

The Monster How A Gang Of Predatory Lenders And Wall Street Bankers Fleeced America And Spawned A Global Crisis

Can the gang save the world before it’s too late? When it comes down to adults versus kids, who’s going to believe the kids—even if they are geniuses? That’s the problem the A.I. Gang faces when they find themselves locked in a death-defying final showdown with the mysterious Black Glove. Contending with danger and disgrace, the team fights on with only the help of a mysterious friend to give them an occasional clue. But these six kids just can’t give up. Would you, if you were the only thing standing in the way of a high-tech horror that could spell destruction for the entire planet? This ebook features an illustrated personal history of Bruce Coville including rare images from the author’s collection. At the time, the 8th Day Era of America was seen as enlightened. It stood as a testament to scientific advancement and of man’s triumph over nature and instinct. Violent crime was relegated to the history books. Viewed as nothing but a barbaric scourge of the past. Murder went extinct, it had been cured. Mickey Moore grew up in this sanitized version of America. He was a drifter and a small-time cheat. As Mickey matured, he sharpened his con-game, and got by on the misfortunes of others. But trickyer and dumb-luck eventually betrayed Mickey, and he found himself broke and homeless as he approached middle age. Destitute and desperate, Mickey was hitching a ride across the New Mexico desert when fate shoved a new path before him. Under the bright rays of a dying sun, Mickey saw the impossible, he witnessed a murder. Shocked still in disbelief, he marveled at this primal display of man’s feral past. The violence before him came at Mickey like a revelation. He was frightened, terrified in fact, but the con-man in him saw an opportunity. The sensation that Mickey felt was so strong, he felt as it awakened areas of his mind that the 8th Day Era’s medicine had put to sleep. To package and sell such an experience was a million-dollar idea, and for the first time, Mickey actually believed in something. He would erect CrimeSpree, an amusement park, an interactive museum of man at his worst. Mickey’s venture offered the American public the chance to participate in violence once again. At CrimeSpree, customers paid to play the parts of the victims of violent crime. It was all scary and lecherous fun, as a bored and uninspired public lined up to take part in the charade. But the fun and the games eventually put out the proverbial eye. The monster that Mickey created came to life and it dug human instinct out of the grave. The past was coming back around again. It was coming for America, and it was coming for Mickey.

Don't be scared Mom and Dad. Mr. Sam's monsters are friendly. Take a reading journey with your child through Monk's world where all sorts of happy-go-lucky characters hang out. Pursuing his lifelong passion to be an author, Mr. Sam - a.k.a. Sam Ward - has put together one of the most innovative and engaging reading books of our time. His creative approach to beginning reading is matched by his dynamic illustration ability. This is not a traditional ABC book. A few years ago, the author's son was diagnosed with a language disability. The writing of this book is an attempt to understand and communicate with him. The process led down a path of discovery of tools that can benefit all beginning readers. Kinda dead. Straight-up psycho. Totally obsessed with her. I did a bad, bad thing. Thanks to a blank in my memory, I'm not sure what that thing was, but it was horrible enough to get me locked up in the mental ward for seven years. Horrible enough that my little sister won't even speak to me. But when I'm released back into a town determined to rub my unknown sins in my face, the past isn't the only thing that's haunting me. The four "imaginary" friends who made my childhood bearable barge into my life in a very real way. They're crude, criminally inclined, and more than a little unstable after ages trapped in afterlife limbo. All they want is to protect me. Worship me. Avenge me. So they'll bludgeon, maim, eviscerate-tear a strip of havoc right through this sleepy town. Even rise from the dead. Maybe I'm still not all that sane either, because part of me finds them strangely appealing. In ways very different from how I felt as a kid. And that's not the only strangeness stirring inside me... I promised myself I'd stick to the straight and narrow from here on. But what if the only way to set things right is to get a little ghoulish? *The Stalking Dead is the first in a darkly humorous new paranormal romance series by bestselling author Eva Chase. If you love sarcastic heroines with unexpected powers, obsessive supernatural men who'll do anything to defend their woman, and plenty of mystery and mayhem, dive right in!*

Monk's Monster House
Meticulous Malice
Forever Begins Tomorrow
Divinity
Upir and the Monster Gang

Written in solitary confinement, the author's memoir of 16 years as a gangbanger in Los Angeles makes palpable the despair and decay of America's inner cities and gives eloquent voice to one aspect of the black ghetto experience.

