

The Second Circle How To Use Positive Energy For Success In Every Situation Patsy Rodenburg

Four young misfits find themselves living in a strictly disciplined temple community where they become friends while also learning to do crafts and to use their powers, especially magic.

When a dissertation crosses my desk, I usually want to grab it by its metaphorical lapels and give it a good shake. “You know something!” I would say if it could hear me. “Now tell it to us in language we can understand!” Since its publication in 2005, From Dissertation to Book has helped thousands of young academic authors get their books beyond the thesis committee and into the hands of interested publishers and general readers. Now revised and updated to reflect the evolution of scholarly publishing, this edition includes a new chapter arguing that the future of academic writing is in the hands of young scholars who must create work that meets the broader expectations of readers rather than the narrow requirements of academic committees. At the heart of From Dissertation to Book is the idea that revising the dissertation is fundamentally a process of shifting its focus from the concerns of a narrow audience—a committee or advisors—to those of a broader scholarly audience that wants writing to be both informative and engaging. William Germano offers clear guidance on how to do this, with advice on such topics as rethinking the table of contents, taming runaway footnotes, shaping chapter length, and confronting the limitations of jargon, alongside helpful timetables for light or heavy revision. Germano draws on his years of experience in both academia and publishing to show writers how to turn a dissertation into a book that an audience will actually enjoy, whether reading on a page or a screen. Germano also acknowledges that not all dissertations can or even should become books and explores other, often overlooked, options, such as turning them into journal articles or chapters in an edited work. With clear directions, engaging examples, and an eye for the idiosyncrasies of academic writing, From Dissertation to Book reveals to recent PhDs the secrets of careful and thoughtful revision—a skill that will be truly invaluable as they add “author” to their curriculum vitae.

"From whatever angle you approach it, the present offers no way out. This is not the least of its virtues. From those who seek hope above all, it tears away every firm ground. Those who claim to have solutions are contradicted almost immediately. Everyone agrees that things can only get worse. "The future has no future" is the wisdom of an age that, for all its appearance of perfect normalcy, has reached the level of consciousness of the first punks." -- Publisher's website (Accessed 9 March 2022) Our ancestors gathered around a fire in a circle, families gather around their kitchen tables in circles, and now we are gathering in circles as communities to solve problems. The practice draws on the ancient Native American tradition of a talking piece. Peacemaking Circles are used in neighborhoods to provide support for those harmed by crime and to decide sentences for those who commit crime, in schools to create positive classroom climates and resolve behavior problems, in the workplace to deal with conflict, and in social services to develop more organic support systems for people struggling to get their lives together. You know that person: the one with that certain something. And you've probably dismissed that something as unattainable, simply innate. But it's a myth that some are born with "it" and others aren't. Everybody can have that presence--and the peaceful self-acceptance that powers it. Patsy Rodenburg reveals that the secret is learning to inhabit "the second circle": the optimal state between the first circle of introversion and self-doubt and the third of aggression and narcissism. She provides exercises to help you break the habits that constrict your real power and to better cope with the negative behaviors and attitudes of those around you. With wisdom and patience, Rodenburg teaches you how to communicate effectively at home, work, school, and--most important--with yourself. The Second Circle will empower you to meet life's most extraordinary trials with brio and to embrace the joys and challenges of every single day.

In the second installment of the popular series, Heck, Dale E. Basye takes Milton and Marlo Fauster on a journey that is as clever, as laugh-out-loud funny, and as satisfying as the first. Welcome to Rapacia, where the greedy kids go . . . When Milton escapes from Heck in a soul balloon made of old clothes, Marlo is the only Fauster child left to take the blame. Bea “ Elsa ” Bubb, the Principal of Darkness, sends her straight to Rapacia, the circle where greedy kids are tormented by glimpses of a just-out-of-reach, glittering shopper ’ s paradise called Mallvana. Marlo soon falls under the sway of Rapacia ’ s assistant principal, a grinning metal rabbit known as the Grabbit that seems to have plans of its own. Meanwhile, back on the Surface, Milton has his own problems. He is determined to get in touch with Marlo and help her find a way out of Heck. But it ’ s hard to concentrate when his body and soul don ’ t seem to hold together the way they used to. Will Milton ever reach Marlo? And if he does, will they both end up as pawns in the Grabbit ’ s mysterious game?

