The Master Chief is back. The legendary super soldier returns in Halo Infinite. 343 Industries and Microsoft are building the biggest and most visually spectacular Halo yet. Halo Infinite debuts on the Xbox family of consoles, including Xbox Series X, Microsoft's latest and most powerful game console. To take full advantage of its prodigious graphical prowess, 343 Industries built an all-new, next-generation game engine, giving their world-class artists the tools and technology to realize the worlds, war, and wonder of the Halo universe in unprecedented style and fidelity. 343 Industries have given Dark Horse access to the art and artists who've brought Halo Infinite to vibrant, vivid life. It's all here in unparalleled detail, the heroes you've grown to love--the Master Chief, the brave soldiers of the UNSC, as well as the weapons, vehicles, villains and vistas--and of course, the eponymous and magnificent environments of Halo itself. The Art of Halo Infinite also features a brand-new cover from legendary concept artist and Halo Infinite's Art Director, Sparth! Join us as we take you from concept to launch inside the artwork of the most ambitious Halo game to date.

A must-have for any Halo fan, this official guide is the most comprehensive book ever written about the video game franchise, created by the game's developers. This official,

comprehensive, authoritative guide to the Halo universe, written in collaboration with 343 Industries, the developers of the "Halo" franchise, marks the first time that a book incorporates the entirety of the "Halo" canon, including the games, books, comics, live-action and animated entertainment, and more. The book also includes over 50 specially commissioned full-color paintings showcasing vehicles, artificial intelligence, weapons, ships, and never-before-seen aspects of Halo environments. The amazing illustrations come from a variety of renowned illustrators, including Jean-Sébastien Rossbach, Leonid Kozienko, Benjamin Carré, Isaac Hannaford, and 343's internal art team, too. For the first time ever, the timeline of the Halo universe is available in one place, charting humanity's battles against alien forces of the Covenant, Forerunners, and the Flood--making this book an absolute must-have for Halo fans.

This book is a photo-essay of the work done at St. Paul's Chapel to take care of the men and women who worked tirelessly at Ground Zero after 9/11. The official photographer at St. Paul's Chapel photographed 2500 images and 100 of her best images are presented in this work. The book is dedicated to the memory of those who perished and is in thanksgiving for the relief workers at Ground Zero and those who supported them. Like its companion predecessors, *It Was Good: Performing Arts to the Glory of God* is both practical and theological. It's no cliché that artists struggle to find their way in an increasingly pragmatic niche culture--even more so for Christians in the performing arts.

*by exposing Putin's campaign to steal and launder hundreds of billions of dollars and kill anyone who stands in his way. When Bill Browder's young Russian lawyer, Sergei Magnitsky, was beaten to death in a Moscow jail, Browder made it his life's mission to go after his killers and make sure they faced justice. The first step of that mission was to uncover who was behind the \$230 million tax refund scheme that Magnitsky was killed over. As Browder and his team tracked the money as it flowed out of Russia through the Baltics and Cyprus and on to Western Europe and the Americas, they were shocked to discover that Vladimir Putin himself was a beneficiary of the crime. As law enforcement agencies began freezing the money, Putin retaliated. He and his cronies set up honey traps, hired process servers to chase Browder through cities, murdered more of his Russian allies, and enlisted some of the top lawyers and politicians in America to bring him down. Putin will stop at nothing to protect his money. As Freezing Order reveals, it was Browder's campaign to expose Putin's corruption that prompted Russia's intervention in the 2016 US presidential election. At once a financial caper, an international adventure, and a passionate plea for justice, Freezing Order is a stirring morality tale about how one man can take on one of the most ruthless villains in the world—and win.*

NEW YORK TIMES NOTABLE BOOK A literary crime thriller with “a clever plot that always surprises, told with dark humor and dry wit” (The New York Times Book Review, Editor’s Choice), this brilliant debut follows a famous author whose wife—the brains behind his success—meets an untimely death, leaving him to deal with the consequences. Henry Hayden seems like someone you might admire, or even come to think of as a friend. A famous bestselling author. A loving and devoted husband. A generous and considerate neighbor. But Henry Hayden is a construction, a mask. His past is a secret, his methods more so. Only he and his wife know that she is the actual writer of the novels that made him famous. When his hidden-in-plain-sight mistress becomes pregnant, it seems his carefully conceived façade is about to crumble. And on a rain-soaked night at the edge of a dangerous cliff, his permanent solution becomes his most terrible mistake. Now not only are the police after Henry but his past—which he has painstakingly kept hidden—threatens to catch up with him as well. Henry is an ingenious man, and he works out an ingenious plan, weaving lies, truths, and half-truths into a story that might help him survive. Still, the noose tightens. Smart, sardonic, and

How is that Bible reading plan working out for you? That's okay, everyone gets stuck. Just ask Jael, or worse, Jonah. This book is meant to "unstick" you. You'll meet angry and worn out people who--like you--desperately needed God. You'll see how God seeks out his people in spite of themselves. You'll discover again that the Bible is worth every moment you devote to it. With a devotional reading for each day of the year, this book will guide you through the Bible--the whole blessed thing--helping you turn your eyes towards Jesus with every step. And who knows? You may end up reading past Leviticus this time.
