

Theres An Owl In The Shower Jean Craighead George

Hot summer fun where you'll change...in more ways than one. Librarian Mara Scioto lives a nice, neat, orderly existence—except when she's being attacked by uncontrolled male shifters who need to mate. Pesky little detail, right? Raised by a grandmother who hates all shifters, she has one wish: to make it past the age of twenty-five without experiencing The Morph that tells you you're one of them. And then the letter from Camp Shifter arrives with her name on it... Orthopedic surgeon in training Jack Karsten is waiting to see if he'll follow in his shifter brother's footsteps. Being a shifter won't be so bad, if that's his destiny, but when he meets Kara, he realizes that fate and love don't always align. But love always wins. It can be a bear of an ordeal sorting it all out, but if anyone can help, it's the staff at Camp Shifter. While they'll train Jack and Kara on the ways of shifter life, there's one thing they can't teach them: How to get out of their own way and let love leave them changed. Forever.

Watch out! Hoot Owl is hungry in an offbeat story with deadpan humor and bold, striking illustrations. Features an audio read-along! Hoot Owl is no ordinary owl. He is a master of disguise! In the blackness of night, he's preparing to swoop on his prey before it can realize his dastardly tricks. Look there—a tasty rabbit for him to eat! Hoot Owl readies his costume, disguising himself as . . . a carrot! Then he waits. The rabbit runs off. Never mind! Surely his next juicy target will cover against such a clever and dangerous creature as he! Kids will hoot at Sean Taylor's deliciously tongue-in-beak narration, belied by the brilliantly comical illustrations of Jean Jullien.

Upon succeeding his father as Laird of Clan Murphy after his untimely death, seventeen-year-old Aodhan Murphy struggles with the mantle of leadership as well as balancing his responsibilities as a new husband to his childhood sweetheart, Bridget. A mysterious stranger gifts him with the golden sword of the long-dead Kings of Aronmore, and a vision urges him to enter the mysterious Sioral Forest.Meanwhile, Nicholas Harrington, king of neighbouring Riohdan, is obsessed with bringing his wife back to life. He consults a shadowy group known as The Grey Walkers, and recruits brilliant young swordsman William Robinson Beckwith to venture into The Sioral Forest to seek a magical entity that can make the resurrection possible. There, William encounters Aodhan who informs him that, while there are powers that can bring the dead back to life, the repercussions of such actions would be disastrous for the living. William struggles with this realization, torn between his moral conscience and his duty to his king. All the while, the enigmatic Lady Isabelle stands in the shadow of the king. Is she simply a faithful servant or something more?

After a courtship voyage of a year and a day, the owl and the pussycat finally buy a ring from Piggy and are blissfully married, in this illustrated version of Lear's nonsense poem.

Hoot Owl, Master of Disguise

The Messengers

Little Owl's Night

The first in an exciting series featuring the unforgettable antiquities thief Owl—a modern-day “Indiana Jane” who reluctantly navigates the hidden supernatural world—from the pen of rising urban fantasy star Kristi Charish (The Kincaid Strange series). For fans of Kim Harrison, Jim Butcher, Jennifer Estep, Jenn Bennett, and the like. Ex-archaeology grad student turned international antiquities thief, Alix—better known now as Owl—has one rule. No supernatural jobs. Ever. Until she crosses paths with Mr. Kurosawa, a red dragon who owns and runs the Japanese Circus Casino in Las Vegas. He insists Owl retrieve an artifact stolen three thousand years ago, and makes her an offer she can't refuse: he'll get rid of a pack of vampires that want her dead. A dragon is about the only entity on the planet that can deliver on Owl's vampire problem—and let's face it, dragons are known to eat the odd thief. Owl retraces the steps of Mr. Kurosawa's ancient thief from Japan to Bali with the help of her best friend, Nadya, and an attractive mercenary. As it turns out though, finding the scroll is the least of her worries. When she figures out one of Mr. Kurosawa's trusted advisors is orchestrating a plan to use a weapon powerful enough to wipe out a city, things go to hell in a hand basket fast...and Owl has to pick sides.

