

The Way To Lasting Success Unleash Your Limitless Potential Elevate Goal Setting Improve Thinking And Decision Making And Create The Life You Want

In the 7 Paths to Lasting Happiness, Dr. Gourgouris provides you with powerful insights and simple effective exercises that can help you create and sustain a more fulfilling and joyful life. As you read and apply these principles, you will gain a new perspective that can transform both how you see yourself and those around you. Dr. Elia Gourgouris is the president of The Happiness Center, an organization dedicated to helping others find personal success and happiness. Over the last 25 years, he has helped thousands of people achieve happiness and fulfillment, both in their professional and personal relationships. Synergism For Lasting Success is the true life story of “Don Truly”, the Synergist, whose life was influenced by visitations and consultations of two modern day prophets. These prophecies changed his perspective on life, and led him to make a determined effort to accomplish the world changing goals revealed to him as his future. Although devoid of funds, and having lost all the credibility and trust of his friends and family, Don sought to develop the expertise and make new connections necessary to achieve his near impossible and world changing dreams. His perseverance and visions lead him to discover a single word formula for lasting success, SYNERGISM. In the process he discovers the factors necessary to achieve synergism, and gains a deeper understanding of religions and his role as an instigator of world enhancing ventures. The relationships developed with similarly ambitious associates are described in the book, which provides amazingly new insight and guidelines for success.

In this remarkable, life-changing new book, renowned inspirational speaker DARWIN STEPHENSON introduces us to the power of Love and how this simple approach to life unlocks the key to lasting success and happiness.

In Choose Love, international bestselling author and founder of the non-profit Center for Loving Studies, Darwin sounds a wake-up call. Despite all our accomplishments, we are less happy than ever before and hope is fleeting. In sharing this timeless, proven formula that the world's most successful people have known for centuries, Darwin shows us how to discover our purpose and demonstrates the choice of Love aligning us for lasting success and happiness.

Now, for the first time, Darwin will show you how to adopt a new way of reaching your potential and creating a fulfilling life of success, happiness, and meaning.

Love is the Key to Success and Happiness

Choose Love is not a touchy-feely belief system but rather a powerful and effective prescription for successfully navigating your way through life. With every choice we make, one of the available options is the most loving choice and, by choosing Love, we put ourselves onto a loving path of growth. It's a lie that others might laugh at us, that we'll get hurt, be rejected, or that achieving our purpose is too hard. That little lie keeps you small.

Your full and complete Self does not play small, your true Self is Loving, Ambitious, Happy and Powerful. As your full and complete Self, you're aligned to discover, pursue and achieve your purpose. No matter if that purpose will bring about world peace or bring joy to the hearts of neighborhood children, your Divinely inspired purpose will provide you with a life of lasting success and happiness.

That's why in Choose Love, you will learn how to:

♥ Choose Love in your everyday life;

♥ Put yourself on a path of growth;

♥ Discover your purpose in life;

♥ Form a purposeful team of supporters;

♥ Achieve your purpose in life (time and time again);

♥ Create thousands of lasting and loving relationships.

You can be successful and happy. Download or Order Choose Love and start choosing Love today.

What difference will it make to learn about the success stories of Christians with remarkable accomplishments and lasting legacies? A lot! Firstly, it will help to bring a biblical balance to your understanding of success--so it can align with the way God designed it to work. Secondly, it could enable you to achieve the kind of success that is not only significant in time but also has value in eternity. In Divine Design for Lasting Success, you will learn about the heart for success, developing a progress-minded attitude, going from wishes into destiny, achieving dreams, overcoming challenges, and staying successful. Uche Nweke uses stories of Christian achievers to bring home the benefits of spiritual direction, quality decisions, passion, development, stewardship, determination, generational thinking, and much more. These things are written from a biblical background--which could make all the difference in the way we love, serve, and deal with issues. They will help to bring more meaning to our everyday living, equip us to live out God's plans, and enable us to maintain an eternal perspective on success.

