**The Oxford Companion to the Bible**

**The HarperCollins Study Bible**

**The Oxford Study Bible: Revised English Bible with Apocrypha**

*Timeless. Empowering. Inspired. True. The Holy Bible is the Word of God for the people of God, whose task it is to bear witness to the work of God in the world. For generations, this book has served to define the identity of the church and shape its mission. Taken together, the Old and New Testaments tell the story of a God who creates, calls, and covenants with people, a God who makes all things new. At the heart of this story is the person of Christ, the one in and through whom Christians read all Scripture. The Baylor Annotated Study Bible represents a monumental collaborative effort, bringing together nearly seventy biblical scholars--Baylor faculty, graduates, affiliates, and friends--to refresh our view of the sacred texts. Each of the sixty-six canonical books of the Protestant Bible is given an introduction and commentary intended to immerse readers in the literary, sociohistorical, and theological depths of Scripture. In addition, the intercommunication and echoes between the biblical books are exhibited through a rich assemblage of cross-references. Rounding out this indispensable study aid are a biblical timeline, glossary of terms used in the introductions and commentaries, concordance to the New Revised Standard Version translation, and full-color maps. A reliable companion for both personal and classroom study, the Baylor Annotated Study Bible follows in the long-standing mission of Baylor University: to serve as a faithful witness to the liberating, transformative good news of the gospel. Just as Baylor stands astride the realms of church and academy, so the Baylor Annotated Study Bible joins Christian conviction with scholarly rigor to provide a unique and accessible guide for all students of the Christian Scriptures and all followers of Christ. Let the tools provided here lead to an engagement with God's Word that enlightens, enriches, and encourages.*

*This Very Short Introduction provides a short, accessible overview for general readers interested in learning more about the Old Testament and its interpretation. Coogan explores the significance of the history and literature of the Old Testament and describes how non-biblical evidence, such as archaeological data and texts, has illuminated the Old Testament in a larger context. Coogan discusses law in the Bible, particularly the Ten Commandments and the biblical understandings of prophecy, myth, exodus, death, and afterlife. Finally, Coogan discusses the enduring significance of the Old Testament.*

*The New Oxford Annotated Bible offers a vast range of information, including extensive notes by experts in their fields; in-text maps, charts, and diagrams; supplementary essays on translation, biblical interpretation, cultural and historical background, and other general topics. Extensively revised, the Annotated Fourth Edition adds to the established reputation of this essential biblical studies resource. This timely edition maintains and extends the excellence the Annotated's users have come to expect, bringing still more insights, information, and perspectives to bear upon the understanding of the biblical text.*

*Presents the complete text of the New Revised Standard Version Bible, with the Apocryphal/Deuterocanonical books; and features annotations in a single column across the page bottom, in-text background essays on the major divisions of the biblical text, and other reference tools.*

The New Oxford Annotated Bible with the Apocrypha

The Oxford History of the Biblical World

New Revised Standard Version

A Historical, Literary, and Theological Survey

Students, professors and general readers alike have relied upon The Oxford Annotated Bible for essential scholarship and guidance to the world of the Bible for nearly four decades. A new editorial board and team of contributors have completely updated this classic work. The result is a volume which maintains and extends the excellence the Annotated's users have come to expect, bringing new insights, information, and approaches to bear upon the understanding of the text of the Bible. The new edition includes a full index to all of the study materials (including the annotations), and one that is keyed to page numbers, not to citations. And, to make certain points in the text clearer for the reader, there are approximately 40 in-text, line drawing maps and diagrams. With the best of the Annotated's traditional strengths, and the augmentation of new information and new approaches represented in current scholarship, the Third Edition will continue to serve as the reader's and student's constant resource for a new century.

Full Index to all study materials Approximately 40 in-text, line drawing maps Indexed 32-page section of full-color New Oxford Bible Maps Font size: 10

