

## The Savage Earth The Vampire World Saga Book 1

Surveys centuries of folklore about vampires and offers a scientific explanation for the origins of the legends.

This book explores vampire narratives that have been expressed across multiple media and new technologies. Stories and characters such as Dracula, Carmilla and even Draculaura from Monster High have been made more "real" through their depictions in narratives produced in and across different platforms. This also allows the consumer to engage on multiple levels with the "vampire world," blurring the boundaries between real and imaginary realms and allowing for different kinds of identity to be created while questioning terms such as "author," "reader," "player" and "consumer." These essays investigate the consequences of such immersion and why the undead world of the transmedia vampire is so well suited to life in the 21st century.

What truth lies buried under the savage earth? The battle for control of New Haven is over and the sun still shines on the city. Alex and her team have a new group of allies to help in the battle with the Ferals. The future of humanity is looking bright. Everything seems right with the world... so why does something feels wrong to Alex and her team? Are their new allies as perfect as they seem?To learn the truth, Alex and the GMT will need to survive a deadly game of cat and mouse with an ancient adversary. Should the sins of the past be left in the dust or will the uncovered answers lead to a brighter future? Most people would let a dead thing lie, but Alex and the GMT have never been afraid of the monsters of the past.Get your copy today!

Essays on Technological Convergence and the Undead

*Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.*

*I trusted my heart to a vampire. Now I want revenge. . . . The vampires are at war, and I'm caught in the middle. I thought nothing could surpass my desire for Nic's dark, dangerous charms, but with my father dead from the fangs of our enemy, everything has changed. I'm consumed with the need to seek vengeance. Suddenly, I realize what I must do. I ask Nic to change me. He forbids it. He tells me the change must be made for the right reason. For love. And avenging my father isn't the right reason. But with our enemy closing in fast, I'm angry enough to defy Nic and fight this war my way, no matter what the consequences.*

*Over the centuries, anything Ronan once found pleasure in has been replaced by blood and death. Every morning, he wonders if that will be the day he succumbs to the savage side of his vampire nature. As a born hunter, Kadence has never stepped beyond the walls of her home. She's not happy with her life, but she accepted it long ago... just as she's accepted her impending marriage to a man the elders chose for her. However, when a vampire murders her father, Kadence is determined to escape the walls that have kept her caged. After she's attacked by the monster who killed her father, and rescued by Ronan, Kadence finds herself inside the world of the vampires she's been raised to hate. Despite her distrust of him, the more time she spends with Ronan, her feelings for him deepen until she finds herself questioning the hunter way of life. Now she must decide what she truly wants: revenge, Ronan, or the elusive freedom she's finally found. \*\*\*The Alliance Series is a spin-off of the Vampire Awakenings series. An international bestseller and beloved cultural touchstone, Anne Rice’s classic novel Interview with the Vampire starts “where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth” (Chicago Tribune). But that’s only the beginning. Over the course of twelve interwoven novels, Rice crafts a richly imagined, magnificently transporting epic around her chilling, charismatic antihero, Lestat. An aristocrat in the heady days of pre-revolutionary France who lives to become a rock star in the demonic, shimmering 1980s, Lestat rushes through the centuries in search of others like him, seeking answers to the mystery of his eternal, terrifying existence. Now, with the publication of the complete series in one convenient eBook bundle, there has never been a better time to devour the entirety of The Vampire Chronicles. Gathered here are the ten books that comprise the original saga: INTERVIEW WITH THE VAMPIRE THE VAMPIRE LESTAT QUEEN OF THE DAMNED THE TALE OF THE BODY THIEF MEMNOCH THE DEVIL THE VAMPIRE ARMAND MERRICK BLOOD AND GOLD BLACKWOOD FARM BLOOD CANTICLE . . . as well as the two books of the New Tales of the Vampires: PANDORA VITTORIO, THE VAMPIRE Praise for the novels of Anne Rice "Brilliant . . . [Rice’s] undead characters are utterly alive.”—The New York Times Book Review "If you surrender and go with her . . . you have surrendered to enchantment, as in a voluptuous dream.”—The Boston Globe "Frightening, sensual . . . Anne Rice will live on through the ages of literature. . . . To read her is to become giddy as if spinning through the mind of time, to become lightheaded as if our blood is slowly being drained away.”—San Francisco Chronicle "Unrelentingly erotic . . . sometimes beautiful, and always unforgettable.”—The Washington Post "Rice has created universes within universes, traveling back in time as far as ancient, pre-pyramdic Egypt and journeying from the frozen mountain peaks of Nepal to the crowded, sweating streets of southern Florida.”—Los Angeles Times "Fiercely ambitious, nothing less than a complete unnatural history of vampires.”—The Village Voice These vampires don't sparkle...they bite. Book 1 of the Blood of Eden trilogy by Julie Kagawa, New York Times bestselling author of The Iron Fey, begins a thrilling dark fantasy series where vampires rule, humans are prey,and one girl will become what she hates most to save all she loves. Allison Sekemoto survives in the Fringe, where the vampires who killed her mother rule and she and her crew of outcasts must hide from the monsters at night. All that drives Allie is her hatred of vampires, who keep humans as prey. Until the night Allie herself dies...a becomes one of the monsters. When she hears of a mythical place called Eden that might have a cure for the blood disease that killed off most of civilization, Allie decides to seek it out. Hiding among a band of humans, she begins a journey that will have unforeseen consequences...to herself, to the boy she’s falling for who believes she’s human, and to the future of the world. Now Allie must decide what—and who—is worth dying for...again. "A fresh and imaginative thrill ride." —Publishers Weekly, starred review Books in the Blood of Eden series: The Immortal Rules The Eternity Cure The Forever Song

