

The Vocabulary Guide To Biblical Hebrew

Keep Up Your Biblical Aramaic in Two Minutes a Day has been specially designed to help you read a small amount of Biblical Aramaic daily, in a manageable and enjoyable way. It focuses on the fundamentals of language learning—vocabulary, morphology, and syntax—in a maximally efficient and enriching way. The page for each day presents: 2 new vocabulary words, with transliteration and definitions, beginning with the most common words and proceeding to the rarest, the English text of a verse from Daniel or Ezra, with the day's 2 Aramaic words embedded in it, as they appear in the verse and the Aramaic text of the verse, in full and then divided into phrases or clauses, with the corresponding English phrases or clauses next to them.More than 1/3 of the words in Biblical Aramaic appear only once in the Bible. When these hapax legomena begin to be presented in Keep Up Your Biblical Aramaic in Two Minutes a Day (about 3/5 of the way through the book), all that appear in a particular verse are presented together as the new words for the day. The result is that—although there are 716 unique vocabulary words in Biblical Aramaic—by the time you reach the end of this book you will have learned every single word that occurs in Biblical Aramaic. And during this process, you will have read most (more than 80%) of the Aramaic verses found in the Bible.

Charts of Biblical Hebrew provides students of biblical Hebrew with a unique, highly visual study aid for learning the language. This innovative language resource contains 130 of the most vital Hebrew-learning charts in order to accomplish two things: To simplify grammatical presentation as much as possible. To present the basics of biblical Hebrew as thoroughly as possible. Featuring two color design, *Charts of Biblical Hebrew* is cross-referenced to *Pratico and Van Pelt's Basics of Biblical Hebrew* and may be used with other first-year biblical Hebrew textbooks as well. The charts are also an ideal means of review for advanced students. Zondervan*Charts are ready references* for those who need the essential information at their fingertips. Accessible and highly useful, the books in this library offer clear organization and thorough summaries of issues, subjects, and topics that are key for Christian students and learners. The visuals and captions will cater to any teaching methodology, style, or program.

A much anticipated reissue of Who Wrote the Bible?—the contemporary classic the New York Times Book Review called "a thought-provoking [and] perceptive guide" that identifies the individual writers of the Pentateuch and explains what they can teach us about the origins of the Bible. For thousands of years, the prophet Moses was regarded as the sole author of the first five books of the Bible, known as the Pentateuch. According to tradition, Moses was divinely directed to write down foundational events in the history of the world: the creation of humans, the worldwide flood, the laws as they were handed down at Mt. Sinai, and the cycle of Israel's enslavement and liberation from Egypt. However, these stories—and their frequent discrepancies—provoke questions: why does the first chapter in Genesis say that man and woman were made in God's image, while the second says that woman was made from man's rib? Why does one account of the flood say it lasted forty days, while another records no less than one hundred? And why do some stories reflect the history of southern Judah, while others seem sourced from northern Israel? Originally published in 1987, Richard Friedman's Who Wrote the Bible? joins a host of modern scholars who show that the Pentateuch was written by at least four distinct voices—separated by borders, political alliances, and particular moments in history—then connected by brilliant editors. Rather than cast doubt onto the legitimacy of the Bible, Friedman uses these divergent accounts to illuminate a text that was written by real people. Friedman's seminal and bestselling text is a comprehensive and authoritative answer to the question: just who exactly wrote the Bible?

This graded reader introduces the second-year Hebrew student to various types of biblical Hebrew literature and contains various notations to assist him or her in the further advancement of Hebrew translation and exegesis.

A convenient addition to Bible study resources for pastors, scholars, students, and those who want to dig deeper in their personal Bible study, this index offers an easy-to-use format for doing word studies more efficiently and completely.

Biblical Hebrew Vocabulary by Conceptual Categories by J. David Pleins is an innovative study reference for both introductory and advanced students of Hebrew, to help them remember vocabulary based on logical categories of related words. It includes over 175 word grouping categories including pottery, ships, birds, jewelry, seasons, and many more.

