

The New Small Person

The New Small PersonCandlewick Press

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero.Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edward Munch's The Scream.His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

A Child's Own Story about a New Baby in the Family

A Person's a Person, No Matter How Small

Spice and Little Sugar

A Person's A Person, No Matter How Small is a comic, and ultimately cathartic, novel about a pregnant mother with a toddler who finds herself sucked into a brief killing spree by the demands of hormones, a young child, a fetus pressing on her bladder, and the annoyance of people in general. She murders as naturally as taking a good dump, and initially with as few regrets.

Lauren Child tells the familiar tale of a less-than-welcome sibling with subtlety, insight, affection, and humor. Elmore Green starts life as an only child, as many children do. He has a room to himself, where he can line up his precious things and nobody will move them one inch. But one day everything changes. When the new small person comes along, it seems that everybody might like it a bit more than they like Elmore Green. And when the small person knocks over Elmore's things and even licks his jelly-bean collection, Elmore's parents say that he can't be angry because the small person is only small. Elmore wants the small person to go back to wherever it came from. Then, one night, everything changes. . . . In her signature visual style, Lauren Child gets to the heart of a child's evolving emotions about becoming a big brother or sister.

"The Very Small Person" by Annie Hamilton Donnell. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten – or yet undiscovered gems – of world literature, we issue the books that need to be read. The Seeds of New Earth (the Silent Earth, Book 2)

Benevolent

Barkley Aka a Small Person in a Black Fur Coat

Children Books

How many dinosaurs can your child name? Not that it's going to be graded or anything but such knowledge can contribute to your child's self-confidence. In the same way, this coloring book can improve self-esteem because it provides immediate satisfaction. There are other benefits to coloring. Discover all of them by making coloring a habit!

Elmore Green started life as an only child, as many children do. He had a room all to himself, and everything in it was his. But one day, everything changed. This brand new picture book from the hugely talented Lauren Child about the arrival of a new sibling is bound to be a hit with parents and children. Told with humour and with wonderfully stylish artwork, this is Lauren Child at her absolute best.

Gertrude the goat and her best friend Toby the tortoise are adventurers. No sitting around on the boring farm for them! They love to explore, and every Friday they sneak off the farm for some extra fun. One Friday, Gertrude and Toby decide to visit the local candy store in town. They discover yummy goodies and treats, but soon find that the treats are not free! Uh oh! The market owner grabs Toby. He demands money for the candy that Gertrude and Toby have taken by mistake. Gertrude must find a way to save her friend and get back home before Farmer Sam returns.

Partly autobiographical, this is the third title in Judith Kerr's internationally acclaimed trilogy of books following the life of Anna through war-torn Germany, to London during the Blitz and her return to Berlin to discover the past...

Back to Venice

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. Oh no! The big bad wolf is in London! But he is no match for these three little pigs! Staring a silly big bad Siberian Husky, the cleverest Guinea Pig this side of a hard hat, and famous London city landmarks, this version of the Three Little Pigs turns the classic children's story into a hilarious tale of London pride! Includes a write your own story activity especially for children ages 3-8 who are planning to visit, or who have recently visited, the great city of London! Looking for a different city? Search Dr. Silly Goose for more city-specific versions of The Three Little Pigs. Also available: Los Angeles, Chicago, Houston, Philadelphia, San Antonio, San Diego, Dallas, New York City, Jacksonville, San Francisco, Austin, Seattle, Denver, Washington DC, and Boston.

Elmore Green likes being an only child, so when his parents bring a new small person, his baby brother, into the house he is not pleased and does his best to keep the new small person out of his life.

Having a little sister isn't always a picnic. Older sisters may feel jealous of the time taken away from them, the toys they have to share, and the attention focused on the youngest member of their family. Getting along is often a day-to-day battle, but what can parents do to make this situation easier and to help children realize how special it is to have a sister? In Spice & Little Sugar, the delightful new children's book about sibling rivalry, authors Megan Waldrep and Melissa Nelson show big sisters the big benefits, responsibilities, and absolute joys of their role. Told in a whimsical rhyme that children will love to read aloud, Spice & Little Sugar first humorously relates all the ways Little Sugar gets on Spice's nerves, from grabbing her favorite toys to sticking to her like glue when Spice wants to be left alone. But gradually Spice comes to realize that Little Sugar does have her good points, including sticking up for her when she gets in trouble with their parents and saving the day with her cute face. Parents will love the warm, gentle lessons the book teaches about understanding how positives can outweigh negatives, and kids will laugh at the playful illustrations and funny story. The perfect book for siblings, Spice & Little Sugar can be read and enjoyed by the whole family, time and time again.

