

The Sensuous Woman

A systematic guide to developing sensuality through organized exercises and practiced techniques

Winner of the International Lannan Literary Award for Nonfiction Animal tracks, word magic, the power of letters, and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us. This major work of ecological philosophy startles the senses out of habitual ways of perception. For a thousand generations, human beings viewed themselves as part of the wider community of nature, and they carried on active relationships not only with other people with other animals, plants, and natural objects (including mountains, rivers, winds, and weather patterns) that we have only lately come to think of as “inanimate.” How, then, did humans come to sever their ancient reciprocity with the natural world? What will it take for us to recover a sustaining relation with the breathing earth? In The Spell of the Sensuous David Abram draws on sources as diverse as the philosophy of Merleau-Ponty, Balinese shamanism, Apache storytelling, and his own experience as an accomplished sleight-of-hand or magician to reveal the subtle dependence of human cognition on the natural environment. He explores the character of perception and excavates the foundations of language, which—even at its most abstract—echoes the calls and cries of the earth. On every page of this lyrical work, Abram weaves his arguments with a passion, a precision, and an intellectual daring that recall such writers as Loren Eiseley, Annie Dillard, and Barry Lopez.

“Praise for Sexy and Fabulous Over 40”
“‘If you’re looking for an inspiring and entertaining book, read Sexy and Fabulous Over 40: The Art of the Sensuous Alpha Female. Gianna tells how she courageously overcame mental, emotional, and financial barriers to fulfill her personal quest. I was profoundly moved and deeply inspired by her uplifting story. You will be too.” – Barbara Stanny, author Prince Charming Isn’t Coming: How Women Get Smart About Money; Secrets of Six-Figure Women; & Overcoming Underearning
“I believe that living in the past completely prevents women from trying to achieve their dreams and goals. In Sexy and Fabulous Over 40: The Art of the Sensuous Alpha Female, Gianna shows you not only that every moment of your life was a bridge to the next, but how to eliminate negative elements that keep you from reaching your goals, as well as how to sync your inner and outer beauty. She accomplishes everything she puts her mind to.” – Amilya Antonetti, award winning entrepreneur, The Small Business Voice for Fox News, Green Pioneer, Best Selling Author, Media Personality, Advocate, and Mom
“I met Gianna in 1999, and I immediately knew she was a force to be reckoned with! I’ve watched her over the last decade achieve every goal she’s put her mind to. She is an amazing friend and mentor to me. Her book is a true revelation of the amazing woman she has become.” – Mary Butler, Territory and managing partner, USAutos.net

The First How-to Book for the Female who Yearns to be All Woman

The Sensuous Woman/Dell Publishing Company

Learning marine biology from a textbook is one thing. But take readers to the bottom of the sea in a submarine to discover living fossils or to coral reefs to observe a day in the life of an octopus, and the sea and its splendors come into focus, in brilliant colors and with immediacy. In Sensuous Seas, Eugene Kaplan offers readers an irresistibly irreverent voyage to the world of sea creatures, with a look at their habits, their beauty and, yes, even their sex lives. A marine biologist who has built fish farms in Africa and established a marine laboratory in Jamaica, Kaplan takes us to oceans across the world to experience the lives of their inhabitants, from the horribly grotesque to the exquisitely beautiful. In chapters with titles such as “Fiddler on the Roof” (reproductive rituals of fiddler crabs) and “Size Does Count” (why barnacles have the largest penis, comparatively, in the animal kingdom), Kaplan ventures inside coral reefs to study mating parrotfish; dives 740 feet in a submarine to find living fossils; and explains what results from swallowing a piece of living octopus tentacle; and describes a shark attack on a friend. The book is a sensuous blend of sparkling prose and 150 beautiful illustrations that clarify the science. Each chapter opens with an exciting personal anecdote that leads into the scientific exploration of the sea world—allowing the reader to experience firsthand the incredible complexity of sea life. A one-of-a-kind memoir that unfolds in remarkable reaches of ocean few of us can ever visit for ourselves, Sensuous Seas brings the underwater world back to living room and classroom alike. Readers will be surprised at how much marine biology they have learned while being amused.