How to Achieve Lifetime Success Through Synergism

Transform your team during crises and establish an enthusiastic and strategic culture In an approach similar to the way a doctor reads a chart and runs tests to diagnosis an illness, Prescription for Lasting Success offers a practical system for solving problems in an organization. Leaders can get back on track and increase their effectiveness in spite of significant change. Readers learn to diagnose the 4 Ps: purpose, passion, planning, and people. Using the 4 Ps model, the book gives practical suggestions to help teams, businesses, and associations increase their effectiveness and help organizations transform into dynamic, profitable entities. Particular focus is given to finding ways to incorporate purpose and ignite passion into the workplace, and remove obstacles to peak performance Addresses how the model can be used to achieve peak performance in the workplace and maintain it over an extended period of time Dr. Susan Reynolds is President and CEO of The Institute for Medical Leadership. A former emergency physician, emergency medical center CEO, and White House health care advisor, Dr. Reynolds is the creator and Program Director for the highly acclaimed Chief of Staff Boot Camps Get the right prescription for your organization's issues and help them thrive, even in times of great challenge.

For one year, I chronicled my journey to health. While on my personal journey to health, I reflected on the struggles with my weight. I looked back at why I chose to eat unhealthy for so many years, and discovered how I could change my bad habits to form great ones. With a healthy, balanced diet, daily workouts, hard work, dedication and consistency, I achieved and surpassed my health goals. Come discover how I lost 121 pounds in 12 months and how you can find success through honesty and determination.

There are 7 essential qualities which form the foundation of every true and lasting success; the kind of success that leads to a happy, healthy lifestyle, great relationships, personal fulfillment, financial freedom, and true wealth. Without these essential qualities, success is limited and often temporary. Yet what these qualities are and how to develop them is missing from the typical advice on achieving success. No matter how much you study "how to" instructions, or how much time and energy you spend trying to achieve success, until you have the 7 essential qualities in place, your successes will be limited. With the 7 essentials in place, all you have already learned coalesces into a complete package that becomes your own personal success blueprint and your successes grow exponentially. Nothing you will ever do will be more important or return greater rewards than developing the 7 essentials for lasting success.

GO FOR THE GOLD is a powerhouse book that will inspire you, your colleagues and your organization to make SUCCESS your gold standard. An Easy, No Luck, Common Sense Guide to Becoming Successful

The Principles Always Work If You Work the Principles Get ready to transform yourself for success. Jack Canfield, cocreator of the phenomenal bestselling Chicken Soup for the Soul® series, turned to the principles he's studied, taught, and lived for more than 30 years in this practical and inspiring guide that will help any aspiring person get from where they are to where they want to be. The Success Principles™ will teach you how to increase your confidence, tackle daily challenges, live with passion and purpose, and realize all your ambitions. Not merely a collection of good ideas, this book spells out the 64 timeless principles used by successful men and women throughout history. And the fundamentals are the same for all people and all professions -- even if you're currently unemployed. It doesn't matter if your goals are to be the top salesperson in your company, become a leading architect, score straight A's in school, lose weight, buy your dream home, or make millions of dollars--the principles and strategies are the same. From learning these basics, you can then tackle the important inner work needed to transform yourself. After this inner work, you can turn to building a "success team" and the important ways of transforming your relationships for lasting success. Finally, because success always includes a financial dimension, you can learn to develop a positive money consciousness along with the habits that will ensure that you have enough to live the lifestyle you want, while keeping the importance of tithing and service central to your financial practice. Taken together and practiced every day, these principles will transform your life beyond your wildest dreams! Filled with memorable and inspiring stories of CEO's, world-class athletes, celebrities, and everyday people, The Success Principles™ will give you the courage and the heart to start living the principles of success today. Go for it!

