Teenage baker Syd sends ripples of heartbreak through Austin ' s queer community when a batch of post-being-dumped brownies turns out to be magical—and makes everyone who eats them break up. “ What ’ s done is done. ” Unless, of course, it was done by my brownies. Then it ’ s getting undone. Syd (no pronouns, please) has always dealt with big, hard-to-talk-about things by baking. Being dumped is no different, except now Syd is baking at the Proud Muffin, a queer bakery and community space in Austin. And everyone who eats Syd ’ s breakup brownies . . . breaks up. Even Vin and Alec, who own the Proud Muffin. And their breakup might take the bakery down with it. Being dumped is one thing; causing ripples of queer heartbreak through the community is another. But the cute bike delivery person, Harley (he or they, check the pronoun pin, it ’ s probably on the messenger bag), believes Syd about the magic baking. And Harley believes Syd ’ s magical baking can fix things, too—one recipe at a time. Being broke, unemployed, and stranded back in the tiny town of Pick, Texas, was not part of Jancy Wilson ’ s plan. Yet here she is, watching her car literally go up in smoke—along with her last-ditch hope of staying with her cousin in Louisiana. When Jancy spies a Help Wanted sign hanging in the window of the quaint Strawberry Hearts Diner, the memories of the two years she spent there as a teenager—and the lure of the diner ’ s beloved strawberry tarts—are enough to draw her in and plant her feet. . .but only temporarily. Raised by parents who refused to settle anywhere for long, Jancy has never known what it is to have roots. Now that Jancy ’ s swept up by the warmth and character of this quirky little community—and by the pull of an old crush—it ’ s beginning to feel like home. She ’ s making friends and even discovering the sweetness of falling in love. But when the town is threatened, Jancy knows it will take more than its legendary tarts to save it. Can she fight for this little Texas town—knowing she might not stay forever?

An enriching story of family ties, broken hearts, and second chances from New York Times bestselling author Jennifer Probst. When Ethan Bishop returns to the Hudson Valley, his body and spirit are a little worse for wear. As a former Special Forces paratrooper, he saw his fair share of conflict, and he came home with wounds, inside and out. At his sisters' B & B and farm, he can keep all his pain at a safe distance. But quiet time isn't easy when a fiery woman explodes into his life... It's business--not pleasure--that brings Manhattan PR agent Mia Thrush reluctantly to the farm. Tightly wound and quick tempered, Mia clashes immediately with the brooding Ethan. Everything about him is irritating--from his lean muscles and piercing blue eyes to his scent of sweat and musk. But as the summer unfolds and temperatures rise, Ethan and Mia discover how much they have in common: their guarded histories, an uncontrollable desire, and a passion for the future that could heal two broken hearts. But will their pasts threaten their fragile chance at a brand-new future?

A city girl finds love in a small Southern town in this “deliciously warm and feel-good” romance by the USA Today bestselling author (Publishers Weekly, starred review). After years of Chicago’s hustle and bustle, Riley Brown is savoring her new life on Georgia’s tranquil Sugarberry Island. With a dream job as a house stager and fantastic new friends in the Cupcake Club, she’s got it all—or almost. While she’s still healing from a bad breakup, Riley is starting to crave an eligible man. Then a gig staging a renovated beach house delivers a delicious treat: Quinn Brannigan, a six-foot, blue-eyed writer as delectable and Southern as pecan pie. Quinn is back in his hometown to finish his latest novel, and suddenly Riley has a taste for the bad boy author that no amount of mocha latte buttercream or lemon mousse will satisfy. “Hilarious from start to finish.” —Affaire du Coeur Includes irresistible recipes!

From the author of In Her Shoesand the forthcoming Who Do You Lovcomes a story of a mother and two daughters rebuilding their lives ... Sylvie Woodruff has spent the last 30 or so years being the ideal politician's wife and raising two daughters. When her world crashes down around her after a painful, public betrayal, she retreats to her grandmother's rambling seaside home to wait for the scandal to blow over. Sylvie's eldest daughter, Diana, married out of friendship and respect, not love... then years later, finds herself falling for a most unsuitable man. When the affair ends badly, she sets off in search of a new beginning. Lizzie, Diana's younger sister, who caused her parents such heartache as a teenager, is finally getting her life together. When a summer fling leaves her pregnant, and her charming boyfriend turns violent, she too heads out of town.

