THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE STREAMING SERIES REACHER The ultimate Jack Reacher experience: a thrilling new novella and eleven previously published stories, together for the first time in one pulse-pounding collection from Lee Child. *No Middle Name* begins with “Too Much Time,” a brand-new work of short fiction that finds Reacher in a hollowed-out town in Maine, where he witnesses a random bag-snatching but sees much more than a simple crime. “Small Wars” takes readers back to 1989, when Reacher is an MP assigned to solve the brutal murder of a young officer found along an isolated forest road in Georgia—and whose killer may be hiding in plain sight. In “Not a Drill,” Reacher tries to take some downtime, but a pleasant hike in Maine turns into a walk on the wild side—and perhaps something far more sinister. “High Heat” time-hops to 1977, when Reacher is a teenager in sweltering New York City during a sudden blackout that awakens the dark side of the city that never sleeps. Okinawa is the setting of “Second Son,” which reveals the pivotal moment when young Reacher’s sharp “lizard brain” becomes just as important as his muscle. In “Deep Down,” Reacher tracks down a spy by matching wits with four formidable females—three of whom are clean, but the fourth may prove fatal. Rounding out the collection are “Guy Walks into a Bar,” “James Penney’s New Identity,” “Everyone Talks,” “The Picture of the Lonely Diner,” “Maybe They Have a Tradition,” and “No Room at the Motel.” No suitcase. No destination. No middle name. No matter how far Reacher travels off the beaten path, trouble always finds him. Feel bad for trouble. Praise for *No Middle Name* “Captivating . . . classic [Lee] Child . . . This volume demonstrates what his fans already know: he’s a born storyteller and an astute observer.”—Publishers Weekly (starred review) “Lee Child, like his creation, always knows exactly what he’s doing—and he does it well. #1 NEW YORK TIMES BESTSELLER • John Grisham's most powerful, surprising, and suspenseful thriller yet • "A murder mystery, a courtroom drama, a family saga." –USA Today October 1946,
Clanton, Mississippi Pete Banning was Clanton, Mississippi's favorite son—a decorated World War II hero, the patriarch of a prominent family, a farmer, father, neighbor, and a faithful member of the Methodist church. Then one cool October morning he rose early, drove into town, and committed a shocking crime. Pete's only statement about it—to the sheriff, to his lawyers, to the judge, to the jury, and to his family—was: "I have nothing to say." He was not afraid of death and was willing to take his motive to the grave. In a major novel unlike anything he has written before, John Grisham takes us on an incredible journey, from the Jim Crow South to the jungles of the Philippines during World War II; from an insane asylum filled with secrets to the Clanton courtroom where Pete's defense attorney tries desperately to save him. Reminiscent of the finest tradition of Southern Gothic storytelling, The Reckoning would not be complete without Grisham's signature layers of legal suspense, and he delivers on every page.

John Grisham returns with this seven short stories, all set in Ford County, Mississippi, which is the location of his first novel, 'A Time to Kill'.

Cullen Post, an Episcopal minister and lawyer, fights to

exonerate Quincy Miller, who has spent over twenty years in prison for killing a lawyer, only to discover that powerful forces want the murder to remain unsolved.

A beautiful and gripping psychological novel about a mother and daughter who, after a lifetime on the run from a dark and dangerous past, land in a small Michigan town that may hold the key to ending their fugitive lifestyle. For Blue Lake's entire life, she and her mother, Scarlet, have been on the run from HIM—the man who Scarlet, a talented and enigmatic painter, insists is chasing them. But now, at fifteen years old, Blue has begun to resent the nomadic life that once seemed like an adventure, increasingly unsure what to make of the phantom pursuer she's never seen. She only yearns to settle down in one place, to live a normal life. When Scarlet and Blue arrive in the beachfront town of South Haven, Michigan, it seems that Blue's wishes might finally come true. She makes a good friend, is falling in love for the first time, and has found a piano teacher who recognizes her budding talent. But even as Blue thrives, she cannot shake her worry about her mother, whose eccentricities and art are only becoming increasingly difficult to understand. Scarlet, meanwhile, has very different intentions for their stay in South Haven. It was no accident that she brought them there and, with the help of the psychoanalyst she's sought out, Henry, she is determined to find a way to finally escape the shadow of her traumatic past, no matter the cost. Told through the alternating voices of Blue, Scarlet, and Henry, Scarlet in Blue is a page-turning story about the ramifications of past trauma, the way art can hold our lives together, and, most of all, the enduring bond between mother and child. When a wealthy man hangs himself and leaves his fortune to his black maid, Jake Brigance finds himself embroiled in a controversial trial that will expose old racial tensions and force Ford County to confront its tortured history.