Get the results, recognition, and reputation you deserve In TIP, Dave Gordon tells the engaging and motivating story of Brian Davis, an average salesperson who is fired without warning for being average. After 10 years at the same company, he is suddenly faced with no immediate prospects, an uncertain future, and a young family to support. With minimal savings, and determined to not lose everything he's worked for, he reluctantly takes the only job he can get at a popular bar and restaurant called Crossroads. Guided by an unlikely mentor, and insightful colleagues and customers in an unforgiving environment of relentless customer service, he learns the four simple principles of TIP to take control of his life, his career, and his future: 1. Enhanced self-awareness 2. Confident communications 3. Commitment-based actions 4. Fulfillment of a unique value promise TIP is a timeless, inspirational story created to remind anyone in a position judged by performance that the only way to achieve continued recognition and growth in work and life is to take personal accountability for your reputation and results. Whatever your role, or level of success in your career, TIP is a guide that will help you discover, or remember, how to consistently bring unique value to your team, your organization, and your most important customers. This easy read will provide a strategy for personal success, complete with coaching and action plans.

Sustainable Success is a simple approach to creating lasting success in your life, business, and community. This book presents easy to understand ideas and concepts that are entertaining, uplifting, and natural to implement. The title, Sustainable Success, is the best description of what you can expect to learn from reading this book. Success, real success, is meant to be simple, sustainable, and inclusive of all people. The intent of this book is to provide a profoundly powerful yet simple out of the box approach to manifest the experience of lasting success in the reader's life. True success is available to the rich and the poor, the famous and the unknown. Living an integrated life leads to success that can be sustained. To be integrated means that we consider everything, including: Other people, the environment, physical things, as well as how we think and act spiritually. It means we look at things from the combined perspective of body, mind, and spirit. This book is designed to generate maximum results with minimal effort and can be read from cover to cover or used as a reference to access specific information when you need it. In Sustainable Success you will find a simple effective approach to support you in attaining lasting success and fulfillment in your life.

BOOST is the book to show you how to get ahead and stay ahead. It will show you how successful people, think, speak and act. That means you can learn it too. Quickly, easily... Be more successful at work; Grow your confidence; Improve your prospects; Learn how to influence others and get respect; Turbo-charge your work and your life. This book is packed full of tried and tested techniques, tools and secrets you'd normally have to read 20 books to discover. Chris Wisdom's easy-read and encouraging style will ask you questions and give you solutions and tactics to strengthen your mindset and creativity for life and work.

FORGET EVERYTHING YOU KNOW ABOUT STRESS. If you're like most people, you probably think that stress is an inevitable part of life. The truth is: it's not. In a groundbreaking 30-year study, Dr. Derek Roger has discovered that everything we think we know about stress—and how we should “manage” it—is just plain

wrong. **STRESS IS A CHOICE.** It is not a natural response to the pressures of work. It's a choice that you make, consciously or not, to worry and fret and agonize over the work you need to do—instead of just doing it. **WORK DOESN'T HAVE TO BE STRESSFUL FOR YOU TO BE SUCCESSFUL.** This book offers a radically different approach to stress. It's about being resilient. Flexible. Mentally awake and in the moment. It's about changing your mindset to keep things in perspective instead of adding fuel to the fire with negative thoughts. The techniques you'll find in this book are powerful, practical, and proven to work—without stress. Drive business sustainability, growth, and profits by taking a systematic approach to culture transformation It's no secret that culture is the key to attracting and engaging top talent and seizing the competitive edge. But the vast majority of culture efforts fail as quickly as they started. Why? Because leaders are missing the big picture. They're creating and communicating values but failing to ensure the values are tied to the purpose and the strategy of the company while also being integrated into processes, operations, and behaviors. In ReCulturing, Melissa Daimler solves this persistent problem by helping you develop a "systems" perspective of culture. One of today's most renowned thought leaders and practitioners on the issue, Daimler provides the playbook for building a business in which employees are clear on the why, what, and how they are working, such that it naturally leads to high performance and a desire to stay with their company for the long haul. ReCulturing explains: - The everyday practice of culture—how it's actually done through behaviors, processes and practices - How to leverage core frameworks that can be tailored to design and build any company culture, whether that's a start up or a large company working - The integration of purpose (why you work), strategy (what you do) with culture (how you work) The book also features illuminating real-life stories recounting what has and hasn't worked at some of today's largest and most influential companies. Whether you're launching a startup, running a global firm, or overseeing the shift to a hybrid work setting, ReCulturing provides everything you need to the kind of culture that drives long-term business success.