The creator of the internationally popular, multiple award-winning blog MsAfropolitan applies an Africa-centered feminist sensibility to issues of racism and sexism, challenging our illusions about oppression and liberation and daring women to embrace their power. Sensuous Knowledge is a collection of thought provoking essays that explore questions central to how we see ourselves, our history, and our world. What does it mean to be oppressed? What does it mean to be liberated? Why do women choose to follow authority even when they can be autonomous? What is the cost of compromising one’s true self? What narratives particularly subjugate women and people of African heritage? What kind of narrative can heal and empower? As she considers these questions, Salami offers fresh insights on key cultural issues that impact women’s lives, including power, beauty, and knowledge. She also examines larger subjects, such as Afrofuturism, radical Black feminism, and gender politics, all with a historical outlook that is also future oriented. Combining a storyteller’s narrative playfulness and a social critic’s intellectual rigor, Salami draws upon a range of traditions and ideologies, feminist theory, popular culture—including insights from Ms. Lauryn Hill, Beyoncé, Audre Lorde, Toni Morrison, and others—science, philosophy, African myths and origin stories, and her own bold personal narrative to establish a language for change and self-liberation. Sensuous Knowledge inspires reflection and challenge us to formulate or own views. Using ancestral knowledge to steer us toward freedom, Salami reveals the ways that women have protested over the years in large and small ways—models that inspire and empower us to define our own sense of womanhood today. In this riveting meditation, Salami ask women to break free of the prison made by ingrained male-centric biases, and build a house themselves—a home that can nurture us all.

Goodnight, Beautiful Women

Tales of a Marine Biologist

Sexy and Fabulous Over 40

The Benefactor, Susan Sontag’s first book and first novel, originally published in 1963, introduced a unique writer to the world. In the form of a memoir by a latter-day Candide named Hippolyte, The Benefactor leads us on a kind of psychic Grand Tour, in which Hippolyte’s violently imaginative dream life becomes indistinguishable from his surprising experiences in the ‘real world.’ Sontag’s novel supplies a fascinating, knowing, acerbic portrait of a certain bohemian demimonde that flourished in France until quite recently. More important, The Benefactor is a novel about ideas—especially religious ideas—unlike any other: funny, acrobatic, disturbing, profound.

A rollicking feminist tale set in 1950s America where thousands of women have spontaneously transformed into dragons, exploding notions of a woman’s place in the world and expanding minds about accepting others for who they really are.
• The first adult novel by the Newbery award-winning author of The Girl Who Drank the Moon Alex Green is a young girl in a world much like ours, except for its most seminal event: the Mass Dragoning of 1955, when hundreds of thousands of ordinary wives and mothers sprouted wings, scales, and talons; led a trail of fiery destruction in their path; and took to the skies. Was it their choice? What will become of those left behind? Why did Alex’s beloved aunt Maria transform but her mother did not? Alex doesn’t know. It’s taboo to speak of. Forced into silence, Alex nevertheless must face the consequences of this astonishing event: a mother more protective than ever; an absentee father; the upsetting insistence that her aunt never even existed; and watching her beloved cousin Bea become dangerously obsessed with the forbidden. In this timely and timeless speculative novel, award-winning author Kelly Barnhill boldly explores rage, memory, and the tyranny of forced limitations. When Women Were Dragons exposes a world that wants to keep women small—their lives and their prospects—and examines what happens when they rise en masse and take up the space they deserve.

A candid guide to sexual self-confidence for women shares romantic advice, practical solutions to sexual problems, and self-improvement tips

The Guide to Becoming the Sensuous Black Woman (and Drive Your Man Wild in and Out of Bed!)

Intimate Issues

A Jewish Woman Among Books

Sexual Pleasures

Houses of Study

Houses of Study is an eloquent memoir of a Jewish woman’s life and her efforts to reconcile the traditions of her faith with her belief in women’s equality and the pull of modern American living. Ilana M. Blumberg traces her path from a childhood immersed in Hebrew and classical Judaic texts alongside Anglo-American novels and biographies to a womanhood where the two literatures suddenly represent mutually exclusive possibilities for life. Set in 700s of study,? from a Jewish grammar school and high school to a Jerusalem yeshiva for women to a secular American university, her intimate and poignant memoir asks what happens when the traditional Jewish ideal of learning asserts itself in a woman directed by that same tradition toward a life of modesty, early marriage, and motherhood. This Bison Books edition is blended with discussion questions.

- Discover the ancient classical customs of the Kama Sutra in this tastefully produced and beautifully illustrated gift edition. Includes two separate volumes entitled The Amorous Man and The Sensuous Woman. Illustrated throughout with rare miniatures, gouache and tantric paintings, and sculptures on ivory panel The Kamasutra is an ancient classical work on the art of love. Its uniqueness lies in that it discusses the theme of sexual pleasure without any feeling of shyness or shame. The author, Vatsyayana talks about Kama, that is, sexual pleasure, and explains the rules which govern life according to Kama. Through its discussion on erotic love, the book manages to highlight the social customs and individual habits of ancient India. This tastefully produced and beautifully illustrated gift edition treats the subject of male and female sexuality in two separate volumes, suggestively entitled The Amorous Man and the Sensuous Woman. The male-female union is portrayed in all its splendor through the use of Indian miniatures and Khajuraho sculptures.

