

tenant, Natalie. Plain, plump, and persnickety--he's never met a woman more annoying. But when Anthony returns from a telescope observing run, he makes a discovery of the non-celestial kind--Natalie has changed. He's amazed to find himself attracted to her. Sparks fly as he tries to convince her there's more to him than meets the eye. To cheating husbands... However, when Natalie's ex-husband tries to win her back, she's forced to make a decision. Is her year of living blonde over? Or is this the start of a new and much sweeter life...

Although 90 percent of us pray, very few of us feel as if we have mastered prayer. A Year of Living Prayerfully is a fascinating, humorous, globe-trotting exploration of prayer that will help you grow your own prayer life. While working on a humanitarian project related to exposing human trafficking, Jay and Michelle Brock felt they needed better and stronger prayer support. In an effort to learn more about prayer, the couple traveled the globe, exploring the great prayer traditions: in mountains and monasteries, in communes and cathedrals, standing up and lying down, every hour and around the clock. Jared's witty reflections on his fast-paced journey will both entertain and prompt you to think about your own prayer life. As you follow Jared on his eclectic journey, you'll discover an expansive vision of what prayer can be and how much it is has changed the course of human history. Spark growth in your own prayer life with this exhilarating and charming journey through prayer.

If there is one thing that most of us aspire to, it is, simply, to be happy. And yet attaining happiness has become, it appears, anything but simple. Having stuff -the latest, the newest, the best yet - is all too often peddled as the sure fire route to happiness. So why then, in our consumer-driven society, is depression, stress and anxiety ever more common, affecting every strata of society and every age, even, worryingly, the very young? Kate Humble's fresh and frank exploration of a stripped-back approach to life is uplifting, engaging and inspiring - and will help us all find balance and happiness every day.

Live authentically, abundantly, and victoriously as you learn how to embrace God's will for your life. As one of the most sought-after realizations in this world, discovering your purpose is something countless self-help books will claim they can help you do, but they're missing the biggest piece of the puzzle: your relationship with God. If you're ready to wake up, shake up, break away from bondage, dust off the dullness, and discover genuine joy, it's time to take action and allow the Lord to take control of your life. True transformation can only occur when you're receptive to God's will for your life, and past sorrows and mistakes often prohibit you from moving forward and receiving Jesus's forgiveness and grace. But forgiving others-and receiving forgiveness from the Lord-is imperative for experiencing wholeness and freedom. Growing closer to God also requires some internal housecleaning. From chapters on dusting away anything that dulls the true joy of a relationship with God to receiving the living water from Jesus that quenches any thirst for fulfillment, learn how trusting God fully and seeking after His guidance are the real keys to receiving lasting contentment and transformation.

A strong Christian woman embarks on a radical life experiment-a year of biblical womanhood. Strong and committed in her faith-but frustrated by the inconsistencies she saw in her evangelical culture's view of women-Rachel Held Evans became an independent woman. But, intrigued by the traditionalist resurgence that led many of her friends to abandon their careers to assume traditional gender roles in the home, Evans had a crazy idea:What if I took "biblical womanhood" literally for a full year? In the next twelve months Rachel: Wore a scarf over her head to pray Called her husband "master" and stood on the roadside with a sign that said "Dan is Awesome" Adopted a computerized baby Perched on the roof for an afternoon of penance for gossiping Camped out in her front yard during her period Visited an Amish schoolhouse, a pig farm in Bolivia, and a Benedictine monastery Took up baking and knitting Interviewed a polygamist, a Quiverfull daughter, and a courtship couple With just the right mixture of humor and insight, Evans takes readers along with her on a lively adventure. In the process she discovers that the journey itself leads her right to the heart of God.

A Year of Living Generously follows award-winning journalist Lawrence Scanlan as he volunteers with 12 different charities, among them well-known institutions Habitat for Humanity, the St. Vincent de Paul Society and Canadian Crossroads. Drawing from first-hand experiences - serving in a soup kitchen in Ontario, building houses in post-Katrina New Orleans and teaching at a women's radio station in Senegal - Scanlan tests the ideas and theories on global aid and philanthropy and makes a compelling case for greater commitment and real connection from us all. The result is an engaging yet informative primer for today's volunteers, young and old, who are looking to make a meaningful contribution.

THE AMERICAN EDITION Satan is being outsourced. According to the Powers That Be, Hell isn't hellish enough, and Satan is given seven days to figure out how to bring back the fire and brimstone days of Hell's fury. The Devil takes on human form-a ramshackle, disease ridden body-and sets out on a road trip exploring new and novel miseries of the human condition to save his job. From L.A. to Miami, Satan, accompanied by Eustice Seeney, the only man who managed to escape Hell twice (and live to never shut up about it), some bent doctors, an average medium femme fatale with a Tarot tattoo, and an angelic escort service hit the road. Satan manages to finagle his way into one mess of life's affairs after another culminating in an explosive finale revealing who or what puts the lighting in our dreams, and begs the question of who would rid the world of the Devil they know?