Countless students, professors and general readers alike have relied upon The New Oxford Annotated Bible with the Apocrypha for essential scholarship and guidance to the world of the Bible. Now the Augmented Third Edition adds to the established reputation of this premier academic resource. A wealth of new maps, charts, and diagrams further clarify information on the scripture pages. In addition, section introductions have been expanded and the book introductions have been made more uniform in order to enhance their utility. Of course, the Augmented Third Edition retains the features prized by students, including single column annotations at the foot of the pages, in-text background essays, charts, and maps, a page keyed index of all the study materials in the volume, and Oxford's renowned Bible maps. This timely edition maintains and extends the excellence the Annotated's users have come to expect, bringing still more insights, information, and approaches to bear upon the understanding of the biblical text. \* Wholly revised, and greatly expanded book introductions and annotations \* Annotations in a single column across the page bottom, paragraphed according to their boldface topical headings. \* In-text background essays on the major divisions of the biblical text. \* Essays on the history of the formation of the biblical canon for Jews and various Christian churches. \* More detailed explanations of the historical background of the text. \* More extensive treatment of varieties of biblical criticism. \* A timeline of major events in the ancient Near East. \* A brief history of biblical interpretations, from biblical times to the present. \* A full index of the study materials, keyed to the page numbers on which they occur. \* 36-page section of full color New Oxford Bible Maps, approx. 40 in-text line drawing maps and diagrams.

*The Bible has had an immeasurable influence on Western culture, touching on virtually every aspect of our lives. It is one of the great wellsprings of Western religious, ethical, and philosophical traditions. It has been an endless source of inspiration to artists, from classic works such as Michaelangelo's Last Judgment, Handel's Messiah, or Milton's Paradise Lost, to modern works such as Thomas Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ. For countless generations, it has been a comfort in suffering, a place to reflect on the mysteries of birth, death, and immortality. Its stories and characters are an integral part of the repertoire of every educated adult, forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers. The Oxford Companion to the Bible provides an authoritative one-volume reference to the people, places, events, books, institutions, religious belief, and secular influence of the Bible. Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives, the Companion offers over seven hundred entries, ranging from brief identifications--who is Dives? where is Pisgah?--to extensive interpretive essays on topics such as the influence of the Bible on music or law. Ranging far beyond the scope of a traditional Bible dictionary, the Companion features, in addition to its many informative, factual entries, an abundance of interpretive essays. Here are extended entries on religious concepts from immortality, sin, and grace, to baptism, ethics, and the Holy Spirit. The contributors also explore biblical views of modern issues such as homosexuality, marriage, and anti-Semitism, and the impact of the Bible on the secular world (including a four-part article on the Bible's influence on literature). Of course, the Companion can also serve as a handy reference, the first place to turn to find factual information on the Bible. Readers will find fascinating, informative articles on all the books of the Bible--including the Apocrypha and many other ancient texts, such as the Dead Sea Scrolls, Pseudepigrapha, and the Mishnah. Virtually every figure who walked across the biblical stage is identified here, ranging from Rebekah, Rachel, and Mary, to Joseph, Barabbas, and Jesus. The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities, with fascinating articles on feasts and festivals, clothing, medicine, units of time, houses, and furniture. Finally, there are twenty-eight pages of full-color maps, providing an accurate, detailed portrait of the biblical world. A vast compendium of information related to scriptures, here is an ideal complement to the Bible, an essential volume for every home and library, the first place to turn for information on the central book of Western culture.*

*This is the first one-volume resource to introduce readers to the Bible by providing a complete overview of the world of biblical history and scholarship, plus commentary on the text Indexable 1,824 pp.*

*Brettler focuses on reading the Hebrew Bible using a 'historical-critical method', explaining the literary conventions, ideological assumptions, and historical conditions that inform the Hebrew Bible and shows how modern critical scholarship and archaeological discoveries shed light on this fascinating and complex literature.*

*An Ecumenical Study Bible*

*Baylor Annotated Study Bible*

*New Revised Standard Version, College Edition*

*The New Oxford Annotated Bible with the Apocryphal/Deuterocanonical Books*

***In this impressive volume, leading scholars offer compelling glimpses into the biblical world, the world in which prophets, poets, sages, and historians created one of our most important texts--the Bible. For more than a century, archaeologists have been unearthing the tombs, temples, texts, and artifacts of the ancient Near East and the Mediterranean world. Using new approaches, contemporary scholars have begun to synthesize this material with the biblical traditions. The Oxford History of the Biblical World incorporates the best of this scholarship, and in chronologically ordered chapters presents the reader with a readable and integrated study of the history,***

*art, architecture, languages, literatures, and religion of biblical Israel and early Judaism and Christianity in their larger cultural contexts. The authors also examine such issues as the roles of women, the tensions between urban and rural settings, royal and kinship social structures, and official and popular religions of the region. Understanding the biblical world is a vital part of understanding the Bible. Broad, authoritative, and engaging, The Oxford History of the Biblical World will illuminate for any reader the ancient world from which the Bible emerged.*

*Provides an introduction to each book of the Bible, and accompanies the text with historical and theological notes*

*The New Oxford Annotated Bible-Loose-Leaf Format*