Ever wonder why some women seem to get all the men? Even the ones who are no where near as good looking as you? Wondering what it is they’ve got that you don’t? They’re tuned into their SENSUALITY, meaning they’re in tune with their senses, their body, and they know how to receive and give pleasure. Men can intuitively spot these women, and they’re drawn to them like flies to honey. And boy do these women know how to dish out the honey! These are The Sensuous Black Women, and you can join their number by reading “The Guide To Becoming The Sensuous Black Woman (And Drive Men Wild In And Out Of Bed!)” Tips Include: -How To Attract A Man From Across The Room! -Been Bad While He’s Been Away? Tighten It Up So He’ll Never Know! -Want Your Man To Taste You Down There? Make It Tasty! - Put His Condom On Him For Him Using Your Mouth! - Exercise Your Way To A Bigger And Better Orgasm There have been other books written about sensuality, but none that have been so all encompassing, and absolutely NONE written specifically for the Black Woman. In writing “The Guide To Becoming The Sensuous Black Woman (And Drive Your Man Wild In And Out Of Bed!)” the spectacular “Miss T.” has done a service for Black Women everywhere!

The Art of the Sensuous Alpha Female

A Private Life

A Novel

Uncommon Sense about Sex, Sexuality and Self-Discovery

Women of the Dunes

Set in 1970s Japan, this tender and poetic novel about a young, single mother struggling to find her place in the world is an early triumph by a modern Japanese master. Alone at dawn, in the heat of midsummer, a young woman named Takiko Odaka departs on foot for the hospital to give birth to a baby boy. Her pregnancy, the result of a brief affair with a married man, is a source of sorrow and shame to her abusive parents. For Takiko, however, it is a cause for reverie. Her baby imagines, will be hers and her alone, a challenge that she also hopes will free her. Takiko’s first year as a mother is filled with the intense bodily pleasures and pains that come from caring for a newborn. At first she seeks refuge in the company of other women—in the hospital, in her son’s nursery—but as the baby grows, her life becomes less circumscribed as she explores Tokyo, then ventures beyond the city into the countryside, toward a mountain that captures her imagination for a wilder freedom.

Intimate stories of women of all ages. “If the fiction of Stephen King and Alice Munro had a literary love child, it might look like this” (The Washington Post). Moving along the Maine coast and beyond, the stories in Goodnight, Beautiful Women bring us into the sultry, mysterious inner lives of New England women and girls as they navigate the dangers and struggles of their outer worlds. With novelistic breadth and a quicksilver emotional intelligence, Noyes explores the ruptures and vicissitudes of growing up and growing old, and shines a light on our most uncomfortable impulses while masterfully charting the depths of our murky desires. A woman watches her husband throw—one by one—their earthly possessions into the local quarry, before vanishing himself; two girls from very different social classes find themselves deep in the throes of a punishing affair; a motherless teenager is sexually awakened in the aftermath of a local trauma; and a woman’s bond from a childhood lie about her intellectually disabled cousin reverberates into her married years. Dark and brilliant, rhythmic and lucid, Goodnight, Beautiful Women marks the arrival of a fearless and unique new young voice in American fiction. “Anna Noyes’s stunning debut collection concerns girls and women struggling to break away, dealing with burdens like mental illness and neglect that threaten to transform and define them.”—The Wall Street Journal, “The Season’s Most Exciting Fiction Reads”

This book is my glowing invitation to you—to live a rich, succulent life! I explore love, sexuality, romance, money, fat, fear and creativity. It’s a little bit like reading my diary -- with permission. Succulence is powerFull and so are we as women.

How to Become the Sensuous Woman

turbulent decades spanning the Chinese Cultural Revolution and the deadly demonstrations at Tiananmen Square

Marilyn Aerni started writing this book in 1967 in response to the diminishing value placed upon a woman’s role in marriage, family and family life. She was still writing this book on the day she suffered a massive stroke in 2004. Our mother had a special relationship with God, Jesus and the Holy Spirit cultivated during the course of her lifetime. This book contains her journey through life, her marriage and the raising of her children accompanied by the love and intervention of God, His Son and His Holy Spirit. She offers her views on marriage, daily intervention with God, building and keeping trust within relationships as well as the means to fully enjoy these relationships and experience a full, rewarding life as a wife and a mother. It is our hope that through her experiences during her lifetime she might help you find fulfillment with your life experiences.

Henry is generally well-behaved, but he is occasionally arrogant and vain. Henry is at heart a hard worker, but his frequent bouts of illness hinder his work.