***The hypnotic, deeply seductive novels of Anne Rice have captivated millions of fans around the world. It all began a quarter of a century ago with Interview with the Vampire. Now, in one chilling volume, here are the first three classic novels of The Vampire Chronicles. INTERVIEW WITH THE VAMPIRE Witness the confessions of a vampire. A novel of mesmerizing beauty and astonishing force, it is a story of danger and flight, love and loss, suspense and resolution, and the extraordinary power of the senses. “A magnificent, compulsively readable thriller . . . Anne Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.” –Chicago Tribune THE VAMPIRE LESTAT Once an aristocrat from pre-revolutionary France, now a rock star in the decadent 1980s, Lestat rushes through the centuries seeking to fathom the mystery of his existence. His is a mesmerizing story-passionate and thrilling. “Frightening, sensual . . . A psychological, mythological sojourn . . . Anne Rice will live on through the ages of literature. . . . To read her is to become giddy as if spinning through the mind of time.” -San Francisco Chronicle QUEEN OF THE DAMNED Akasha, the queen of the damned, has risen from a six-thousand-year sleep to let loose the powers of the night. She has a marvelously devious plan to “save” mankind—in this vivid novel of the erotic, electrifying world of the undead. “With The Queen of the Damned, Anne Rice has created universes within universes, traveling back in time as far as ancient, pre-pyramdic Egypt and journeying from the frozen mountain peaks of Nepal to the crowded, sweating streets of southern Florida.” -Los Angeles Times Meet Christian Savage, vampire hunter in the wildest back-lands of the old Wild West. Abandoned by his parents at birth and raised by a kindly priest, Savage was momentarily lured to the black arts of the occult and it cost him the life of the priest. Now Savage roams the countryside ridding the frontier of the supernatural enemies of civilization, attempting to make the Wild West safe for homesteaders. THIS ISSUE: "Vampire Love" - Savage comes across the last two people on Earth he would ever expect. His parents. Two beings that have set themselves up in a secluded castle, with their bloodsucking minions, overlooking the very fiery pit of Hell itself. And here they will tempt and seduce Savage once more with the black arts of the occult in a bid to join them. A Caliber Comics release.***

As Library Journal says: "The author of the Dushau Trilogy and the Sime Gen series ably integrates vampire lore with SF intrigue in a novel that should have broad appeal."*

