Darren is the founder of The Event U, an organization providing education and training in event planning and management. For more information, visit http://TheEventU.com.

Don't consider renting more practical and sensible nowadays compared to the high-cost of owning real property. If you're not ready to buy your own house, renting is the next best thing to living independently and the closest thing to being the owner of your very own home. Renting property is a big responsibility and there are actually real issues that you need to take into account prior to signing that contract that will bind you, and may turn out to constrain you, for several years. This book is your complete guide to renting your own house or apartment. You will learn all you need to consider prior to making the deal final. Understand your personal considerations for renting an apartment or house. What are you looking for? What are your needs versus your wants? What is your budget? Do you need a house or an apartment? * Know important details on apartment and house hunting so your search is organized and productive. * Learn the basic application requirements as a prospective tenant so you can put in order your personal and financial information all set for the background and credit check.* Discover key details on negotiating, finalizing, and terminating your lease agreement.* Find out if you really need the services of a professional real estate agent or agency.Discover all you need to consider about renting before signing anything and moving in. You can get that apartment or house you desire without spending loads of money through the process of hunting, inspecting, negotiating and completing the deal! If you have difficulty walking, whether due to age, muscular disease, or arthritis, you may benefit from a mobility scooter. Mobility scooters are personal mobility vehicles that transport a seated individual. There are many different types of mobility scooters that are designed to fulfill the specific needs of their rider. Grab a copy of this ebook to discover everything you need to know about mobility scooters.*

Ultimate Guide II in I

Addressing the relative newness of the UBE, The Ultimate Guide to the UBE provides a detailed approach to the exam, utilizes real students' past bar exam answers (including real bar exam scores), and includes commentary from expert contributors for added insight and perspective on how students can improve their own exam writing scores. In the past decade the UBE has gone from being adopted by merely a few jurisdictions to over 40, including Massachusetts, New York, Utah, Illinois and July of 2022. This encompasses a large percentage of students taking the Bar Exam. It also means that many students, as well as bar prep professionals, have questions about the UBE. We seek to provide one guide that addresses everything anyone would want to know about the UBE, most importantly, how to prepare for it. Melissa Hale, and Antonia (Tonii) Miceli, and Tania Shah are experts in bar exam preparation, each having taught in the field for over a decade. As the UBE has spread, and more people with questions about how the UBE works and how best to prepare for each section of the UBE. This book is intended to be a "one-stop shop" for all things UBE! Professors and students will benefit from: Addressing the relative newness of the UBE, this guide provides a step-by-step process for tackling each section of the exam, utilizing real students' past bar exam answers (including real bar exam scores), and employing expert contributors' commentary for adding depth to this book appeals to students, and includes: outlines, charts, easily digestible content, and good humor to engage students in material that might otherwise seem dry or overwhelming. Above all, students want to see what an actual exam answer looks like, not just be told how to write the "perfect" (and mostly impossible) essay answer. In the Ultimate Guide to the UBE, students can see what real bar exam takers did under timed conditions. They can read expert commentary on shoes of a bar exam grader by critiquing real bar exam answers themselves. Students can see, firsthand, what separates a score of 1 from a score of 3 from a score of 6 out of 6, and learn how to push their own score up the grading scale. Memorizing rules separate from the essay-writing process is not a winning strategy; practicing writing an essay while looking up the rules enables students to hone their analysis skills and learn the rules. The online appendices provide all the questions in this book, allowing students to focus on the skill development piece of bar review, rather than guessing the applicable rule.

Learn why it is important to use the Internet wisely and tips for how to stay safe.

How to Invest in Real Estate

Investing in Rent-to-Own Property is the distillation of years of investment experience in real estate. It is a both strategy and a system, which provides stable, proven returns for the investor. On the flip side of the coin, the homebuyer is provided a house that fits their needs and budget. Why should an investor have rent-to-own as part of his or her investment portfolio? This book lays out in clear detail the benefits of rent-to-own and how to get started with a rent-to-own strategy. Loaded with tips and case studies, here are the core components of the system: How to identify properties How to carry out due diligence How to create a marketing system and attract interested tenants homebuyers How to identify and choose tenants homebuyers The rent-to-own contract Obligations of the investor to the tenant/homebuyer Obligations of the tenant/homebuyer to the investor The team of experts: agent, lawyer, lender, home inspector, accountant Exit strategies There are many singles and couples who for a variety of reasons opt for a rent-to-own opportunity. For some it's an opportunity to check out a location for a couple of years so that they're certain it's the house and neighborhood they want for the long term; for others it's the desire to own a home but need to grow their down payment-having a nice home while they save is a terrific option. The expertise of the investor in identifying the right property and providing the right financing is another significant aspect for the tenant-homebuyer. The benefits for the investor are many: a solid property in an area where the fundamentals are strong; great tenants who respect the property; a profitable investment even with a downturn in the market. Investing in Rent-to-Own Property is the quintessential tool for investors who have yet to take advantage of a proven money-maker or for those investors who want the benefit of a proven system to build their portfolio.