Clear. Understandable. Carefully organized. Basics of Biblical Hebrew Grammar by Gary D. Pratico and Miles V. Van Pelt is the standard textbook for colleges and seminaries. Since its initial publication in 2001 its integrated approach has helped more than 80,000 students learn Biblical Hebrew. The third edition of Basics of Biblical Hebrew Grammar represents a significant updating and revision of the previous edition with the goal of providing students with the best possible tool for learning Biblical Hebrew. Some of the keys to the effectiveness of Basics of Biblical Hebrew Grammar is that it combines the best of inductive and deductive approaches Uses actual examples from the Hebrew Old Testament rather than "made-up" illustrations Emphasizes the structural pattern of the Hebrew language rather than rote memorization, resulting in a simple, enjoyable, and effective learning process Employs colored text that highlights key features of nouns and verbs, allowing easy recognition of new forms Includes appendices of verbal paradigms and diagnostics for fast reference and a complete vocabulary glossary Displays larger font and text size, making it easier to read than other textbooks their way through Basics of Biblical Hebrew Grammar they will have learned. The Hebrew Alphabet Vocabulary for words occurring 70 times or more in the Hebrew Bible The Hebrew noun system The Hebrew verbal system A robust suite of learning aids is available for purchase to be used alongside the textbook to help students excel in their studies. These include a workbook: video lectures for each chapter featuring the author: flashcards keyed to vocabulary in each chapter: a laminated study sheet with key concepts: audio of the vocabulary for each chapter: and more.

refresh students' memory on language forms, grammar, and word meanings. A systematic analysis of the idea of justice in the works of three important American Christian social thinkers, with reference to current discussions and the author's own proposals. Hebrew with Joy!: Learn Simple Hebrew with the Scriptures

Septuaginta

Third Edition

Complete Biblical Hebrew Beginner to Intermediate Course

The Vocabulary Guide to Biblical Hebrew

Playing by the Rules

Septuaginta: A Reader's Edition offers the complete text of the Greek Old Testament as it appears in the Rahlf's-Hanhart revised Septuaginta, laid out in a clear and readable format. All deuterocanonical books are included, as well as all double-texts, which are presented on facing pages for easy textual comparison. In order to facilitate natural and seamless reading of the text, every word occurring 100 times or fewer in the Rahlf's-Hanhart text (excluding proper names)--as well as every word that occurs more than 100 times in the Greek New Testament--is accompanied by a footnote that provides a contextual gloss for the word and (for verbs only) full parsing. Additionally, an appendix provides a complete alphabetized list of common vocabulary (namely, all the words that are not accompanied by a footnote), with glosses and (as applicable) comparison of a word's usage in the Septuagint to its usage in the New Testament. All of these combined features will make Septuaginta: A Reader's Edition an indispensable resource for biblical scholars and an excellent tool for improving one's comprehension of the Greek language. In addition to the attractive and high-quality binding, each volume will include two ribbon markers.

Designed for complete beginners, and tested for years with real learners, Complete Biblical Hebrew offers a bridge from the textbook to the real world, enabling you to learn the grammar, understand the vocabulary and ultimately how to translate the Old Testament Bible. Structured around authentic material, this course also features: ~20 short learning units plus glossary and reference section ~Authentic materials – language taught through key passages ~Teaches the key skills – reading and understanding Biblical Hebrew grammar and vocabulary ~Covers both grammar and vocabulary in detail – one of the earliest written forms ~Self tests and learning activities – see and track your own progress This new edition features even more practice exercises, additional readings and the latest scholarship. Rely on Teach Yourself, trusted by language learners for over 75 years.

Perhaps no one else has ever faced as much hardship, opposition, or relentless suffering as the apostle Paul. And yet, through it all, Paul stood firm in Christ and remained faithful—to the very end. The power of Paul's example has captivated veteran pastor John MacArthur for years, and here he outlines nine unwavering convictions that contributed to this remarkable perseverance. In an age when pastoral failure and burnout are increasingly common, this book is a call to endurance in ministry, encouraging pastors to stand strong in their role and not lose heart, regardless of what God sends their way.

A Hebrew vocabulary guide that gives the student everything he or she needs in order to master basic Hebrew vocabulary and to expand knowledge of biblical Hebrew.

A Basic Introduction to Biblical Hebrew, with CD

A Student's Vocabulary for Biblical Hebrew and Aramaic

Second Edition

The Vocabulary Guide to Biblical Hebrew and Aramaic

Beginning Biblical Hebrew

Keep Up Your Biblical Aramaic in Two Minutes a Day

After spending countless hours studying Hebrew vocabulary, paradigms, and grammar, students may wonder how they can begin to reap the rewards of their hard work. H. H. Hardy II presents 30 grammatical concepts and their exegetical payoff to demonstrate the importance of learning Hebrew for interpreting the Old Testament. In the process, students will realize the practical value of what they have learned. This book is perfect for students looking to apply their Hebrew and for past students who wish to review the essentials of Hebrew grammar.