"It may appear from the cover that this is a nice book about growing a beard because Jesus did but be warned- you will quickly discover that Ed's adventure takes him, and us, deep into the heart of grace, mercy and the endless discovery of just what the way of Jesus looks like - which, of course, has very little to do with having a beard."-Rob Bell, Jesus Wants To Save Christians "Inspiring, insightful, sometimes infuriating, often funny, a little weird (like its author) and a must read for anyone wanting to become a serious follower of Jesus Christ" -Cal Thomas "Highly, highly recommended" -Brian McLaren Evangelical pastor Ed Dobson had a radical idea... "Live one year as Jesus lived. Eat as Jesus ate. Pray as Jesus prayed. Observe the sabbath as Jesus observed. Attend the Jewish festivals as Jesus attended. Read the Gospels every week." Dobson's transition from someone who follows Jesus to someone who lives like Jesus takes him into bars, inspires him to pick up hitchhikers, and deepens his understanding of suffering. Living like Jesus is quite different from what we imagine. "It may appear from the cover that this is a nice book about growing a beard because Jesus did but be warned- you will quickly discover that Ed's adventure takes him, and us, deep into the heart of grace, mercy and the endless discovery of just what the way of Jesus looks like - which, of course, has very little to do with having a beard."-Rob Bell, Jesus Wants To Save Christians

Having "the talk" can sometimes be an awkward experience for both parent and child. Even so, I didn't want to wait until my children's hormones kicked in, and I didn't want to be caught off guard when they had questions, but most of all, I didn't want them growing up with misconceptions concerning sex. I wanted my children to be informed about the facts of life, yet without being too sexually explicit in the process, because some of the facts weren't good such as pornography, diseases, and predators, but these subjects needed to be addressed as well. As a result, I told them what I have written in Your Special Gift, by using the analogy of a gift, a lock, and a key to define commonly used sexual terms, and to caution them about possible consequences, and to warn them of potential predators. I also used Scripture as the basis of defining true love. The simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward, and yet sensitive way, so that any question concerning sex can be answered by using this method. Your Special Gift is well-suited for children in the 8-to-12 year-old range.

Annie has many unanswered questions! Will she find her one and true love or will she be destined to stay single all her life and do a work for God?

A Year of Living Simply

Wake Up the Real You

How a Liberated Woman Found Herself Sitting on Her Roof, Covering Her Head, and Calling Her Husband "master"

It's a New Beginning

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, The Last Seven Pages is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

The Year of Living Like JesusMy Journey of Discovering what Jesus Would Really DoZondervan

Book 2 has more content regarding how to position yourself to ascend into heaven. Addressing the varied reasons we ascend along with cultivating the lifestyle of heaven ascending. Many practice exercises as well as prayers included. Angels, The Cloud of Witnesses, intercession and The Fathers throne are among the subjects covered.

Have you lost hope for a new beginning? If you believe your life is beyond saving-this book is for you. Willie Alfonso writes about his dramatic childhood story of growing up Brooklyn. He shares why he should be dead, dying of AIDS somewhere, or doing life in jail. His epic story with unbelievable comeback proportions will inspire the doubters, the skeptics, or anyone who has lost all hope for the future. Readers in It's A New Beginning will be challenged by Willie's story to see: + Hope in the midst of devastating circumstances. + How to forgive the unforgivable + How even the worst setbacks can be turned into comebacks. Read one of the most powerful comeback stories of all time! Dig into It's A New Beginning: How to Turn Setbacks Into Comebacks to find hope for your new beginning. What are you waiting for? During my entire career as a New York Yankee, I have had the privilege of knowing Pastor Willie Alfonso. I am eternally grateful for the wisdom I received from him over the years. Now in his new book, the rest of the world can experience the life and the ministry of a man who has been such a blessing to me. I know a good closer when I see one. This book will close the old chapters in your life, and set you up for a new beginning. -Mariano Rivera, #42 Retired Relief Pitcher, New York Yankees Our backgrounds and stories sound very similar, but we have been placed in different arenas. It's A New Beginning: How to Turn Setbacks Into Comebacks captures the way God can take Willie Alfonso from a forgotten, broken child and turn him into a man that influences some of the biggest names in sports history. His story will encourage those who are experiencing setbacks, as well as spur on others to never give up on the ones with the tough exterior. -Nicky Cruz, Evangelist and Author Chaplain Willie Alfonso's story is nothing short of a miracle! Read it and you'll be inspired to a new level of faith. - Jim Cymbala, Senior Pastor, The Brooklyn Tabernacle