**Paul Bannick's new book Owl: A Year in the Lives of North American Owls integrates more than 200 new intimate and dramatic images, up-to-date science about owls, and firsthand experience based on tens of thousands of hours spent with owls on their territories in the wild. Readers will witness rare images as the owls move through each stage of their life: courtship, mating, and nesting in spring; feeding of young and fledging in summer; dispersal and gaining independence in fall; and finally, winter's migrations and competitions for food. The book shows how owls use the unique resources available to them in each habitat to overcome the challenges of each season. All 19 species of owls found in Canada and the United States are featured in the photos and narrative throughout the book, with special focus on the Northern Pygmy-Owl, Great Gray Owl, Burrowing Owl and the Snowy Owl.*-*

Andrew Landford, MP is driving home one night along a dark country lane when a barn owl files into his windscreen. It is an accident, nothing more. But Andrew sits on a parliamentary committee concerned with the protection of endangered species, and the death of the owl threatens to destroy his hopes of reaching No. 10. Also in the car is Andrew's old Oxford friend and political adviser, Charles Fryerne. Will they be able to keep the crime under wraps, or will circumstances conspire against them? 'A pleasure to read' Daily Express 'Skeweringly accurate' Evening Standard 'A compelling blend of morality and satire' Sunday Mirror 'Witty and well-crafted - a delightful gothic fantasy' Guardian

In this New York Times bestseller that will appeal to readers of H is for Hawk, a naturalist probes the forest to comprehend the secret lives of owls. Join Leigh Calvez on adventures into the world of owls: owl-watching, avian science, and the deep forest—often in the dead of night. These birds are a bit mysterious, and that 's part of what makes them so fascinating. Calvez makes the science entertaining and accessible while exploring the questions about the human-animal connection, owl obsession, habitat, owl calls, social behavior, and mythology. From the Trade Paperback edition.

'Dusk is filling the valley. It is the time of the glowing, the owl-light. Out in the wood, the resident tawny has started calling. Hoo-hoo-hoo-ho-o-o.' There is something about owls. They feature in every major culture from the Stone Age onwards. They are creatures of the night, and thus of magic. They are the birds of ill-fidings, the avian messengers from the Other Side. But owls - with the sapient flatness of their faces, their big, round eyes, their paternal expressions - are also reassuringly familiar. We see them as wise, like Athena's owl, and loyal, like Harry Potter's Hedwig. Human-like, in other words. No other species has so captivated us. In The Secret Life of the Owl, John Lewis-Stempel explores the legends and history of the owl. And in vivid, lyrical prose, he celebrates all the realities of this magnificent creature, whose natural powers are as fantastic as any myth. 'John Lewis-Stempel is one of the best nature writers of his generation' Country Life

"The Orange Fairy Book" by Various. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. A Quest to Find and Save the World's Largest Owl

There's an Owl in My Towel

There's an Owl in the Shower [by] Jean Craighead George

Rockefeller The Christmas Owl

Abridged Edition

In this middle grade novel, acclaimed author and illustrator Jean Craighead George tells the story of how one unusual spotted owl makes his way into the home--and hearts--of a family of loggers.

Eva Wingdale is getting a new pet, in this bestselling early chapter book series just-right for emerging readers! Pick a book. Grow a Reader! This series is part of Scholastic's early chapter book line, Branches, aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow! Eva can't wait to get a new pet! But she can't decide what kind of pet to get. Her pet needs to be cute, cuddly, friendly... and, of course, get along with her bat, Baxter. Eva's friend Lucy has a great idea: They will pet-sit for all their friends to find out which animal is right for Eva! Chaos breaks out as they look after a bumblebee, a tortoise, a goldfish, and more. Will Baxter be able to help Eva discover which pet is just-right for their family? Rebecca Elliott's sweet text and full-color artwork on every page bring this story to life for young readers!

This engaging chronicle of how the author and the great horned owl "Bubo" came to know one another over three summers spent in the Maine woods--and of how Bubo eventually grew into an independent hunter--is now available in an edition that has been abridged and revised so as to be more accessible to the general reader.

Borden's father, Leon, was a logger in the old-growth forests of California. That is, until the spotted-owl lovers interfered. One day, frustrated by his father's unemployment, Borden sets out on a mission of revenge against the spotted owl but returns home with a half-starved owlet instead. The family soon discovers that the owlet, whom Borden names Bardy, loves to take showers and watch late-night TV. Only after the whole family has fallen in love with Bardy do they realize that the conflict between nature and human industry is not so easily resolved. Award-winning nature writer Jean Craighead George tells a heartwarming story about a family and their love affair with a special little owl.

