"A mother and daughter go out on a rainy night to help the salamanders cross the road safely."--Provided by publisher. Zulaikha hopes. She hopes for peace, now that the Taliban have been driven from Afghanistan; a good relationship with her hard stepmother; and one day even to go to school, or to have her cleft palate fixed. Zulaikha knows all will be provided for her--"Inshallah," God willing. Then she meets Meena, who offers to teach her the Afghan poetry she taught her late mother. And the Americans come to her village, promising not just new opportunities and dangers, but surgery to fix her face. These changes could mean a whole new life for Zulaikha--but can she dare to hope they'll come true?

The story of an unconventional man; tales of adventure, travel and inspirational meetings. From hazardous sports to bold business ventures, music, and dance - all life is here.

In the wake of sudden tragedy, twin sisters uncover a secret that rips open their world. Katherine Rothschild explores the pain and power of forgiveness in a stunning debut novel that will shatter your heart and piece it back together, one truth at a time. Sixteen-year-old Sabine Braxton doesn't have much in common with her identical twin, Blythe. When their father dies from an unexpected illness, each copes with the loss in her own way--Sabine by "poeting" (an uncontrollable quirk of bursting into poetry at inappropriate moments) and Blythe by obsessing over getting into MIT, their father's alma mater. Neither can offer each other much support . . . at least not until their emotionally detached mother moves them into a ramshackle Bay Area mansion owned by a stranger named Charlie. Soon, the sisters unite in a mission to figure out who Charlie is and why he seems to know everything about them. They make a life-changing discovery: their parents were hiding secrets about their sexual identities. The revelation unravels Sabine's world, while practical Blythe seems to take everything in stride. Once again at odds with her sister, Sabine chooses to learn all she can about the father she never knew. Ultimately, she must decide if she can embrace his last wish for a family legacy--even if it means accepting a new idea of what it means to be a family.

Toward a Secret Sky

For months the sun has burned down on Lila's Kenyan village.

It is too hot to gather firewood, too hot to weed the garden, even too hot to milk the cow. Without rain the well will run dry and the crops will fail. Lila is so worried that when her grandfather whispers to her the secret of rain, she decides to go and talk to the sky herself. How Lila saves the village by telling the sky the saddest thing she knows is told in David Conway's elegant and spare prose style, which is complemented perfectly by Jude Daly's beautiful and poignant illustrations.

Two teens from different ethnic groups in present-day Afghanistan must fight their culture, tradition, families, and the Taliban to stay together as they and another village boy relate the story of their forbidden love.

Art Hilmo was a teenage boy in Norway when the Nazis invaded and began to take the Jewish families to concentration camps. Knowing their lives were at stake, Art's family decided they would risk everything to help these poor Jewish people.

Modern man Mike de Wolf gets stranded in a pirate adventure being written by his friend Horace Hackett and finds himself fighting for his life as the villainous Miguel de Lobo, while trying to figure out how to extricate himself from Horace's fatal plot.

The Secret Between Us

Eight Days in October

A Novel

In the little town of Palomo Grove, two great armies are amassing; forces shaped from the hearts and souls of America. In this New York Times bestseller, Barker unveils one of the most ambitious imaginative landscapes in modern fiction, creating a new vocabulary for the age-old battle between good and evil. Carrying its readers from the first stirring of consciousness to a vision of the end of the world, *The Great and Secret Show* is a breathtaking journey in the company of a master storyteller.

Awaken one...awaken them all. Insomniac Piper Laurel focuses on the simple things, the feel-good things. She likes her coffee black, her wine cheap, and her men gone by morning. But when her last living relative dies, she must confront the feel-bad things. She's the last Laurel, she's almost thirty, and she's completely alone. When she returns to her sleepy seaside hometown, her ex is still as yummy as ever, and a familiar-seeming stranger is also there to tug at her heartstrings. But a love triangle isn't the only thing waiting for her. The immortal Anik has spent centuries plotting to claim the last Laurel--and a lot of innocent souls in the bargain. To survive Anik and the Realm Wars, Piper must forget her version of reality and awaken to her destiny as a Seekin, Guardian of Souls. With two men vying for her heart and hellhounds on her heels, Piper must decide who she trusts and who she loves while embracing her destiny with her eyes wide open.

