along with her twin sister and her cousins, Miss Felicity Wylde has set out for London under the less than watchful eye of her eccentric aunt for one final season and one last chance to catch a husband. But her sister has convinced her it's also a last chance for adventure. Goaded into attending a scandalous party, Felicity soon realizes her mistake. The women present are not ladies and men, though titled, are far from gentlemen. Closeting herself in the study, she hides there only to find herself trapped when a quarreling couple

invade that space. Lord Phinneas Merrick attended Lord Hadley's bacchanal as a means to an end. His entire relationship with the notoriously hot tempered cyprian, La Belle Rose, had been a carefully crafted ruse to gain entree to a particular set and ferret out a blackmailer in their debauched midst. But when he discovers a shockingly innocent young woman hiding in the study where his entanglement with the infamous demirep has come to a crashing end, he knows that the first order of business must be to remove

***her from that house before the unthinkable happens. But he can't wash his hands of her so quickly. Not when the blackmailer has them in his sights. With her reputation and his honor hanging in the balance, Phin must convince her to a very public and very fake betrothal. There's only one problem... the longer their fake betrothal lasts, the more he desperately wants to make her his. FOR FANS OF:

elopement scheme by an unscrupulous man left her reputation in tatters. But having moved from paragon to pariah, Olivia realizes that there is no reason for her to continue abiding by society's mandates. In fact, she decides to embrace her scandalous nature and do the very thing she's been accused of... take a lover. The man she's chosen is one she's secretly loved for years, but she'll need to employ the aid of an unlikely ally to carry it off. Lord Burke, Viscount Holland, has loved Olivia for years. He even offered for her once, only to be

summarily dismissed by her older brother, his oldest friend. With his pride still stinging, Burke is confronted with the horrible truth that Olivia had never rejected him at all. Her brother never told her of Burke's interest in her. But if he tells her now, she'll take it for pity and reject him out of hand. The only way to make her his wife is to first accept her offer to be his mistress. But not everyone wishes to see the couple achieve a happy ending. Some will do whatever it takes to keep them apart. Can true love prevail or will pride and greed

conspire to keep them apart forever?

On the surface, Kaitlyn DuChamps is everything Grant Ashworth despises—a spoiled heiress with a bad attitude serving out her sentence on the farm as she tries to meet the terms of her uncle's will. Brat or not, there's no denying that she's beautiful. Even as they snap at one another, he wants her, and it doesn't take long for him to realize that there is far more to Kaitlyn than she wants the world to see. Kaitlyn wears her bad attitude like the armor that it is. She forged it herself from

the ugliness, from the pain and betrayal of her past. No one gets in, no one sees the real her, and no one gets past her carefully constructed defenses. Even as she gives in to the heat between them, to a passion with Grant unlike anything she has ever experienced, Kaitlyn tries to keep her emotional distance. But Grant sees through her, digging at her secrets, chipping away at the walls... and when her past comes calling, she has to decide just how much she trusts him. her uncle's amorous advances and his sermons, both of which are dished out in equal measure. Out of desperation, she accepts an offer of marriage from a man she has never met. Married by proxy, she travels to his home and at her first sight of it, begins to wonder if perhaps she has not made a terrible mistake. Dark, ominous, foreboding—that description fits both Darkwood Hall and her new husband, Lord Albus Griffin, Viscount Darke. Griffin had vowed never to marry, but the terms of his meddling aunt's will have left him no other option if he intends to preserve Darkwood Hall

Cam Montgomery is a single full time dad who knows his priorities: his kids, his job, his team, his side business. Dealing with his disaster of an ex-wife is bad enough, not to mention delinquent football players and a meddlesome mother. Cam doesn't have the luxury of time for anything more, especially a relationship. Even if it is sassy-wiseass Paige Carpino, who can still be sweet, but at every turn knocks him on his ass with the unexpected. That's figuratively speaking of course. Paige might come in a small package, but she

She's never put herself out there, but then again, there's never been anyone worthy of putting herself out there for. Until one day in a burger joint, an asshole practically enters her into a wet t-shirt contest with his drink. Who knew a wet t-shirt could be the beginning of your life. Or more importantly, that asshole would be your reason for being. But anything and all of the above can happen when

Proposal is the only one a woman really needs.

A high-born lady of scandalous origins meets a Highlander with seductive designs in this “thoroughly satisfying Regency romance” (Publishers Weekly). The illegitimate daughter of the Prince Regent might be expected to pursue various dubious professions—actress, artist's model, or even courtesan. Victoria Knight, however, has become a governess. It's a respectable choice, until she travels to Scotland to meet her new charges. The younger brothers of Nicholas Kendrick, Earl of Arnprior, aren't children at all.

