"Rough-Hewn Land tells the geologic story of the American West--the story of its rocks, rivers, mountains, earthquakes, and mineral wealth, including gold. It tells it by taking you on a 1000-mile-long field trip across the rough side of the continent from the California coast to the Rocky Mountains. This book puts you on the outcrop, geologic hammer in hand, to explore the evidence for how the spectacular, rough-hewn lands of the West came to be. When North America broke free from Eurasia and Africa some 200 million years ago, it triggered a cascade of violent geologic events that shaped the West we see today. As the west-moving continent crunched across the seabed of the ancient Pacific, islands and assorted pieces of ocean floor collected against its prow to build California--and plant gold there too. Meanwhile, mountains squeezed upward from California to Colorado, and vast quantities of molten rock seeded the crust with precious metals while spewing volcanic fire across the land. Later, the land stretched like an accordion to form the washboard-like Basin and Range province and Great Basin within it, while California began to crackle along the San Andreas fault. Throughout the West today, a near-constant drumroll of earthquakes testifies to a world still reshaping itself in response to the ceaseless movements of the Earth's tectonic plates. Rough-Hewn Land weaves these stories into the human history of the West. As we follow the adventures of John C. Frémont, Mark Twain, the Donner party, and other historic characters, we see how geologic forces have shaped human experience, just as they direct the fate of the West today"-- The Rough Guide to Languedoc & Roussillon is the ultimate travel guide to this rich and rewarding region of France. Discover the highlights of both Languedoc and Roussillon with stunning photography, colour-coded maps, candid reviews and indispensable practical information. You'll find detailed advice on what to see and do - from visiting breathtaking hilltop villages and Cathar castles to lazing on dune-backed beaches and boating along the majestic Canal du Midi. There's comprehensive coverage of all the urban centres like Toulouse, Perpignan, Montpellier and Nîmes, and of course the medieval citadel of Carcassonne. Throughout the guide there are up-to-date descriptions of the best hotels, bars, shops, markets, cafés and restaurants, for budgets high and low, and insights into the region's traditions, culture and heritage. We'll lead the way to the best places to tuck into cassoulet, shuck oysters or taste renowned wines such as Picpoul de Pinet and Côtes du Roussillon.
