

The Oregon Trail Road Trip

Buckle up for the road trip of a lifetime: 100 epic journeys through all 50 states and 10 Canadian provinces offering thousands of sites and roadside attractions along the way. A sequel to the best-selling 50 States, 5,000 Ideas. From a vineyard route through Northwest wine country to a winter wonderland on Alberta's Icefields Parkway, this informative travel guide offers epic sights, good bites, and pure fun. Pack your car and hit the road to experience 100 drives--both classic and off the beaten track--across the United States and Canada. You'll find innovative itineraries outlining your route, along with when to go and what to see and do along the way. And there's something here to satisfy every passenger. Take in the magnificent turns along Alaska's Route One through Anchorage to Kenai. Or wind your way through retro spots from Chicago to Los Angeles on Route 66. On nearly 600 miles of New Mexico's Trail of the Ancients, stop off to encounter sites dating back to A.D. 850. Or discover fossils along Dinosaur Drive, a route that winds its way from Calgary to Denver. Beach lovers will delight in Hawaii's Oahu Circle Island Drive, while history lovers can follow Canada's War of 1812 trail: a cruise between Montreal and Windsor with stops at major battlefields along the way. Filled with expert tips, tons of activities, and plenty to see and do as you drive--the ultimate road trip playlist anyone?--here is an inspirational and practical keepsake for any road warrior.

Whether you're stopping for a day trek or taking a weekend getaway, hit the road and hit the legendary trail with Moon Drive & Hike Appalachian Trail. Make your escape on shorter trips from major cities or drive the entire three-week route from Georgia to Maine Find your hike along the Appalachian Trail with detailed trail descriptions, mileage, difficulty ratings, and tips for picking the right section of the trail for you Discover adventures off the trail: Immerse yourself in the spirit of colorful trail towns, peep the changing leaves in the Berkshires, and cruise the sun-dappled Skyline Drive. Kick back after a day hike at a microbrewery in Asheville, dig in to southern barbecue (hey, you've earned it), or unwind in the coffee shops and art galleries of a hip New England hamlet Take it from avid hiker Timothy Malcolm, who shares his insight on the best views, waterfalls, mountains, and (of course!) breweries Full-color photos, strategic itineraries, easy-to-use maps and site-to-site driving times Get the lowdown on when and where to get gas, how to avoid traffic, and braving different road and weather conditions, plus tips for LGBTQ travelers, seniors, and road-trippers with kids With Moon Drive & Hike Appalachian Trail's practical tips and local know-how, you're ready to lace up your hiking boots, pick a trailhead, and embark on your adventure. The Oregon Trail

Epic Drives of the World

California, Oregon & Washington

The Oregon Trail, the route of the pioneers during the largest mass migration in United States history, was a long and difficult journey made by Americans nearly two centuries ago. This guidebook, rich with photos, interviews, and information about the famous landmarks, facilities, individuals, activities, and towns along the trail, will please both adventurers planning to travel the trail and individuals who wish to learn about and follow the trail from an easy chair. Complete with maps and details of each state from Missouri to Oregon, Exploring the Oregon Trail will give readers everything needed to follow in the footsteps of the American pioneers.

Capture the very best of Oregon's seaside and wine country

B.J. Hollars and his son strike out on a 2,500-mile road trip to retrace the Oregon Trail. Their mission: to rediscover America--and Americans--along the way.

Many pioneers reached Oregon Country via the Oregon Trail. Before highways, Route 66 gave cars a way to cross a big part of the country. Travel has changed a lot since the United States was born, but old well-known routes are still worth exploring. Readers learn that, even though time has passed, they can hike the Appalachian Trail or walk beside the Erie Canal. The main content includes the history of these routes, as well as the ways modern Americans travel them. Full-color photographs showcase both the past and present of famous American routes and are sure to increase readers' appetite for travel.

This guide to road-tripping along Route 66 presents the highway's very best stops--and it's the only guidebook with a fully integrated app.

"A guide to the best parks in the United States and Canada, including activity and accommodation information: information on nearby attractions: top ten lists: and information on local fare"--

It's hard to imagine the American dream without American road trips. This book takes readers on a journey through American road trip stories, revealing that they involve more than mere escapism—that they are an important and long-neglected source of American political thought.

In the American West of 1846, frontiersman Dick Summers leads a group of settlers along the Oregon Trail.

By turns, an elegy, a celebration, and a social history, The Last Fine Time is a tour de force of lyrical style. Verlyn Klinkenborg chronicles the life of a family-owned restaurant in Buffalo, New York, from its days as a prewar Polish tavern to its reincarnation as George & Eddie's, a fried shrimp to a generation of optimistic and prosperous Americans. In the inevitable dimming of the neon sign outside the restaurant, we see both the passing of an old world way of life and the end to the postwar exuberance that was Eddie Wenzek's "last fine time."

