Faulkner's The Sound and the Fury

The Sound and the Fury is the tragedy of the Compson family, featuring some of the most memorable characters in literature: beautiful, rebellious Caddy; the manchild Benjy; haunted, neurotic Quentin; Jason, the brutal cynic; and Dilsey, their black servant. Their lives fragmented and harrowed by history and legacy, the character's voices and actions mesh to create what is arguably Faulkner's masterpiece and one of the greatest novels of the twentieth century. Divided into four sections, the history is narrated by three Compson brothers—Benjamin, Quentin, and Jason—followed by a section by an omniscient narrator.

This non-academic author brings the Garden of Eden myth alive as sophisticated poetry and a polemic for women and the consciousness of freedom. The myth is explored line by line using the tools of literary analysis and modern ideas, including Freudian concepts. The analysis shows how its "J" author, thought to be a woman in the royal court of Judah around 1000 BCE, uses the techniques of sound association, puns and other sophisticated means to get her messages across. The analysis probes how after thousands of years this myth still speaks to us about the critical human experiences of sex and death and their bigger brothers freedom and limitation.

Literature Review from the year 2013 in the subject American Studies - Literature, grade: 5.00, , course: American literature, language: English, abstract: „The Sound and the Fury“ is a novel written by the celebrated American novelist William Faulkner. It was first published in 1929 and was soon recognized as one of the greatest Southern novels ever written. Praised for its complexity and subtlety, the novel challenges the reader until the last page with its stream of consciousness narratives which require a significant amount of attention from the reader, given the fact that Faulkner

changes both the narrative and the style of writing with each chapter. Through the narratives of three characters: mentally disabled Benjamin, his oldest brother Quentin III and their cold-hearted brother Jason IV., Faulkner tells the story of the tragic decline of the Compson family in a town of Jefferson in the northern Mississippi. Each of these characters, in their own special way, describe the final stages of the downfall of their once wealthy and acknowledged family which started after the Civil war and with the beginning of the Reconstruction. The fourth chapter is written in the narrative voice of the author himself but the main focus is put on Dilsey, a black woman who practically raised all the Compson children on her own and serves as the central moral figure of the novel until it reaches its defeating end. Chapter 1 provides some general context about Faulkner's life and work in the American South and 'Yoknapatawpha County', and introduces the form and style of Faulkner's novel. Chapter 2 provides a discussion of the contexts of Southern history and Faulkner's family history. Chapter 3 is a discussion of the influences on Faulkner of Modernist literature and Modernist psychology and philosophy. Chapter 4 gives a close commentary on each of the novel's four narratives.

From comedian and journalist Faith Salie, of NPR's Wait Wait...Don't Tell Me! and CBS News Sunday Morning, a collection of daring, funny essays chronicling the author's adventures during her lifelong quest for approval Faith Salie has done it all in the name of validation. Whether she's trying to impress her parents with a perfect GPA, undergoing an exorcism to save her toxic marriage, or baking a 3D excavator cake for her son's birthday, Salie is the ultimate approval seeker—an “approval junkie,” if you will. In this collection of daring, honest essays, Salie shares stories from her lifelong quest for gold stars, recounting her strategy for winning (very Southern) high school beauty pageant; her struggle to pick the perfect outfit to wear to her divorce; and her difficulty falling in love again, and then conceiving, in the years following her mother's death. With thoughtful irreverence, Salie reflects on why she tries so hard to please others, and herself, highlighting a phenomenon that many people—especially women—experience at home and in the workplace. Equal parts laugh-out loud funny and poignant, Approval Junkie is one woman's journey to realizing that seeking approval from others is more than just getting them to like you—it's challenging yourself to achieve, and survive, more than you ever thought you could.