Edna Davies is angry and worried. "Innocent until proven guilty" is the way our justice system works, but apparently not the way people react. Rose Beck was questioned repeatedly after the death of her husband, but she was never arrested, never charged. When Edna's nine-year-old granddaughter meets and befriends Rose's daughter, Edna must examine her own feelings. By ignoring the rumors, she may be endangering her family. If she were to shun the woman for no cause, she'd be going against her every instinct. A second death propels Edna into action as she is forced to seek the truth or face the consequences.

From a man who kept his girlfriend in a closet to a young woman who washed ashore in Long Beach, Long Island has a colorful history of murder and mayhem. Gail Rough-Stratford has always had a fascination with murder. Even as a child, she would clip news stories and save them in a shoe box under her bed. Presented here are some of those same stories, with tales of the Amityville Horror, the Railroad shooter, young woman who arranged a murder during home room and many more. Gail Rough-Stratford is an English professor on the lovely, and dangerous, Long Island with her husband of 36 years and their two Yorkies, Max and Millie.

Conrad is a huge and fluffy dog with brown fur. Harry is a tiny, hairless lizard with rubbery skin. They are best friends. On a cloudy day like today, Conrad and Harry like to lie down on the ground to watch the clouds. So turn the page and find out what happens.

Mickey and his friends decide to form a club called the Monster Gang, whose members dress up as monsters and meet in a treehouse.

The Final Book In The Divinity Saga The Earth is breaking open. The wall between the Spirit and Human realm has begun to shatter, allowing darkness to seep in and converge like an epidemic. The End Has Begun... Even after setting everything in motion by attacking Morning Star first, Cam`ael finally has everything that he's ever wanted in his existence; Starling's love and a family. Cam`ael's happiness is short-lived when he's finally given the harsh and inexplicable truth about why Starling has always been such a unique Chosen. A Fiery Will... Shortly after giving birth, Starling begins to realize what must be done in order to save the world and the future of their children. But having made the the promise to Cam`ael of never sacrificing herself for him, how can she risk it? While the Elders and other warriors see her as a traitor, her friends begin to see her as something more. In every battle and every war there will be sacrifices and betrayals, but if darkness prevails- light will cease to exist.

Dr. Jeffrey J. Caswello U.S.A. leading Dental Surgeon, humbled man, came from humble beginning's, bred from his father to become a great Dentist, his father a great man would have been a great dentist , but lack of education, prohibited him, but Jeffrey took his teaching's and became a legend, and he became the Nation's biggest Mafia Boss, he lived two lives his family never knew behind other doors he was, murder's, racketeering, illegal gambling, prostitution, this is his story of good to bad, he has his demons, this is his confession's, care to listen?

"Blimp, blop, blimp, bloop. Suzy gripped her sheets tightly. Was that noise coming from under her bed?" Helps Children Banish Bedtime FearsSo begins Suzy's adventure where she meets Karrit, another child, and one that lives far under her bed. The two children banish their bedtime fears and become best friends by treating each other the way that they want to be treated.A Fear of Monsters is CommonA fear of monsters under the bed is common with children of all ages, starting with a vague sense of the unknown with younger toddlers and graduating to perhaps a more solid image in the minds of older children.The Monster on Top of the Bed flips the idea around, like the famous Disney Movie Monsters Inc., and bases the story on the concept that it's the monsters that are actually afraid of the children.The Children Model The Golden RuleIn this beautifully illustrated book we meet two children--Suzy and Karrit, and we discover that sometimes things are not always what they seem and when the monster fears the child, we come to see a different perspective on misunderstandings and ignorance.We also discover that it is easy to misinterpret the meanings of words and actions, when Karrit explains to Suzy that certain things she says and does, frightens him.Although the words, "The Golden Rule" never appear in the book, the way the two children treat each other as though they would like to be treated enable the two of them to work together to work out their differences. A friendship forms, and a new light is shed upon them both when they realize that maybe they aren't so different from each other after all.A Mantra that Banishes Nighttime FearsWhen things get scary, both children use Grandmom's mantra, which is highly effective in banishing monsters, ""You're welcome to stay until I say, 'Nay!' Then it's time to go, and you can't say, 'no.'""This is an empowering bedtime story. The multimedia edition contains a link to an .mp4 file that features the same audio tracks in the CD version. Children can listen to the story being read by four narrators who read the story in English, Spanish and Italian. There are page turning sounds to let the child know when to turn the page. There are slight differences between the words in CD version and the Kindle version. Children like the challenge of finding the differences.In addition to reading the story, the multimedia kindle edition also contains bonus material, including an interview with the illustrator, and other stories and poems written by the author.Order Copies For Yourself and Your Friends...It's perfect for three to six-year olds, and six-to-twelve year olds (who are sometimes still afraid of monsters) find the story charming and enjoy reading it to their younger siblings.