Nobody wants to be evicted from the house. But sometimes situations can become complex and eviction can be the only way to make things right. Therefore, a landlord must always be familiar with some general practices either he wants to evict tenants or not. Because sometimes evicting tenants can be very stressful. There are some general practices a good landlord is always cognizant of which are mentioned in this guide. This guide will teach you proven techniques to avoid eviction. Whats Included: - Laws you should be familiar with - Filing Eviction - Fee Schedule for tenants - Eviction cost - Conversation with tenant - Do you really need an attorney? - What You Should Know - + MUCH MORE! If you want to be healthier, cure ailments, or improve focus & well-being then this guide is for you. -> Scroll to the top of the page and click add to cart to purchase instantly

Expert money-making advice from the nation's leading fixer-upper guru "Excellent book on the fixer strategy."--John T. Reed, bestselling real estate author "Filled with practical examples of how to profit from rundown fixer-upper properties."--Robert J. Bruss, syndicated real estate columnist Nobody wants to buy an ugly, decrepit, rundown house--which is exactly why they provide real estate investors with the best bargains! In Investing in Fixer-Uppers, nationally known real estate guru Jay DeCima reveals how investors can add thousands of dollars to the value of an "ugly" house. He discusses how to substitute local skills for traditional ones, how to find the best deals, and how to use your own resources to save money. He also explains how to use your own resources to save money. He also explains how to use your own resources to save money.

Nobody wants to be evicted from the house. And if you live on rent then there are chances of bad things that can happen to you due to differences between you and your landlord. Every person who lives on rent must be familiar with some general things for example regionals laws related to landlords and tenants. This guide contains everything you required to avoid eviction. Whats Included: - Information about regional laws - If your landlord has rights to evict you? - Eviction steps that everyone must know - Is there any chance to avoid eviction? - Involvement of court & law - What if you owe some rent? - Rules of eviction & everything you need to know If you want to be healthier, cure ailments, or improve focus & well-being then this guide is for you. -> Scroll to the top of the page and click add to cart to purchase instantly

For years, independent investors have been told to stick with buy-and-hold investing and leave the big results to the big players. On the other hand, the real estate world is flooded with misinformation about the profit potential and success ratio of marginal investing strategies like flipping and rent-to-own. In Buy, Fix, Refinance, and Rent, authors Quentin D'Souza, Jeff Woods, and Andrew Brennan share the ultimate wealth strategy for independent real estate investors, which is based on the timeless active investment principles of value buying, value creation, and accelerated results. This book is for the investor that knows there is more potential in real estate than what they've seen before. In an easy-to-read storytelling style, this book will change your perception of what's possible as an independent real estate investor and provides a simple step-by-step process to teach it. Read now and change your life for ever! Call 1-877-745-0157 today to hear a free recorded message from the authors.

Updated for 2018 - includes all the tax and legislative changes announced during 2017. By the author of the UK's most popular property book, The Complete Guide To Property Investment. Please note that this book only covers letting and management of a property you already own. For a guide to buying the right property in the first place, you should buy 'The Complete Guide To Property Investment'. Take a property, throw in a tenant and watch the money roll in. This seemingly simple formula has attracted nearly two million people in the UK to become landlords, but the reality is a whole lot more complicated. Did you know, for example, that if you forget to provide a certain piece of paper you might be unable to evict a tenant - even if they don't pay the rent? Or that you could be fined for not checking your tenant's immigration status? And don't forget the inevitable broken boilers, mysterious leaks and various tenant complaints that always seem to happen at the most inconvenient time. How To Be A Landlord is a straightforward guide to everything involved in letting and managing a property - whether you're an accidental landlord or a full-time professional investor. In simple and entertaining language, it covers important steps like preparing the property to let, advertising for tenants, conducting viewings, doing all the paperwork, managing the tenancy, and dealing with any tricky situations that crop up (including the dreaded emergency repairs and evictions...). You'll learn: How to set yourself up for success when preparing a property to let Where to find the perfect tenants for your property The essential checks you must make to avoid a nightmare tenant Everything you need to do when setting up a tenancy to avoid problems later How to deal with the most common maintenance issues and repairs The proper legal processes to follow when you have troublesome tenants Top tips from experienced landlords for how to look after your tenants - keeping them happy, your property safe, and the rent rolling in Frequently updated and with contributions from over 50 experienced landlords, this is the most current and comprehensive book on the subject - and essential reading for anyone who wants a simple, profitable life as a landlord.