A classic resource for Hebrew students first published over thirty years ago under the title A Student's Vocabulary of Biblical Hebrew, this classic work has been completely revised, updated, and expanded by the author to assist a new generation of students in naturally developing a basic Biblical Hebrew vocabulary. Designed to help beginning Hebrew readers acquire vocabulary quickly, this valuable teaching tool focuses on words that occur most frequently in the Hebrew Bible, while arranging them by roots and cognates allowing students to naturally expand their working vocabulary. Vocabulary lists have been kept to a manageable size; extensive cross-references document when words appear frequently with different meanings, and an index allows rapid location of every word encountered. As a result, students who master this volume will remember words more easily, consult a lexicon less frequently but more intelligently, and translate the Hebrew Bible at sight more readily and enjoyably. Features Vocabulary groupings based on frequency, roots, and cognates Separate listing for nouns without verbal roots in the Hebrew Bible Appendices including proper names and the forms and meanings of pronominal suffixes

After learning the Hebrew alphabet, it's time to learn Hebrew grammar, morphology and syntax. This book provides the basics to Hebrew grammar, word construction and syntax, or sentence structure. In addition, it examines each Hebrew word in the Ten Commandments and breaks down the roots, prefixes and suffixes of each word. This book will be a valuable tool for anyone interested in learning how to read the Hebrew Bible in its original language. Jeff A. Benner, founder of the Ancient Hebrew Research Center (www.ancient-hebrew.org) and the Mechanical Translation of the Hebrew Bible Project (www.mechanical-translation.org), has authored many books on the subject of the Ancient Hebrew alphabet, language and culture and speaks around the country on this same subject. Mr. Benner's goal is to teach proper Biblical interpretation by providing others with the tools needed to read and understand the Bible from its original context.

Biblical Hebrew Vocabulary in Context by Miles V. Van Pelt and Gary D. Pratico is a Biblical Hebrew language resource designed to reinforce a student's basic vocabulary by reading words that occur fifty times or more in the context of the Hebrew Bible. All 642 of these Hebrew words have been collated into 195 key biblical verses and/or verse fragments to help students practice and retain their Hebrew vocabulary. In lieu of rote memorization, Biblical Hebrew Vocabulary in Context reinforces essential vocabulary by reading words in the context of the Hebrew Bible. The book includes two primary sections. The first section provides room for students to write their own glosses of the biblical verse and to parse as they feel necessary. An English translation is also provided and any term that appears less than fifty times is glossed.

Proper names are identified with gray text. The second section of the book provides the same biblical verses from the first section but with minimal room to write glosses and parse and without an English translation for aid. The end of the book includes a Hebrew-English lexicon of all the words occurring fifty times or more in the Hebrew Bible.

Biblical Hebrew: a Compact Guide

365 Selections for Easy Review

The Student's Complete Vocabulary Guide to the Greek New Testament

In this accessible guide to interpreting the Bible, senior New Testament scholar Robert Stein helps readers identify various biblical genres, understand the meaning of biblical texts, and apply that meaning to contemporary life. This edition has been completely revised throughout to reflect Stein's current thinking and changes to the discipline over the past decade. Students of the Bible will find the book effective in group settings. Praise for the first edition "Stein's work is both a fine introduction to the task of biblical hermeneutics for the novice and an innovative refresher for the veteran teacher or pastor."—Faith & Mission

This second edition of the Graded Reader of Biblical Hebrew introduces second-year Hebrew students to various types of biblical Hebrew literature and contains notations to assists them in their studies. This vital resource helps students move beyond the basics and build competency in translating and exegeting the text of the Old Testament.

Presents a vocabulary of over 1200 words from the vocabulary of the Hebrew Bible printed on 978 flash cards. Hebrew words appear on the front of cards in alpha-numeric sequence with English translation on the back.

