But more importantly, it's a device for implementing those principles, each and every day. The book is a conversation. Simply place the bookmark on the page that expresses what you want to say, or speaks the words you wish you had the courage to. Then leave the book in an obvious place for your partner to discover. With dozens of thoughtfully written expressions, you can say just about anything your heart desires: whether that's a compliment, something to cheer them up, apologize, or flag an issue you've been avoiding. In our hectic and distracted world, sometimes we need a simple, dare we say analog way to help us communicate.