Sammy, the best hound dog in the whole wide world, loves his girl and she loves him. When illness cuts Sammy's life short, the girl's family keeps his spirit alive by celebrating his love of chasing wind-blown bubbles, keeping loyal guard at night, and offering his velvety fur for endless pats and tummy scratches. Painter Jamie Wyeth's illustrations - infused with his realist style and lifelong fondness for dogs - radiate the joy and sadness of every tongue-licking, tail-wagging moment in this heartening and lovingly rendered story written by Barbara Walsh.

As Kasey's health, life, and her relationship with Ashwin hang precariously in the balance, he must contend with his jealous ex-fiance, Silver Moon. As her jealousy increases to frightening and dangerous levels, Ashwin must find a way to deal with her, as well as figure out how to pull his beloved Kasey from the devastating grip of the tragedy that has befallen her. Will Silver Moon's heinous actions put an end to Ashwin's and Kasey's budding relationship, or will true love prevail?

Nothing will break this mother-daughter bond. Not even the truth. Deborah Monroe and her daughter, Grace, are driving home from a party when their car hits a man running in the dark. Grace was at the wheel, but Deborah sends her home

before the police arrive, determined to shoulder the blame for the accident. Her decision then turns into a deception that takes on a life of its own and threatens the special bond between mother and daughter. The Secret Between Us is an unforgettable story about making bad choices for the right reasons and the terrible consequences of a lie gone wrong. Once again, Barbara Delinsky has delivered a riveting study of family and a superbly crafted novel, perfectly targeted to reading groups and fans of provocative fiction. An eye-opening, heart-rending tale of love, honor and betrayal from veteran foreign news correspondent Atia Abawi Fatima is a Hazara girl, raised to be obedient and dutiful. Samiullah is a Pashtun boy raised to defend the traditions of his tribe. They were not meant to fall in love. But they do. And the story that follows shows both the beauty and the violence in current-day Afghanistan as Fatima and Samiullah fight their families, their cultures and the Taliban to stay together. Based on the people Atia Abawi met and the events she covered during her nearly five years in Afghanistan, this stunning novel is a must-read for anyone who has lived during America's War in Afghanistan. Perfect for fans of Patricia McCormick, Linda Sue Park, and Khaled Hosseini, this story will stay with readers for a long time to come. * "A suspenseful, enlightening, and hopeful love story." Publishers Weekly, starred review "Riveting plot, sympathetic characters and straightforward narration studded with vivid, authentic detail: a top choice." - Kirkus review "Heartbreaking and heartwarming." - VOYA review

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may

be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

In the spirit of Khaled Hosseini, Nadia Hashimi and Shilpi Somaya Gowda comes this powerful debut from a talented new voice—a sweeping, emotional journey of two childhood friends in Mumbai, India, whose lives converge only to change forever one fateful night. India, 1986: Mukta, a ten-year-old village girl from the lower caste Yellama cult has come of age and must fulfill her destiny of becoming a temple prostitute, as her mother and grandmother did before her. In an attempt to escape her fate, Mukta is sent to be a house girl for an upper-middle class family in Mumbai. There she discovers a friend in the daughter of the family, high spirited eight-year-old Tara, who helps her recover from the wounds of her past. Tara introduces Mukta to an entirely different world—one of ice cream, reading, and a friendship that soon becomes a sisterhood. But one night in 1993, Mukta is kidnapped from Tara's family home and disappears. Shortly thereafter, Tara and her father move to America. A new life in Los Angeles awaits them but Tara never recovers from the loss of her best friend, or stops wondering if she was somehow responsible for Mukta's abduction. Eleven years later, Tara, now an adult, returns to India determined to find Mukta. As her search takes her into the brutal underground world of human trafficking, Tara begins to uncover long-buried secrets in her own family that might explain what happened to Mukta—and why she came to live with Tara's family in the first place. Moving from a traditional Indian village to the bustling modern metropolis of Mumbai, to Los Angeles and back again, this is a heartbreaking and beautiful portrait of an unlikely friendship—a story of love, betrayal, and, ultimately, redemption.