A Darkness

"Anna's mother is in Berlin, deathly ill. But Anna doesn't want to go back to Berlin. Berlin is where Anna lived before Hitler, when she was still a German child, before she spoke a word of English, before her family had all become refugees. Long before her happy new existence in London. But Mama is there, and needs her. So Anna must go- to deal with questions of life and death, to face old fears, and to discover the past which she has so long shut away. Judith Kerr was born in Berlin and left Germany in 1933 to escape the Nazis. Her Out of the Hitler time trilogy novels are based on her own experience."- Back cover

The Amazing Book of No

The Book of Questions for New Parents is a collection of 300 questions and scenarios that will challenge you to explore yourself and your loved one as new parents of young children.

As Kasey's health, life, and her relationship with Ashwin hang precariously in the balance, he must contend with his jealous ex-fiance, Silver Moon. As her jealousy increases to frightening and dangerous levels, Ashwin must find a way to deal with her, as well as figure out how to pull his beloved Kasey from the devastating grip of the tragedy that has befallen her. Will Silver Moon's heinous actions put an end to Ashwin's and Kasey's budding relationship, or will true love prevail?

For Katherine and her three American children, Greece was meant to be a one-year refuge from the late 1930's Depression. Her husband's family-owned orchard should have provided for their well-being, but instead embroiled them in legal debate. WWII Axis bombings of Kalamata prompted the young family to flee to the remote mountain village of Katherine's birth, but Nazi invasion-and seemingly endless occupation of their village and their house-trapped them there until the war's end. Told through the eyes of John, Katherine's youngest child, he shares a universal story of fear and frustration faced by all innocent civilians during war in occupied countries. American Kid is a moving recollection of Katherine's courage, their family's sparse village existence on Mt. Parion, and years of fear-filled interactions with Nazi soldiers.

He was famous for telling stories. He could always make the story interesting. He had a way of seeing the best or funniest of every situation. He wrote down over 180 of his best stories in his last few years for all his family and friends. You will laugh, and relate to the stories of childhood, school years, and growing up during the depression. From his northern New Jersey, small town home he shares what it was like growing up in the 20's and 30's. From logging to working with horses, the stories provide a great view of the life style from that time period.

Increase your child's dental awareness by showing him/her that teeth have "emotions" too! Coloring introduces feelings, concepts and emotions quite well. It is an activity well-loved because of its many benefits, especially the formation of essential life skills like patience, determination control and self-confidence too. Control your child's fear of the dentist; grab a copy of this coloring book today!

What happens when Cooper, a newly adopted puppy, takes up residence in Henry's home? The little pooch sure is adorable, but who knew he had so much to learn! Love Me Gently is a kid's guide to man's best friend. It captures the everyday challenges of raising a pup through a child's eye. But who is teaching who? Henry may be coaching Cooper, but he is also discovering valuable lessons about responsibility, unconditional love, patience, and kindness along the way!

Sixteen year old Regan Stone has her life all mapped out. Every choice, from her dual credit classes to the out-of-state university she's selected is deliberate. She even has a no-romance stipulation to avoid dangerous distractions. What Regan didn't anticipate was the sudden change in her best friend, Lane, leaving only glimpses of the boy she grew up with. The bombshell

Lane drops on her weeks before he leaves for college compels Regan to come to terms with her own feelings. This summer may change everything.

These are the magic stories of RUMPLESTILTSKIN, THE FROG PRINCE, and THE UNGRATEFUL SON told in rhymes and beautiful illustrations for your delight. The Grimm stories are a collection of German fairy tales first published in 1812 by the Grimm brothers, Jacob, and Wilhelm. These stories have certainly endured the test of time and keep delighting our children. For more than 200 years, millions of children have enjoyed and learned with these tales. Perhaps no other stories possess as much power to enchant, delight, and surprise as those penned by the immortal Brothers Grimm. In this edition, your children will enjoy three classic tales now told in catchy rhymes and beautiful modern illustrations. Enjoy the reading! Each story has a moral for educating your children with entertainment.

The Three Little Pigs of London

Barkley AKA A Small Person In A Black Fur Coat is the story of our almost sixteen year old male cocker spaniel as he reflected upon his life and all it brought. It is told from Barkley's perspective, who for most of his years, has assumed the persona of a small person in a black fur coat. He has had five owners, all who loved him dearly, and as many AKA's and experiences. As his life nears its end, he realizes that maybe being the most loved dog of a dear old lady might be equally rewarding as he goes Heaven bound to find Grandma. The author who was privileged to be Barkley's last owner for ten years is a retired Mental Health nurse who has previously published, Mimi, Maude and Me. This is a story about her grandmother and her great aunts, five remarkable women who through their faith and love greatly influenced the lives of her and her cousins during the last innocent days before WWII. Ms. Davis lives with her husband, Wallace, also a retired nurse and their new cocker spaniel, Snuggles, in Vale, NC overlooking the South Mountains.
