Laura Knight-Jadczyk's series, The Secret History of the World, is one of the most ambitious projects ever undertaken to provide a cogent, comprehensive account of humanity's true history and place in the cosmos. Following the great unifying vision of the Stoic Posidonius, Laura weaves together the study of history, mythology, religion, psychology and physics, revealing a view of the world that is both rational and breathtaking in its all-encompassing scope. This second volume, Comets and the Horns of Moses, (written in concert with several following volumes soon to be released) picks up the dangling threads of volume one with an analysis of the Biblical character of Moses -- his possible true history and nature -- and the cyclical nature of cosmic catastrophes in Earth's history. Laura skillfully tracks the science of comets, revealing evidence for the fundamentally electrical and electromagnetic nature of these celestial bodies and how they have repeatedly wreaked havoc and destruction on our planet over the course of human history. Even more startling however, is the evidence that comets and cometary fragments have played a central role in the formation of human myth and legend and the very concept of a 'god'. As she expertly navigates her way through the labyrinth of history, Laura uncovers the secret knowledge of comets that has been hidden in the great myths, ancient astronomy (and astrology) and the works of the Greek philosophers. Concluding with a look at the political and psychological implications of cyclical cometary catastrophes and what they portend for humanity today, Comets and the Horns of Moses is a marvel of original thought and keen detective work that will rock the foundations of your understanding of the world you live in, and no doubt ruffle the feathers of the many academics who still cling to an outdated and blinkered view of history.

The Crystal Skull Messenger tells the story of Thelma Daisy Moeran, and introduces the extraordinary "Group of 8" Himalayan crystal skulls. These crystal skulls were discovered in caves in Tibet in 2002, and are believed by some to be ancient, and taken to Tibet before the fall of Atlantis. The Crystal Skull Messenger features many photographs, including the "Group of 8" Himalayan crystal skulls, shown for the first time. Thelma is a pure channel, bringing through beautiful inspired poetic messages from the crystal skulls, which allows their story to be told. She has received poetic messages from many crystal skulls, including the Mitchell-Hedges skull, that are shared throughout the book. Here is the first poem channeled to Thelma from the Mitchell-Hedges crystal skull on 11:11:07. All directions flow through me In that I am alone. I unify the Earth with stars, Alignment is my throne. Pulsating stars will touch their hearts. Expect Unification! A wondrous band of Golden Light Will touch the hearts of all. And God's new time will then emerge To sanctify us All.

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for... ..Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing.

The lies told in the Garden, you shall not die and you will become wise like God, (become a god), are the foundational pillars of paganism/nature worship. From these religions many proclaimed healing methods which are not based on known science have evolved. They are a component of pagan spirituality, not some healing modality accidentally discovered. Such healing practices are the right arm for evangelism in the Neo-PaganNew Age movement. The devil, by deception, offers his counterfeit system of healing to entice man to give him the honor and worship due only to Jesus Christ the Divine Son of God. Many are deceived into believing that there is no spiritual danger in partaking of these proclaimed healing practices This book exposes the terrible spiritual dangers posed by the New Age holistic health movement, which combines valid healing remedies with various mystical healing arts. Valuable insights are given herein into the traps of the paranormal from a Christian perspective. Today there many who are more interested in health at any cost than Gods will at any price.
