagers, hippie girls stoned on drugs, with parental issues, and identity-crisis turmoil, which Manson exploited. Dr. Dawson conducted a series of interviews with Charles Manson, poster boy for killer-cult leaders, in September 1988 while he was incarcerated in San Quentin State Prison, San Quentin, California. Dr. Dawson provides a very rare, sensational and spellbinding investigation and assessment inside the treacherous, enigmatic mind of this infamous icon of criminal evil. TWISTED LOVE & MURDER 3: CHARLES MANSON'S GIRLS, JODI ARIAS & KARLA HOMOLKA by Dr. Paul Dawson (third in a series of three TWISTED LOVE & MURDER books): 1) Reveals the fascinating issue of young women and teenage girls who fall in love with men. 2) Then murder results for various reasons. Jodi Arias was obsessed and stalked Travis Alexander and viciously murdered him. Dr. Dawson explores and scrutinizes the Jodi Arias and Travis Alexander train-wreck relationship, which spiraled down, out-of-control, smashed personal boundaries, and crashed in an orgy of bloody murder. Dr. Dawson conducted prison interviews with Karla Homolka and presented a forensic-clinical psychologist's analysis and detailed scrutiny of Karla Homolka. The MASKS OF KARLA HOMOLKA - MY INTERVIEWS WITH KARLA HOMOLKA: THE "KEN AND BARBIE" SEX KILLER! by Dr. Paul Dawson presents a forensic-clinical psychologist's analysis and detailed scrutiny of Karla Homolka. Karla was the significant other in a notorious, degenerate serial-sex-killer couple known as "The Ken and Barbie of Murder and Mayhem" operating from 1990 to 1993 out of Ontario, Canada. Additionally, Karla's partner in crime, Paul Bernardo, had a sideline activity as a serial rapist - he was the mysterious "Scarborough Rapist" who raped dozens of young women. Karla and Paul kidnapped, tortured, raped, mutilated, and murdered several pretty teenage girls. While Bernardo was convicted of the rapes and sex-murders and got a life sentence in a maximum prison, Karla managed a sweetheart "deal with the devil" to escape serious punishment. Karla Homolka did some easy time in a "Club-Fed" Canadian prison and was released in 2005. She now enjoys a fairy-tale ending with a new husband and three kids on a tropical Caribbean island. Graphic, shocking, and detailed secrets of sex, kidnapping, torture, rape, murder, lies and videotape are revealed in interviews in this book. Sensitive readers are warned that this book includes graphic descriptions of sex crimes and blood-thirsty sex killers' depravity. You should brace yourselves for a bumpy ride exploring the dark side behind Karla and Paul's bond, picture-perfect wedding, and marriage. TWISTED LOVE & MURDER: CHARLES MANSON'S GIRLS, JODI ARIAS & KARLA HOMOLKA by Dr. Paul Dawson (first in a series of three TWISTED LOVE & MURDER books) reveals the fascinating issue of young women and teenage girls who fall in love with men and then murder results for various reasons. Maybe the young lady, Karla Homolka, for example, was forced to participate in murder, pressured by the man she loved. Charles Manson's girls seemed to have been drugged, brainwashed and obeyed his orders because he was an authority figure. Jodi Arias seemed to have murdered her lover because he had rejected her as a potential wife and she was in a jealous rage. Or did Jodi's lover abuse her as she claimed in her murder-trial defense? Jodi Arias was obsessed and stalked Travis Alexander and viciously murdered him. Dr. Dawson explores and scrutinizes the Jodi Arias and Travis Alexander train-wreck relationship which spiraled down, out-of-control, smashed personal boundaries and crashed in an orgy of bloody murder. My Ted Bundy Interviews Raw!

TED BUNDY'S SEX LIFE: My Prison Interviews with The Serial-Sex Killer by Dr. Paul Dawson reveals a special emphasis on Ted Bundy's sex life and analysis of Ted Bundy's female victims. Bundy's sex life involved sadistic pornographic images and fantasies, Peeping Tom activity, kidnapping, rape and sadistic-sex murders of young women and girls. This "must read" true crime book focuses on Ted Bundy's sex assaults and murderous encounters with his young women victims. Murder scenes have been recreated based on Dr. Dawson's actual prison interviews with Ted Bundy. Prison interviews are included which present the hair-raising and staggering confessions and livid and X-rated interview comments of the all-American psycho known as the "Campus Killer." He was the all-American college boy murdering mostly all-American college girls. Bundy, a horrifying, mind-boggling puzzle, was one of the most notorious necrophilic-serial-sex killers in the American history of crime. Dr. Dawson brings his forensic-clinical psychologist's perspective to the Ted Bundy prison interviews which he completed in 1988 and are now available for the first time after 30 years. Dr. Dawson conducted a series of interviews with Ted Bundy, poster boy for mass-murder monsters, in 1988 while he was on Death Row in the Florida State Prison at Starke, Florida. Bundy, a slick psychopath without a conscience, was executed in January, 1989. Dr. Dawson provides a rare, exclusive, thrilling, sometimes amusing, and gripping investigation and assessment inside the treacherous, labyrinthine mind of this infamous-serial-sex killer. Bundy's despicable charisma, the horror of his vicious-night-stalker, serial-sex-killer rampage is revealed in depth. Dr. Dawson, in these interviews, exposes Bundy's darkest secrets, elicits rape-murder confessions from Bundy and confronts the murderer of 30 to possibly over 100 young women and girls by probing his mind, examining and challenging Bundy's defenses. Bundy, an enigma, finally answers questions about his devious-sex crimes he's suppressed for many years. Some psychological theories are presented to shine valid, logical light on Bundy's repulsive, depraved, ghastly crimes of assault-abduction, torture-rape, mutilation, murder-necrophilia, dismemberment and cannibalism - at times he ate their flesh. Dr. Dawson earned a Ph.D. in psychology from The New School for Social Research, Graduate Faculty in New York City;