Linguistics expert and long-time educator Hackett offers a robust introduction to biblical Hebrew grammar and the Masoretic text. All exercises from Hebrew to English are taken from the Old Testament; those in earlier lessons with slight modification suitable to the experience of the student; those exercises found in the later lessons are taken from the Masoretic text of the Old Testament without modification, but with footnotes to explain unusual or advanced formations. Classroom tested and suitable for self-study as well, this quick-moving one-semester course (30 lessons) features clear, readable explanations, exercises, and examples that provide students with an effective foundation in original language usage. This text-book is also suitable for an entire first-year's study of Biblical Hebrew conducted at a slower pace. Course work includes an overview of the history of the Hebrew Bible; deductive lessons on recognition, drawing, and pronunciation of consonants and vowels; memorization and recitation of the alphabet; and proper spelling of words; as well inductive experience in translating biblical passages. Excellent textbook for students who wish to progress beyond using simple reference works and ideal for those who wish to read the Hebrew Bible deeply, widely, and accurately, as well as for any who wish to pursue advanced studies in the Hebrew Scriptures.

INTRO TO HEBREW

Graded Reader of Biblical Hebrew, Second Edition

This work is intended to serve as a user-friendly and up-to-date source of information on the morphology, syntax, semantics and pragmatics of Biblical Hebrew verbs, nouns and other word classes (prepositions, conjunctions, adverbs, modal words, negatives, focus particles, discourse markers, interrogatives and interjections). It also contains one of the most elaborate treatments of Biblical Hebrew word order yet published in a grammar. This reference grammar will be of service to students who have completed an introductory or intermediate course in Biblical Hebrew, and also to more advanced scholars seeking to take advantage of traditional and recent descriptions of the language that go beyond the basic morphology of Biblical Hebrew.

Hebrew with Joy! is the perfect introduction for learning Biblical Hebrew. (To view a sample lesson, visit HebrewWithJoy.com.) After completing this book, you will be able to read and write Hebrew, God's Holy Language, using the Word of God. Video Lessons are now available to supplement the book at HebrewWithJoy.com. Included in each lesson are key scriptural words and their roots, learning games, lesson exercises and Israeli cultural treasures. "I absolutely loved the format of the lessons. The content was broken down in "bite-sized" segments and easily digestible!" started with virtually no Hebrew vocabulary but after this book, not only do I know the Alef-Bet, I can read virtually anything written in Hebrew! Thank You!" M.H.

Biblical Hebrew: A Compact Guide, Updated Edition by Miles V. Van Pelt is a handy, at-a-glance reference with summaries of Hebrew grammar, paradigms, a basic lexicon, and more. This edition has been updated to correspond to the third edition of Basics of Biblical Hebrew.

The Vocabulary Guide to Biblical Hebrew and Aramaic by Gary D. Pratico and Miles V. Van Pelt is intended to accompany Basics of Biblical Hebrew Grammar. For the beginning student it is an essential resource companion to aid in vocabulary memorization and acquisition. Updates in this second edition include the addition of a complete Aramaic word list and refinement of definitions. Features include: Hebrew words occurring ten times or more in the Old Testament arranged by frequency Hebrew words arranged by common root All Aramaic words occurring in the Old Testament arranged by frequency Helpful appendices including lists of Hebrew homonyms, nominals, and verbs.

Updated Edition

Learn Biblical Hebrew

This is a companion volume to Greek for the Rest of Us by William D. Mounce. This book is a guide for English-only readers to understand the language of the Old Testament just enough to work with the Old Testament in more detail and to understand the scholarly literature on the Hebrew Bible. Its specific aims are to aid students to learn (1) why translations differ, (2) how to do Hebrew word studies, (3) what the basics of Hebrew exegesis are, and (4) how to read more advanced Old Testament commentaries with greater understanding. Hebrew for the Rest of Us is set up in a workbook format.

Achieving the right balance of amount of information, style of presentation, and depth of instruction in first-year grammars is no easy task. But Mark Futato has produced a grammar that, after years of testing in a number of institutions, will please many, with its concise, clear, and well-thought-out presentation of Biblical Hebrew. Because the teaching of biblical languages is in decline in many seminaries and universities, Futato takes pains to measure the amount of information presented in each chapter in a way that makes the quantity digestible, without sacrificing information that is important to retain. The book includes exercises that are drawn largely from the Hebrew Bible itself. Fourth printing, 2012.

