

The Prayer Factor

Nearly all books on prayer are for the individual. This book is not. It is about corporate prayer. Is corporate prayer simply individual prayer in a group setting? How can those who lead each pray-er to contribute to the prayer in a meaningful manner? How are we to evaluate corporate prayer? What is the most important human factor in corporate prayer? This book contains 100 questions and answers to help people get the most out of a group prayer experience. You don't have to settle for just prayer or corporate prayer. You can facilitate dynamic corporate prayer. Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Sain Thomas Aquinas who was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and understood that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation provides us with the opportunity to attain a more perfect knowledge of God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you." "What does God want from me?" You might ask it in frustration or in devotion, but, whatever your approach, it's a question that has crossed the lips of men and women from every generation in history. What if God gave you an answer? James Emery White guides you through the Lord's Prayer in search of what God longs for in his relationship with you. As profound as it is simple, what God longs for: a divine-human dialogue that transforms you on earth and prepares you for heaven.

This book contains spiritual truths about prayer and how to position the believer to pray effective prayers. Drawing heavily on revelations from the Holy Spirit, this book serves up an art of prayer hidden to a majority of believers until now. With the supreme word of God echoing loudly throughout its dialogue with the reader, The Prayer Closet, Praying in the Spirit, and other powerful foundations of effective prayers as well as hidden obstacles to prayer. The book does not conclude before putting forth a practical teaching on how to pray, and does so on a firm ground with profound insight on the spiritual ingredient that make effective prayers.

Getting Results In Prayer

Learn the secrets of effective prayer for every need. The Complete Works of E. M. Bounds on Prayer is the definitive Bounds collection in modern English. Eight classic explorations cover every aspect of prayer in a readable way. Included in this volume are 120 entries on what this great pastoral leader taught about the essentials, necessity, possibilities, power, purpose, reality, and weapon of prayer. Because Bounds so diligently practiced what he preached, he was able to capture the essence of prayer and his works live on to call today's Christians to higher discipleship and more energetic prayer lives.

Why is it a struggle to pray? Respected professor, speaker, and pastor Dr. Chuck Lawless explores the power of a praying church and how it can transform your ministry. Through prayer, we have access to the all-powerful living God. Even so, too many of us are tempted to start our days prayerless and feeling alone. How can this be? We can't afford to be so negligent, because whether we realize it or not we all face a high-stakes spiritual battle when we step out into our communities. In The Potential and Power of Prayer, Chuck Lawless illustrates how churches need to take prayer seriously in order to grow; explores how Jesus and the early church depended on God through prayer; explains how prayer is essential to preparing for spiritual battles; and guides church leaders in establishing the priority of prayer and a thriving prayer ministry in their churches. God chooses to move among Christians who humbly come to him in prayer; who depend on him for strength and guidance.

Prayer is a spiritual weapon that God has given to humanity to enable the world to experience His perfect will and glorious Kingdom. When prayer is answered it brings joy to people and glory to God. Answered prayer also motivates more prayer, and generates miracles, which fuel revival and soul winning into the kingdom of God. Furthermore, answered prayer paralyzes satanic forces, and it creates conducive atmospheres for fruitfulness, personal development and church growth. Unfortunately, many people pray and do not receive answers to their prayer because they "e;pray amiss."e; Therefore, they give up praying and just "e;live"e;, accepting whatever comes their way. Prayer must yield results, and for prayer to yield results it must be done right. In Answered Prayer, Rev. Martinson Sarfo provides insight into the dynamics of prayer, and factors that guarantee answered prayer. This book will show you how to pray right and receive answers to your prayers.

The confidence that we have in prayer is hinged on the Word of God, and the infallibility of His person. And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us: And if we know that he hear us, whatsoever we ask, we know that we have the petitions that we desired of him. 1John 5:14-15 However, many times we do not get answers when we pray, even though we may have followed the rules that guide prayer. This is a cause for concern for many believers around the world. If God is ready to hear us and grant the petitions we desire of Him, then what may be the cause of unanswered prayers? In this book, we

will be studying factors that may hinder us in prayers. These are factors like guilt, unbelief, doubt, offence, sin and asking amiss. We will also consider how to get results in prayers.

A Pattern of Prayer is a guide to prayer based on the daily, weekly, and occasional prayers of an intentional, ecumenical, Christian community called Grace and Main Fellowship in Danville, Virginia. It's designed to cultivate a rhythm to the life of prayer either in groups or by individuals. Providing a structure for morning, midday, evening, and night prayer, it is an excellent devotional aid that also allows the reader, or readers, to pray along with others wherever they may be. Also included are some of the prayers and blessings used in the work of the community, as well as the community's "identity statements" or "little rule." To make use of the prayerbook, all you'll need, in addition to the book, is a Bible.