In this book, I have attempted to share the "missing pieces" that keep most of us from living a life of true abundance - no matter how hard we try to chase success, how manyproducts we buy, or how much information we consume. Like many people, and maybe even you, I spent a lot of years searching for answers. Hoping that one of those answers and solutions would finally show me how to achieve lasting success, happiness, and true abundance. * Who This Report Is For... * Here a Piece, There a Piece... * Abundance * Effortless * Unleashing the Flow * Regaining Wasted Energy & Effort * What Blocks the Flow * The Flaw in the "Abundance Mindset" * The Abundance Consciousness * Becoming Aware * Making the Internal Shift * Embracing Mortality * Integrating the Consciousness Into Your Daily Life

Reculturing: Design Your Company Culture to Connect with Strategy and Purpose for Lasting Success

Centuries ago, a Japanese Shintō ritual was taking shape. A ritual that promised to purify the soul, to eliminate impurities, to renew, to be reborn. The problem is, the MISOGI ritual was more of a shock to the system because you had to stand practically naked, under a freezing waterfall in order to get the full effect. I don't know if this ritual started because the Shintō practice endorsed pain and suffering. I have found no research to that effect. But what I did find was the story behind the story, all of which played a part in the unfolding of my story to landing a TEDx talk and developing the current MISOGI Method. A way to achieve lasting happiness that will help you realize the unlimited possibilities in your life.

Set Superior Goals, Develop a Mindset of Success, Get Enhanced Mental Clarity and Achieve Your Goals Faster What if you are able to take decisions faster by developing your thinking abilities through mental models (used by super-achievers)? What if you are able to Master your inner state on consistent basis to propel you towards massive action? Imagine getting pulled by your decisions rather than forcing your willpower to move your next step. Imagine having mental strength to keep going despite temporary setbacks through the power of mental training. If you are fed up with setting up goals that don't motivate you to move forward, If you wonder why despite your best efforts, you miss out the game marginally, If you always struggle and look for additional dose of motivation for taking every next step, keep reading, as you are about to find the answers below. Som Bathla is an avid reader, researcher, and author of multiple Amazon bestsellers, offers a success guide to address your concerns and equip you with necessary tools in his book "The Way To Lasting Success" The Way To Lasting Success explains why most people don't get excited to take action despite setting goals - because of quality of their goals. It focuses on holistic approach towards success that gives you fulfillment too. This book is your toolbox to help you set quality goals, develop your mental tools, empower you to harness your natural inner powers and help you achieve your goals faster. In The Way To Lasting Success, you will discover: Why you should first listen understand your inner true motivation before you set your smart goals. Why identifying and embracing your identity massively improves the quality of your actions and keeps you on track for longer. The four zones of your day to day activities and identify and travel towards your top zone i.e. Zone of Genius. The most important Three 'S' of Success and why you need to strengthen all of them to get exponential advantage and improve your productivity for your career success Master the simple RWID technique to Reprogram your mind and transform your negative thinking into resourceful thoughts. The mental tools and strategies high-achievers use to think different- think better to improve their decision making abilities- because more decisions equals more action, thus faster results. You will understand why solely relying on your willpower is not a good idea. How Obsession and not merely passion will almost guarantee your faster progress and success. And much more. If you are sincerely looking to learn the right strategies to set quality goals and learn how to achieve success in life, The Way To Lasting Success contains all the requisite tools to master your inner state and empower you to take consistent massive action, improve your productivity and achieve your goals faster. As once rightly said by Stephen Covey: "Begin With the End in Mind"

So, what are you waiting for? Embark on your Journey towards Lasting Success by clicking on the Buy Button on the Top of this Page.

Are you successful? More important, are you happy with your success? Few people ever achieve anything close to real success--and its resultant joy. You wouldn't guess that from the shelves of books on the subject that you find in practically every bookstore and library. Why, in spite of so much valuable information, do so few individuals find their way to lasting success? The real problem is that most people never take into account the single most important factor, the one that affects every other factor critical to lasting success. In fact, most people would consider this unrecognized factor an obstacle to their dreams rather than the missing key! Written in allegorical form, Sidetracked by Mediocrates takes you on a journey of discovery with a young man determined to find success, though he has little idea what it is and how to get there at the outset of his quest. If you aren't sure how to pursue your dreams, join in the adventure. You'll be glad you did!