The #1 New York Times and USA Today bestselling phenomenon Some things are worth waiting for . . . Traveling thousands of miles from home to enter college is the only way nineteen-year-old Avery Morgansten can escape what happened at that fateful Halloween party five years ago—an event that forever changed her life. What she never planned on was capturing the attention of the one guy who could shatter the precarious future she’s building for herself. Some things are worth experiencing . . . Cameron Hamilton is six feet, three inches of swoon-worthy hotness, com-plete with a pair of striking blue eyes and a remarkable ability to make Avery want things she believed had been irrevocably stolen from her. Getting involved with him is dangerous. Yet ignoring the simmering tension that sparks between them—and brings out a side of her she never knew existed—is impossible. Some things shouldn’t be kept quiet . . . But when Avery starts receiving threatening e-mails and phone calls, she’s forced to face a past she wants to keep buried and acknowledge that someone is refusing to allow her to let go of that night when everything changed. If the devastating truth comes out, will she resurface with one less scar? And will Cam be there to help her? And some things are worth fighting for . . .

Dragged to summer camp by her friend Charissa, twelve-year-old Gladys Gatsby, an undercover restaurant reviewer for a big New York City newspaper, finds a way to practice her cooking and restaurant reviewing skills.

The study of electoral realignments is one of the most influential and intellectually stimulating enterprises undertaken by American political scientists. Realignment theory has been seen as a science able to predict changes, and generations of students, journalists, pundits, and political scientists have been trained to be on the lookout for “signs” of new electoral realignments. Now a major political scientist argues that the essential claims of realignment theory are wrong—that American elections, parties, and policymaking are not (and never were) reconfigured according to the realignment calendar. David Mayhew examines fifteen key empirical claims of realignment theory in detail and shows us why each in turn does not hold up under scrutiny. It is time, he insists, to open the field to new ideas. We might, for example, adopt a more nominalistic, skeptical way of thinking about American elections that highlights contingency, short-term election strategies, and valence issues. Or we might examine such broad topics as bellicosity in early American history, or racial questions in much of our electoral history. But we must move on from an old orthodoxy and failed model of illumination. After injuring her best friend in a car accident, Cassidy Blake decided to leave town permanently. But now that her mother’s sick, she’s back to make amends. Sheriff Tate Lynch doesn’t want to forgive his former fiancée for his sister’s injury or for breaking his heart. And he certainly doesn’t want to admit he still has feelings for her. The community can see her commitment to the town as she helps rebuild a church destroyed in a storm. But Tate’s afraid of history repeating itself, even though Cassidy’s actions prove she’s a different person. Could the last secret she harbours about the accident drive Tate away for good?

In the small town of Celeste, Texas, Mitzi Taylor has never quite fit inside the lines. Nearly six feet tall, flame-haired, and with a plus-size spirit to match every curve, she’s found her niche: a custom wedding-dress boutique catering to big brides-to-be with big dreams. Taking the plunge alongside her two best friends, she’s proud they’ve turned The Perfect Dress into a perfect success.

A tragedy on a hot summer night at a lake house forever alters the lives of two best friends—and the man they both love. But the truth isn’t as simple as it appears in this intricate novel of love, friendship, betrayal, and forgiveness. Leah has been waiting for this moment a long time: Her boyfriend, Ollie, is taking her to his family’s home on Seneca Lake for a week of lazy summer bliss, boating, and barbeque. The couple have been together four years, and Leah is convinced that Ollie is finally going to pop the question. Leah can’t wait to share the joyous news with her best friend, June, who is joining them on their getaway, and whose presence will make everything feel more real. Seven years later, the moment June has been dreading has finally arrived: Her fiancé, Ollie, is taking her to his family’s lake house. But this is not an ordinary visit to an ordinary place; it is a house haunted by June’s long-buried memories of her lost friend Leah—and the connection that appears to remain between Leah and the man for whom June’s love is as deep as her grief. Alternating between the two women’s vibrant voices, *One Night at the Lake* is an emotional novel that explores a complex tangle of friendship, loyalty, and betrayal, all driving toward one question: Can love overcome what happened on that hot summer night? Praise for *One Night at the Lake* “Captivating and compelling . . . This is the perfect book to slip into your weekend bag for your own trip to the lake this summer.”—Jill Santopolo, *New York Times* bestselling author of *The Light We Lost* “With gripping prose and a setting that is as sentient as the characters who inhabit it, *Bethany Chase* draws a tale that is immediate and real, the kind of story you’ll feel to your gut.”—Michelle Gable, *New York Times* bestselling author of *A Paris Apartment* “Chase has crafted the perfect blend of fully realized characters and a burning question I couldn’t wait to have the answer to. You won’t be able to turn the pages fast enough.”—Tracey Garvis Graves, *New York Times* bestselling author of *On the Island* and *The Girl He Used to Know*

