Green-growing secrets and powerful magic await you at Misselthwaite Manor, now reimagined in this bewitching graphic novel adaptation of Frances Hodgson Burnett’s beloved tale. From Mariah Marsden, author of the critically acclaimed Anne of Green Gables: A Graphic Novel, comes the second installment in this series of retold children's classics. Ten-year-old Mary Lennox arrives at a secluded estate on the Yorkshire moors with a scowl and a chip on her shoulder. First, there’s Martha Sowerby: the too-cheery maid with bothersome questions who seems out of place in the dreary manor. Then there’s the elusive Uncle Craven, Mary’s only remaining family—whom she’s not permitted to see. And finally, there are the mysteries that seem to haunt the run-down place: rumors of a lost garden with a tragic past, and a midnight wail that echoes across the moors at night. As Mary begins to explore this new world alongside her ragtag companions—a cocky robin redbreast, a sour-faced gardener, and a boy who can talk to animals—she learns that even the loneliest of hearts can grow roots in rocky soil. Given new life as a graphic novel in illustrator Hanna Luechtefeld's whimsical style, The Secret Garden is more enchanting and relevant than ever before. At the back of the book, readers can learn about the life of Frances Hodgson Burnett and the history of British colonialism that contextualizes the original novel. The wooded hills of Oxfordshire conceal the remains of the aptly named Ashdown House—a wasted pile of cinders and regret. Once home to the daughter of a king, Ashdown and its secrets will unite three women across four centuries in a tangle of intrigue, deceit and destiny... In the winter of 1662, Elizabeth Stuart, the Winter Queen, is on her deathbed. She entrusts an ancient pearl, rumored to have magic power, to her faithful cavalier William Craven for safekeeping. In his grief, William orders the construction of Ashdown Estate in her memory and places the pearl at its center. One hundred and fifty years later, notorious courtesan Lavinia Flyte hears the maids at Ashdown House whisper of a hidden treasure, and bears witness as her protector Lord Evershot—desperate to find it—burns the building to the ground. Now in the present day, a battered mirror and the diary of a Regency courtesan are the only clues Holly Ansell has to finding her brother, who has gone missing researching the mystery of Elizabeth Stuart and her alleged affair with Lord Craven. As she retraces his footsteps, Holly’s quest will soon reveal the truth about Lavinia and compel her to confront the stunning revelation about the legacy of the Winter Queen. Previously published.

When Guy finds the deed to a house in his mother's attic, it seems like an incredible stroke of luck. The house is hours from any other habitation, but he can't escape the feeling that he's being watched. Still, he decides to camp in the crumbling mansion while he does repairs. Surely nothing too bad can happen in the space of a week. But there's a reason no one lives in Rookward House, and the dilapidated rooms aren't as empty as they seem...

In an inspired restaging of Daphne du Maurier's classic *Rebecca*, a young curator finds herself haunted by the legacy of her predecessor. Two years have passed since the tragic death of Alena, curator at the Nauk, a cutting-edge art museum on Cape Cod. At the Venice Biennale, Bernard Augustin, the Nauk's wealthy, enigmatic founder—to whom Alena had been closest confidante and muse—offers the position to an aspiring young curator from the Midwest. It's the job of her dreams, and she dives at the chance. Just as quickly, she finds herself well out of her depth. The Nauk echoes with phantoms of the past—a past obsessively preserved by the museum's staff—and the newcomer's every move mires her more deeply in artistic, erotic, and emotional entanglements. When recently discovered evidence calls into question the circumstances of Alena's death, shattering secrets surface, putting to the test the loyalty, integrity, and courage of our heroine—who remains nameless, like the heroine of Daphne du Maurier's *Rebecca*, the inspiration for this provocative and spellbinding tale.
