

The Patriot Viewing Guide

This is an amazing story about the Republican Party and how they lost control of the Senate, House of Representatives, the Oval office...and themselves. Terrell Sims is a young African-American pastor catapulted to political success by the Republican Party. As the new mayor of Milwaukee, a predominantly liberal city, Terrell must pave the wave for the moral majority. Each problem Terrell is confronted with is an actual story taken from real-life events in which the media has brushed over, embellished or completely ignored! From the Iran-Contra scandal, to the Iraq war and an out-and-out abuse of political power tilted away from diversity and true democracy, this novel brings entertainment as well as enlightenment from an inner-city perspective. After spending years criticizing his African-American people for their lawlessness, Terrell's very own peers, one at a time, are being exposed for the very issues they profess only exists with minorities and liberal Democrats: divorce, fornication, drug and alcohol abuse, homosexuality, pedophilia, out of control spending, you name it, Terrell's party did it. And now he is forced to reckon with, not only his patriotism toward his country when an African-American gets elected President of the United States by Democrats, but his faith in God which is challenged when his wife, Theresa is diagnosed with AIDS. This narrative relives many of the events that led to the demise of the Republican Party as well as the rise of the Democratic Party. This novel does not bash one party for another, rather it is an infectious story about a family who grows into understanding that both parties have fallen short of what they promised to their constituents: Family Values for Republicans and Civil Rights for Democrats. This is my story of how we got to where we are today.

The truth about the American Revolution is under attack. Despite what you may have learned in school, it wasn't a rich slaveholder's war fought to "maintain white privilege." In fact, the War of Independence wasn't about maintaining any status quo—it was the world's first successful bottom-up revolution by the people, ushering in a new dawn of liberty that history had never seen before. But with left-wingers dominating the teaching of history, where can you go for the true story of the unprecedented events that made the United States the world's greatest nation? Now bestselling historian Larry Schweikart has teamed up with author Dave Dougherty to write the ground-breaking patriotic history you've always wanted to read about the foundation of our unique nation. The Politically Incorrect Guide to the American Revolution reveals: Four key factors that applied only in America, making it impossible to replicate the Revolution anywhere else Why it matters that the Patriot ghting force was overwhelmingly Scotch-Irish The key role of Protestantism: which denominations tended to become Patriots, and which Tories How Americans were different from the Europeans and English even at the outset of the Revolution How the casualties of the deadliest war in American history are routinely underreported How our Revolution became a model for hundreds of others—that all failed Schweikart and Dougherty take on the left-wing myths—starting with the Marxist narrative of the Revolution in Howard Zinn's nearly ubiquitous A People's History of the United States—and uncover the truth about America's beginning.

From The Big Sleep to Babette's Feast, from Lawrence of Arabia to Drugstore Cowboy, The Movie Guide offers the inside word on 3,500 of the best motion pictures ever made. James Monaco is the president and founder of BASELINE, the world's leading supplier of information to the film and television industries. Among his previous books are The Encyclopedia of Film, American Film Now, and How to Read a Film.

If you want to discover the captivating life of John Jay, then keep reading... John Jay was a master statesman and strategic diplomat who associated with all the great men of his day in the mid-18th century. However, his contemporaries said that he was modest and humble. They indicated that they could be at a party or gathering and guests had to coax him into discussing his role during the American Revolution or as the first Supreme Court justice of the new nation. When he became the first chief justice of America, he established the groundwork for fairness and neutrality in decision-making. Many of the principles he established in the 19th century are practiced today by this high court. His foresight was extremely acute, and leaders of America sought out his opinions even during his retirement. He was a role model for patience and fairness, and he manifested these qualities in his roles as a jurist, the governor of New York, and the ambassador to Spain, France, and England. None of his positions were easy ones. Every issue he confronted in his political life was a negotiation, and he was expected to referee various opposing factions. Almost magically he developed practical results that were "win-win solutions." John Jay is a Founding Father who is often overlooked, and few people realize the extent and impact of his contributions to the new nation. He might not have been a part of the Constitutional Convention, but he passionately argued for a more powerful, yet balanced, centralized form of government which eventually led to the passing of the U.S. Constitution. John Jay's work provided for the expression of liberty and justice in a viable society, and he designed a functional and dynamic process that still works today. In John Jay: A Captivating Guide to an American Statesman, Patriot, Diplomat, Governor of New York, the First Chief Justice, and One of the Founding Fathers of the United States of America, you will discover topics such as From Tyranny to Freedom Yearning to Be Free Freedom Is Expensive New York in Crisis John Jay in the Midst of the American Revolution Treaty of Paris and Repercussions Constitution and Court John Jay, Chief Justice and Gubernatorial Candidate The Jay Treaty and John Jay as Governor John Jay During His Initial Retirement John Jay: The Final Years And much, much more! So if you want to learn more about John Jay, scroll up and click the "add to cart" button!