Alice Hoffman, *The Washington Post* A rich and utterly absorbing novel about the life of King David, from the Pulitzer Prize – winning author of *People of the Book* and *March*. With more than two million copies of her novels sold, New York Times bestselling author Geraldine Brooks has achieved both popular and critical acclaim. Now, Brooks takes on one of literature's richest and most enigmatic figures: a man who shimmers between history and legend. Peeling away the myth to bring David to life in Second Iron Age Israel, Brooks traces the arc of his journey from obscurity to fame, from shepherd to soldier, from hero to traitor, from beloved king to murderous despot and into his remorseful and diminished dotage. *The Secret Chord* provides new context for some of the best-known episodes of David's life while also focusing on others, even more remarkable and emotionally intense, that have been neglected. We see David through the eyes of those who love him or fear him—from the prophet Nathan, voice of his conscience, to his wives Mikhal, Avigail, and Batsheva, and finally to Solomon, the late-born son who redeems his Lear-like old age. Brooks has an uncanny ability to hear and transform characters from history, and this beautifully written, unvarnished saga of faith, desire, family, ambition, betrayal, and power will enthrall her many fans. After their home in Syria is bombed, Tareq, his father, and his younger sister seek refuge, first with extended family in Raqqa, a stronghold for the militant group, Daesh, and then abroad. A masterfully told story of refugees escaping from war-torn Syria by a foreign news correspondent who experienced the crisis firsthand.

Life is funny sometimes. Little kids drop ice cream cones, people in general often run in to screen doors, there's even the occasional moment when one might trip going up the stairs. Kahlen could expect those things, deal with them even. But what she didn't expect, not even in her wildest, horrific nightmares, that just as something so terrible could happen, something so wonderful could follow after it. When Kahlen Thomas has a difficult time dealing with the loss of her best and only friend, she has hopes that the new boy at school, Kennley Morgan, will be the perfect distraction from her pain. She slowly realizes that Kennley doesn't as much distract her from her problems as much as he adds to them because of his own interesting past.

Twelve-year-old Hope lives in a post World War III town called White Rock where everyone must participate in Inventions Day, and though Hope's inventions always fail, her unique skill set comes in handy when bandits who want to steal precious medical supplies invade the town.

“A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne's own.”—Ron Charles, The Washington Post
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself

with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice’s first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . Sweeping across the late twentieth century, A Ladder to the Sky is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso. Praise for A Ladder to the Sky “Boyne’s mastery of perspective, last seen in The Heart’s Invisible Furies, works beautifully here. . . . Boyne understands that it’s far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a new layer of calumny he’s willing to engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading A Ladder to the Sky as much as you definitely will enjoy reading it.”—NPR

“Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?”—Vanity Fair

When Lidia, a blocked Latinx artist in her sixties, goes on a group tour of Namyan, a fictional Southeast Asian country reopened to the world after a long dictatorship, she gets much more than the vacation she thinks she’s signed on for. Against a backdrop of pagodas and enigmatic customs, she and the disparate crew of eighteen Americans on the tour encounter one adventure after another—experiences that challenge their assumptions about their host country’s placid surface of beautiful pagodas and wandering Buddhist monks. Along the way, Lidia finds companionship and sexual pleasure with Haynes, a Black man seeking adventure—even danger—in Namyan. On a nighttime excursion among mysterious ancient buildings, they watch the nighttime sky. Lidia remarks that the stars look upside down – a metaphor for Namyan as a foreign place and for her. She enjoys being with Haynes but is conflicted. The final chapter reveals a secret, the source of her conflict, and her steps towards a new freedom. An Upside-Down Sky’s cast of characters, including their Namyanese guide, mirrors America: straight, gay, gender-fluid, black, brown, white, progressive, conservative, artistic, repressed, old, young. Some of

them accept Nanyam's charming façade at face value, while others seek to understand the country's brutal repression by the military and ongoing ethnic conflicts. And most, resistant as they might be to change, are transformed by their time there.

The signs are everywhere. Jory's stepfather, Caleb, says. Red leaves in the springtime. Pages torn from a library book. All the fish in an aquarium facing the same way. A cracked egg with twin yolks. Everywhere and anywhere. And because of them, Jory's life is far from ordinary. He must follow a very specific set of rules: don't trust anyone outside the family, have your work boots at the ready just in case, and always, always watch out for the signs. The end is coming, and they must be prepared. School is Jory's only escape from Caleb's tight grasp, and with the help of new friends, he begins to explore a world beyond his family's desert ranch. As Jory's friendships grow, Caleb notifies Jory's mother and siblings that the time has come for final preparations. They begin an exhausting schedule, digging a shelter where they will live until the disaster is over. But as the hole gets deeper, so does the family's doubt about whether Caleb's prophecy is true. When the stark reality of what it will mean to live underground becomes clear, Jory must choose between living his own life or following behind Caleb, shutting his eyes to the bright world he's just begun to see.

