

There S A Monster In Your Book

A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job--pointy teeth, sharp claws, and a long tail--but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily. This book is NOT a bedtime story. It's scary, strange and rather gory. Bedtime stories make you sleepy. This book won't. It's much too CREEPY. Except it isn't... this book is told by a group of monsters who think they're very scary, but in fact they're not -- they're cute and cuddly. They try their hardest to scare you -- in a haunted house, creepy wood, ghostly ship and darkest dark, but each time they fail! The problem is, these monsters aren't at all spooky. They're a bit silly, actually. And a bit cuddly. In fact, they share the insecurities and worries of us humans and all they want is a cosy, snoozy good night's sleep. Despite the title of this book it really is a bedtime story. A brilliant tale that reassures children, makes them laugh and gets them ready for a peaceful night's sleep.

PRAISE 'With there is a Monster Under My Bed Who Farts, the two men have come up with an instant classic. It's funny, it's beautifully illustrated and it's ever so naughty. I loved it. Now it's time to share it with my daughter!' - Rob Minshall, ABC Radio Brisbane 'If the word fart offends you, don't buy this book by these Aussie blokes because you'll be encouraging your preschooler to embrace their gastric shortcomings. The super-cute illustrations will even make puritans smile' - Herald Sun 'Tickle your toddler's funny bone with this irreverent story' - Mother and Baby 'Tim Miller's text comprises simple statements about where and how the farting takes place, leaving plenty of narrative room for Matt Stanton's cartoon-style illustrations. Using simple shapes and bulging-eyed characters and dynamic compositions, he engagingly captures the personalities of the little boy, the monster and the farts.
