Usborne Children's Picture Atlas Usborne Books

This highly illustrated pictorial atlas is designed to take children on a journey of discovery around the countries of the world. The mapping is clear colourful and highly informative. Simple activities and quizzes encourage children to find out more about the mapped regions. Ages: 7+ Each spread includes introductory text about the region. Pictorial symbols are used on clear colourful background mapping to depict themes such as national emblems, customs, food, birds, animals, buildings, sports etc. to help younger readers gain an understanding of peoples around the world. Continental spreads focus on flags and the most important geographical facts e.g. well known highest, lowest, largest physical and demographic features. A variety of activity based features accompany the mapping on each spread e.g. a 'What am I?' box lists detailed descriptions of familiar features. Activities are designed to encourage the reader to extract information from the map. Other features included are fascinating facts about each country, presented in a fun way, for each spread e.g. Did you know? Try this! It's a fact etc. Website links are listed to assist further study for the older child. Ages:7+

A new small-format edition of this stunning atlas for young children, beautifully illustrated in Linda Edwards' unique and utterly charming style. Every page is packed full of images and contains masses of exciting and fascinating facts that will fire the imaginations of children everywhere. Countries around the world are brought to life, with landscapes, unique features and geographical landmarks vividly described and illustrated. This comprehensive atlas contains an extensive glossary and index of places, plus a 'Trip Around the World' quiz.