#1 NEW YORK TIMES BESTSELLER • John Grisham is the acknowledged master of the legal thriller. In his first collection of novellas, law is a common thread, but America's favorite storyteller has several surprises in store.

"Homecoming" takes us back to Ford County, the fictional setting of many of John Grisham's unforgettable stories. Jake Brigance is back, but he's not in the courtroom. He's called upon to help an old friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he

stole money from his clients, divorced his wife, filed for bankruptcy, and left his family in the middle of the night, never to be heard from again—until now. Now Mack is back, and he's leaning on his old pals, Jake and Harry Rex, to help him return. His homecoming does not go as planned. In "Strawberry Moon," we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can't save him, the courts slam the door, and the governor says no to a last-minute request for clemency. As the clock winds down, Cody has one final request. The "Sparring Partners" are the Malloy brothers, Kirk and Rusty, two successful young lawyers who inherited a once prosperous firm when its founder, their father, was sent to prison. Kirk and Rusty loathe each other, and speak to each other only when necessary. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told.

They were average kids looking for something to do. Today they started killing people. A modern-day Bonnie and Clyde are on the run through rural Minnesota—victim by victim they're having the time of their lives. But when Bureau of Criminal Apprehension investigator Virgil Flowers joins the hunt for the thrill-hungry kids, things take a shocking detour.

When a Federal judge and his secretary fail to appear for a scheduled trial and panicked clerks call for an FBI investigation, a harrowing murder case ensues and culminates in the imprisonment of a lawyer who imparts the story of who killed the judge and why. By the best-selling author of *The Litigators*. (This book was previously listed in Forecast.)

From a seasoned insider of global finance comes a "stimulating, relevant, and dramatic" (*The Wall Street Journal*) thriller about a group of American operatives who secretly take over the world's largest dark money fund—"a gripping thriller that takes you into the world of New York hedge funds, Russian money launderers, and DC power politics [that] makes you feel like you're actually there" (Bill Browder, author of *Red Notice*). When a US airdrop of billions of dollars disappears in the desert sands of Syria, only a small group of military operatives knows its ultimate destination or why it has been stolen. Their goal is no less than the restoration of America's geopolitical dominance on the global stage. Essential to this scheme are Greta Webb, a sophisticated CIA operative who is an expert on dark money, not to mention lethally skilled in hand-to-hand combat, and Elias Vicker, the damaged, dangerous soul who runs the world's largest hedge fund. To achieve its goals, the group must form dangerous alliances. One is with the hidden family that manages the largest private pool of capital that has ever existed. Another is with Fyodor Volk, the ruthless founder of Russia's most successful private military company, a mercenary with ties to Vladimir Putin. Volk has his eye on

Greta. She would be wise to avoid him but cannot. Arcing from Manhattan's finest apartments to Washington, DC, from Middle Eastern war zones to private European bank vaults, Jay Newman's *Undermoney* follows the Americans as they are enmeshed in the world of dark money and confront ever-increasing danger. Ultimately, they must decide whether their objectives are worth the cost of sacrificing not just a few but potentially many human lives. "Unexpectedly timely" (*The New Yorker*), *Undermoney* is a "wildly entertaining peek behind the curtain of American politics, financial skullduggery, and high-stakes global conflict" (Nelson DeMille).

Judge Raymond Fawcett just became number five. His body was found in the small basement of a lakeside cabin he had built himself and frequently used on weekends. When he did not show up for a trial on Monday morning, his law clerks panicked, called the FBI, and in due course the agents found the crime scene. There was no forced entry, no struggle, just two dead bodies - Judge Fawcett and his young secretary. I did not know Judge Fawcett, but I know who killed him, and why.
