This book will provoke you to stand and engage the enemy in spiritual warfare. If you have read my other books you know that I recommend the use of mantras as a vehicle for magick. They are very powerful and often times easy to recite. In my other books that deal with mantras I provide a bonus chapter on something called "Siddhi." I have been asked several times to go into greater depth about this and so I have decided to write this text. By attaining Siddhi, while using a mantra, you are literally embodying the power of that mantra. You will have the mantras power. For example, if you are looking to attract material abundance, the seed mantra for that is SHREEM. If you recite SHREEM 10,000 times, you will attain the essence of that Supernatural power. You will be able to recite SHREEM and attain your material goals easily. You will be a

magnet as it were. You will attain supernatural powers. In this book, we will discuss, in greater depth, what Siddhi is. After that, I will present a few powerful mantras and provide you the exact number of recitations you will need to attain Siddhi. Not all mantras have the same recitation count. I will also provide helpful tips on how to keep track of your recitations and most importantly, we will discuss the immense responsibility given you once you achieve Siddhi. Do Not take this lightly, once you achieve Siddhi for any given mantra, you will possess that power. USE IT WISELY.

million people flocked to his grave in Holy Cross Cemetery in Malden, Massachusetts, to seek one thing, a miracle. Despite the fact that Power had been dead for nearly six decades, many insisted that they had been miraculously cured by him. This is the story of the mysterious life, and afterlife, of this enigmatic, Irish-born, Boston priest who never made it a day past the age of 25. Using previously unpublished interviews, and archival documents, Supernatural Power examines the historical record surrounding

all of the known miracles attributed to Father Power, during his life, and after his death. Supernatural Power also objectively examines the complex events of autumn, 1929, when Power's grave seemed to turn into a "wonder shrine." Is Power's final resting place still, to this day, a sacred location for the miraculous, a portal between the powers of this world, and the next? Historian John Koerner, author of The Mysteries of Father Baker (Western New York Wares, 2005) has once again written a meticulously researched

book that examines why people, even to this day, insist that Patrick Power may have been more than just a young priest, but a gifted "wonder worker" as well.

In The Supernatural Power of a Transformed Mind, Johnson argues that moving in the spiritual realm should be as much a part of our daily routine as prayer, worship and reading Scripture. The companion volume, When Heaven Invades Earth: A Practical Guide to a Life of Miracles, teaches you how to rediscover your true identity and experience miracles every

In Marks gospel, chapter:16 versus, 15-18 we have what we call "the great commission" 15- "And he said unto them, Go ye into all the world, and preach the gospel to every creature."16-"He that believeth and is baptized shall be saved; but he that believeth not shall be damned."17- "And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues."18- "They shall take up serpents; and if

Notice - the people they laid hands on - received the power to do miracles also...! You will find in those verses, that we have the power to cast out devils and the sick. That power comes from the Holy Spirit. The Holy Spirit and our Angels, are controlling Satan and his demons. And it is the Christians, that is filled with the Holy Spirit, that God uses to combat evil. Jesus gave us that power, on the day of Pentecost's - but Christians aren't using it. I wrote this book hoping to inspire the Christians to learn how to use the power of the Holy
