"A re-emergence of magic after centuries of absence sparks brutal pogroms throughout the Eight Kingdoms, pitting a group of resolute heroes against the machinations of a vicious traitor. By the Nebula Award-winning author of Kings of the North." Arutha, the new king of Midkemia, is threatened by an evil power that

raises the dead and inspires them to do battle with the living, as

Jimmy the Hand searches for an antidote to the poison that threatens young princess Anita.

Fresh back from the front, another foe defeated, Prince Arutha arrives to find all is not well in Krondor. A series of apparently random murders has brought an eerie quiet to the city. Where normally the streets are bustling with merchants and tricksters, good life and night life, now there seems to be a self-imposed curfew at sundown.

Mutilated bodies have been turning up in the sewers, the Mockers' demense. The Thieves' Guild has been decimated men, women,

children, it matters not. The head of the Mockers is missing,

presumed dead. Those few who survived the terrible attacks are lying low. Very low. The Crawler, it seems, is back in town. And he's being helped by others, more ruthless than he. Can it be the Nighthawks again? The Prince enlists his loyal Squire James to find out. If anyone can unravel what's happening in the bowels of Krondor, he can. He knows the sewers like the back of his hand. After all, as Jimmy the Hand, he grew up there. Meanwhile, the retinue of the Duke of Olasko has arrived suddenly at the palace, a week ahead of schedule but with no

The first volume in legendary master and New York Times bestselling author Raymond E. Feist's epic heroic fantasy series, The Firemane Saga—an electrifying tale of two young men whose choices will determine a world's destiny. For centuries, the five greatest kingdoms of North and South Tembria, twin continents on the world of Garn, have coexisted in peace. But the

balance of power is destroyed when four of the kingdoms violate an ancient covenant and betray the fifth: Ithrace, the Kingdom of Flames, ruled by Steveren Langene, known as "the Firemane" for his brilliant red hair. As war engulfs the world, Ithrace is destroyed and the Greater Realms of Tembria are thrust into a dangerous struggle for supremacy. As a Free Lord, Baron Daylon Dumarch owes allegiance to no king. When an abandoned infant is found hidden in Daylon's pavilion, he realizes that the child must be the missing heir of the slain Steveren. The boy is valuable—and vulnerable. A

cunning and patient man, Daylon decides to keep the baby's existence secret, and sends him to be raised on the Island of Coaltachin, home of the so-called Kingdom of Night, where the powerful and lethal Nocusara, the "Hidden Warriors," legendary assassins and spies, are trained. Years later, another orphan of mysterious provenance, a young man named Declan, earns his Masters rank as a weapons smith. Blessed with intelligence and skill, he unlocks the secret to forging King's Steel, the apex of a weapon maker's trade known by very few. Yet this precious knowledge is also deadly, and

Declan is forced to leave his home to safeguard his life.

Landing in Lord Daylon's provinces, he hopes to start anew. Soon, the two young men—an unknowing rightful heir to a throne and a brilliantly talented young swordsmith—will discover that their fates, and that of Garn, are entwined. The legendary, long-ago War of Betrayal has never truly ended . . . and they must discover the secret of who truly threatens their world. sacrifice if the whole world is to be saved.

Following Talon of the Silver Hawk and King of Foxes, here is the third exciting volume in the Conclave of Shadows trilogy from the acclaimed author “in the forefront of contemporary fantasy adventure” (Library Journal) Tal Hawkins has succeeded in wreaking revenge on Kaspar, the evil Duke of Olasko.

Banished to a distant land, Kaspar begins a journey that will take him halfway around the world. Reduced to the role of farm-hand, then common laborer, the former ruler endures dangers and horrors

beyond his imagination as he struggles to return home. But fate, or some dark agency, has more in store for the man who was once tyrant of Olasko. As he travels, he is chosen to play a part in a much larger drama, a struggle between good and evil ages in the making. Dark powers are again in motion, and Kaspar discovers the herald of a threat not seen across the land since the legendary Riftwar and Serpentwar: A dark empire in a distant realm seeks entrance to Midkemia and Kaspar has unwittingly discovered the key. Now it is up to this unlikely hero to save Midkemia from

A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series.

From the endlessly inventive mind of one of fantasy's all-time greats, comes a spellbinding new adventure featuring old favourites Jimmy, Locklear and Pug. It's nine years on from the aftermath of Sethanon and peace has settled over the land. But news of deadly forces stirring on the horizon,

brought by the moredhel Gorath, threatens danger once more for the Kingdom of the Isles. Nighthawks are murdering again. Politics becomes a dangerous, cut-throat game. And at the root of it all lies a mysterious group of magicians known only as The Six. Surrounded on all sides by gangs, criminal masterminds and traitors to the crown, it's only a matter of time before the Kingdom of the Isles is brought down to its knees ...

In the crime-ridden back alleys of Krondor a rival gang has sprung up to threaten the Upright Man's Mockers. Does the Crawler control the rival gang? Where does his power come from? And does it threaten the peace of the Kingdom?

Rides a Dread Legion

The New York Times bestselling author revisits his signature world of Midkemia in this first book in a new trilogy that ushers in the third, and most dramatic, Riftwar yet: the Darkwar Flight of Nighthawks picks up two years after Exile's Return as Pug, the powerful sorcerer, awakens from a nightmare that portends destruction for all of Midkemia.

Disturbed by his dream, Pug calls for a convening of the Conclave of Shadows. Meanwhile, in a small town on the other side of Midkemia, two young brothers are coming of age. As they travel away from home, towards apprenticeships and adulthood, the boys are attacked by bandits and mistakenly transported to Sorcerer's Isle, the home of the Conclave of Shadows. Though they are untrained and unready, the brothers will join the powerful, mysterious Conclave to confront Midkemia's most looming evil yet—the Nighthawks, assassins feared throughout the centuries. And Pug will face his

formerly known as Sidi, now Leso Varen, in a confrontation with everything at stake: his honor, his life, and the future of Midkemia. The Kingdom is under constant threat. Pug - the greatest magician Midkemia has ever known - and the Conclave of Shadows are struggling in a deadly war against dark forces newly arisen. And still, the biggest threat is yet to come.

Winter's icy grasp is loosening on the world. The Emerald Queen's vanquished army has its broken back to the Bitter Sea. And treachery is its only recourse. A lackey has declared himself Lord

of the defeated, amassing the still fearsome remnants of a ruthless fighting force together for one final assault on a weakened, vulnerable realm. For the warriors who remained steadfast against terrible numbers, for the courageous souls who barely survived a devastating onslaught upon their homeland, the time to rebuild and renew has not yet come. The war is not over in Midkemia. And Jimmy and Dash--two young noble brothers who stand at the center of a gathering storm--are impelled to action that could secure a tenuous peace