"The best book of the summer." -- InStyle "I LOVED this novel....If you have ever sung along to a hit on the radio, in any decade, then you will devour *Mary Jane* at 45 rpm." —Nick Hornby *Almost Famous* meets *Daisy Jones & The Six* in this "delightful" (*New York Times* Book Review) novel about a fourteen-year-old girl's coming of age in 1970s Baltimore, caught between her straight-laced family and the progressive family she nannies for—who happen to be secretly hiding a famous rock star and his movie star wife for the summer. In 1970s Baltimore, fourteen-year-old *Mary Jane* loves cooking with her mother, singing in her church choir, and enjoying her family's subscription to the *Broadway Showtunes of the Month* record club. *Shy, quiet, and bookish, she's glad when she lands a summer job as a nanny for the daughter of a local doctor. A respectable job, Mary Jane's mother says. In a respectable house. The house may look respectable on the outside, but inside it's a literal and figurative mess: clutter on every surface, impeachment: Now More Than Ever bumper stickers on the doors, cereal and takeout for dinner. And even more troublesome (were Mary Jane's mother to know, which she does not): the doctor is a psychiatrist who has cleared his summer for one important job—helping a famous rock star dry out. A week after Mary Jane starts, the rock star and his movie star wife move in. Over the course of the summer, Mary Jane introduces her new household to crisply ironed clothes and a family dinner schedule, and has a front-row seat to a liberal world of sex, drugs, and rock and roll (not to mention group therapy). Caught between the lifestyle she's always known and the future she's only just realized is possible, Mary Jane will arrive at September with a new idea about what she wants out of life, and what kind of person she's going to be.*

From New York Times bestselling author Carolyn Brown comes a funny heartache of a novel about overcoming the past, confronting the future, and defying all expectations. Everyone is talking about Jennie Sue Baker and the mess she made of her life in New York. The former high school queen bee—and wealthy darling of Bloom, Texas--has returned home after all these years, riding on a common bus and bearing two bounced alimony checks. In a town that thrives on gossip, Jennie's fall from grace has shamed her mother, set the town buzzing, and caused old, jealous enemies to whisper in delight. They say she's taken a job as a housekeeper, gotten a garage apartment, and might be crushing on Rick Lawson, a simple farmer with modest dreams. As romance starts to bud, Jennie relishes what it means to follow her heart, find real new friends, and finally be herself--regardless of all the lying town chatter. But fate has another twist in store. Rumor has it that Jennie now stands to lose what matters most...unless she can convince Rick of one true thing--and that's love.

This lavishly illustrated and comprehensive volume is the first devoted entirely to the subject of Irish furniture and woodwork. It provides a detailed survey—encompassing everything from medieval choir stalls to magnificent drawing-room suites for the great houses—from earliest times to the end of the eighteenth century. The first part of the book presents a chronological history, illustrated with superb examples of Irish furniture and interior carving. In a lively text, the Knight of Glin and James Peill consider a broad range of topics, including a discussion of the influence of Irish craftsmen in the colonies of America. The second part of the book is a fascinating pictorial catalogue of different types of surviving furniture, including chairs, stools, baroque sideboards, elegant tea and games tables, bookcases, and mirrors. The book also features an index of Irish furniture-makers and craftsmen of the eighteenth century, compiled from Dublin newspaper advertisements and other contemporary sources.

No previous author has attempted a book such as this: a complete history of novels written in the English language, from the genre's seventeenth-century origins to the present day. In the spirit of Dr. Johnson's Lives of the Poets, acclaimed critic and scholar John Sutherland selects 294 writers whose works illustrate the best of every kind of fiction—from gothic, penny dreadful, and pornography to fantasy, romance, and high literature. Each author was chosen, Professor Sutherland explains, because his or her books are well worth reading and are likely to remain so for at least another century. Sutherland presents these authors in chronological order, in each case deftly combining a lively and informative biographical sketch with an opinionated assessment of the writer's work. Taken together, these novelists provide both a history of the novel and a guide to its rich variety. Always entertaining, and sometimes shocking, Sutherland considers writers as diverse as Daniel Defoe, Henry James, James Joyce, Edgar Allan Poe, Virginia Woolf, Michael Crichton, Jeffrey Archer, and Jacqueline Susann. Written for all lovers of fiction, Lives of the Novelists succeeds both as introduction and re-introduction, as Sutherland presents favorite and familiar novelists in new ways and transforms the less favored and less familiar through his relentlessly fascinating readings.

Spy-in-hiding, Charlotte Mission, is determined to keep her nose clean—after nearly being exposed to the man who’s hunting her, her ex-husband, she’s not interested in getting involved in another murder investigation. That is until the local librarian is slain and her ex-spy grandmother is fingered as the one whodunit. Charlie’s got to solve the mystery before grandma’s secret stash of weapons—don’t ask, don’t tell—is discovered, and they’re both carted off to federal prison. Or worse. But that’s not going to be easy, what with another agent snooping around, a literal fire to put out, and a new kitty shelter to run. She must solve the case before grandma goes to jail. Or breaks out of it. Join Charlie and Gamma on another cozy adventure in the Gossip Inn.