The Autobiography of an L.A. Gang Member

Little Orphan Annie and the Gila Monster Gang

My Name Is Cinnamon

The Monster Gang

Murder by Arrangement

Ran for seven years and 46 thrilling issues, showing the hard-fisted underworld and the brave lawmen who worked tirelessly and bravely to stop them. This comic was not afraid to scare the reader a little, to make him wince, to make him wonder if maybe this was the time the bad guy would win. The comic reprints from are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. Many people enjoy these authentic characteristics

Esref, my best friend and hero, was ordered by a magistrate to live in an Istanbul children's home. His angry mother and deviant step-father are trying to stop him from changing the world. Will he remain a lonely and troubled little boy? Will Istanbul devour him or nurture him? Another small question that's been nagging me for the past fifty or so years... was my best friend a serial murderer? Come with me on a magical flying carpet ride over, in and under Istanbul as I try to discover Esref's fate. You believe in fate, don't you? Come with me and explore your deeper and darker self. Can you taste the vanilla in the air? Can you feel cinnamon? Esref, Tarsin and I promise you a magical adventure for the good of the rest of your life. You do believe in magic, don't you? And serial murder?

Gather round close, for I have a secret to tell.Late at night, while everyone is sleeping, dreaming of white knights and fairytales. I'm making friends with the monsters. They call to me, like finds like, right? My biggest secret, I'm the scariest monster I know. I think I'm the bad guy. MFMM Reverse Harem novel with adult themes not recommended for those under 18.

Who killed the economy? A page-turning, true-crime exposé of the subprime salesmen and Wall Street alchemists who produced the biggest financial scandal in American history "It's hard to have a guilty conscience if you don't have a conscience. Anything that benefited production - that benefited me and benefited my wallet - I'd do it." The sales force at Ameriquest Mortgage took this philosophy to heart. They watched the Hollywood white-collar-crime flick "Boiler Room" as a training tape, studying how to pitch overpriced deals to unsuspecting home owners. They learned how to forge signatures on mortgage paperwork and create fake documents in "cut-and-paste" operations they dubbed "The Lab" or "The Art Department." In this stunning narrative, award-winning reporter Michael W. Hudson reveals the story of the rise and fall of the subprime mortgage business by chronicling the rise and fall of two corporate empires: Ameriquest and Lehman Brothers. As the biggest subprime lender and Wall Street's biggest patron of subprime, Ameriquest and Lehman did more than any other institutions to create the feeding frenzy that emboldened mortgage pros to flood the nation with high-risk, high-profit home loans. It's a tale populated by a remarkable cast of characters: a shadowy billionaire who created the subprime industry out of the ashes of the 1980s S&L scandal; Wall Street executives with an insatiable desire for product; struggling home owners ensnared in the most ingenious of traps; lawyers and investigators who tried to expose the fraud; politicians and bureaucrats who turned a blind eye; and, most of all, the drug-snorting, high-living salesmen who tell all about the money they made, the lies they told, the deals they closed. Provocative and gripping, The Monster is a searing exposé of the bottom-feeding fraud and top-down greed that fueled the financial collapse.

Friends With The Monsters

Realm of Annihilation: Book Four

And... Never Again

The Autobiography of an L.a. Gang Member

Do or Die

A young boy, his loyalties torn between the old world and the new, fights to save his family as he faces the monsters without, and those within.

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help.

Operation Katie Saves her Own Damn Self is officially on.

One of L.A.'s most notorious gang leaders takes readers inside the world of gang wars, recounting his ascension through the gang hierarchy, surviving attacks by rival gangs, and life in prison.

"Coming from a long line of highly respected vampires, Upir knew that going to Neewollah, the Monster Mausoleum, would help him live up to his family's reputations, but he never anticipated the terrifying turn his stay there would take.

Upon entering, Upir joins forces with Payne, a hot headed pumpkin scarecrow, Gusty, a smart aleck ghost, Isabelle, a shy and unwanted witch, and Hawthorne, an insecure green haired creature. Soon their nights become treacherous when they have to dodge flying skulls, avoid man eating plants, run from a mad scientist and most of all, steer clear of Muriel, a gorgon girl with slithering snakes for hair."--

Monster Gang

Destitution

Book 2, Trial of Fire Trilogy

Synopsis coming soon.....