Every American over the age of fifteen needs to read this book! the Constitution of the United States is the most important political document in the history of the human race. it enshrines natural rights instead of the terribly destructive human rights which are being forced upon us. Very few Americans Understand The Constitution, which is why our government has been able to trample and discard it with little or no protest. The Patriot's Guide to Taking America Back explains in simple, clear language exactly how far we have moved from the Constiitution and why America faces so many problems today, most of which have been caused by our government. The Patriot's Guide offers a plan by which Americans may take America back To The Constitution – and regain the sacred freedoms we seem to be willing to throw away. If you think something is terribly wrong in America today, you're right. The Patriot's Guide will help you Understand The problem And The solution.

In 1778, two years after the British forced the Continental Army out of New York City, George Washington and his subordinates organized a secret spy network to gather intelligence in Manhattan and Long Island. Known today as the "Culper Spy Ring," Patriots like Abraham Woodhull and Robert Townsend risked their lives to report on British military operations in the region. Vital reports clandestinely traveled from New York City across the East River to Setauket and were rowed on whaleboats across the Long Island Sound to the Connecticut shore. Using ciphers, codes and invisible ink, the spy ring exposed British plans to attack French forces at Newport and a plot to counterfeit American currency. Author Bill Bleyer corrects the record, examines the impact of George Washington's Long Island spy ring and identifies Revolutionary War sites that remain today.

"Movie Guide for Legal Studies" is intended to help instructors incorporate one or more of the 33 films featured in this guide into class material and dialogue. Presents Key Themes and Best Classroom Use for each of the 33 films featured. Provides a summary of the plot and suggestions of classes for which one of the listed films might fit. Allowing the professor to decided what is best suited for a particular class. Key scene and discussion suggestion portions at the end of each summary. The professor can provide students with sufficient narrative and, rather then play a movie in its entirety, show one or more key scenes, incorporating those scenes in class material and dialogue. Mainly geared for college classroom use, but legal movie buffs may find an academic prespective on their favorite movies interesting.

When Kris Paronto began talking with civilians about his experiences fighting the terrorist attack on the US State Department Special Mission Compound in Benghazi, Libya on September 11, 2012, he was surprised at how often people told him that the story of his extraordinary battle gave them courage to face tough times in their everyday lives. "The odds were stacked against us that night but the truth is that we refused to quit and we beat them with faith, teamwork, and the principles that were first instilled in me when I joined the Army. You can find those in the Rangers Creed and the Army Values," he says, "and you don't have to be a Special Operations soldier to use them." In The Patriot's Creed, Kris Paronto uses the seven core Army Values that all soldiers learn in Basic Combat Training, and the experiences of other servicemen and women and First Responders, to explain how anyone can improve themselves, the world around them, and live a heroic life. The stakes are dramatic for the brave men and women who put their lives on the line to fight for America, and too many of their acts of courage and honor are unknown. The examples of their persistence and discipline will be inspiring to anyone facing seemingly insurmountable obstacles. At a time of national polarization, Kris Paronto draws attention to values all readers can share and use, and to the honor, integrity and courage of true patriots who have gone to great lengths to protect and serve. They embody the best of us and make Kris Paronto proud to be an American soldier.

Provides insight into the federal government's rationale for domestic surveillance and the political and public response to the unprecedented federal powers acquired through the USA PATRIOT Act.

The classic story of one family torn apart by the Revolutionary War All his life, Tim Meeker has looked up to his brother. Sam is smart and brave, and is now a part of the American Revolution. Not everyone in town wants to be a part of the rebellion. Most are supporters of the British, including Tim and Sam's father. With the war soon raging, Tim knows he will have to make a choice between the Revolutionaries and the Redcoats, and between his brother and his father.

Recounts skirmishes and major campaigns by a soldier who enlisted at age fifteen and served seven years with Washington's Continental Army

By offering a documented listing of names of African Americans and Native Americans who supported the cause of the American Revolution, we hope to inspire the interest of descendants in the efforts of their ancestors and in the work of the National Society of the Daughters of the American Revolution.