Author and speaker Chrisine Hrib Karpinski takes readers through all the steps necessary to purchase and rent out a vacation home. This book contains practical, hands-on advice that shows the reader how to do it without property management companies so you can keep 100% of the income. Not only will you have realistic strategies for your renters to pay your mortgage -- you will also enjoy several weeks a year in that little slice of paradise with your friends and family. Discover the secrets of successful vacation home owners: Choosing the best property for you; Different financing options available; Organizing all rentals, paperwork, money and maintenance; Advertising for quick results; Identifying and avoiding "bad apple" renters; Maintaining your property from a distance; And much more!

Winner of the 2018 National Outdoor Book Award for Best Instructional Book! The Ultimate Guide to Whitewater Rafting and River Camping introduces new rafters to the skills, equipment, and knowledge required to mount a multiple whitewater rafting trip. Rafting equipment, skills, and techniques have changed drastically in recent years, and this book provides the latest information on equipment selection, care, repair, and use; whitewater rafting techniques; reading rivers; hazard evaluation and basic rescue; camping techniques; river cooking and living; and expedition planning. Written in a clear and comprehensive manner by outdoor educator and whitewater veteran Molly Absolon, The Ultimate Guide to Whitewater Rafting and River Camping is a great tool for novices and an excellent resource for experienced rafters.

Every Landlord's Guide to Managing Property

From the author of Amazon best-sellers "Property Investment For Beginners" and "Beyond The Bricks" Over the last 20 years, more than a million Brits have made life-changing profits from buy-to-let. But as prices keep rising and the tax landscape changes, investors need to get smarter in order to succeed. It's far from "game over," but the game is changing... for the better. The unwary and under-prepared will be squeezed from the market - leaving educated, strategic investors to have their best decade yet. The Complete Guide To Property Investment gives you the insight, information and action plan you need to navigate this new property landscape and come out on top. It starts by demonstrating - with real-life examples - a range of strategies suited to achieving different investment goals. Only then does it take you step by step through every aspect of researching, financing, buying and managing investment properties. You'll learn: How to formulate a strategy suited to achieving your investment goals Everything you need to know about financing your investments An exact step-by-step research process you can use to decide what to invest in How to manage your investments What the property cycle is, and how you can use it to your advantage How to build a profitable portfolio for the long-term - including scaling up, surviving recessions, and exit strategies. Whether you're turning to property to secure your retirement, start a new career or generate a stream of passive income, this book will be the most valuable investment you make.

Advice on profitable strategies, problem tenants, UK legal issues, and more! Minimise rental headaches and maximise cash flow - without agent's fees Whether you want to become a property tycoon or just rent out a second home, this guide to the UK rental market is your roadmap to success. Now fully updated with extra coverage on tax issues and company formation, let successful landlords Melanie Bien and Robert Griswold show you how to buy the right property, avoid legal problems, retain the best tenants, and maximise your rental income. Praise for Renting Out Your Property For Dummies "This book is a comprehensive guide to the process of renting out your property, brim full of sound practical advice based on years of experience. It's an absolute must for the bookshelf of any would-be landlord, novice and experienced alike."--Tom Entwistle, Editor of the rental property Web site, www.LandlordZONE.co.uk Discover how to Market your property and screen tenants Set the right rent and manage increases properly Master maintenance issues, from DIY to 'contractor dream team' Stay on top of your finances and record keeping

The Must-Have Guide for Renters and Small-Space Dwellers Rental Style, which doubles as a decor piece and handy design guide, shows readers how to decorate and organize small, rented spaces on a budget. The book will cover all home development stages from searching for a rental home to decorating and organizing it. Many people are reluctant to design their spaces due to renter restrictions, which leaves homes bland and boring. Rental Style will erase that unease and demonstrate how you can turn a rented space into a home using temporary, creative tricks that won't drive landlords crazy. Rental Style will demonstrate how to "renovate" a rental through clever design and budget-friendly tips and hacks on the following topics: Beating the stress of finding a home Items to switch out when moving into a rental Furniture to invest in when living in a small home Decorating to maximize small spaces Myths many renters believe Removable products meant for renters Incorporating more seating into your smaller home Combating limited storage Ways to "renovate" a rental kitchen Hosting in a very small home And more! The budget and time-friendly tools, tips, and advice in this book will give readers the ability to stand out among the rest and revamp their rental spaces!

