

The Shadow Children Among Hidden Impostors Margaret Peterson Haddix

Moving to Hillcrest, Ohio, when his adoptive father accepts a temporary job, twelve-year-old Jeremiah, a heart transplant recipient, has sixty days to find a baseball team to coach.

From the award-winning author of *Catching the Wind*, which *Publishers Weekly* called “unforgettable” and a “must-read,” comes another gripping time-slip novel about hidden treasure, a castle, and ordinary people who resisted evil in their own extraordinary way. The year is 1938, and as Hitler’s troops sweep into Vienna, Austrian Max Dornbach promises to help his Jewish friends hide their most valuable possessions from the Nazis, smuggling them to his family’s summer estate near the picturesque village of Hallstatt. He enlists the help of Annika Knopf, his childhood friend and the caretaker’s daughter, who is eager to help the man she’s loved her entire life. But when Max also brings Luzia Weiss, a young Jewish woman, to hide at the castle, it complicates Annika’s feelings and puts their entire plan—even their very lives—in jeopardy. Especially when the Nazis come to scour the estate and find both Luzia and the treasure gone. Eighty years later, Callie Randall is mostly content with her quiet life, running a bookstore with her sister and reaching out into the world through her blog. Then she finds a cryptic list in an old edition of *Bambi* that connects her to Annika’s story . . . and maybe to the long-buried story of a dear friend. As she digs into the past, Callie must risk venturing outside the safe world she’s built for a chance at answers, adventure, and maybe even new love.

A shocking examination of the extreme national security apparatus built in response to the terrorist attacks of September 11th After 9/11, the United States government embarked on an unprecedented effort to protect America. The Shadow House

Under the Banner of Heaven

Among the Enemy

Based on the Book by Neil deGrasse Tyson

Extraordinarily tense and deliciously mysterious, Anna Downes's *The Shadow House* follows one woman's desperate journey to protect her children at any cost, in a remote place where not everything is as it seems. **A HOUSE WITH DEADLY SECRETS. A MOTHER WHO'LL RISK EVERYTHING TO BRING THEM TO LIGHT.** Alex, a single mother-of-two, is determined to make a fresh start for her and her children. In an effort to escape her troubled past, she seeks refuge in a rural community. Pine Ridge is idyllic; the surrounding forests are beautiful and the locals welcoming. Mostly. But Alex finds that she may have disturbed barely hidden secrets in her new home. As a chain of bizarre events is set off, events eerily familiar to those who have lived there for years, Alex realizes that she and her family might be in greater danger than ever before. And that the only way to protect them all is to confront the shadows lurking in Pine Ridge.

NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder,

Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.
