**This is a bold and original reinterpretation of almost all of Shakespeare's major plays, in the light of the Marxist, feminist and semiotic ideas of our own time. Through a set of tenaciously detailed readings, the book illuminates a number of persistent problems or conflicts in Shakespearean drama - in particular a contradiction between words and things, body and language, which is also explored in terms of law, sexuality and Nature. Language and desire, Terry Eagleton argues, are seen by Shakespeare as a kind of 'surplus' over and above the body, stable and social roles and a fixed human nature. But the attitude of the plays to such a 'surplus' is profoundly ambivalent; if they admire it as the very source of human creativity, they also fear its anarchic, transgressive force. Underlying such ambiguities, the book convincingly shows, is a deeper ideological struggle, between feudal traditionalism on the one hand, and the emergence of new forms of bourgeois individualism on the other. This book reveals how, in the light of our own contemporary theories of language, sexuality and society, we can understand the issues present in Shakespeare's drama which previously have remained obscure.**

A charming, deeply imaginative debut novel about a young girl who is immortalized in her father's illustrated books containing clues to their family secrets. Romilly Kemp and her eccentric painter father have happy but sheltered lives in a ramshackle mansion in the English countryside. When her father finds fame with a series of children's books starring Romilly as the main character, everything changes: exotic foods appear on the table, her father appears on TV and strangers appear at their door, convinced the books will lead them to a precious prize. But as time passes, Romilly's father becomes increasingly suspicious of the outside world until, before her eyes, he begins to disappear within himself. She returns to his illustrations, looking for a way to connect with her ailing father, and finds a series of clues he's left just for her. This treasure hunt doesn't lead her to gold or jewels, but something worth far more—a shocking secret that is crucial to understanding her family. Written with tremendous heart and charisma, *The Book of Hidden Wonders* is an unforgettable story about growing up, facing mortality and discovering the hidden wonders that make us who we are.

The greatly anticipated final book in the New York Times bestselling Hunger Games trilogy by Suzanne Collins.

The sequel to the New York Times bestselling epic *Dread Nation* is an unforgettable journey of revenge and salvation across a divided America. After the fall of Summerland, Jane McKeene hoped her life would get simpler: Get out of town, stay alive, and head west to California to find her mother. But nothing is easy when you're a girl trained in putting down the restless dead, and a devastating loss on the road to a protected village called Nicodemus has Jane questioning everything she thought she knew about surviving in 1880s America. What's more, this safe haven is not what it appears—as Jane discovers when she sees familiar faces from Summerland amid this new society. Caught between mysteries and lies, the undead, and her own inner demons, Jane soon finds herself on a dark path of blood and violence that threatens to consume her. But she won't be in it alone. Katherine Devener never expected to be allied with Jane McKeene. But after the hell she has endured, she knows friends are hard to come by—that Jane needs her too, whether Jane wants to admit it or not. Watching Jane's back, however, is more than she bargained for, and when they both reach a breaking point, it's up to Katherine to keep hope alive—even as she begins to fear that there is no happily-ever-after for girls like her.

Spies have reported the sighting of a Rat King in the Underland, a character who has been legendary since the Middle Ages. Recognizable by its tremendous size and snow-white coat, the Rat King is destined to bring a World War to the Underland.

From acclaimed Nigerian storyteller Atinuke, the first in a series of chapter books set in contemporary West Africa introduces a little girl who has enchanted young readers. Anna Hibiscus lives in Africa, amazing Africa, with her mother and father, her twin baby brothers (Double and Trouble), and lots of extended family in a big white house with a beautiful garden in a compound in

city. Anna is never lonely—there are always cousins to play and fight with, aunties and uncles laughing and shouting, and parents and grandparents close by. Readers will happily follow as she goes on a seaside vacation, helps plan a party for Auntie Comfort from Canada (will she remember her Nigerian ways?), learns firsthand what it's really like to be a child selling oranges outside a market gate, and longs to see sweet snow. Nigerian storyteller Atinuke's debut book for children and its sequels, with their charming and abundant) gray-scale drawings by Lauren Tobia, are newly published in the US by Candlewick Press, joining other celebrated Atinuke stories in captivating young readers.