Students can flourish in their study of biblical Hebrew if they are trained from the outset to read and explain biblical texts effectively. In this introductory textbook, Professor William Fullilove teaches language basics alongside exegetical skills typically reserved for more advanced courses. His unique methodology allows students to gain rapid insight into the value of their Hebrew study. Includes grammar, reading, and exegetical exercises.

With this book, readers can learn Hebrew on their own and will find themselves reading meaningful verses from the Hebrew Bible after just two hours of study. The book provides the basics of a standard grammar but also includes insights into Hebrew narrative and poetry not usually found in introductory textbooks. Audio files for the book are available through Baker Academic's Textbook eSources. Now in paper.

Explore significant archaeological discoveries pertaining to every book of the Bible. Laypersons, pastors, students, academics, and anyone looking for a current and comprehensive biblical archaeology resource need look no further. The Zondervan Handbook of Biblical Archaeology provides a wealth of information that supplements the historical context of the Bible, providing a window into the past that will enhance your understanding and enjoyment of biblical text. Immerse yourself in the world of the Bible with these special features: Introduction to the field of archaeology Archaeological discoveries in canonical order The latest photos and information from new discoveries Aerial photos of excavation sites Photos of artifacts and historic structures Sidebars and study helps Robust glossary Detailed maps Bibliography The Zondervan Handbook of Biblical Archaeology gives readers the opportunity to visit ancient sites and historical places while remaining in the comfort of their own home.

When first published in 1983, Biblical Words and Their Meaning broke new ground by introducing to students of the Bible the principles of linguistics, in particular, on lexical semantics -- that branch that focuses on the meaning of individual words. Silva's structural approach provides the interpreter with an important lexical tool for more responsible understanding of the biblical text and more effective use of standard exegetical resources. This revised edition includes a bibliographical essay by Silva, "Recent Developments in Semantics," and an appendix by Karen H. Jobes, "Distinguishing the Meaning of Greek Verbs in the Semantic Domain for Worship," that provides the reader with a substantive example of lexical study.

This book-by-book vocabulary guide provides an unparalleled resource for anyone interested in more effective reading and study of the Old Testament in Greek, commonly called the Septuagint. Aside from two full-scale specialist lexicons for the Septuagint, no other printed resource exists that provides concise and strategic guidance to the language of this important ancient corpus. With word lists organized by frequency of appearance in a given book or section of the Septuagint, this guide allows users to focus their study efforts and thus more efficiently improve their breadth of knowledge of Koine vocabulary. Furthermore, the vocabulary incorporated into the lists in this guide integrates lower-frequency New Testament vocabulary in a manner that enables the user to easily include or exclude such words from their study. Other key features of this vocabulary guide include carefully crafted lists that allow users to refresh higher-frequency New Testament vocabulary, to strategically study higher-frequency vocabulary that appears across the Septuagint corpus, and to familiarize themselves with the most common proper nouns in the Septuagint. Moreover, each chapter in this guide has been statistically tailored to provide the word lists necessary to familiarize the user with 90 percent of the full range of vocabulary in each book or section of the Septuagint.

*Features of Basics of Biblical Hebrew Grammar, Second Edition text: * Combines the best of inductive and deductive approaches * Uses actual examples from the Hebrew Old Testament rather than "made-up" illustrations * Emphasizes the structural pattern of the Hebrew language rather than rote memorization, resulting in a simple, enjoyable, and effective learning process * Colored text highlights particles added to nouns and verbs, allowing easy recognition of new forms * Chapters Two (Hebrew Vowels), Nine (Pronominal Suffixes), Seventeen (Waw Consecutive), Eighteen (Imperative, Cohortative, and Jussive), and Twenty-Three (Issues of Sentence Syntax) are revised and expanded * Section of appendices and study aids is clearly marked for fast reference * Larger font and text size make reading easier * Updated author website with additional Hebrew language resources and product information (www.basicsbiblicalhebrew.com) Features of updated CD-ROM: * Full answer key to the accompanying workbook (compatible with Windows and Macintosh) * Scripture indexes to both the grammar and the workbook * FlashWorksTM, a fun and effective vocabulary-drilling program from Teknia Language Tools * Links to additional resources accessible with internet connection*