Hit the road!

In 1852, Ezra Meeker, his wife, and baby traveled along the Oregon Trail by ox-cart from Iowa to Oregon. In 1906, he reversed his steps and went back to Iowa. In 1915, he went by car, and, later, even flew over the trail in a plane. He spent most of his ninety-eight years promoting the Oregon trail and founded the Oregon Trail Association. In 1922, he published "Ox-Team Days on the Oregon Trail," an outstanding memoir of his many days along the trail.

Outdoor enthusiasts W. C. McRae and Judy Jewell share their extensive knowledge of coastal Oregon, from the best places to grab a seaside snack to the most scenic hikes along the Coastal Trail. McRae and Jewell also outline a variety of suggested travel strategies, including Riding the Pacific Waves, Foraging the Coast, and Coastal Road Trip—a 10-day itinerary for a tour of the entire coast. With endless options for inn-hopping and surfing along the state's southern beaches, Moon Coastal Oregon gives travelers the tools they need to create a more personal and memorable experience.

Based on their extensive research into personal accounts of the Oregon Trail, comic authors David Lasky and Frank Young have created a graphic narrative of one family's epic journey. The main character is an 11-year-old girl whose family sets course for the West to seek new opportunities and to escape the eastern city where they had been living. Oregon Trail reveals all of the planning, equipment, and logistics that went into traveling across an untamed continent in the 1800s. In addition to its visualization of the family's journey, the book features a series of two-page spreads detailing a visual inventory of everything the family took with them, including the parts of a covered wagon and a personally annotated map of the trail. Readers get a ground-level feel for what it was like to be part of this storied migration west-not a dry recitation of dates and facts, but an immediately memorable living history.

Vast rugged prairies, adventurous Wild West towns, and the palpable spirit of the pioneers: Experience legend come to life with Moon Oregon Trail Road Trip. Choose Your Route: Drive the entire 20-day road trip from Independence, Missouri, to Oregon City (at a mild, moderate, or strenuous pace!) or take shorter getaways along sections of the trail in Kansas, Nebraska, Wyoming, and Idaho, including worthwhile detours Drive Through History: See the Guernsey Ruts left from wagons almost 200 years ago, read pioneer names carved into Register Rock, and learn about 10,000 years of oral Umatilla history. Practice loading a real wagon, down a mug of sarsaparilla in a recreated Old West town, and take a relaxing soak in the same hot springs as the pioneers Discover Diverse Historic Perspectives: Delve into the rich cultures and histories of the Native American tribes who have called these lands home for over 10,000 years. Venture through an underground city created and inhabited by Chinese pioneers. Learn the stories, struggles, and triumphs of free and enslaved black emigrants on the trail. Discover what life was really like for women making the journey west Adventure Along the Trail: Tube through the whitewater of Platte River, explore limestone caves, and kayak across clear blue lakes Maps and Driving Tools: Easy-to-use maps and full-color photos throughout keep you oriented on and off the highway as you follow the approximate route of the original Oregon Trail, along with site-to-site mileage, driving times, and detailed directions Expert Insight: Oregon local and history buff Katrina Emery shares thorough background on the realities of the trail and recommendations for seniors, families with kids, and more With Moon Oregon Trail Road Trip's flexible itineraries and practical tips, you're ready to take an adventure through history. Looking to explore more of American history? Try Moon Route 66 Road Trip.

A young Sioux warrior earns the right to be called historian for his tribe after numerous adventures and trials which test his ability to tell the story of his people with truth and courage. Professional traveler Jamie Jensen traveled more than 400,000 miles to bring you the best-selling guide Road Trip USA. In this expanded tour that follows the path of the Oregon Trail, Jamie takes you from Oregon's rugged coast to the glorious sea and sand of Cape Cod. Covering two wonders of the world—Yellowstone National Park and Niagara Falls—Road Trip USA: The Oregon Trail highlights major cities, obscure towns, popular attractions, roadside curiosities, historic sites, and oddball trivia, covering every aspect of this two-lane trek. Exit the interstates and create your own driving adventures on US-20 with Road Trip USA: The Oregon Trail.

Blue Highways
The Story Catcher

For more than three decades in the mid-1800s, the Oregon Trail was the main way settlers traveled west. Today, people can visit parts of this historic trail, and even walk where pioneers did as they made their way to new lives in the Pacific Northwest and California. Complemented by full-color photographs, the main content addresses the historical context of the trail to supplement the social studies curriculum. Fact boxes offer tips to those traveling along the trail and suggest cool, quirky, and fun destinations near it.