William Faulkner "The Sound and the Fury". The Corruption of Southern Aristocratic Values

Una obra maestra de la literatura que relata la degeneración progresiva de la familia Compson, sus secretos y las relaciones de amor y odio que la sostienen y la destruyen. Por primera vez, William Faulkner introduce el monólogo interior y revela los diferentes puntos de vista de sus personajes. El libro se cierra con un apéndice que descubrirá al lector los entresijos de esta saga familiar de Jefferson, Mississippi, conectándola con otros personajes de Yoknapatawpha, territorio creado por Faulkner como marco de muchas de sus novelas. English Description "I give you the mausoleum of all hope and desire. . . . I give it to you not that you may remember time, but that you might forget it now and then for a moment and not spend all of your breath trying to conquer it. Because no battle is ever won he said. They are not even fought. The field only reveals to man his own folly and despair, and victory is an illusion of philosophers and fools." --from The Sound and the Fury The Sound and the Fury is the tragedy of the Compson family, featuring some of the most memorable characters in literature: beautiful, rebellious Caddy; the manchild Benjy; haunted, neurotic Quentin; Jason, the brutal cynic; and Dilsey, their black servant. A handbook for interpreting Faulkner's great novel

April Seventh, 1928: Benjy accompanies Luster as he searches for a quarter to go to the circus that night. At the same time he relives memories of his youth, most of which have to do with Caddy. He remembers, for example, the night his grandmother (Damuddy) died, when Caddy climbed a tree to look in the parlor windows, showing her siblings her muddy drawers. He also remembers her precocious sexuality, which led to her pregnancy and marriage, taking her out of his life. He can smell the change in Caddy; when she is young and pure she smells like trees to him, and when she begins to have sex she no longer smells like trees. He has a specific order to the day's events, and when Luster interrupts this order, he howls. June Second, 1910: this section follows the events of the last day of Quentin's life, as he makes meticulous preparations for his suicide. He puts on clean clothes and packs all his belongings, then buys two flat irons to weight himself down with and heads out of town (he is attending Harvard at the time). He arrives in a little riverside town and meets up with a small immigrant girl, who follows him around until her brother finds them and accuses him of kidnapping her. He also runs into his friends, who are in town for a picnic. He ends up getting into a fight with one of them when he confuses his rantings on women with those of Dalton Ames, the boy who got his sister pregnant. He returns to Cambridge to clean his clothes, then heads back out to the same town to drown himself in the river. Throughout the day he is haunted by memories of Caddy, especially of her affair with Dalton Ames, her pregnancy, and her marriage to Herbert Head.

Ink of Melancholy re-examines and re-evaluates William Faulkner's work from the late 1920s to the early 1940s, one of his most creative periods. Rather than approach Faulkner's fiction through a prefabricated grid, André Bleikasten concentrates on the texts themselves—on the motivations and circumstances of their composition, on the rich array of their themes, structures, textures, points of emphasis and repetition, as well as their rifts and gaps—while drawing on the resources of philosophy, psychoanalysis,

anthropology. Brilliant in its thought and argument, *Ink of Melancholy* is one of the most insightful and stimulating studies of Faulkner's work.

“ A real contribution to the study of Faulkner ’ s work. ” —Edmund Wilson A Penguin Classic In prose of biblical grandeur and feverish intensity, William Faulkner reconstructed the history of the American South as a tragic legend of courage and cruelty, gallantry and greed, futile nobility and obscene crimes. He set this legend in a small, minutely realized parallel universe that he called Yoknapatawpha County, Mississippi. No single volume better conveys the scope of Faulkner ’ s vision than The Portable Faulkner. The book includes self-contained episodes from the novels The Sound and the Fury, Light in August, and Sanctuary; the stories “ The Bear, ” “ Spotted Horses, ” “ A Rose for Emily, ” and “ Old Man, ” among others; a map of Yoknapatawpha County and a chronology of the Compson family created by Faulkner especially for this edition; and the complete text of Faulkner ’ s 1950 address upon receiving the Nobel Prize in literature. Malcolm Cowley ’ s critical introduction was praised as “ splendid ” by Faulkner himself.