*In the mid-twenty-seventh century, humanity exists as two distinct civilizations separated by the vacuum of space. Content in their isolation, the Ozzaens, inheritors of the grand orbital city of Ansenar, virtually ignore their distant cousins on Earth. But things are about to change ... The mysterious Circularium Council has carefully manipulated events, bringing the long-estranged cultures into contact again. Their motives are unclear and there are those who fear the change and seek to undermine it for their own ends. Thrust into this volatile situation is young Sean Kenzie, the first Ozzaen ambassador, who discovers that he holds the key to a power much greater than he ever imagined. Sean quickly learns that political intrigue and diplomacy are dangerous and deadly games. Now, Sean must uncover the secret to his destiny, knowing that the fate of both civilizations rests in his hands. A skillful blend of rich detail and human emotion, *The City of the Sky* deftly portrays one man's ultimate battle between good and evil in an ever-changing world.*

Toward a Secret Sky by New York Times bestselling author Heather Maclean is a new breed of YA novel: an intelligent adventure-quest crossed with a sweeping, forbidden love story. A mix of reality and possibility, this fast-paced thriller will appeal to fans of Stephenie Meyer and Dan Brown as it leads the reader on a breathless flight through the highlands of Scotland, the secret city under London, and history itself. Shortly after 17-year-old Maren Hamilton is orphaned and sent to live with grandparents she's never met in Scotland, she receives an encrypted journal from her dead mother that makes her and everyone around her a target. It confirms that her parents were employed by a secret, international organization that's now intent on recruiting her. As Maren works to unravel the clues left behind by her mother, a murderous madness sweeps through the local population, terrorizing her small town. Maren must decide if she'll continue her parents' fight or stay behind to save her friends. With the help of Gavin, an otherworldly mercenary she's not supposed to fall in love with, and Graham, a charming aristocrat who is entranced with her, Maren races against the clock and around the country from palatial estates with twisted labyrinths to famous cathedrals with booby-trapped subterranean crypts to stay ahead of the enemy and find a cure. Along the way, she discovers the great truth of love: that laying down your life for another isn't as hard as watching them sacrifice everything for you.

Most of us are doomed to knowing there's something better out there but we can't discover it. What would you do if the hottest guy in school turned out to be your perfect match - your soulfinder? Sky is the shy English girl, new to the American high school in Wickenridge, and she's about to surprise everyone - most of all herself.

Sydney West enjoys sampling summer boys, but this year, one refuses to be a one-night stand... Twenty-one-year-old Sydney doesn't believe in relationships. Her parents' toxic divorce has taught her love is nothing but a sinister fairytale. So every summer she parties, hooks up, abandons her lover before dawn, and repeats. That is until she meets gorgeous local surfer Jason King at the beach... When Jason fails to flirt-or even give her a second glance-she decides something must be wrong with him, and it's safer to stay away. But when Sydney and Jason's best friends hook up and become Malibu's hottest couple, they are forced to spend more time together than either of them cares for. Armed with a sharp tongue, Sydney works to keep Jason at bay... In a moment of weakness, Sydney lets her guard down and confides in Jason, realizing he's more than just a hot guy-he's also a friend. And when Sydney's need for a summer boy results in her falling into bed with Jason, despite her better judgment, she runs away from him by morning. The problem is, he won't accept being another one-night stand, and will do anything to prove... Love really does exist.

a strong chance of romance... When Sonny Dunes, a SoCal meteorologist whose job is all sunshine and seventy-two-degree days, is replaced by a virtual meteorologist that will never age, gain weight or renegotiate its contract, the only station willing to give the fifty-year-old another shot is the very place Sonny's been avoiding since the day she left for college—her northern Michigan hometown. Sonny grudgingly returns to the long, cold, snowy winters of her childhood...with the added humiliation of moving back in with her mother. Not quite an outsider but no longer a local, Sonny finds her past blindsiding her everywhere: from the high school friends she ghosted, to the former journalism classmate and mortal frenemy who's now her boss, to, most keenly, the death years ago of her younger sister, who loved the snow. To distract herself from the memories she's spent her life trying to outrun, Sonny throws herself headfirst into covering every small-town winter event to woo a new audience, made more bearable by a handsome widower with optimism to spare. But with someone trying to undermine her efforts to rebuild her career, Sonny must make peace with who she used to be and allow her heart to thaw if she's ever going to find a place she can truly call home.