How to have a successful business? what are the secrets of lasting success? If your answer is yes, then this book is for you. This book is a collection of some wisdom-filled essays about marketing and business and personal revelations. This book will open your eyes to the unhelpful cliches that hold so many entrepreneurs back while giving you direction and fuel for moving forward - The one critical element for success missing from the Law of Attraction. - How to find your niche in life. - Starting a new career or business - are you ever too old? Is it ever too late? - Protect your future against career and financial disaster with this backup plan. - 10 offensive behaviors you should avoid at all cost. - 25 secrets of lasting success. - The 25-50-25 rule of time management. Ignore it at your peril. - The awful truth about business cards. - 4 simple steps to outrageous business success. - Is marketing necessary? - How to charge more and get paid what you're worth.

The Responsibility Ethic

What would you consider an excellent life? What would that look like? Does the question make you think of anyone specific? Maybe you think of a business or political leader who possesses power, charisma, and influence. Maybe a famous athlete or celebrity comes to mind who has millions of fans and an endless fortune. When you consider your own life, do you think an excellent life is about having a highly successful career with material possessions, influence, and the admiration of others - or is it more important to be happy and fulfilled? An Excellent Life encourages us to rethink what we believe about who we are, how true and lasting success is achieved, and what is truly most important in all our lives. This book will help you navigate away from superficial desires that can result in sabotaging your future, and it provides a blueprint for a life that is driven by lasting purpose and intention. It is our hope that it will propel you towards a happy and successful future.

The financial advisory business is in a state of transition. With the rise of robo-solutions and a growth in demand for financial advice, advisors today are faced with the reality of an unpredictable future as they plan for retirement. There is one overarching question -- what can a financial advisor do in this competitive, challenging market to differentiate his or her firm and thrive? Using seven-steps as a guide, industry expert Greg Friedman will help advisors and professionals achieve success and continued growth within their practices. The steps include: * Patience. Taking your time in the hiring process. * Honesty and Integrity. Speaking openly and walking the walk. * Compassion. Unlocking the secret to a people-first company. * Respect. Promoting personal growth, the key to inspiring motivation. * Persistence and Consistency. Maintaining employee relationships. * Encouragement. Rewarding firm-wide collaboration and a team mentality. * Courage. Reshaping your company's DNA. With a focus on people first, Friedman offers advice on how the right company culture, if nurtured and maintained, can elevate a firm from surviving to thriving.

Olympic Gold medalist and successful entrepreneur Kreek shares the 12 essential principles of self-leadership that have fueled his incredible accomplishments--and shows readers how to master these principles too. too.

Entrepreneurship is naturally cutthroat. It is emotionally draining. It will take everything out of you, and it has no obligation to give anything back. It will challenge you in ways you cannot fathom. This is why you must understand not only the strategies necessary for playing this game but also understand how the game is played. But running a sustainable, revenue-generating business that will adapt and scale through years of economic change? That's far more challenging. Faced with the threat of going out of business, the author had to reverse-engineer his company (and himself) to get it back on track. The result was a framework that any entrepreneur can use to build a sustainable business. With hard-won insight, humor, and an insider's knowledge of the entrepreneurial space, the author dispels the myths and false promises that entrepreneurs are often too keen to believe in when starting and lays out a practical framework for lasting success.

In this book, I have attempted to share the "missing pieces" that keep most of us from living a life of true abundance - no matter how hard we try to chase success, how manyproducts we buy, or how much information we consume. Like many people, and maybe even you, I spent a lot of years searching for answers. Hoping that one of those answers and solutions would finally show me how to achieve lasting success, happiness, and true abundance.