Hundreds of thousands of lives, millions of animals and billions in property are at stake. And... Never Again, is the 3rd in the Michael Grant, PI, mystery/suspense series. Terry Dean Ballard, a young terrorist who killed 19 innocents in Texas before escaping Michael's grasp at the end of Judas Oracle, surfaces in Colorado bent on destruction. Ballard's Christmas day sabotage of area ski slopes and towns kills 67 bringing his death toll to eighty-six. Ballard, a young computer geek, finds he excels as a user, abuser and natural leader. He next focuses his cold careless fury on New Year's Eve. Leading a small gang of eco-terrorists, he plots his next debacle. Above, millions of acre feet of water, Below the dam, a town, a chemical munitions storage facility. Can Michael Grant and his team of 'agency' operatives stop the inevitable? How many more times can Michael Grant say: And... Never Again.

This New York Times bestselling novel from acclaimed author Walter Dean Myers tells the story of Steve Harmon, a teenage boy in juvenile detention and on trial. Presented as a screenplay of Steve's own imagination, and peppered with journal entries, the book shows how one single decision can change our whole lives. Monster is a multi-award-winning, provocative coming-of-age story that was the first-ever Michael L. Printz Award recipient, an ALA Best Book, a Coretta Scott King Honor selection, and a National Book Award finalist. Monster is now a major motion picture called All Rise and starring Jennifer Hudson, Kelvin Harrison, Jr., Nas, and A\$AP Rocky. The late Walter Dean Myers was a National Ambassador for Young People’s Literature, who was known for his commitment to realistically depicting kids from his hometown of Harlem.

After pumping eight blasts from a sawed-off shotgun at a group of rival gang members, twelve-year-old Kody Scott was initiated into the L.A. gang the Crips. He quickly matured into one of the most formidable Crip combat soldiers, earning the name “Monster” for committing acts of brutality and violence that repulsed even his fellow gang members. When the inevitable jail term confined him to a maximum-security cell, a complete political and personal transformation followed: from Monster to Sanyika Shakur, black nationalist, member of the New Afrikan Independence Movement, and crusader against the causes of gangsterism. In a document that has been compared to The Autobiography of Malcolm X and Eldridge Cleaver’s Soul on Ice, Shakur makes palpable the despair and decay of America’s inner cities and gives eloquent voice to one aspect of the black ghetto experience today.

A Houston Zoo Volunteer's Diary of Love as an Orangutan Mom

Janetta and the Book Thief

An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of The Last Magician and Serpent & Dove, this heart-stopping debut is an imaginative Romeo and Juliet retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule.

A novel depicting the violence and depravity of urban gang life profiles Lapeace, leader of the Eight Tray Crips in South Central L.A., whose battle with his arch-rival Anyhow kills innocent civilians and sends him on the run to escape retribution and the law.

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Gall has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Gall. The Quartar family must betray their world in order to save Galli from a brutal civil war.

Monster

Who Killed Starr Faithfull?

The Orang Gang Et Al: Loved, Hugged and Peed On

You Can't Kill Murder

Alice has a routine that only she follows and she tries not to be too predictable outside her home, leaving few clues for anyone who might be following her...is someone following her? Murder requires technique. It also requires meticulous planning and genuine care to detail if you're going to do it right, correct? Random acts of violence are not Alice's style; however, when forced, she can play along. Meticulous Malice delves deeper into who Alice really is. Let's play the game by HER rules...

Do or Die is the first insider account of teenage gangs--the lives, loves, and battles of children who kill--from the only journalist ever allowed inside this closed and dangerous world. This is no West Side Story. Welcome to a world where teenagers wear colostomy bags and have scrapbooks filled with funeral invitations; where a young man, after being shot in the chest, drives himself to the hospital; where another youngster, caught in crossfire, uses his girlfriend as a human shield; where teenage gangsters are kidnapped, tortured, and held for six-figure ransoms; where kids hum the latest movie's theme music while killing people. It's a world of clickheads, sherns, bangers, ballers, and mummyheads; a world where the strongest feelings of family come from other gang members; a world where the most potent feelings of self-worth come from murder.