A unique translation from the original Greek of the second century spiritual master Origen, developed and handed down by a reknown Scottish scholar and made available nearly one hundred years later in memory of Dr. Charles Ashanin whose last days were devoted to this project. From the book: Who would not say that it is impossible for man to trace out things in heaven? Yet this impossible thing, by the surpassing grace of God, becomes possible; for he who was caught up unto a third heaven traced out things in the three heavens through having heard unutterable utterances which it was not permitted for man to speak. Who can say that it is possible for the mind of the Lord to be known by man?

An exploration of the history of the Book of Common Prayer and its revisions, beginning with the 1549 English Prayer Book and continuing up to the present. This revised and expanded version of The Story of the Real Prayer Book (this book's original title) finishes the story of the final adoption of the 1979 Book of Common Prayer. Sydnor explores why each revision was necessary, what was changed, added, omitted, as well as what was retained in the "new" book. By understanding the delicate balance between the need for change and the preservation of what is timeless, William Sydnor believes that Episcopalians will "find anew that common ground of common prayer which is our legacy, our inspiration, and our joy."

Prayer and Spiritual Warfare Training Manual

The Psychology of Prayer

A Revised Edition of The Story of the Real Prayer Book

The true believer is a soldier and must be seen as such from the day of his conversion to the day of his death. He must not live a life of religious ease, nor must he imagine that he doze on the way to heaven. This warfare would be unnecessary if man had a nature like that of an angel; and if he were never a fallen creature; but with a corrupted heart, a busy ensnaring world, he must either fight or perish. Necessity is laid upon us; we must contend. In order to secure a complete and a permanent victory in this battle, the believer must have the whole armor of God, because only a spiritual armor would suffice in a spiritual warfare. "(For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;). For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith." (2 Corinthians 10:4; 1 John 5:4 - KJV). Any deviation from the counsels of God will ultimately lead to defeat, spiritual darkness, sorrow, enslavement, and regret. God's express command is that we should put on the whole armor; failure to do so is a deviation from His divine counsel. A believer without the armor is exposed to all the whims and caprices of the devil. He is like a city that is broken down and without walls. He is like a house without a roof, windows or doors. He is wide open to the adverse effects of weather, and is infested with all sorts of dangerous creatures. He is unstable, aimless, helpless and hopeless. Who neglects the divine instruction to put on and utilize spiritual armor exposes himself to the harrowing experiences of the unsaved and the unregenerate. Every believer must therefore be fully acquainted with these heaven-sent resources in order to thrive in this spiritually hostile world we live in. This Manual is a powerful tool for every believer who would war a good warfare. APOSTLE DR. DAYO BROWN.

Drawing from the latest scientific research, as well as numerous illustrative case studies, *The Faith Factor* offers convincing proof that religious practices can and do enhance the healing process in medicine. And nationally renowned physician Dale A. Matthews offers a program any patient can follow to incorporate faith into their own healing. Dr. Matthews points out that the integration of religious beliefs and practices in medical settings can have important benefits for the entire medical community, from patients and doctors to national health policy makers. How the national trend toward rediscovering religious values has led many patients to use prayer in conjunction with conventional treatment, and that the results have already convinced many that faith and religious practice can be valuable medicine. Finally, Dr. Matthews helps readers explore the connection between faith and medicine in their own lives through methods of prayer, meditation, worship, and study of Scripture.

The prayers of 6-year old Amy to her very best friend, God. God really is Amy's best friend and she treats Him that way. She brings Him a cupcake for his birthday, helps Him out with His problems, asks to become His assistant, and even takes objection to the creation. Why is fun so important? Because it is an avenue to God that is so very, very natural to small children. It gives small children (age 3-6) spirituality with a smile, a great big smile through the practice of nighttime prayer. "Amy's Best Friend, Prayers of a Child" comprises a

personal introduction from Amy followed by 14 illustrated prayers, and finally special pages to record a child's own prayers. The book is non-denominational. "Amy's Best Friend" is accompanied by two fun books to support your child's practice of prayer. First, there is a coloring book giving your child hours of fun coloring in the same prayers you have read to him/her. Second, after all the pages at the end of "Amy's Best Friend, Prayers Of A Child" have been filled with your child's own prayers, a prayer journal is available under the name "Amy's Best Friend, Prayers of A Child: My Prayers." The strengths and limitations of available empirical studies are critically evaluated, and promising future research directions are identified.

In this book Mickey Bonner reveals to you God's purpose for breaking in the life of the Christian. He develops with Scripture that God uses only the broken vessel to shine his light through. Revival will not come until men are broken before Him. This writing will develop in the Christian the true path of righteousness as spoken of in the Bible. It is only through the door of brokenness.