Take a daily step toward joy and contentment and ditch stress, overwhelming thoughts, and boredom with encouraging and biblical messages from Alli Worthington. You do your best to live life well—you work hard to be present in the moment, take care of the people in your life, knock it out of the park at work and home. And yet, somehow, you still have days (perhaps more than you'd like to admit) where you're simultaneously stressed and bored, and you wonder if you even know how to be happy. Is happiness a worthy goal? Does happiness matter to God, or does He only care about holier things? Alli Worthington gets it. As a wife, mother of five boys, author, speaker, and entrepreneur, she knows a thing or two about being busy, stressed, and happy in the midst of a crazy world! Over the years, she's seen how happiness gets a bad rap in Christian circles, and now she is standing up to shout the good news from the roof (or the internet, as the case may be): You are allowed to be happy! Yes, you! You can be happy right now! Join Alli for The Year of Living Happy: Finding Contentment and Connection in a Crazy World, and find the roots of your happiest life yet.

Each of the 100 short and inspirational entries includes a thoughtful message from Alli, based on God's Word practical ways to make your life happier day by day a journaling section This gorgeous book is an empowering gift for yourself or any woman you love. It can be used as a daily devotional or as a guided journal. Be part of this exciting message: Happiness and holiness can coexist for a beautiful life. Don't miss the great big adventure God has for you. Let this be The Year of Living Happy!

Powerful Tools That Will Enhance And Empower You To Succeed! And So Much More... It's Your Time To Soar! Unlock Your Hidden Potentials Today!

Studying doctrine for the Christian often feels like watching a construction crew build a foundation. There seems to be a great amount of activity, but the results don't appear visible. Just like the foundation is essential for the stability of a building, studying theology is crucial to the long-term stability of the believer.The goal of this study is to provide you with the basics of biblical doctrine to make sure your foundation is sound. At times this will feel like the difficult work of laying an unseen foundation for a building. At other times, however, it will feel like we are soaring to great heights as we explore the breadth and length and height and depth of our faith. During the course of this study, we will consider the questions: Why study theology? Who is God?

Who am I? What is the church? Where do I go when I die? Why do other people believe differently?

Written in the same style as his Jealousy—the Sin No One Talks About, Kendall tackles the problem of pride, bringing out into the open the challenges a majority of people face in overcoming the pride and self-righteousness that were introduced to mankind by the serpent in the Garden of Eden. He defines the various kinds of pride, including social, racial, financial, sexual, and spiritual pride, and teaches us how God uses the pride in our lives to reveal our need for Christlikeness. He demonstrates that pride lies behind the “blame game,” causing us to “pass the buck” rather than admit our guilt and thus interfering in our ability to draw closer in relationship to God. Kendall outlines several Old Testament examples of pride. He shows how foolish pride governed most of Jacob's life, led to King Saul becoming “yesterday's man,” and filled Elijah's life, even though he was a great prophet of God. Then he shows how pride surfaced in New Testament people: Peter's pride in believing he loved Jesus most of all, the pride of the Pharisees, and the racial-religious pride that filled the Jews and was the reason they rejected Paul. Finally we take a closer look at Jesus—and Kendall teaches us the principles from the Sermon on the Mount that will lead us away from pride. He shows us that it is impossible to be Spirit-filled and self-righteous simultaneously, and he gives us biblical principles for overcoming pride and self-righteousness.

Getting money,paying bills,finding your prince charming, finding your happiness it looked so easy when you were young.You thought you had it all figured out. Little did you know life throws you curve balls. And you thought grownups had it easy so did these ladies. Follow their journeys while getting lost in the grownup world.

*** NOW WITH A NEW CHAPTER * 'A hugely enjoyable romp through the pleasures and pitfalls of setting up home in a foreign land.' - Guardian** Given the opportunity of a new life in rural Jutland, Helen Russell discovered a startling statistic: Denmark, land of long dark winters, cured herring, Lego and pastries, was the happiest place on earth. Keen to know their secrets, Helen gave herself a year to uncover the formula for Danish happiness. From childcare, education, food and interior design to SAD and taxes, The Year of Living Danishly records a funny, poignant journey, showing us what the Danes get right, what they get wrong, and how we might all live a little more Danishly ourselves. In this new edition, six years on Helen reveals how her life and family have changed, and explores how Denmark, too – or her understanding of it – has shifted. It's a messy and flawed place, she concludes – but can still be a model for a better way of living.
