With Dwight attending Tippett Academy this semester, the kids of McQuarrie Middle School are on their own–no Origami Yoda to give advice and help them navigate the treacherous waters of middle school. Then Sara gets a gift she says is from Dwight—a paper fortune-teller in the form of Chewbacca. It’s a Fortune Wookiee, and it seems to give advice that’s just as good as Yoda’s—even if, in the hands of the girls, it seems too preoccupied with romance. In the meantime, Dwight is fitting in a little too well at Tippett. Has the unimaginable happened? Has Dwight become normal? It’s up to his old friends at McQuarrie to remind their kooky friend that it’s in his weirdness that his greatness lies. This is the third case file in the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of Star Wars: Return of the Jedi: Beware the Power of the Dark Side, showcasing his proven knack for authentically capturing the intrigues, fads, and dramas of middle school in “a satisfying tale of friendship and just resistance to authority” (Kirkus Reviews, starred review). Praise for The Secret of the Fortune Wookieehas crafted a worthy follow-up to his break STARRED REVIEW "Angleberger's third in the series continues the fun. It's a natural step up from the Wimpy Kid series, with more text and narrative complexity, but just as much on-target humor and all-around fun.” –Publishers Weekly “This book is honest, funny, and immensely entertaining. The illustrations and design will engage readers. Based on the positive reception Origami Yoda has received, kids will be clamoring for this sequel. They won't be disappointed.” –School Library Journal “The Force is with Tom Angleberger in this sequel to his funny and clever novel/comics hybrid, The Strange Case of Origami Yoda. A sequel to equal the funny and clever novel/comics debut of the Origami Yoda, as Dwight’s friends try to save him from reform school.–Shelf Awareness “With the same deft touch that made The Strange Case of Origami Yoda a pleasure, Angleberger takes readers through the ups and downs of adolescence.” –Portland Book Review “Darth Paper offers further proof that Angleberger really understands middle-schoolers and the daily dramas that engulf them, while still finding the humor inherent in their situations.–Scripps News

The Great and Powerful

From the author of the New York Times bestselling Oh My Dog comes the true story of Yoda, a very special cat—and adorable Instagram sensation—rescued by Beth and Howard Stern. When Beth first met Yoda at the animal shelter, he was skinny and his fur was matted. He hid in the back of his cage and wanted nothing to do with anyone. But Beth chose Yoda. She took him home, cleaned him up, and gave him love. Beth fosters kittens, too, and before long Yoda discovered them—and his life purpose. Now he’s happy, and fluffy, and very, very busy. He makes sure the orphan kittens eat, he keeps them safe, and he even cleans up after them. Yoda acts like a father and mother to the foster kittens that fill his home, and taking care of others has helped him too: even though Yoda has a serious heart condition, he’s made a miraculous turnaround, and is healthier than doctors thought he could be. To further the important work that Beth does on behalf of animals, all of her proceeds from this book will be donated to North Shore Animal League America’s Bianca’s Furry Friends campaign.