An English Index to Hebrew and Greek Words

A Refreshing Guide to Grammar and Interpretation

Building Competency with Words Occurring 25 Times or More

***Biblical Greek Vocabulary in Context* by Miles V. Van Pelt is designed to reinforce a student's basic Greek vocabulary by presenting words that occur twenty-five times or more in the context of the Greek New Testament. Miles Van Pelt collates all 513 of these Greek words into approximately 200 key biblical verses and/or verse fragments to help students practice reading them in their literary context and thus improve their Greek vocabulary retention. Rather than rote memorization, Van Pelt's approach teaches word meaning through each word's naturally occurring context--the way people naturally learn languages. The book includes two primary sections: The first section provides room for students to write their own glosses of the biblical verse and to parse as they feel necessary. An English translation is also provided, and any term that appears less than twenty-five times is glossed. Proper names are identified with gray text. The second section of the book provides the same biblical verses from the first section but with minimal room to write glosses and parse and without an English translation for aid. The end of the book includes a Greek-English lexicon of all the words occurring twenty-five times or more in the Greek New Testament.**

A Student's Vocabulary for Biblical Hebrew and Aramaic provides the student with a vocabulary list by word frequency for words appearing ten times or more in the Hebrew text. Unlike other vocabulary lists, this work combines all word forms in a single list, simplifying the student's task of learning all words of a given frequency. Words are given in groups of thirty or fewer in order to provide the students with short, manageable learning blocks. The vocabulary list also gives the basic meaning of each word, a phonetic pronunciation guide, key information about the word's part of speech, and the number of times each word appears in the Hebrew text. A separate section of the vocabulary list contains all Aramaic words appearing in the Old Testament. A Student's Vocabulary for Biblical Hebrew and Aramaic is a tool that will be welcomed and used by all students of Hebrew.

The Routledge Introductory Course in Biblical Hebrew provides a comprehensive introduction to Biblical Hebrew language and texts. Combining a fresh and innovative approach with an in-depth treatment of the language, it presents the essentials of biblical grammar and vocabulary in an engaging and systematic way. Unlike other Biblical Hebrew courses, it is structured around a series of vibrant and memorable stories, with each story reinforced by grammar explanations, supportive exercises, and a concluding genuine biblical text. This coherent focus encourages students to engage with the text actively and facilitate their mastery of the language to the full. Features include: Forty units covering all the topics expected in a first-year Biblical Hebrew course, including the Hebrew writing system, pointing rules, nouns and adjectives, parsing, mastery of strong and weak verb paradigms and full attention to syntax Clear and detailed grammar explanations supported by plentiful examples An extensive assortment of varied and stimulating exercises designed to reinforce new grammar and develop students' ability to use Biblical Hebrew actively Incorporation of a wide range of genuine biblical texts to familiarize students with the main biblical narrative cycles and to equip them with the ability to read authentic material from the earliest stages of learning A Free companion website (www.routledge.com/cw/kahn) offering a wealth of additional instructor and student resources, including many extra exercises and biblical texts, flashcards to test knowledge, a vocabulary guide listing words by part of speech, a full answer key, translations of all the stories and biblical texts, a sample syllabus, coursework assignments covering the entire contents of the course and audio recordings of the stories and biblical texts Coherent chapter organisation to consolidate and reinforce learning consistently at each step of the course Grammar summary, two-way glossary and subject index presented at the back of the book for easy access A user-friendly text design with original illustrations and clear presentation of the Hebrew script Written by an experienced instructor and extensively trialled at UCL, The Routledge Introductory Course in Biblical Hebrew will be an essential resource for all students beginning to learn Biblical Hebrew.

Based on easy to use, yet simple "mnemonics," these memory aids will help you quickly and easily master Biblical Hebrew Vocabulary. No rote memory work required! Troubling "sound-alike" words in Hebrew are covered in-depth and readers inductively learn how to keep words that sound alike in Hebrew distinct.Features include: "Master Study Plan," extensive chapter end notes, "Read Aloud" exercises, "Homophone Challenge" at the end of each chapter and "Expert Advice" from renowned Biblical Hebrew Professors.Covers over five hundred vocabulary words in Hebrew. This one-of-a-kind vocabulary guide is keyed to Page Kelley's, "Biblical Hebrew: An Introductory Grammar." It is easily adaptable to any standard Hebrew grammar or as a stand alone vocabulary guide and builder. Includes a full Hebrew to English and English to Hebrew Indices.Large Hebrew print is used for easy reading.
