science inform this mind-bending mystery about a girl who must work with the laws of the universe and trust the love of her family if she is to set her world right. It's the morning of Maisie's tenth birthday, and she can't wait to open her presents. Maisie is not a typical kid. What she wants most for her birthday are the things she needs to build her own nuclear reactor. But she wakes to an empty house, and outside the front door is nothing but an unsettling, all-consuming blackness--a shifted reality. Even for super-smart Maisie, these puzzling circumstances seem out of her control . . . or are they? A CLIP Carnegie Medal

Gods and Warriors

In this delightfully imaginative novel, once again, hell threatens to break loose as Samuel Johnson and his ragtag group of friends must defend their town from shadowy forces more threatening than ever before... In this clever and quirky follow-up to *The Gates* and *The Infernals*, Samuel Johnson's life seems to have finally settled down—after all, he's still got the company of his faithful dachshund, Boswell, and his bumbling demon friend, Nurd; he has foiled the dreaded forces of darkness not once, but twice; and he's dating the lovely Lucy Highmore, to boot. But things in the little English town of Biddlecombe rarely run smoothly for long. Shadows are gathering in the skies, a black heart of pure evil is bubbling with revenge, and it rather looks as if the Multiverse is about to come to an end, starting with

Read Free The Pirate Kings Timeriders 7 Alex Scarrow

Biddlecombe. When a new toy shop's opening goes terrifyingly awry, Samuel must gather a ragtag band of dwarfs, policemen, and very polite monsters to face down the greatest threat the Multiverse has ever known, not to mention assorted vampires, a girl with an unnatural fondness for spiders, and highly flammable unfriendly elves. The latest installment of John Connolly's wholly original and creepily imaginative Samuel Johnson Tales, *The Creeps* is humorous horror for anyone who enjoys fiction at its best.

work for an agency that no-one knows exists. Its purpose - to prevent time travel destroying history . . . When Maddy mistakenly opens a time window where and when she shouldn't have, Liam is marooned sixty-five million years ago in the hunting ground of a deadly - and until now - undiscovered species of predator. Can Liam make contact with Maddy and Sal before he's torn to pieces by dinosaurs - and without endangering history so much that the world is overtaken by a terrifying new reality? "Sin doesn't really exist as a serious idea in modern life," wrote the journalist Bryan Appleyard. He is not alone in his views. Sin has become just as tainted, polluted and defiled in the postmodern mind as the world itself indicates. Atonement for a 'Sinless' Society is about an encounter between two stories: the story of the postmodern,

Read Free The Pirate Kings Timeriders 7 Alex Scarrow

post-industrialized, post-Christian 'sinless' self and the story of Atonement played out in the Passion Narrative. Alan Mann charts a way through the apparent impasse between a story that supposedly relies on sin and guilt to become meaningful and one that fails to recognize the plight of humanity as portrayed in this way. He shows that the biblical narrative needs to be reread in the light of this emerging story so that it can speak meaningfully and sufficiently to an increasingly 'sinless' society.

The stunning new thriller from one of the fastest-growing stars of the genre. 2008: deep in the mountain forests of Wyoming, Julian Cooke stumbles across the rotting remains of a wooden wagon. He's discovered what's left of the Preston Group, a convoy of settlers that vanished in the winter of 1856. It's clear that something horrific happened here all those years ago, but Cooke can only find a few tantalising clues. 1856: as early snows descend, the eclectic group of settlers that form the Preston wagon train are forced to dig in. Miles from any kind of civilisation, they see the group of Native Americans also trapped nearby as their greatest threat. But they soon realise what true danger is. When a woman is found murdered, one of the Indian party struggles wounded back to camp, whispering of unspeakable

Read Free The Pirate Kings Timeriders 7 Alex Scarrow

evil as he dies. United by fear, the settlers and the Indians must protect themselves against whatever is lurking in the woods. But as suspicion and panic grow, perhaps their own terror will be just as dangerous. Or maybe, whatever's out there is worse than anything they can imagine. Back in the present day, as Cooke unravels the mystery, he must question if the horror he is uncovering was in fact only the start of something much worse...

An action-packed new series set in the mysterious, dangerous Bronze Age Young Hylas--goatherd, Outsider, thief--is hunted by powerful warriors who want him dead and have kidnapped his sister. Hylas is forced to flee his home, but not before a mysterious stranger gives him a bronze dagger. While on the run, Hylas must use his skill and wits to

sins committed by some of the most celebrated names on the planet. Within these covers are startling stories of scandals during a century when screen idols seemed to vie with each other in outraging public decency. It was an age when fan fever was at its height and an endless supply of shocking revelations emerged to fuel the frenzy. Because of the perpetrators superstar status, the shame of exposure was often heightened, not only wrecking reputations but often harming careers and, at least, ensuring very public humiliation. The lessons learned from these cases of celebrity scandal (though often, it seems, not by the celebrities themselves) is that the bigger the star, the harder the fall and that deceit and intrigue

“Beautifully written . . . a serious series for a new generation”

(Falcata Times). Mira Fedor and her friends stand in the eye of the hurricane, and everything in the Orion League remains in flux. Mira is pregnant, and her gestation is proceeding at an inhuman pace. As she hides out on her bioship, Insignia, it seems clear that the extropist’s procedures have had unforeseen effects—but will her child be more than human? As secrets are revealed and conspiracies exposed about the attack on Araldis, Mira wonders if there is still time to thwart one last

master plan. The pieces are all in place; all that remains is for each side to commit to its endgame. But there is one question nobody has thought to ask: Will the Sole Entity—God—play by the rules? It is the epic conclusion to what the Sydney Morning Herald called “Space opera supreme.” Marianne de Pierres’s epic series the Sentients of Orion has been called “a grand space opera” (Times Literary Supplement) and “brilliant in all senses of the word” (Sean Williams). All four books were short-listed for the prestigious Aurealis Award, with the final book winning for Best Novel. Don’t miss the entire Sentients of Orion series: Dark Space, Chaos Space, Mirror Space, and Transformation Space. THEY THOUGHT IT WAS DEAD.

THEY WERE WRONG. Two years ago, a virus hit London, killing thousands of people and driving the rest into hiding. But Leon has somehow survived, making it through two harsh winters. Now he's living on the fragile hope that the freezing snow and ice of the English climate wiped out the virus for good. Word even reaches Leon of a rescue boat on its way. But all is not as safe as it seems. The virus has been busy... Praise for Plague Land: "Will immediately engross and terrify readers." —VOYA "A thrilling family survival story, a clinical study of a fictional pathogen, body horror, and an action-packed dystopian narrative." —Booklist "Terror, anxiety, and anticipation will flow rapidly through the veins of readers as they