This groundbreaking book reconceptualizes slavery through the voices of enslaved persons themselves, voices that have remained silent in the narratives of conventional history. Focusing in particular on the Islamic Middle East from the late eighteenth to the early twentieth century, Ehud R. Toledano examines how bonded persons experienced enslavement in Ottoman societies. He draws on court records and a variety of other unexamined primary sources to uncover important new information about the Africans and Circassians who were forcibly removed from their own societies and transplanted to Middle East cultures that were alien to them. Toledano also considers the experiences of these enslaved people within the context of the global history of slavery. The book looks at the bonds of slavery from an original perspective, moving away from the traditional master/slave domination paradigm toward the point of view of the enslaved and their responses to their plight. With keen and original insights, Toledano suggests new ways of thinking about enslavement.

DIV This landmark book looks at what it means to be a multiracial couple in the United States today. According to Our Hearts begins with a look back at a 1925 case in which a two-month marriage ends with a man suing his wife for misrepresentation of her race, and shows how our society has yet to come to terms with interracial marriage. Angela Onwuachi-Willig examines the issue by drawing from a variety of sources, including her own experiences. She argues that housing law, family law, and employment law fail, in important ways, to protect multiracial couples. In a society in which marriage is used to give, withhold, and take away status—in the workplace and elsewhere—she says interracial couples are at a disadvantage, which is only exacerbated by current law. /div

After her divorce, best-selling romance author, Mary Jane Marsh Simmons decided to move all seven of her girls out of the big city and back home to her hometown, Nacona, Texas. So when the last remaining relative of Miz Raven died and the Paradise was put on the market, she bought it, an old house that had been a brothel during the cattle trial days in Spanish Fort, Texas. Joe Clay Carter had just retired from twenty years in the Marines, Special Forces. He'd lived through wars and rumors of wars and decided to go home to Nacona to do nothing but play poker, draw his retirement check and enjoy life. Two weeks later he was bored stiff, his motel room closing in on him, and he was seriously thinking of reenlisting until high old high school crush, Mary Jane, came to his door asking him to remodel her new house. As teenagers Mary Jane never gave Joe Clay a second glance, so he was surprised by her offer. Immediately they shook on the deal and he moved into her house to get started. Much to his surprise, the house came filled to the roof with little girls, good food, and crazy conversation, all wrapped up in a house that needed a minor miracle to fix by Christmas. He wasn't sure if he could get it done in time but he was willing to try. If only Mary Jane was willing to give him a chance too.

From the *New York Times* bestselling author of *Blue Bloods* and *Witches of East End* After they cause a terrible accident at their old high school, twin witches Mardi and Molly Overbrook are sent to live with their "Aunt" Ingrid Beauchamp in North Hampton, on Long Island's mist-shrouded East End. Because the twins cannot control their powers, their father begs Ingrid to tame them over the summer, before the White Council exiles the girls to Limbo. Trouble continues to bubble and boil when the girls meet the younger Gardiner boys, who are just as handsome and sexy as their older kin. But all is not as it seems. As Ingrid helps the girls learn to control their magical impulses, Mardi and Molly have just this summer to figure out how to grow up, how to love, and how to be a family.

Secrets told in the church ladies' room are supposed to stay in the ladies' room. But that doesn't mean that what Trudy overhears there during her great-aunt Gertrude's funeral won't change the rest of her life. Trudy has a daughter in the middle of a major rebellion; a two-timing husband who has been cheating for their entire married life; and a mother with Alzheimer's residing in the local nursing home. She doesn't really need a crumbling old house about to fall into nothing but a pile of memories and broken knickknacks. Billy Lee Tucker, resident oddball in Tishomingo, Oklahoma, lived next door to Gert, and in her will she leaves him the funds to help Trudy remodel the old house. That's fine with Billy Lee, because he's been in love with Trudy since before they started school. And just spending time with her is something he'd never ever allowed himself to dream about. A beautiful home rises up from the old house on Broadway, and right along with it rises up a relationship. But is Trudy too scarred from what she heard in the ladies' room to see a lovely future with Billy Lee?

A shy teenager attempts to express how she really feels through the pastries she makes at her family's pasteleria. A tourist from Montenegro desperately seeks a magic soup dumpling that can cure his fear of death. An aspiring chef realizes that butter and soul are the key ingredients to win a cooking competition that could win him the money to save his mother's life. Welcome to Hungry Hearts Row, where the answers to most of life's hard questions are kneaded, rolled, baked. Where a typical greeting is, "Have you had anything to eat?" Where magic and food and love are sometimes one in the same. Told in interconnected short stories, *Hungry Hearts* explores the many meanings food can take on beyond mere nourishment. It can symbolize love and despair, family and culture, belonging and home.

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.