This secretary minutes book was created to achieve three important goals a Loyal Lady Secretary may look for when writing in a minute's book. The first important factor a secretary looks for in a minute's book is enough space to write. The second most important factor a secretary looks for is structure to align with the leader's agenda. The third most important factor a secretary looks for is all required information embodied in one place. As a special treat, a variety of puzzles were created to keep engaging your brain to retain information**

The New Earth is a sequel to The Circle. It focuses upon the survivors' struggles to bring the planet back from the brink of destruction that was caused by Armageddon.

In Speaking Shakespeare, Patsy Rodenburg tackles one of the most difficult acting jobs: speaking Shakespeare's words both as they were meant to be spoken and in an understandable and dramatic way. Rodenburg calls this "a simple manual to start the journey into the heart of Shakespeare," and that is what she gives us. With the same insight she displayed in The Actor Speaks, Rodenburg tackles the playing of all Shakespeare's characters. She uses dramatic resonance, breathing, and placement to show how an actor can bring Hamlet, Rosalind, Puck and other characters to life. This is one book every working actor must have.

For seventeen-year-old Lena, living in the trailer park with the rest of town's throwaways isn't exactly paradise. Dealing with a drunken father who can't keep his fists to himself doesn't help matters either. The only good thing in her life, other than track, is the mysterious man who visits her dreams, promising to find her. When a chair burns her arms, Lena chalks it up to stress-induced crazy. Yet as bizarre incidents escalate, even being crazy can't explain it all away... until one day dream guy does find her. Tarek lost Lena seventeen years ago after she was accused of treason and marked Tainted. He finally discovers her reborn on Earth into a life of suffering as punishment for her crime. However, someone else has already found her... and wants her dead. Willing to sacrifice everything, he fights to keep her safe so she can live the only life she's ever known-even if that life doesn't include him.

Life in the Second Circle is the first collection from Michael Cantor, finalist in the 2011 Able Muse Book Award. Cantor's poetry globe-trots in time and place. It teems with such culturally diverse characters and scenes as Genghis Khan and Muhammad Ali: a pithy mise-en-scène of a Venice travelogue; Brighton Beach in Florida and its natives or turistas; and what can happen in Japan on tatami mats or behind shoji screens, whether you're a geisha or samurai or gaijin. His themes span the mystical to the hard-edged and “badass,” fluently deployed in formal poems in received or nonce forms and free verse. From the narrative to the imagistic and even the surreal, Cantor's versecraft is eclectic, brimming with wit and wisdom, and realized with the craft of a master storyteller. He has created a collection of unique pleasures not to be missed. PRAISE FOR LIFE IN THE SECOND CIRCLE: Dante's second circle of hell was reserved for sins of lust, but Cantor's narrator does not judge his infernal cast of characters; rather, he causes us to identify with their essential human neediness. What's more, he does so through a cinematic gift for storytelling and a mastery of poetic form. – Julie Kane Michael Cantor uses words to paint and sculpt the world. He writes the world too—which I don't say as an afterthought, since verbal wit is Cantor's forte. Life in the Second Circle is a sensory kaleidoscope where the poems are more like movies. – Deborah Warren (from the "Foreword") To be called "a poet's poet" passes for a compliment among poets. Michael Cantor is another, rarer kind of poet—let's say "a novelist's poet." This poet knows things that writers of fiction know about writing, and that other poets ignore at their peril. This extraordinary collection is testament to his unaffected generosity and genuine interest in other people, qualities that make him good company in person and in print. – Alfred Nicol This is not your mother's book of poems. – Wendy Videlock Like Muhammad Ali, one of the “Box Men” he celebrates in a virtuosic crown of sonnets, Cantor is a master of floating like a butterfly in a small, roped-off space. In his hands the most formidably difficult forms—villanelles, triosets, Petrarchan sonnets, sestinas, ballades, and equally rigorous stanzas of his own invention—become spurs to imaginative freedom. Like the vividly drawn characters who populate Life in the Second Circle, we are constantly reminded that one never knows where life will go, or how or when or where. But it's a pleasure to be along for the ride. – Catherine Tufariello

The teaching of English in the Expanding Circle, traditionally called EFL countries, has long been regarded as having no choice but to follow Inner Circle or Anglo-American norms, both in pedagogy and language models. This situation is in sharp contrast with that of the Outer Circle, or ESL countries, where the WE (World Englishes) paradigm, coupled with post-colonialism, has liberated the users of indigenous Englishes from the norms of Anglophone native speakers. Employing Japan as a primary sample, this book proposes a new paradigm of EIL (English as an International Language) education, by integrating relevant paradigms such as WE and ELF (English as a Lingua Franca), which enables users of English from the Expanding Circle to represent their own voices in international communication.. Various examples of actual classroom practice in EIL are also presented, bridging the longstanding gap between theory and practice in this field.