Perfect for fans of Making a Murderer and The People v. O. J. Simpson, Invisible Darkness is the story of one of the more bizarre cases in recent memory—killings so sensational that they prompted the Canadian government, in the interests of justice, to silence its national press and to lock foreign journalists out of the courts. To all appearances, Paul and Karla Bernardo had a fairytale marriage: beautiful working-class girl weds bright upper-middle-class guy and they buy a fashionable dream house in the suburbs. But, bored with his straight, prestigious accounting job, Paul soon went freelance as an international smuggler. He also revealed his boredom with conventional sex—enough so that, one Christmas Eve, he persuaded his wife to drug her own sister and engage in a menage a trois, during which the sister died (a bungling coroner ruled her death accidental). The couple then upped the ante, kidnapping and imprisoning several high school girls for sexual marathons, which they videotaped before savagely murdering their captives. When the girls' bodies were found, the police were stymied (although Paul had been accused of rape and given a DNA test that vanished for two years and only recently was linked to some fifty sexual-assault cases) until Karla tried to have her husband arrested for wife beating. During questioning, she confessed to the crimes and is now serving two concurrent twelve-year sentences for manslaughter in exchange for testifying against her husband, who was jailed for life.

"WARNING- This book contains police and court transcripts of audio and descriptions of extremely graphic sexual violence contained in videotapes made by the perpetrators." Paul Bernardo and Karla Homolka were so perfectly iconic as a newlywed couple that they were dubbed "Ken and Barbie". But their marriage had a dark side involving sex, death, and videotape. The 'perfect couple' first raped and murdered Karla's little sister and then kidnapped teenage schoolgirls whom they enslaved, raped, tortured and killed while gleefully recording themselves on video doing it. Vronsky will take you on the journey from the Scarborough Rapist (Bernardo) to Bordelais (Homolka's current last name) and her return to Canada in October, 2014 from the island of Gaudeloupe where she lived for several years with her husband and three children. This is how it all began, the story that captivated the Nation and became one of the most Infamous Crimes of the Century. This was the story of Caylee Marie Anthony, a beautiful child taken way too early. When all was said and done, nobody paid for the crime, nobody was incarcerated or accused, and Nobody knew the truth. Or did they? There was a story that went UNaEUR"published of a young gentleman who became deeply attached to the case that just might know the truth to it all. His story was so factual he nearly became a suspect for his knowledge of how she died, where she would be found, and most importantly, who killed her. He knew some of the smallest details that only someone who committed the crime would know. How you ask? That's where the story gets interesting! Here's the True Story from Keith Destine Williams, Lead on a journey he never saw coming

FACES OF TED BUNDY: MY PRISON INTERVIEWS WITH BUNDY by Dr. Paul Dawson (New edition of MASKS OF TED BUNDY) presents the shocking confessions and sensational interview comments of the all-American psycho, Ted Bundy. He was the all-American boy murdering all-American girls. Bundy, a chilling enigma, was one of the most dangerous sex predator-deviants and serial-sex killers in the American history of crime. Dr. Dawson brings a clinical psychologist's perspective to the Ted Bundy interviews which he completed in 1988 and are now available for the first time after 25 years. Dr. Dawson conducted a series of interviews with Ted Bundy, poster boy for serial-sex killers, in 1988 while he was on Death Row in the Florida State Prison at Starke, Florida. Bundy, a psychopath without a conscience, was executed in January, 1989. Dr. Dawson provides a rare, exclusive, exciting and fascinating investigation and assessment inside the dangerous, paradoxical mind of this notorious serial-sex killer. Bundy's sordid mystique, the horror of his homicidal night-stalker, serial-sex killer rampage is explored in depth. Dr. Dawson, in these interviews, reveals Bundy's darkest secrets, elicits rape-murder confessions from Bundy and confronts the murderer of 30 to possibly over 100 young women and girls by probing his mind, examining and challenging Bundy's rationalizations. Bundy, a conundrum, finally answers questions about his mysterious crimes he's suppressed for many years. Some psychological theories are presented to shine valid, logical light on Bundy's repulsive, depraved, ghastly crimes of assault-abduction, torture-rape, mutilation, murder-necrophilia, dismemberment and cannibalism - at times he ate their flesh. Dr. Dawson earned a Ph.D. in psychology from The New School for Social Research, Graduate Faculty, New York City. Dr. Dawson has been chief psychologist of a state prison system, clinical psychologist in mental hospitals, clinics and in private practice.