Your UNIX/Linux: The Ultimate Guide, written with both users and programmers in mind, is the ultimate UNIX/Linux text. Both pedagogical tool and exhaustive reference, it is well-suited to any course that includes UNIX or Linux. A strong pedagogical framework sets it apart from similar texts and allows beginning students to gain a firm grasp of fundamental concepts, while chapters on advanced topics inspire the more experienced reader to move beyond the basics. Nearly a thousand exercises and self-test questions provide a way for students to test and reinforce their understanding of the material.

The Ultimate Guide to the UBE (Uniform Bar Exam) is your "one-stop shop" for all things UBE (Uniform Bar Exam). Now administered in over 35 jurisdictions, bar exam takers don't want to just pass -- they want to excel and obtain the highest score possible so they have their choice of UBE jurisdictions. This Guide covers it all- From the basics of what is tested on the UBE, to the best ways to personalize your bar exam study, to the most important of all -- how to maximize your score on each of the three sections of the UBE. With over 40 years of combined experience in preparing students to pass the bar exam, Tania Shah, Melissa Hale, and Antonia (Tonii) Miceli bring their expertise in the bar exam field directly to you and use actual bar exam answers from bar real exam takers to show you exactly what you need to do to pick up points on the UBE! Key features: Whether you are in a new UBE jurisdiction, or one of the original UBE jurisdictions, this guide provides you with a detailed approach to the UBE, combining the authors' expertise in bar exam preparation with access to actual bar exam answers from real bar exam takers that were written during past bar exams and graded by actual bar exam reviewers. The Ultimate Guide to the UBE shows readers what an actual bar exam answer looks like, rather than just telling them what the "perfect," and mostly impossible, essay answer looks like. The material in this book appeals to readers with its straightforward approach, providing outlines, charts, easily digestible content, and good humor to engage readers with what could seem to be overwhelming and dry content. The Ultimate Guide to the UBE is organized and broken down into four sections: First, the Guide introduces the reader to the UBE, including what is tested on the UBE, how it is tested, and how it is scored, before guiding readers into their bar exam study, with tips on memory, time management, and scheduling. Next, the Guide introduces the reader to the Multistate Essay Exam (MEE), which is the essay component of the UBE. After breaking down how to prepare for the MEE, and how to structure an MEE answer, the Guide uses actual MEE questions and actual bar exam answers to take the reader, step by step, through maximizing your MEE score. Readers are given the chance to "be the grader" and learn how to self-assess their own answers to improve their MEE score. The Guide repeats this same process with the Multistate Performance Test (MPT), which is the closed-universe skills portion of the UBE. The Guide next tackles the Multistate Bar Exam (MBE), which is the multiple choice section of the UBE. The Guide focuses on each of the seven MBE subjects in independent chapters, where readers are guided through how to best attack MBE questions in that subject area, which include very detailed answer explanations and strategy pointers. Finally, the Guide provides readers with all of the law needed to answer the actual UBE questions presented in the Guide, including quick reference handouts and charts.

The truth about Rental Property Investing. This is the best period ever to study. This book is jam-packed with valuable information on the kinds of properties that can be turned into rental properties, investment strategies, financing options, how to deal with contractors and much more. How should you handle major repairs? How much rent should you charge? Is it still worth it? Read this book to get the answers before you make a decision. In this Bundle you'll get: FIRST PART The first things you should do before you even begin to look for a property How to generate profits by careful planning The pros and cons of investing in rental properties How to recognize and avoid real estate scams The various strategies used for investing in rental properties How to locate the right property Different types of rental properties What kind of property to invest in even with limited capital Financing options to fund your rental property purchase Rental property rehabs and how to work with contractors Property Investment on a long-term basis Building and investment business SECOND PART What pre-rental steps you should take each time you rent one of your properties? Why you should keep a record of every communication you have with your tenant and how to set communication limits that will work for you What are the pros and cons of investing out of state properties? What scams should you be aware of? What areas may prohibit rentals properties? Why you should become an expert in real estate market property analysis and how you can achieve this Why you should be prepared in the event of a catastrophic event at your rental property in case your worst fear becomes a reality And more! As you well know, investing in real estate is a major way to invest to generate lucrative profits. Some of the areas have become more lucrative than others. You need to seek out those areas that look to be the most profitable by using various computations to gauge the viability of properties in the markets and areas you are targeting. There are answers to questions that now come with being a landlord. How do you handle a late-paying tenant? What are your legal responsibilities to the neighbors of your rental property? How beneficial is it to invest in an out of state property? Can you gauge what all the costs will be versus its profitability? Will it be worth it? This book answers many of these questions and helps you to increase your real estate knowledge as well.