Chouette

So You Want to Be an Owl

Wesley the Owl

The Remarkable Love Story of an Owl and His Girl

One Man's Owl

LONGLISTED FOR THE 2022 PEN/FAULKNER AWARD FOR FICTION “Claire Oshetsky’s novel is a marvel: its language a joy, its imagination dizzying.” —Rumaan Alam, New York Times bestselling author of Leave the World Behind An exhilarating, provocative novel of motherhood in extremis Tiny is pregnant. Her husband is delighted. “You think this baby is going to be like you, but it’s not like you at all,” she warns him. “This baby is an owl-baby.” When Chouette is born small and broken-winged, Tiny works around the clock to meet her daughter’s needs. Left on her own to care for a child who seems more predatory bird than baby, Tiny vows to raise Chouette to be her authentic self. Even in those times when Chouette’s behaviors grow violent and strange, Tiny’s loving commitment to her daughter is unwavering. When she discovers that her husband is on an obsessive and increasingly dangerous quest to find a “cure” for their daughter, Tiny must decide whether Chouette should be raised to fit in or to be herself—and learn what it truly means to be a mother. Arresting, darkly funny, and unsettling, Chouette is a brilliant exploration of ambition, sacrifice, perceptions of ability, and the ferocity of motherly love.

Reproducible study guide and student activities to be used in conjunction with reading There's an owl in the shower by Jean Craighead George.

A child grows and discovers the world. As he lies awake at night, he sees there's enough room in the sky for all the stars and the moon. When he visits the ocean, he sees there is enough room for all the fish, even for the whales. As he grows up, he doesn't understand why people fight for space. Surely, if we are kinder to one another, there will always be room for everyone? This is a beautiful and profound picture book -- a testament of our time and a touching allegory for war and the refugee crisis.

Chronicles the author's rescue of an abandoned barn owlet, from her efforts to resuscitate and raise the young owl through their nineteen years together, during which the author made key discoveries about owl behavior.

The Death of an Owl

This Is Owl

A New York Times Notable Book of 2020 Longlisted for the National Book Award Winner of the PEN/E.O. Wilson Literary Science Writing Award and the Minnesota Book Award for General Nonfiction A Finalist for the Stanford Dolman Travel Book of the Year Award Winner of the Peace Corps Worldwide Special Book Award A Best Book of the Year: NPR, The Wall Street Journal, Smithsonian, Minneapolis Star-Tribune, The Globe and Mail, The BirdBooker Report, Geographical, Open Letter Review Best Nature Book of the Year: The Times (London) "A terrifically exciting account of [Slight's] time in the Russian Far East studying Blakiston's fish owls, huge, shaggy-feathered, yellow-eyed, and elusive birds that hunt fish by wading in icy water . . . Even on the hottest summer days this book will transport you." —Helen Macdonald, author of H is for Hawk, in Kirikus I saw my first Blakiston's fish owl in the Russian province of Primorje, a coastal taion of land hooking south into the belly of Northeast Asia . . . No scientist had seen a Blakiston's fish owl so far south in a hundred years. . . . When he was just a fledgling birdwatcher, Jonathan C. Slight had a chance encounter with one of the most mysterious birds on Earth. Bigger than any owl he knew, it looked like a small bear with decorative feathers. He snapped a quick photo and shared it with experts. Soon he was on a five-year journey, searching for this enormous, enigmatic creature in the lush, remote forests of eastern Russia. That first sighting set his calling as a scientist. Despite a wingspan of six feet and a height of over two feet, the Blakiston's fish owl is highly elusive. They are easiest to find in winter, when their tracks mark the snowy banks of the rivers where they feed. They are also endangered. And so, as Slight and his devoted team set out to locate the owls, they aim to craft a conservation plan that helps ensure the species' survival. This quest sends them on all-night monitoring missions in freezing tents, mad dashes across thawing rivers, and tree-climbs up rotting trees to check nests for precious eggs. They use cutting-edge tracking technology and improvise ingenious traps. And all along, they must keep watch against a run-in with a bear or an Amur tiger. At the heart of Slight's story are the fish owls themselves: cunning hunters, devoted parents, singers of eerie duets, and survivors in a harsh and shrinking habitat. Through this rare glimpse into the everyday life of a field scientist and conservationist, Owls of the Eastern Ice testifies to the determination and creativity essential to scientific advancement and serves as a powerful reminder of the beauty, strength, and vulnerability of the natural world.