September 11th, 2001 was America's wake up call to terrorism. Unfortunately, we hit the snooze alarm. The next wave of terror attacks won't be nation shaking, cataclysmic events. We're ready for that. Instead, they'll be minor, localized nightmares. Mere pinpricks to our country, but catastrophic to the small towns that find themselves in the crosshairs. Worst of all, there's nothing we can do to stop it from happening - or is there? A gritty novel extrapolated from real world events, this fast-paced, riveting thriller will leave you alarmed, angry, and awestruck at America's unpreparedness for the next wave of terror attacks. Some might refer to it as death by a thousand cuts, but the counterterrorism community calls it Small Ball. Small Ball is an indictment of our woefully wrongheaded security infrastructure and a testament to the resilience, resourcefulness, and integrity of the average American. You'll wonder why it hasn't happened already. Perhaps it's happening right now...

The sketch-style depictions and unusual fonts create an eerie atmosphere where the reader has to decide if what they see really happened or if it is just a work of fiction. Includes writing space for your conclusions. This book makes a great group activity. This is not intended for children. Contains brief nudity.

You Decide

Monster: Auto of la Gang Member

Divine Vengeance

How a Gang of Predatory Lenders and Wall Street Bankers Fleeced America--and Spawned a Global Crisis

Eight Days in October

What does every mile mean to you? When you hit the trails, the road, the track or the treadmill, what does each mile mean? A group of runners and walkers from around the world share their stories as they let us know what every mile matters means to them. Get ready to be inspired.

A zoo volunteer shares her diary of 12 years working in the World of Primates at the Houston Zoo. She helped raise three orangutan babies and a baby siamang gibbon, and was loved, hugged, and peed on by all four. When she wasn't helping with the babies, she helped clean orangutan cages and continues to do so. In this book she shares her experience learning about the orangutans; watching their interactions with each other, the keepers, other volunteers, and vet staff. Orangutan means "person of the forest" and that's how she thinks about her orange ape buddies. They are her friends. This diary lets you share her experiences as a zoo volunteer; the best non-paying job in the world according to her.

When Annie and Sandy stopped in the little town of Butternut, a train robbery and an abandoned mine threaten to entangle the two of them in a mysterious maze of circumstances. Based on the classic comic strip by Harold Gray.

Divine Vengeance weaves intrigue and drama through the accurate and volatile historical events of the Cathar wars in thirteenth century France. A brutal massacre sponsored by the Pope. Brother Raimon cannot reconcile the dissonance between his faith and the violence. Nor can he rationalize his love for a Guilelma, a Cathar heretic. What starts as offering a helping hand,

soon turns into organized aid for fleeing heretics. Now Raimon is captured attempting to sabotage the trebuchet Malvoisine, and he is to be burned at the stake...along with 180 heretics...and the woman he loves. Sadly the brutality of crusade leader Simon de Montfort is not contrived. The Cathar crusade was the first pogrom aimed at a Christian region. It led to the dark years of the Inquisition and set a concerning tone that influenced Western thought for centuries. Action, intrigue, geography, an era of history rife with contradictions, and an unrequited love. Join the adventure!

The Monster

From the Black Book Investigations of Michael Grant and Associates

Golden World

Crime Must Pay the Penalty #12

Janetta loves to read more than anything else. However, one day something bad happens to her books and she worries that the books will disappear forever. Then, a book fairy appears and invites Janetta to fairyland for a special mission. It's up to Janetta to solve the mystery and restore the books she loves!

The time? Saturday morning. The place? Mickey Brook's tree-house. Six monsters meet to start a gang. Some are scary, some are funny, but only one monster has a secret. Join the monster gang and see if you can guess what it is.

Paul Jonas leader of the "Blackout Gang" is released early from prison, only doing 10 of his 50 year sentence. Tension rises as Jonas realizes that his sister is a wild card and still pulling rank on his gang, even though he has return home. Even worse, his early release was not without a price, a sexy undercover DEA agent is sent to intercept Jonas and gets entangled into his web and finds herself in over her head having equivocal feelings. The streets of Chicago are painted red, as Blackout Gang place a stranglehold on the city and monopolizes on their territory by creating an active war zone. Things go from bad to worst as rival gang "Bogus Boyz" fights for control and the body count in Chicago reach epic proportions. Will the DEA be successful in their pursuit of taking down Blackout Gang ? Will Blackout Gang pull off the impossible by being the first gang in the history of Chicago to take dominance of the entire city? --Editor, Robert Kauffman "Blackout Gang at the core is fictional retelling of gang life on the streets of Chicago and Chris grabs you with his writing from the beginning to end. He keeps you guessing. The story brings awareness of what is really taking place on the streets of Chicago, and gives insight into gang life in the third most populous city in America."
