Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling

He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite

But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career. Beloved author Lori Wick presents a new standalone in the tradition of her bestselling *Sophie's Heart*. After losing her parents, Arcineh Bryant lives with her grandfather as a girl. But growing up without her family causes her to hold resentment toward the man who

A character-rich journey leads Arcineh back to her grandfather's home where there are surprises, questions, and for the first time in her life, an answer to "who will love me forever?" This compelling story about a woman's hunger for acceptance and wholeness points the reader home to God's love. Indigenous roots. His father, Dulas—or Don, as he became known—lived on the trapline in the bush in Manitoba, only to be transplanted permanently to a house on the reserve, where he couldn't speak his language, Swampy Cree, in school with his friends unless in secret. David's mother, Beverly, grew up in a small Manitoba town that had no Indigenous people until Don arrived as the new United Church minister. They married and had three sons, whom they raised unconnected to their Indigenous history. David grew up without his father's teachings or any knowledge of his early experiences. All he had was "blood memory": the pieces of his identity ingrained in the fabric of his DNA, pieces that he has spent a lifetime putting together. It has been the journey of a young man becoming closer to who he is, who his father is and who they are