The book is a collection of forty poems that are divided into four groups of poetic forms. The forms include villanelles, sestinas, pantoums and sonnets. Every poem tells a story and some of the poetry narrate more optimistic tales while other poems explore societal issues. Issues explored within the poems include unfaithfulness, the media, bullying, science, agriculture, adoption and more. The optimistic poems in the collection explores friendship, marriage, love, holidays, seasons and nature. The optimistic poetry contrasts the serious undertones presented within the more political poems.

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. Soon to be a major television event from Pascal Pictures, starring Tom Holland. Based on the true story of a forgotten hero, the USA Today and #1 Amazon Charts bestseller *Beneath a Scarlet Sky* is the triumphant, epic tale of one young man's incredible courage and resilience during one of history's darkest hours. Pino Lella wants nothing to do with the war or the Nazis. He's a normal Italian teenager--obsessed with music, food, and girls--but his days of innocence are numbered. When his family home in Milan is destroyed by Allied bombs, Pino joins an underground railroad helping Jews escape over the Alps, and falls for Anna, a beautiful widow six years his senior. In an attempt to protect him, Pino's parents force him to enlist as a German soldier--a move they think will keep him out of combat. But after Pino is injured, he is recruited at the tender age of eighteen to become the personal driver for Adolf Hitler's left hand in Italy,

General Hans Leyers, one of the Third Reich's most mysterious and powerful commanders. Now, with the opportunity to spy for the Allies inside the German High Command, Pino endures the horrors of the war and the Nazi occupation by fighting in secret, his courage bolstered by his love for Anna and for the life he dreams they will one day share. Fans of *All the Light We Cannot See*, *The Nightingale*, and *Unbroken* will enjoy this riveting saga of history, suspense, and love.

Tensions simmer as a small town, already divided by race, is torn apart by the deadliest of hurricanes . . . *THE HELP* meets *TO KILL A MOCKINGBIRD* in this powerfully emotional and gripping debut novel. In the small town of Heron Key, where the relationships are as tangled as the mangrove roots in the swamp, everyone is preparing for the 4th of July barbecue, unaware that their world is about to change for ever. Missy, maid to the Kincaid family, feels she has wasted her life pining for Henry, who went to fight on the battlefields of France. Now he has returned with a group of other desperate, destitute veterans, unsure of his future, ashamed of his past. When a white woman is found beaten nearly to death, suspicion falls on Henry. As the tensions rise, the barometer starts to plummet. But nothing can prepare them for what is coming. For far out over the Atlantic, the greatest storm ever to strike North America is heading their way...

In Amanda Skenandore's provocative and profoundly moving debut, set in the tragic intersection between white and Native American culture, a young girl learns about friendship, betrayal, and the sacrifices made in the name of belonging. On a quiet Philadelphia morning in 1906, a newspaper headline catapults Alma Mitchell back to her past. A federal agent is dead, and the murder suspect is Alma's childhood friend, Harry Muskrat.

Harry—or Asku, as Alma knew him—was the most promising student at the “savage-taming” boarding school run by her father, where Alma was the only white pupil. Created in the wake of the Indian Wars, the Stover School was intended to assimilate the children of neighboring reservations. Instead, it robbed them of everything they'd known—language, customs, even their names—and left a heartbreaking legacy in its wake. The bright, courageous boy Alma knew could never have murdered anyone. But she barely recognizes the man Asku has become, cold and embittered at being an outcast in the white world and a ghost in his own. Her lawyer husband, Stewart, reluctantly agrees to help defend Asku for Alma's sake. To do so, Alma must revisit the painful secrets she has kept hidden from everyone—especially Stewart. Told in compelling narratives that alternate between Alma's childhood and her present life, *Between Earth and Sky* is a haunting and complex story of love and loss, as a quest for justice becomes a journey toward understanding and, ultimately, atonement.