*It's been over a century since the humans lost the war for Earth. Cities have been reclaimed by nature, and the planet is quiet and empty by day. At night, feral vampires—more beast than man—roam the lands, hungry for blood. The few thousand surviving humans live on a massive airship that circles the Earth, moving with the rotation of the planet so it's always in sunlight. Alexandria Goddard is a member of the elite Ground Mission Team, a group tasked with making dangerous runs to the planet's surface for the supplies needed to keep the ship airborne. But even as the team fights for their people's survival, dangerous forces are working against them. A growing movement aboard the airship believes it's time for humans to resettle the Earth, and they are willing to go to extreme measures to make their vision a reality. As the situation aboard the ship becomes more desperate, Alex and her team discover a terrifying secret about the vampires infesting the Earth. P.T. Hylton, author of Regulation 19 and the Zane Holloway series, and Jonathan Bencke, a bold new voice in science fiction, bring you a post-apocalyptic vision of a world where vampires rule, humanity is on the run, and safety is an illusion as fleeting as a shadow.*

He enjoys garlic and sunbathing in Saint-Tropez. In his spare time he hunts werewolves and rips them apart, limb from limb, terrorizing Whitechapel, London for weeks now. People are scared and the police just can't get a break in the case. It's up to Lucius to travel back to 1888 and catch this killer. The killer is the alpha werewolf of the Vladk pack who has escaped Lucius' clutches for revenge and for the vampire to put an end to the werewolves terrorizing their herd of sheeple. Mardi Gras: Mardi Gras is #2 in The Misgivings of the Vampire Lucius Lafayette series. Hot on the heels of Jack the Ripper, Lucius can taste the werewolf's flesh at present times. To his home in New Orleans. Which pack of werewolves has the audacity to attack the Lafayette Killing in their very home. Nobody tries to murder Baron Lafayette's family in his own house. The Galvez pack is a notorious and dastardly violent pack on doing nothing but savage humanity and eradicate vampires from Earth. But these beasts are vermin. Undisciplined vermin that vampires must eradicate. Still, can Lucius take on a pack of werewolves and come out alive to talk about it? Hemlock Crescent: Hemlock Crescent is #3 in The Misgivings of the Vampire Lucius Lafayette series. The vampire Lucius Lafayette has decided to visit Greece. Ancient Greece, where Socrates is a well established philosopher and general. But the vampire is not there so much for Socrates as he is for the Spartans. Decades long war with Sparta, a war that looks like they'll be losing. Lucius and Socrates sail out to fight against the Spartans, but they're ambushed by Spartan fisherman and taken as prisoners. Socrates is released, a tired man, tired of an old war. His last mission is against the Athenian hegemony. Sentenced to death by werewolves. They're hell bent on eliminating the human race and creating anarchy. Lucius is hell bent on eradicating the vermin that the werewolves have become. Hell's Disciples: Hell's Disciples is #4 in the Vampire Lucius Lafayette series. In the summer of 1976, Son of Sam starts his rampage. Many didn't believe him that it was his neighbor's dog who instructed him to go on his murderous shootings. Lucius Lafayette, vampire and werewolf slayer, does believe him. He's a dog so much as a pack of werewolves who go by the name of Hell's Disciples who are instructing David Berkowitz to go on a killing spree. Werewolves are hell bent on destroying humanity, and Lucius, though no saint is our only hope. But he can't even keep them from almost killing his own son Cage. These Hell's Disciples' werewolves are violent, strong and unrepentant. Has Lucius bitten off more than he can chew going into a den of 13 Lobison?