#1 NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER * #1 INDIE NEXT PICK Named a Best Book of the Year: The Washington Post * NPR * The Atlantic * New York Public Library * Vanity Fair * PBS * Time * Economist * Entertainment Weekly * Financial Times * Shelf Awareness * Guardian * Sunday Times * BBC * Esquire * Good Housekeeping * Elle * Real Simple * And more than twenty additional outlets “Staggeringly intimate...Taddeo spent eight years reporting this groundbreaking book.”—Entertainment Weekly “A breathtaking and important book.What a fine thing it is to be enthralled by another writer’s sentences. To be stunned by her intellect and heart.”—Cheryl Strayed “Extraordinary...This is a nonfiction literary masterpiece...I can’t remember the last time a book affected me as profoundly as Three Women.”—Elizabeth Gilbert “A revolutionary look at women’s desire, this feat of journalism reveals three women who are carnal, brave, and beautifully flawed.”—People (Book of the Week) A riveting true story about the sex lives of three real American women, based on nearly a decade of reporting. Lina, a young mother in suburban Indiana whose marriage has lost its passion, reconnects with an old flame through social media and embarks on an affair that quickly becomes all-consuming. Maggie, a seventeen-year-old high school student in North Dakota, allegedly engages in a relationship with her married English teacher; the ensuing criminal trial turns their quiet community upside down. Sloane, a successful restaurant owner in an exclusive enclave of the Northeast, is happily married to a man who likes to watch her have sex with other men and women. Hailed as “a dazzling achievement” (Los Angeles Times) and “a riveting page-turner that explores desire, heartbreak, and infatuation in all its messy, complicated nuance” (The Washington Post), Lisa Taddeo’s Three Women has captivated readers, booksellers, and critics—and topped bestseller lists—worldwide. Based on eight years of immersive research, it is “an astonishing work of literary reportage” (The Atlantic) that introduces us to three unforgettable women—and one remarkable writer—whose experiences remind us that we are not alone.

A beautifully told and intriguing mystery about two generations of Scottish women united by blood, an obsession with the past, and a long-hidden body, from the author of The House Between Tides. Libby Snow has always felt the pull of Ullaness, a headland on Scotland’s sea-lashed western coast where a legend has taken root. At its center is Ulla, an eighth-century Norsewoman whose uncertain fate was entangled with two warring brothers and a man who sought to save her. Libby first heard the stories from her grandmother, who had learned it from her own forebear, Ellen, a maid at Sturrock House. The Sturrocks have owned the land where Ulla dwelled for generations, and now Libby, an archaeologist, and now Libby, an archaeologist, has their permission to excavate a mysterious mound, which she hopes will cast light on the legend’s truth. But before she can begin, storms reveal the unexpected: the century-old bones of an unidentified man. The discovery triggers Libby’s memories of family stories about Ellen, of her strange obsession with Ulla, and of her violent past at Sturrock House. As Libby digs deeper, she unravels a recurring story of love, tragedy, and threads that bind the past to the present. And as she learns more of Rodri Sturrock, the landowner’s brother, she realizes these forces are still at work, and that she has her own role to play in Ulla’s dark legend.

A gourmand’s guide to the slim life shares the principles of French gastronomy, the art of enjoying all edibles in proportion, arguing that the secret of being thin and happy lies in the ability to appreciate and balance pleasures, not in deprivation, in a guide that includes inspirational true-life stories, simple advice, and dozens of delectable recipes. The Roaring Inside Her

Woman and Nature

A Challenge to the Sensuous Woman Or how to be Sensuous Without Really Trying

Perception and Language in a More-Than-Human World

The Sensuous Woman

THE NEW YORK TIMES BESTSELLER “ A mesmerizing new historical novel ” (O, The Oprah Magazine) from Lisa See, the bestselling author of The Tea Girl of Hummingbird Lane, about female friendship and devastating family secrets on a small Korean island. Mi-ja and Young-sook, two girls living on the Korean island of Jeju, are best friends who come from very different backgrounds. When they are old enough, they begin working in the sea with their village ’ s all-female diving collective, led by Young-sook ’ s mother. As the girls take up their positions as baby divers, they know they are beginning a life of excitement and responsibility—but also danger. Despite their love for each other, Mi-ja and Young-sook find it impossible to ignore their differences. The Island of Sea Women takes place over many decades, beginning during a period of Japanese colonialism in the 1930s and 1940s, followed by World War II, the Korean War, through the era of cell phones and wet suits for the women divers. Throughout this, the residents of Jeju find themselves caught between warring empires. Mi-ja is the daughter of a Japanese collaborator. Young-sook was born into a long line of haenyo and will inherit her mother ’ s position leading the divers in their village. Little do the two friends know that forces outside their control will push their friendship to the breaking point. “ This vivid...thoughtful and empathetic ” novel (The New York Times Book Review) illuminates a world turned upside down, one where the women are in charge and the men take care of the children. “ A wonderful ode to a truly singular group of women ” (Publishers Weekly), The Island of Sea Women is “ a beautiful story...about the endurance of friendship when it ’ s pushed to its limits, and you...will love it ” (Cosmopolitan).