Noble-Leadership: The Way to Lasting Success is an eye-opening view of leadership style and behavior for anyone charged with the responsibility of management and leadership. This book should be a "must-read" for organizations that are interested in staying ahead of the competition and moving on to the next level of accomplishment. This book illustrates that success as a leader need not be complex or complicated; and that the rewards that come from practicing the noble leadership concepts contained in the book will not only help your organization achieve its goals, but will also bring about personal and professional achievements that are long lasting and life changing.The book provides a practical, common sense approach to achieving the kind of success that will not come and go along with the latest business fads, but will guide you toward building and maintaining solid business relationships with your employees and customers that will stand on solid foundations for the long-term and help your organization reach new levels of accomplishment.The rewards of becoming a noble leader will not be simple, "flash-in-the-pan" feelings of temporary self-importance or power trips; but will ultimately lead to more enduring, significant achievements such as higher productivity, higher morale, higher profits, better return on investment, and improved customer satisfaction.Those who achieve the goal of becoming a noble leader will find that not only will success and profit come easily, but that it is the only way to realize both professional and personal achievement with any tangible, lasting results.

Every leader wants to finish well, but sometimes the challenges and discouragements in life become too much to handle. Overwhelmed, we settle for less than God's best. Whether you are just beginning your ministry journey or you are a seasoned veteran who is feeling tired, ineffective, or ready to quit...maybe it's time for a Leadership Awakening! Your life can be marked by God's goodness all the way to the finish line. Through the time-tested principles Doug Stringer lays out, you will discover how to... Measure successful leadership God's way Overcome the oppositions godly leaders face Display leadership traits that transform your family, workplace, church, and world Equip yourself--and those you're leading--to run the race and finish well And much more! Don't allow yourself to become a casualty on the battlefield of Christian leadership. You can have an impactful life and hear God's beautiful words of affirmation at the end of your journey... "Well done, good and faithful servant" (Matthew 25:23)

My definition of having abundance is to, first and foremost, be happy and content with all areas of your life.read more.

The 7 Essentials for Lasting Success

Overcoming Hardships and Achieving Lasting Success

What Does it Take to Get Ahead Now—And Stay There? High performance has always required shrewd strategy and superb execution. These factors remain critical, especially given today's unprecedented business climate. But Rich Karlgaard—Forbes publisher, entrepreneur, investor, and board director—takes a surprising turn and argues that there is now a third element that's required for competitive advantage. It fosters innovation, it accelerates strategy and execution, and it cannot be copied or bought. It is found in a perhaps surprising place—your company's values. Karlgaard examined a variety of enduring companies and found that they have one thing in common; all have leveraged their deepest values alongside strategy and execution, allowing them to fuel growth as well as weather hard times. Karlgaard shares these stories and identifies the five key variables that make up every organization's "soft edge": Trust: Northwestern Mutual has built a \$25 million dollar revenue juggernaut on trust, the foundation of lasting success. Learn how to create an environment that engenders trust and propels high performance. Smarts: In most technical fields your formal education quickly becomes out of date. How do you keep up? Learn how the Mayo Clinic, Stanford University women's basketball team, and others stay on top by relentlessly pursuing an advantage through smarts. Teamwork: Since collaboration and innovation are a must in the global economy, effective teamwork is vital. Learn how global giant FedEx stays focused and how nimble Nest Labs relies on lean teams with cognitive diversity. Taste: Clever product design and integration are proxies for intelligence because they make customers feel smart. But taste goes further into deep emotional engagement. Specialized Bicycles calls it "the elusive spot between data truth and human truth." How can you consistently make products or services that trigger these emotional touch points? Story: Companies that achieve lasting success have an enduring and emotionally appealing story. What's your company's story? How do you tell it your way? Gain the ability to create a powerful narrative in a world where outsiders often exercise the louder voice.