They're brawny, wild Highland men. As for the Earl, he's handsome, guarded, and far too compelling . . . especially for a woman with a dark secret. Nick's unmarriageable brothers require civilizing instruction, while Nick needs a sensible wife. Miss Knight seems to fit the bill on both counts. But he soon discovers there is more to Victoria than he thought. It's not just her notorious origins, or the danger that's followed her all the way to Scotland. It's the fiery loyalty beneath that sedate façade. The real Victoria, is the woman Nick is starting to desire desperately. And what an earl wants, he'll use

In short, they would pity her if they were not so utterly confounded by the fact that she doesn't have any desire to change anything about herself. Except her circumstances have altered, and rather than just being poor, now her entire family faces the possibility of debtor's prison if she does not find a husband who possesses both a fortune and a generous nature. But neither of those things enters her mind

her ordeal in his home, the truth slowly emerges. Their pasts are intermingled, the intrigues and mysteries of their lives are connected and hide unspeakable horrors committed by common enemies. As they work together to reunite Mary with her brother and to prove Alex's innocence, their feelings for one another only grow more complex and more undeniable. However, the course of true love never does run smooth, and there are more obstacles and dangers ahead of them than behind...

things. It seemed the only way to deal with his overdramatic, greedy family. When he falls ill and no doctor in London can diagnose him, he returns home to Grace Hill in search of a physician who can—or to set his affairs in order. Arriving at the doctor's home, he's surprised to encounter the doctor's daughter Laura, a young woman he last saw when he was warning her off an attachment with his cousin Graeme. Alas, the doctor is recently deceased and Laura is closing up the estate, which must be sold off, leaving her penniless. At this, James has an inspiration: why not marry the damsel in distress? If his

last hope for a cure is gone, at least he'll have some companionship in his final days, and she'll inherit his fortune instead of his grasping relatives, leaving her a wealthy widow with plenty of prospects. Laura is far from swept off her feet, but she's as pragmatic as James, so she accepts his unusual proposal. But as the two of them brave the onslaught of shocked and suspicious family members, they find themselves growing closer. They vowed, "until death do us part"...but now both are longing for their marriage to be more than momentary in this evocative romance, perfect for fans of

An impoverished spinster, Miss Augusta Penworth is not living the life she had once envisioned for herself. Beset by a series of tragedies that altered the trajectory of her life beyond measure, she struggles to get by, sharing a small house with another gently bred woman in similar circumstances. When Hugh Elliott, Lord Elwynn, comes crashing back into her life, reminding her of the hopes and dreams she'd once had for her future, Augusta is torn. She wants to believe that she can still claim the life and the love that she'd once been promised. But fear is an

ugly thing, and when it's accompanied by severely wounded pride, it can be insurmountable. Recently widowed after twelve long years in a miserably unhappy marriage that he'd never wanted, Hugh is determined to no longer live a life based solely on duty. He wants the things he'd allowed societal and familial pressures to deny him... the happiness of being with the one and only woman he's ever loved But Augusta has little trust of him and with good reason. He broke her heart and left her humiliated in the eyes of their peers. If he cannot achieve the Herculean task of convincing her to forgive him

and risk her heart on him once more, will they live out the remainder of their lives wondering what might have been?

His childhood nemesis... ..is the woman he can't resist! Miss Penelope Dennings grew a conscience and made an enemy. By confessing her role in the events that nearly destroyed the marriage of Lord and Lady Mayville, she helped to bring them back together... but it has cost her everything. Her friends have turned their backs on her and she is all but a pariah in society. Theo Blake, Lord Ralston, is a man who needs a wife. Any wife. His title and entailed estates are secure,

but a significant inheritance hangs in the balance if he remains a bachelor. There's only one problem. He's too nice. Handsome and even rich, when compared to the rogues, rakes and general bad boys of society, there is really no comparison. All the eligible ladies simply look over him as if he were completely invisible. But invisibility gives him a unique insight into Miss Dennings terrible situation. So Ralston makes her an offer—one she cannot refuse. But not everyone wants to see them settled in a happy union. Jealousy is an ugly and destructive force and Theo, for the first time in his life,

A Momentary Marriage

Quentin

Lord Victor Mayhew,

Viscount Norcross, lives in the shadows, hiding his scarred face from those who would fear him... or worse, pity him. He's become accustomed to the dark, and to the aching loneliness

that is his only and constant companion. But while traversing the city in the dark of night, he encounters a beautiful woman who is running for her life. Lady Thessaly Shade has discovered that the prettiest of faces can hide the ugliest of hearts. While Lord Norcross keeps his face carefully concealed from her, he cannot hide the fact that he is a man of honor, a man for whom the word gentleman is a way of life and not merely an honorary title. With no way to repay him for his kindness, for his courage in