I Am Number Four

**National Bestseller • New York Times "100 Notable Books of the Year" • NPR "Favorite Books of 2019" • Guardian "100 Best Books of the 21st Century" • Winner of the National Outdoor Book Award** From the best-selling, award-winning author of *Landmarks* and *The Old Ways*, a haunting voyage into the planet's past and future. Hailed as "the great nature writer of this generation" (*Wall Street Journal*), Robert Macfarlane is the celebrated author of books about the intersections of the human and the natural realms. In *Underland*, he delivers his masterpiece: an epic exploration of the Earth's underworlds as they exist in myth, literature, memory, and the land itself. In this highly anticipated sequel to his international bestseller *The Old Ways*, Macfarlane takes us on an extraordinary journey into our relationship with darkness, burial, and what lies beneath the surface of both place and mind. Traveling through "deep time"—the dizzying expanses of geologic time that stretch away from the present—he moves from the birth of the universe to a post-human future, from the prehistoric art of Norwegian sea caves to the blue depths of the Greenland ice cap, from Bronze Age funeral chambers to the catacomb labyrinth below Paris, and from the underground fungal networks through which trees communicate to a deep-sunk "hiding place" where nuclear waste will be stored for 100,000 years to come. Woven through Macfarlane's own travels are the unforgettable stories of descents into the underland made across history by explorers, artists, cavers, divers, mourners, dreamers, and murderers, all of whom have been drawn for different reasons to seek what Cormac McCarthy calls "the awful darkness within the world." Global in its geography and written with great lyricism and power, *Underland* speaks powerfully to our present moment. Taking a deep-time view of our planet, Macfarlane here asks a vital and unsettling question: "Are we being good ancestors to the future Earth?" *Underland* marks a new turn in Macfarlane's long-term mapping of the relations of landscape and the human heart. From its remarkable opening pages to its deeply moving conclusion, it is a journey into wonder, loss, fear, and hope. At once ancient and urgent, this is a book that will change the way you see the world.

The first book of the #1 New York Times bestselling series and the inspiration for the hit movie from Dreamworks! John Smith seems like an ordinary teenager, living a normal life with his guardian Henri in Paradise, Ohio. But for John, keeping a low profile is essential, because he is not an ordinary teenager. He's an alien from the planet Lorien, and he's on the run. A group of evil aliens from the planet Mogadore, who destroyed his world, are hunting anyone who escaped. Nine Loric children were sent to Earth to live in hiding until they grew up and developed their Legacies, powers that would help them fight back—and help them save us. Three of them are now dead. John is Number Four, and he knows he's next.... Michael Bay, director of *Transformers*, raved: "Number Four is a hero for this generation."

This epic story is perfect for fans of action-packed science fiction like The 5th Wave series by Rick Yancey, The Maze Runner series by James Dashner, and Orson Scott Card's Ender's Game. The battle for Earth's survival wages on. Read all of the books: #2: The Power of Six, #3: The Rise of Nine, #4: The Fall of Five, #5: The Revenge of Seven, #6: The Fate of Ten, and #7: United as One. Don't miss the first book in the brand-new I Am Number Four spin-off series: Generation One.

Speak enters the world of Gossip Girl in this modern immigrant story from New York Times bestselling author Kelly Yang about two girls navigating wealth, power, friendship, and trauma. They're called parachutes: teenagers dropped off to live in private homes and study in the United States while their wealthy parents remain in Asia. Claire Wang never thought she'd be one of them, until her parents pluck her from her privileged life in Shanghai and enroll her at a high school in California. Suddenly she finds herself living in a stranger's house, with no one to tell her what to do for the first time in her life. She soon embraces her newfound freedom, especially when the hottest and most eligible parachute, Jay, asks her out. Dani De La Cruz, Claire's new host sister, couldn't be less thrilled that her mom rented out a room to Claire. An academic and debate team star, Dani is determined to earn her way into Yale, even if it means competing with privileged kids who are buying their way to the top. But Dani's game plan veers unexpectedly off course when her debate coach starts working with her privately. As they steer their own distinct paths, Dani and Claire keep crashing into one another, setting a course that will change their lives forever.

Gregor the Overlander

A Work in Progress

The adventure continues in this action-packed second book in The Underland Chronicles by Suzanne Collins, New York Times bestselling author of The Hunger Games! Months have passed since Gregor first fell into the strange Underland beneath New York City, and he swears he will never go back. But he is destined to be a key player in another prophecy, this one about an ominous white rat called the Bane. The Underlanders know there is only one way to lure Gregor back to their world: by kidnapping his little sister, Boots. Gregor's quest reunites him with his bat, Ares, and the rebellious princess, Luxa. They descend into the dangerous Waterway in search of the Bane, and Gregor knows what is at stake. If he does not fulfill the prophecy, his life, and the Underland, will never be the same.

"How much trouble can a 12 year old Zombie get into, just to take his mind off of the grueling last few weeks before summer break? A lot more than you would expect!"--Page [4] of cover.

In a world that views absolute truth, right and wrong, and salvation as being subject to individual interpretation, the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times. But it is not God's Word that has changed. Indeed, its relevancy and its power to transform lives are intact. What has changed is the number of people who consult it. Now more than ever the need to read the Bible, to understand the big picture of its storyline, and to grasp the relevance this has for your life is critical. As with its companion volume, For the Love of God-Volume 2, this devotional contains a systematic 365-day plan, based on the M'Cheyne Bible-reading schedule, that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once. In an effort to help preserve biblical thinking and living, D. A. Carson has also written thought-provoking comments and reflections regarding each day's scriptural passages. And, most uniquely, he offers you perspective that places each reading into the larger framework of history and God's eternal plan to deepen your understanding of his sovereignty-and the unity and power of his Word.