"This is not a book about charismatic visionary leaders. It is not about visionary product concepts or visionary products or visionary market insights. Nor is it about just having a corporate vision. This is a book about something far more important, enduring, and substantial. This is a book about visionary companies." So wrote Jim Collins and Jerry Porras in this groundbreaking book that shatters myths, provides new insights, and gives practical guidance to those who would like to build landmark companies that stand the test of time. Drawing upon a six-year research project at the Stanford University Graduate School of Business, Collins and Porras took eighteen truly exceptional and long-lasting companies -- they have an average age of nearly one hundred years and have outperformed the general stock market by a factor of fifteen since 1926 -- and studied each company in direct comparison to one of its top competitors. They examined the companies from their very beginnings to the present day -- as start-ups, as midsize companies, and as large corporations. Throughout, the authors asked: "What makes the truly exceptional companies different from other companies?" What separates General Electric, 3M, Merck, Wal-Mart, Hewlett-Packard, Walt Disney, and Philip Morris from their rivals? How, for example, did Procter & Gamble, which began life substantially behind rival Colgate, eventually prevail as the premier institution in its industry? How was Motorola able to move from a humble battery repair business into integrated circuits and cellular communications, while Zenith never became dominant in anything other than TVs? How did Boeing unseat McDonnell Douglas as the world's best commercial aircraft company -- what did Boeing have that McDonnell Douglas lacked? By answering such questions, Collins and Porras go beyond the incessant barrage of management buzzwords and fads of the day to discover timeless qualities that have consistently distinguished out-standing companies. They also provide inspiration to all executives and entrepreneurs by destroying the false but widely accepted idea that only charismatic visionary leaders can build visionary companies. Filled with hundreds of specific examples and organized into a coherent framework of practical concepts that can be applied by managers and entrepreneurs at all levels, Built to Last provides a master blueprint for building organizations that will prosper long into the twenty-first century and beyond.

Wall Street Journal and USA Today bestseller! Lawyer turned entrepreneur Terry Giles explains what sets high achievers ("the fifteen percent") apart from those who don't quite make it. This is a riveting story of what it takes to win and keep winning—in business and in life—from one of America's most successful entrepreneurs, with a foreword by Secretary of Housing and Urban Development Dr. Ben Carson. On the surface, Terry Giles has a classic American success story. By 30, he built one of the largest criminal defense firms and generated tens of millions in revenue working with high profile clients. By 34, he left the legal profession and achieved even greater success as an entrepreneur, seemingly overnight. But as Giles observes in The Fifteen Percent, no one goes through life without facing serious obstacles. Speaking from his own hard-won experience from a difficult upbringing to America's loftiest boardrooms, Giles answers the question that took him years to answer: Why do some people overcome hardships while others do not? Citing research that fifteen percent of those individuals who face adversity and hardship are able to rise above the despair and succeed above all odds, Giles uses examples from his career and life to illustrate why and how this phenomenon occurs. From his childhood in the Missouri Ozarks, to defending the victims of child sex abuse, to creating a plethora of business enterprises, and even organizing a presidential campaign, he learns from experience the traits that define "the fifteen percent." Even more important, in each chapter you will learn valuable skills including fearlessness; embracing underdog status; visualizing the future; and positive thinking; proving that you do not have to be a victim of bad circumstances to adopt the superpowers of "the fifteen percent." Entertaining, inspiring, and full of useful insights you'll turn to again and again, The Fifteen Percent will help you overcome whatever's holding you back, so you can achieve lasting success in business and in life.

20 Lessons from Christians With Lasting Accomplishments

A Simple Strategy to Inspire High Performance and Lasting Success

What is success? How do we measure it? How do we know which path to take? What if the success we strive for only brings temporary satisfaction? Or what if we are continually striving but never quite 'make it'? God's Way to Success brings us back to the core of true and real success. God promises success in this lifetime and the one to come, and that all who follow His pathway will find it. If you want more than the fleeting goals of this world, and hunger for true, real and lasting success, this book offers signposts to a different way of living.

How to Achieve Lasting Success in Life was written with the intent to help people just like you attain their goals and succeed at whatever it is that is of the most importance as far as achievements go. The idea is to give you the tools you need to succeed, to include goal setting, planning, putting your plans into action, and, of course, the all important step of always having a backup plan. Achieving success is really quite easy if you learn to utilize the steps laid out for you in this book. Success, like most things of value in life, does not come without hard work. However, you will find that there is also outlined the importance of avoiding burnout by allowing yourself time for some recreational enjoyment. Anyone can achieve success, and hopefully the layout of this book will help guide you in achieving a lifetime of success that will create a lifetime of satisfaction.