America’s #1 radio talk-show host and multi-million-copy #1 New York Times bestselling author presents the second book in a series for young readers with a history teacher who travels back in time to have adventures with exceptional Americans. Rush Revere rides again! Saddle up with Rush Limbaugh’s really good pal for a new time-travel adventure. “Whoa there, young historians! Before we go rush, rush, rushing off anywhere, I'd like a moment. I’m Liberty, Rush Revere’s loquacious equine companion—his trusty talking horse! Always at the ready to leap from the twenty-first century into America’s past, that’s me. When he says ‘Let’s go!’ I’m so there. I’m jazzed, I’m psyched, I’m—” “Ah, excuse me, Liberty?” “Yeah, Rush?” “Usually you say ‘oh no, not again!’ and ‘while we’re in colonial Boston, can I try the baked beans?’” “Okay, fine—you do the talking. I’ll just be over here, if you need me....” Well, he’s sulking now, but I couldn’t be your tour guide across time without Liberty! His name says it all: the freedom we celebrate every July Fourth with fireworks and hot dogs (and maybe some of those baked beans). But how did America get free? How did thirteen newborn colonies tell the British king where he could stick his unfair taxes? Jump into the bustling streets of Boston in 1765, where talk of revolution is growing louder. I said LOUDER. You’ll have to SHOUT to be heard over the angry cries of “Down with the king!” and “Repeal the Stamp Act!” that fill the air. You’ll meet fierce supporters of liberty like Samuel Adams, Benjamin Franklin, and my idol, Paul Revere, as they fearlessly defy British rule. It’s an exciting, dangerous, turbulent, thrilling time to be an American...and exceptional young patriots like you won’t want to miss a minute. Let’s ride!

Veteran journalists Casey Sherman and Dave Wedge have written the definitive inside look at the Boston Marathon bombings with a unique, Boston-based account of the events that riveted the world. From the Tsarnaev brothers’ years leading up to the act of terror to the bomb scene itself (which both authors witnessed first-hand within minutes of the blast), from the terrifying police shootout with the suspects to the ultimate capture of the younger brother, Boston Strong: A City’s Triumph over Tragedy reports all the facts-and so much more. Based on months of intensive interviews, this is the first book to tell the entire story through the eyes of those who experienced it. From the cop first on the scene, to the detectives assigned to the manhunt, the authors provide a behind-the-scenes look at the investigation. More than a true-crime book, Boston Strong also tells the tragic but ultimately life-affirming story of the victims and their recoveries and gives voice to those who lost loved ones. With their extensive reporting, writing experience, and deep ties to the Boston area, Sherman and Wedge create the perfect match of story, place, and authors. If you're only going to read one book on this tragic but uplifting story, this is it.

This book is designed to equip the Christian Patriot to expose the evils of Islam. It examines the challenges, charts out a strategy, formulates the winning arguments, and is packed with damning evidence against Islam. The Patriot Fire Team Equipment Guide is a follow up to the original PFT Manual. The Equipment Guide gives specific and detailed recommendations and guidelines for preparing and equipping a team of like-minded individuals to deal with natural and manmade disasters.Think of the Patriot Fire Team as a Neighborhood Watch program only instead of whistles and flashlights, this neighborhood watch team has rifles and body armor. Whistles and flashlights are not going to stop gangs of criminals from looting and burning your neighborhood to the ground.The PFT Equipment Guide contains information about recommended rifles and pistols, but it includes much more than that. Topics Include: Personal Protective Gear Traumatic Medicine and First Aid Community Relations Access Denial and Intruder Detection Physical Fitness and Strength Night Operations Field Hygiene and Sanitation...and Much More In a world where the State has proven time and time again that it cannot, and far too often is unwilling to, protect citizens and communities from mob violence, and vicious criminal attacks, the Patriot Fire Team model is more important now than at any time in our nation's history.

Covers 10 key events from the Boston Tea Party through George Washington's inauguration, using rhyme.

The author shares her perspective on such topics as the 2000 election, present-day civil rights activists, and the relationship between the United States and Canada.