aiding her at great risk to himself, Thessaly bargains with the only thing she possesses of value... herself. Can she convince him to trust her, to believe that she can see beyond the scars he bears to the man he is? Or will he push her away out of fear and retreat into the loneliness that he knows so well? The Beast of Bath is a 30,000 word novella previously published in the Wicked Fairytales Anthology. Sinclair Wortham, Lord Mayville is a man haunted by the sins of his family and by the rejection of the

woman he once loved. Seeking solace from his loneliness and an escape from the secrets hidden within the crumbling walls of his family home, he heads to the local tavern for some company and truly atrocious brandy. But Sinclair makes a terrible mistake. After a brief foray outside, his drunken wandering does not lead him back to the inn and the very willing serving girl who awaits him there. It leads him, instead, to the vicarage next door... and to the vicar's plain daughter, Althea Parker. Althea is

used to being forgotten. She is used to being ignored. She is also very much used to loving Lord Mayville from afar while being utterly certain he has never glanced her way. But when he drunkenly stumbles into her bedchamber one night, she's stunned. So stunned that she screams down the rafters, bringing her father and patrons from the nearby tavern running. Now they are trapped, forced to marry and forced to make the best of a situation that neither of them wanted—at least not in that way. But

there is one universal truth... We rarely get what we want in life, but fate has a way of giving us what we need.

Spencer, Lord Wolverston and newly named Earl of Kinraven, has found peace in the wilds of Scotland. Free from the torment of seeing the woman he desires above all things but can never have, he's slowly finding his footing in the world again as he attempts to restore the impoverished estate. But that new found peace comes crashing down around him when the source of his misery arrives

on his doorstep, half frozen and injured from a carriage accident. With no other option, he opens his home to her, knowing that his heart will soon follow, whether he wishes it or not. Miss Larissa Walters has fled London, seeking out the bastion of safety and security that has always been Lord Wolverston. Spencer saved her once before and she's counting on him to do so again when an old threat returns. But as she convalesces within the dark and gloomy walls of Kinraven, she soon realizes that she isn't the

only one in danger. There are dark forces at work at Kinraven. An ages old curse that has systematically destroyed every heir to the earldom has taken hold of Spencer. In order to save him, she'll have to conquer the thing she fears most... love.

Love begets madness. Viscount Locksley watched it happen to his father after his cherished wife's death. But when his sire arranges to marry flame-haired fortune hunter Portia Gadstone, Locke is compelled to take drastic measures to stop the

stunning beauty from taking advantage of the marquess. A marriage of mutual pleasure could be convenient, indeed . . . as long as inconvenient feelings don't interfere. Desperation forced Portia to agree to marry a madman. The arrangement will offer the protection she needs. Or so she believes until the marquess's distractingly handsome son peruses the fine print . . . and takes his father's place! Now the sedate—and, more importantly, secure—union Portia planned has been tossed in

agrees, naturally.... for a price. After all, as a younger son, he has to make his own way in the world. If that means convincing a gaggle of spinsters in the throes of senility that their ancestral home isn't haunted, he's game for it. But when he arrives at Evenwold Manor, the woman who greets him looks like no spinster he's ever encountered. And the ghosts prove a great deal more real than he ever imagined. But if investigating the haunting gives him an excuse to remain in her presence, he'll do it happily and for as long as he is able. Lady Anne Everleigh had more

problems than she knew what to do with. Between her aunts dabbling in what they liked to call the craft, and a neighbor who was a bit too zealous in his pursuit of her and his interest in the reported treasures hidden at Evenwold, she was forced to seek outside assistance. When she asked her nephew for help, she'd assumed he'd have a talk with the Squire and put him in his place. Clearly, they'd prioritized her list of problems differently as he'd sent a man to investigate the growing ghost problem at Evenwold. No, not a man. A rogue. A charming, impossibly

But the danger she faces is as much from the living as the dead. There are dark and unnatural things lurking within the walls of Cysgod Lys and on the moor that flanks it. They've made their presence and their power known to her. But Adelaide will not be ruled by fear and she will not simply give in to it. She means to fight for her home and for her husband, no matter what may come.

The third installment of the Dunne Family Series, The Other Wife, is the exciting conclusion of this Regency Novella series. Aurora Sefton, Lady Sheffield, has been a widow for almost as long as she was a wife. Of the two states, widowhood has always been much preferred. She lives independently, enjoying her freedom, her wealth, and her occasional lovers. Then she's asked for a favor from an old friend... to take the unexpected heir to a dukedom that had very nearly gone extinct and turn this rough laborer into a gentleman. But Gavin Barreton, The Duke

of Westerhaven, is much more than she ever bargained for. As their relationship takes a decidedly intimate turn, she vows not to be led by her heart. But there are things in life that are beyond anyone's ability to predict or control... and love is certainly one of them. Gavin never intended to fall in love with the woman who was attempting to transform him into the proverbial silk purse. He certainly never thought she'd fall in love with him, a rough and tumble brawler from the streets suddenly burdened with a title. He wants nothing more than to marry her. In