The Second Circle

Everyone has known the feeling of being present. Babies and toddlers live there almost constantly. Great performers work in this state. Great athletes win in it. Great teachers teach in it.

Every great communicator speaks from this place. It is when fully present that we do our best work and make our deepest impression on others. In her years as an acting coach, Patsy Rodenburg has discovered the secrets to that elusive quality actors call 'it'. There are three basic ways human energy moves between people and you can be in any one of the 'three circles' in any situation. In the first, your focus is purely inward, in the third, all your energy is moving outward. In the second you are focused, you give energy out and you receive it. You communicate spontaneously and listen well, you are generous and people are generous in return. And by working on your breath, posture, voice, language, listening skills, focus, courage and trust you can access the second circle on a daily basis. Your work, relationships, spirituality and passions will all benefit.

Poems that I have done this year,that are all sorts of types of poems,second book of poetry,similar to the first but very different also though. You will see what I mean when you read these poems compared to the first book's poems.

One of the greatest works of world literature, Dante Alighieri's The Divine Comedy has, despite its enormous popularity and importance, often stymied readers with its multitudinous characters, references, and themes. But until now, students of the Inferno have lacked a suitable resource to guide their reading. Welcome to Danteworlds, the first substantial guide to the Inferno in English. Guy P. Raffa takes readers on a geographic journey through Dante's underworld circle by circle—from the Dark Wood down to the ninth circle of Hell—in much the same way Dante and Virgil proceed in their infernal descent. Each chapter—or “region”—of the book begins with a summary of the action, followed by detailed entries, significant verses, and useful study questions. The entries, based on a close examination of the poet's biblical, classical, and medieval sources, help locate the characters and creatures Dante encounters and assist in decoding the poem's vast array of references to religion, philosophy, history, politics, and other works of literature. Written by an established Dante scholar and tested in the fire of extensive classroom experience, Danteworlds will be heralded by readers at all levels of expertise, from students and general readers to teachers and scholars.

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Multi-award-winning, New York Times best-selling duo Mac Barnett and Jon Klassen deliver the final wry and resonant tale about Triangle, Square, and Circle. This book is about Circle. This book is also about Circle's friends, Triangle and Square. Also it is about a rule that Circle makes, and how she has to rescue Triangle when he breaks that rule. With their usual pitch-perfect pacing and subtle, sharp wit, Mac Barnett and Jon Klassen come full circle in the third and final chapter of their clever shapes trilogy.

Can a love built on secrets survive? Rugged and hot, heavy metal rockstar, Dred Zander is exactly the type of man that normally sends Pixie running. Not dreaming about running her hands down his washboard abs...and lower. The lead singer and guitarist for the band Preload embodies trouble behind his quick smile and guarded eyes, and Pixie left trouble behind her years ago along with the name Sarah Jane Travers and the pathetic trailer her mom called home. With her abusive past in her past, she has a new life, a new family at Second Circle Tattoos, and a dream of opening her own business. She needs capital and time. What she doesn't need is a tempting long-haired rocker or the paparazzi that follow him around. But Dred has other ideas. Pixie's sweet hazel eyes, purple hair and kaleidoscopic tattoo of exotic flowers that swirl up her arm haunt his dreams, and he knows she wants him too. He just has to convince her. But as a juicy exposé threatens to expose their pasts, and a blackmailier terrorizes their present, Pixie and Dred have to decide what really matters and fight like hell to keep it. Fall in love with The Purest Hook, a sexy, emotional, thrilling full-length rockstar tattoo romance from Scarlett Cole, the third book in her Second Circle Tattoos series that follows new couple Dred and Pixie, and don't miss the rest of the band Preload with Jordan Reclaimed, Elliott Redeemed, Nikan Recovered, and Lennon Reborn.