Are you aware of the language your body expresses, and how it affects your relationships and experience? How can you develop the INTIMACY you crave when you are dissociated from YOUR OWN BODY? When you touch behind your knee, or touch your belly - you touch your heart, and your entire life’s experience. Your flesh and blood is your diary, recording emotional events on its cells. Your body talks in subtle and profound ways; often out of alignment with the words you speak. To be effective in your life, the quality of this communication matters! You are sensorial genius. The Island of Sea Women

The Spell of the Sensuous

A Groundbreaking Book That Shows Women How To Claim The Sexual Passion They Crave

Sensual Intelligence

Find out where you are on the pleasure evolution scale, understand your own sexual patterns, and learn how to claim your true needs and desires. Every woman passionately craves the same thing: a deeply satisfying sexual relationship with the man in her life. In this boldly sensuous, groundbreaking new book, Susan Crain Bakos talks with hundreds of women across America who reveal their sexual secrets. From their uninhibited, shamelessly erotic stories, she outlines the four types of sexual personalities. Discover which one you are and learn: -How to show a man what you really want -Improve your sexual confidence and performance -The secret to feeling sexy and desirable -The difference between a harmful and a helpful fantasy -When to draw the line between love and sex -The truth about orgasms -And much more No matter where you are on the pleasure evolution scale, Susan Crain Bakos will show you how to go beyond that stage, discover your true sexual self-and become the fulfilled woman you’ve always wanted to be.

Soon to be a TV show on Hulu Eve Babitz is a writer like no other—she “is to prose what Chet Baker is to jazz” (Vanity Fair)—and she has influenced a generation of writers and readers with her sophisticated, witty, and delightful work. L.A. Woman is quintessential Babitz, the story of Sophie, a twenty-something blonde Jim Morrison groupie gliding through a golden existence in L.A. and Lola, a German immigrant who settles in Hollywood in the twenties to drive Pierce Aralos recklessly down Sunset Boulevard and who knows that Maybelline mascara cakes and Rudolph Valentino are the essence of life. Sophie and Lola, like the many other women who move in and out of this electric saga know that while L.A. is constantly changing it is essentially eternal; through their eyes we see the mixture of high culture and low, the promises of youth and the fulfillment of nostalgia, the pink sunsets and the palm trees that are L.A. And through this fantastic tale, Babitz shares what it is to be a woman in what she convinces us is the capital of civilization.

Intimate Issues answers the twenty-one questions about sex most frequently asked by Christian wives, as determined by a nationwide poll of over one thousand women. Written from the perspective of two mature Christian wives and Bible teachers—women who you’ll come to know as teachers and friends—Intimate Issues is biblical and informative: sometimes humorous, other times practical, but always honest. Through its solid teaching warm testimonials, scriptural insights, and experts’ advice, you’ll find resolution for your questions and fears, surprising insights about God’s perspective on sex, and a variety of practical and creative ideas for enhancing your physical relationship with the husband you love. With warmth and wisdom, authors Linda Dillow and Lorraine Pintus speak woman to woman: examining the teachings of Scripture, exposing the lies of the world, and offering real hope that every woman’s marriage relationship can become all it was intended to be in God’s design.

A Black Feminist Approach for Everyone

L.A.WOMAN

An Introduction to Your Body’s Language

God’s Sensuous Woman

A seminal work of the eco-feminist movement, connecting patriarchal society’s mistreatment of women with its disregard for the Earth’s ecological well-being Woman and Nature draws from a vast and enthralling array of literary, scientific, and philosophical texts in order to explore the relationship between the denigration of women and the disregard for the Earth. In this singular work of love, passion, rage, and beauty, Susan Griffin ingeniously blends history, feminist philosophy, and environmental concerns, employing her acclaimed poetic sensibilities to question the mores of Western society. Griffin touches upon subjects as diverse as witch hunts, strip mining, Freudian psychology, and the suppression of sexuality to decry a long-standing history of misogyny and environmental abuse. A sometimes aggravating, often inspiring, and always insightful literary collage, this remarkable volume offers sanity, poetry, intelligence, and illumination.