Without question, this is a classic by one of the most exciting new authors in the UFO field today. After reading it, your view of reality will never be the same.The owl has held a place of reverence and mystique throughout history. And as strange as this might seem, owls are also showing up in conjunction with the UFO experience.Mike Clelland has collected a wealth of first-hand accounts in which owls manifest in the highly charged moments that surround alien contact. There is a strangeness to these accounts that defy simple explanations. This book explores implications that go far beyond what more conservative researchers would dare consider.But the owl connection encompasses more than the UFO experience. It also includes profound synchronicities, ancient archetypes, dreams, shamanistic experiences, personal transformation, and death. From the mythic legends of our ancient past to the first-hand accounts of the UFO abductee, owls are playing some vital role.This is also a deeply personal story. It is an odyssey of self-discovery as the author grapples with his own owl and UFO encounters. What plays out is a story of transformation with the owl at the heart of this journey.

And the grandeur of the remote Pacific Northwest stands Kingcome, a village so ancient that, according to Kwakwaka'waka myth, it was founded by the two brothers left on earth after the great flood. The Native Americans who still live there call it Quee, a place of such incredible natural richness that hunting and fishing remain primary food sources. But the old culture of totems and potlatch is being replaces by a new culture of prefab housing and alcoholism. Kingcome's younger generation is disenchantred and alienated from its heritage. And now, coming upriver is a young vicar, Mark Brian, on a journey of discovery that can teach him—and us—about life, death, and the transforming power of love.

This chapter book features a hilarious retelling based on two favorite episodes ("I Was a Teenage Abomination" and "Adventures in the Elements") of the hit Disney Channel animated series The Owl House. Like Gravity Falls and Star vs. the Forces of Evil, The Owl House includes quirky humor and stories of magic. Its creator and executive producer, Dana Terrace, was named a Rising Star of Animation 2017 and one of the 10 Animators To Watch in 2017 by Variety.The show features the voices of Emmy® Award-nominated Wendie Malick (American Housewife), Alex Hirsch (Gravity Falls), and Sarah-Nicole Robles (Boss Baby).

I Heard the Owl Call My Name

Owl Sense

A Novel

There's an Owl in the Closet

Owl Moon

Birds of prey have run in fourteen-year-old Owl Tycho's family for hundreds of years.Every generation or so produces a shape-shifter, an apparently normal human being who can change into an owl at will.

In a small Pennsylvania town, Robert Forrester is recuperating from a nasty divorce and a bout of psychological trouble. One evening, while driving home, he sees a pretty young woman framed by her bright kitchen window. Soon, he can't keep himself away. But when Robert is inevitably discovered, obsession is turned on its head, and he finds himself unable to shake the young woman, nor entirely sure whether he should. From Patricia Highsmith, once called "the balladeer of stalking" by The New Yorker, The Cry of the Owl is a modern classic ready to be reborn.

The baby owls came out of their house, and they sat on the tree and waited. A big branch for Sarah, a small branch for Percy, and an old piece of ivy for Bill. When three baby owls awake one night to find their mother gone, they can't help but wonder where she is. Stunning illustrations from unique and striking perspectives capture the owls as they worry about their mother: What is she doing? When will she be back? What scary things move all around them? Not surprisingly, a joyous flapping and dancing and bouncing greets her return, lending a celebratory tone to the ending of this comforting tale. Never has the plight of young ones who miss their mother been so simply told or so beautifully rendered.

When a little owl has difficulty flying, he needs an extra boost of confidence to try again. It takes the loving care of a little girl to help him overcome his awkwardness and take to the skies. A sweet and funny story for bedtime or anytime.

There's Room for Everyone

Owl in Love

The White Owl

A BBC Radio 4 Book of the Week Longlisted for the Wainwright Golden Beer Book Prize 2018 A Guardian Book of the Year 2018 The owl has captivated the human imagination for millennia; as a predator, messenger, emblem of wisdom or portent of doom. Owl Sense tells a new story. On 'owl walks' with her teenage son, Benji, Miriam Darlington begins a quest to identify every European species of this elusive bird. From Britain she travels to Spain, France, Serbia and Finland, and to the frosted borders of the Arctic. Along the way, however, Benji succumbs to a mysterious and disabling illness, and Miriam's endeavour soon becomes entangled with the search for his cure. Bringing the strangeness and magnificence of owls to life, Owl Sense is a book about wildness in nature but also in the unpredictable course of our human lives.

Putting a twist on the bedtime book, this story is sure to comfort any child with a curiosity about the night. This lap board book edition is ideal for families and tots to read together. Full color.