Her husband is a workaholic, her teenage kids have their own lives, her senile mother-in-law needs constant care, and she's always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings they're as likely to talk about the Manson family as they are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor, bringing the neighbor's handsome nephew, James Harris, into her life. James is well traveled and well read, and he makes Patricia feel things she hasn't felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt. The real problem? James is a monster of a different kind—and Patricia has already invited him in. Little by little, James will insinuate himself into Patricia's life and try to take everything she took for granted—including the book club—but she won't surrender without a fight in this blood-soaked tale of neighborly kindness gone wrong.*

*#1 New York Times Bestselling author - Surrender to fiction's greatest creature of the night - Book II of the Vampire Chronicles The vampire hero of Anne Rice's enthralling novel is a creature of the darkest and richest imagination. Once an aristocrat in the heady days of pre-revolutionary France, now a rock star in the demonic, shimmering 1980s, he rushes through the centuries in search of others like him, seeking answers to the mystery of his eternal, terrifying existence. His is a mesmerizing story—passionate, complex, and thrilling. Praise for The Vampire Lestat "Frightening, sensual . . . Anne Rice will live on through the ages of literature. . . . To read her is to become giddy as if spinning through the mind of time, to become lightheaded as if our blood is slowly being drained away."—San Francisco Chronicle "Fiercely ambitious, nothing less than a complete unnatural history of vampires."—The Village Voice "Brilliant . . . its undead characters are utterly alive."—The New York Times Book Review "Luxuriantly created and richly told."—The Cleveland Plain Dealer*

*Frank Hinkle is thrilled when he is unexpectedly released from prison, but after a few days in his hometown he's going to wish he had stayed safely behind bars. Things have changed in Rook Mountain, Tennessee, since Frank went away. His brother Jake has been missing for seven years, a fact no one bothered to share with Frank. His fun-loving buddy Will is now a somber man known for his violent enforcement of the town's bizarre new laws. Frank's sister-in-law Christine has a freezer chest containing a collection of illegal objects and a severed head. As Frank will soon learn, the only thing worse than being in Rook Mountain is being outside of it. Outside of town is where the Unfeathered sing their terrible song and wait for night to fall.*

*"A book to rival TWILIGHT and VAMPIRE DIARIES, and one that will have you keep reading until the very last page!" -Vampirebooksite.com (re Turned) The complete VAMPIRE JOURNALS collection! Here is a bundle of books 1—12 in Morgan Rice's series THE VAMPIRE JOURNALS, the #1 bestselling series, with over 900 five star reviews! In THE VAMPIRE JOURNALS, 18 year old Caitlin Paine finds herself uprooted from her nice suburb and forced to attend a dangerous New York City high school. Caitlin suddenly finds herself changing, overcome by a superhuman strength, a sensitivity to light, a desire to feed. She seeks answers to what's happening to her, and she finds herself in the midst of a vampire war, at the wrong place at the wrong time. Traveling back in time, caught between two men as a forbidden love blossoms, Caitlin must decide if she will risk both their lives to save humanity, and to be with the one she loves. "Morgan Rice proves herself again to be an extremely talented storyteller....This would appeal to a wide range of audiences, including younger fans of the vampire/fantasy genre. It ended with an unexpected cliffhanger that leaves you shocked." —The Romance Reviews (regarding Loved)*

*This introductory volume offers an elegant analysis of the enduring appeal of the cinematic vampire. From Georges Méliès' early cinematic experiments to Twilight and Let the Right One In, the history of vampires in cinema can be organized by a handful of governing principles that help make sense of this movie monster's remarkable fecundity. Among these principles are that the cinematic vampire is invariably about sex and the vexed human relationship with technology, and that the vampire is always an overdetermined body condensing what a culture considers other. This volume includes in-depth studies of films including Powell's A Fool There Was, Franco's Vampyros Lesbos, Cronenberg's Rabid, Kümel's Daughters of Darkness, and Merhige's Shadow of the Vampire.*

*NATIONAL BESTSELLER • "Rice allows [her vampires] to do what they do best: wreak havoc and evoke terror. All while impeccably dressed." —The Washington Post The vampire world is in crisis ... Old vampires, roused from deep slumber in the earth, are doing the bidding of a Voice commanding that they indiscriminately burn their kin in cities across the globe, from Paris to Mumbai, Hong Kong to San Francisco. Left with little time to spare, a host of familiar characters including Louis de Pointe du Lac, Armand, and even the vampire Lestat, must embark on a journey to discover who—or what—is driving this mysterious being.*