In Scarlett Cole's The Strongest Steel, Harper Connelly never expected to find herself outside of a tattoo parlor at one in the morning. The scars that decorate her back are just one more reminder of things she'd rather forget, the past she wants to leave far behind her, but before she can move on, she needs him. Tattoo artist Trent Andrews has his own reasons for specializing in inking over scars. And there's no way in hell he's going to turn Harper away. Not when a swirling mix of tenderness and desire slams into him every time he sees her. She stirs feelings in him he thought were long gone... if he can only get past her carefully constructed defenses. As each session at Second Circle Tattoos gives Harper new ink to cover up old demons, it brings her closer and closer to Trent. His lingering touches seduce her, making her believe in a life without fear, where she can be happy, whole, in love. But when cryptic messages start appearing on Harper's phone, strange deliveries arrive at her door, and Second Circle is vandalized, Harper is convinced that her ex-boyfriend has tracked her down, and worse, that he knows about Trent. She ran from her past once before; this time will she have the strength to fight back? "This book gave me so many feels! Angst, passion, and love all set in Miami, my favorite city. I can't wait for more from this author and I can't recommend this book enough." - Sidney Halston, USA Today bestselling author of Against the Cage "An incredible story about healing, pain, and trust...you don't want to miss this one!" --New York Times bestselling author Jen McLaughlin

The tattoo artist with a heart of gold. The playboy with his own hidden scars. The international rockstar who longs for a home. The mechanic with a dark past. These are the heroes of Second Circle Tattoos. Trent, Cujo, Dred, Reid. And now all four books are together for the first time in a fabulous, low priced eBook box set featuring an exclusive epilogue. Why pick one book boyfriend when you can have all four? The Strongest Steel Harper Connelly never expected to find herself outside of a tattoo parlor at one in the morning. The scars that decorate her back are just one more reminder of things she'd rather forget, the past she wants to leave far behind her, but before she can move on, she needs him. Trent Andrews has his own reasons for specializing in inking over scars. And there's no way in hell he's going to turn Harper away. Being with Harper is like going ten rounds in the ring—exhilarating, powerful, and dangerous. definition of high maintenance and sizzling curves. And the one woman he doesn't want to walk away from. Andrea "Drea" Caron is broke and tired. After years of caring for her ailing mom, she's at the end of her rope trying to manage the piling medical bills, two jobs, and a life placed on hold. She certainly doesn't need the added frustration of a sexy playboy tattoo artist messing up her carefully balanced life. Too bad the universe has other ideas. The Purest Hook Rugged, hot, and rock hard, Dred Zander is exactly the type of man that normally sends Pixie running. Not dreaming about running her hands down his washboard abs...and lower. The lead singer and guitarist for the band Preload embodies trouble behind his quick smile and guarded eyes, and Pixie left trouble behind her years ago along with the name Sarah Jane Travers and the pathetic trailer her mom called home. But Dred has other ideas. Pixie's sweet hazel eyes, purple hair and kaleidoscopic tattoo of exotic flowers that swirl up her arm haunt his dreams, and he's ready to fight like hell to keep that feeling. The Darkest Link When her car breaks down off the side of a lonely highway far from her sunny Miami home, tattoo artist Lia never expected her very own white knight to ride up on the back of a barely street-legal motorcycle...and she never expected to fall for her dark savior. A bruised heart Lia is not looking for forever, and the hot mechanic, with his sexy scruff and shaggy hair, is simply impossible to resist. He's the perfect candidate for a mind-blowingly-perfect, no-strings-attached one-night stand. But when their fling becomes something more and Reid surprises her at her tattoo studio, Second Circle Tattoos, he's in for a shock—and a fist to the face—when his past and present collide.

What does every mile mean to you? When you hit the trails, the road, the track or the treadmill, what does each mile mean? A group of runners and walkers from around the world share their stories as they let us know what every mile matters means to them. Get ready to be inspired.

But as they attempt to bring the truth to light, someone is working to bring that forever to a sudden, deadly halt. The Fractured Heart is a full-length romance in the Second Circle Tattoos series that can be read as a standalone!

Eleven-year-old Milton Fauster puts aside his own escape plans to help his sister, Marlo, who is in training to be an underworld secretary, and his best friend, Virgil, who is stuck in the circle of Heck reserved for overweight children.

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

The key to unlocking your power—and the inspired life that comes with it—from the renowned voice and acting coach. You know that person: the one with that certain something. In The Actor Speaks, Patsy Rodenburg takes actors and actresses, both professional and beginners, through a complete voice workshop. She touches on every aspect of performance work that involves the voice and sorts through the kinds of vexing problems every performer faces onstage: breath and relaxation; vocal range and power; communication with other actors; singing and acting simultaneously; working on different sized stages and in both large and small auditoriums; approaching the vocal demands of different kinds of scripts. This is the final word on the actor's voice and it's destined to become the classic work on the subject for some time to come.