A Patriot's Guide of Essential Knowledge for Restoring America to Honor

Providing a kaleidoscope of resources and entries on the people, places, and events that coalesced into the American Revolution, this guide offers a concise introduction to one of the most famous revolutions ever fought. Though the American Revolution is often described within the thematic model of suppression versus freedom, the true significance of the event can be found in its nuances. Explicating complex issues, from slavery and the role of women to matters of diplomacy and strategic warfare, this guide offers comprehensive coverage of the American Revolution without oversimplifying its many facets. Entries on key documents like the Articles of Confederation and the U.S. Constitution help readers grasp the full scope of the revolution's catalysts as well as its achievements. Primary source documents also provide access to the revolution as experienced in real-time. Author Spencer C. Tucker, editor of ABC-CLIO's award-winning five-volume set American Revolution: The Definitive Encyclopedia and Document Collection, draws on his expertise to prepare the most pertinent entries on the American Revolution that both address its core elements and spur further research. Chronology reinforces progression of the revolution as well as major events Primary source documents offer insight into the decisions and events of the American Revolution as they unfolded Interdisciplinary array of entries frames the American Revolution in various contexts Concise format ensures comprehensive coverage of complex topics without fluff

A User's Guide to the USA PATRIOT Act and Beyond examines the controversial USA PATRIOT Act, passed by Congress six weeks after the horrific events of September 11, 2001. The book summarizes other programs put into operation to severely curtail the civil liberties of Americans, including a second, more intrusive PATRIOT Act, and other proposed programs and laws that attack privacy, probably cause, due process, and free speech.

This is the official CHFI (Computer Hacking Forensics Investigator) study guide for professionals studying for the forensics exams and for professionals needing the skills to identify an intruder's footprints and properly gather the necessary evidence to prosecute. The EC-Council offers certification for ethical hacking and computer forensics. Their ethical hacker exam has become very popular as an industry gauge and we expect the forensics exam to follow suit. Material is presented in a logical learning sequence: a section builds upon previous sections and a chapter on previous chapters. All concepts, simple and complex, are defined and explained when they appear for the first time. This book includes: Exam objectives covered in a chapter are clearly explained in the beginning of the chapter, Notes and Alerts highlight crucial points, Exam's Eye View emphasizes the important points from the exam's perspective, Key Terms present definitions of key terms used in the chapter, Review Questions contains the questions modeled after real exam questions based on the material covered in the chapter. Answers to the questions are presented with explanations. Also included is a full practice exam modeled after the real exam. The only study guide for CHFI, provides 100% coverage of all exam objectives. CHFI Training runs hundreds of dollars for self tests to thousands of dollars for classroom training.

In the spirit of 1776, The Solar Patriot aims to recruit readers as champions for rooftop solar power. If you're a homeowner who already has installed solar panels on your roof or in your yard, this book is definitely for you. The Solar Patriot is also for anyone who supports more solar power in America. And history buffs will enjoy connecting today's fight for solar rights to classic stories from the American Revolution. The Solar Patriot covers: How solar power can keep America strong by enhancing our national security, boosting the economy, and fighting climate change How electric monopolies and fossil fuel barons are trampling on the rights of ordinary Americans to make and use their own solar power What you can do to fight back for solar and for your energy freedom Inspiring stories from the American Revolution with lessons for today's solar patriot

From Leonard Maltin, author of the bestselling annual Movie Guide, comes this guide to classic movies. Leonard Maltin's Classic Movie Guide includes more than 7,000 capsule reviews of classic movies, including: The Birth of a Nation (1915), Gone With the Wind (1939), The Philadelphia Story (1940), High Noon (1952), and Guess Who's Coming to Dinner (1967). In addition, this unique volume also offers a star and director index, a full listing of classic movies on DVD, and Leonard Maltin's unique Top Ten lists. The result is an authoritative, dynamic guide to the classics no film aficionado should be without.

For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

A Patriot's History of the United StatesFrom Columbus's Great Discovery to the War on TerrorPenguin

We've lost our sense of unity as fellow Americans in this country. Not only our unity, but we're also losing our way. It's time to put all of our "special interests" aside and rediscover the common thread that binds us all. "Divided We Fall" is a powerful tool in helping fix the problems that face America and Americans today. Learn how the politicians use our honor, passions, good nature and liberties against us in order to maintain their own power. It's about rediscovering our commonalities and the power and authority that we have as described in the U.S. Constitution. Let the politicians be on alert! We the People are reading "Divided We Fall"!

What are our legal rights as American Christians in post-Christian America? This book provides concise easy-to-understand legal answers for the everyday religious freedom questions Christians face in their lives and communities. And there's good news! In most cases, the law says "Yes, you have the right to be a Christian at school, at work, and everywhere else!"

The fourth annual compilation of selected articles from the online Journal of the American Revolution.