Whether you're a first-time real estate investor or a seasoned professional, The Complete Guide to Buying and Selling Apartment Buildings helps you map out your future, find apartment buildings at a fair price, finance purchases, and manage your properties. Now revised and expanded, this Second Edition includes tax planning advice, case studies of real acquisitions, and appendices that add detail to the big picture. Plus, it includes a handy glossary of all the terms investors need to know, helpful sample forms that make paperwork quick and easy, and updated real estate forecasts. With this comprehensive guide at hand you'll find profits easy to come by.

On the surface, being a landlord seems pretty simple-you buy property, find renters, and the money rolls in. However, as all too many people have found out, it takes an incredible amount of know-how and hard work in order to be successful at it. Idiot's Guides: Making Money with Rental Properties is written by experts who have made the mistakes, learned the lessons, and have become highly successful at spotting properties with high rental potential, buying them at the right price and time, and finding tenants who pay on time and stay for the long haul. Readers will learn not only how to spot the right neighborhood and property, but how to buy it, when not to buy it, how to find the right tenants, how to manage the money flow, and more. In addition, readers will learn what to do when things go wrong, what legal protections they (as well as the tenants) have, and how to do it all without going broke and losing their minds in the process.

Everything you'll need to know to ensure a smooth transition Moving down the street can be hard enough, let alone moving to a completely different country. Despite being one of the most exciting times of your life, it can also be particularly stressful, especially if you find yourself unprepared for what lies ahead. This manual aims to provide you with the necessary information to ensure as smooth a transition as possible to your new destination.

How should you handle major repairs? How much rent should you charge?

Is it still worth it? Read this book to get the answers before you make a decision. In this Bundle you'll get: FIRST PART The first things you should do before you even begin to look for a property How to generate profits by careful planning The pros and cons of investing in rental properties How to recognize and avoid real estate scams The various strategies used for investing in rental properties How to locate the right property Different types of rental properties What kind of property to invest in even with limited capital Financing options to fund your rental property purchase Rental property rehabs and how to work with contractors Property Investment on a long-term basis Building and investment business SECOND PART What pre-rental steps you should take each time you rent one of your properties? Why you should keep a record of every communication you have with your tenant and how to set communication limits that will work for you What are the pros and cons of investing out of state properties? What scams should you be aware of? What areas may prohibit rental properties? Why you should become an expert in real estate market property analysis and how you can achieve this Why you should be prepared in the event of a catastrophic event at your rental property in case your worst fear becomes a reality And more! As you well know, investing in real estate is a major way to invest to generate lucrative profits. Some of the areas have become more lucrative than others. You need to seek out those areas that look to be the most profitable by using various computations to gauge the viability of properties in the markets and areas you are targeting. There are answers to questions that now come with being a landlord. How do you handle a late-paying tenant? What are your legal responsibilities to the neighbors of your rental property? How beneficial is it to invest in an out of state property? Can you gauge what all the costs will be versus its profitability? Will it be worth it? This book answers many of these questions and helps you to increase your real estate knowledge as well.?

Are you looking for one of the best investment options out there? Do you want to make a steady stream of income from your investment without all the risk and failures of other options? Then rental property investing may be the choice for you. This guidebook is going to take some time to look at why rental property investment is one of the best options for you. We will look at many of the exciting options that come with rental property investing including: -Why to get into rental properties -Some of the different properties that you can choose -How to find a new property and get your financing -How to fix up the property before the first tenant -Picking good tenants to protect your investment -How to come up with the terms of the lease and get the right rent price to cover your costs and provide income. -Some of your own responsibilities as the landlord When all of this comes together, you are going to enjoy the challenge of rental property investment and be so happy that you were able to get started. Now, if you think you're ready to earn your own income from rental properties, you owe it to yourself to read this book and learn everything that you need to know about rental properties and how they can grow your investment in no time!

Christina VanDergrift understands the challenges of nurturing big dreams. After starting with little other than grit, determination, and a willingness to learn and put in the work, she built a rewarding career as a real estate expert and entrepreneur, ultimately creating a path to success and wealth, one step at a time. In an easy-to-read guide, VanDergrift relies on her professional experiences, trials, and errors to share a comprehensive roadmap that will help anyone decide whether owning and operating a vacation rental is the right choice, where to start, and the exact steps to begin the process. While walking others through her experiences in the industry, she provides valuable information on how to write a business plan, price and furnish a property, choose amenities, face unexpected challenges, and decide whether to self-manage or hire a property manager. Vacation Rentals: The Ultimate Guide is a go-to reference manual that provides everything aspiring entrepreneurs need to know about how to purchase and successfully operate a vacation rental.