Yellowstone National Park is the focal point of Wyoming tourism; however, there is so much more if you know where to look. From rolling prairie, to badlands, to deep forests, to high mountain lakes, and breathtaking peaks, Wyoming's diverse landscape is second to none. In addition, the Wyoming plains contain a rich history of pioneer trails that served as the gateway to the west throughout the 19th century. Most Wyoming travel guides are written to explain tourist attractions in detail once you are already there and require much time and effort to plot a course across the state. This remarkable guide, on the other hand, has the entire state laid out by the highway mile markers so you will always know what is ahead and exactly how to get there. The book is laid out in a clear and concise report style format with brief descriptions, condensed information and a star rating system that allows you to easily make informed decisions about what to visit. Detailed directions, GPS coordinates and elevations are provided for 1900 entries, including: nearly 600 natural, scenic and historic attractions; nearly 100 easily accessible hiking trails; over 300 public campgrounds and dispersed camping areas; over 30 rest areas; and over 60 RV dump stations. It makes an excellent companion book to any other Wyoming travel book and pays for itself many times over in time and fuel savings. NOTES: Due to the extensive amount of information contained in the book, it is not a pocket guide but instead measure 8.3 x 11.7 x 0.5 inches. There are no photos, but dozens of color photos can be seen on the book website. Complete coverage of Yellowstone National Park, Grand Teton National Park, Devils Tower National Monument, Fossil Butte National Monument, Bighorn Canyon National Recreation Area, Fort Laramie National Historic Site, Medicine Lodge State Archaeological Site, Snowy Range, Bighorn Mountains, Wind River Mountains, Sinks Canyon State Park, Guernsey State Park, Glendo State Park, Keyhole State Park, Green River Lakes, Casper Mountain Park, Jackson Hole and much more.

Lewis And Clark Road Trips
The Oregon Trail Revisited
100 Drives, 5,000 Ideas
Bison Are Giant and Other Observations from an American Road Trip

In the bestselling tradition of Bill Bryson and Tony Horwitz, Rinker Buck's The Oregon Trail is a major work of participatory history: an epic account of traveling the 2,000-mile length of the Oregon Trail the old-fashioned way, in a covered wagon with a team of mules—which hasn't been done in a century—that also tells the rich history of the trail, the people who made the migration, and its significance to the country. Spanning 2,000 miles and traversing six states from Missouri to the Pacific Ocean, the Oregon Trail is the route that made America. In the fifteen years before the Civil War, when 400,000 pioneers used it to emigrate West—historians still regard this as the largest land migration of all time—the trail united the coasts, doubled the size of the country, and laid the groundwork for the railroads. The trail years also solidified the American character: our plucky determination in the face of adversity, our impetuous cycle of financial bubbles and busts, the fractious clash of ethnic populations competing for the same jobs and space. Today, amazingly, the trail is all but forgotten. Rinker Buck is no stranger to grand adventures. The New Yorker described his first travel narrative, Flight of Passage, as "a funny, cocky gem of a book," and with The Oregon Trail he seeks to bring the most important road in American history back to life. At once a majestic American journey, a significant work of history, and a personal saga reminiscent of bestsellers by Bill Bryson and Cheryl Strayed, the book tells the story of Buck's 2,000-mile expedition across the plains with tremendous humor and heart. He was accompanied by three cantankerous mules, his boisterous brother, Nick, and an "incurably filthy" Jack Russell terrier named Olive Oyl. Along the way, Buck dodges thunderstorms in Nebraska, chases his runaway mules across miles of Wyoming plains, scouts more than five hundred miles of nearly vanished trail on foot, crosses the Rockies, makes desperate fifty-mile forced marches for water, and repairs so many broken wheels and axels that he nearly reinvents the art of wagon travel itself. Apart from charting his own geographical and emotional adventure, Buck introduces readers to the evangelists, shysters, natives, trailblazers, and everyday dreamers who were among the first of the pioneers to make the journey west. With a rare narrative power, a refreshing candor about his own weakness and mistakes, and an extremely attractive obsession for history and travel, The Oregon Trail draws readers into the journey of a lifetime.

Discover Oregon with Moon Travel Guides! Moon Oregon reveals the originality, authenticity, and respect for the great outdoors that define the beautiful Beaver State. Spending more time in the Beaver State? Try Moon Portland or Moon Coastal Oregon. Hitting the road? Try Moon Pacific Northwest Road Trip.

Hailed as a masterpiece of American travel writing, Blue Highways is an unforgettable journey along our nation's backroads. William Least Heat-Moon set out with little more than the need to put home behind him and a sense of curiosity about "those little towns that get on the map-if they get on at all-only because some cartographer has a blank space to fill: Remote, Oregon; Simplicity, Virginia; New Freedom, Pennsylvania; New Hope, Tennessee; Why, Arizona; Whynot, Mississippi." His adventures, his discoveries, and his recollections of the extraordinary people he encountered along the way amount to a revelation of the true American experience.
