Tanya is out of time and Gabe is out of options in the penultimate episode of The Witch Who Came in from the Cold, Serial Box's tautly plotted new series that pits spies against sorcerers in a deadly game of espionage set in an alternate Cold War Prague. Double- and triple-crosses are the order of the day as the shockwaves of Operation ANCHISES spread in unexpected directions, threatening the precarious balance of power between KGB and CIA, Ice and Flame, friend and foe. Now Gabe and Tanya must decide once and for all where their loyalties lie. This episode, brought to you by Cassandra Rose Clarke, raises tension to the breaking point . . . and beyond. Praise for The Witch Who Came in from the Cold: "Those who like to mix magic, spycraft, and secret history should enjoy this—it may please fans of Stross's Laundry series." —Locus Magazine "Full of fast-paced, high-intensity action paired with magic at a level that has not been seen until now, with a cliff-hanger that lets readers know that the game is not over and has only just begun." —The San Francisco Book Review "The Witch Who Came in from the Cold is a chilly evocation of a different kind of Cold War." —Charles Stross, author of the Laundry Files series "Take a double shot of Le Carr é , a dash of Deighton, a twist of Quiller, a splash of AI Stewart's The Year of the Cat, throw in a jigger full of elemental magic, mix well ... and voil à ! The Witch Who Came In From The Cold." —Victor Mil á n, author of The Dinosaur Lords "The occult love child of John le Carre and The Sandbaggers." —Marie Brennan, author of A Natural History of Dragons "As soon as I saw that, I was instantly hooked, and the pilot jacked the intrigue to the max. Two female Soviet spy witches, an American spy with something weird drilling magical holes in his head, and a world of secrets within secrets in a locale where old-world myth and the Cold War face off, pedal to the metal . . . it's awesome. Or as we said in 1970, Far out. " —Sherwood Smith, author of Crown Duel "The installments are easy to read one at a time, but the tangles of alliances, secrets, and shocking double-crosses will have readers up all night mumbling, "Just one more." —Publishers Weekly, starred review

In Remembrance of Patients Past, historian Geoffrey Reaume remembers previously forgotten psychiatric patients by examining in rich detail their daily life at the Toronto Hospital for the Insane (now called the Centre for Addiction and Mental Health - CAMH) from 1870-1940. Psychiatric patients endured abuse and could lead monotonous lives inside the asylum's walls, yet these same women and men worked hard at unpaid institutional jobs for years and decades on end, created their own entertainment, even in some cases made their own clothes, while forming meaningful relationships with other patients and some staff. Using first person accounts by and about patients - including letters written by inmates which were confiscated by hospital staff - Reaume weaves together a tapestry of stories about the daily lives of people confined behind brick walls that patients themselves built.

The eldest miss of the Residence of General's' Pig Demons' had been resurrected and attacked with her heaven-defying transformation. She swore to not talk about her children's love affairs, but to seek revenge for her blood! But ... Young Lord Mo, who was pretending to be a pig to eat the tiger; Senior Brother Xiao

Ran, who was extremely shrewd; Young Master Yue, who was mysterious and gloomy; and Demon Lord Mo, who was amicable and protective ... What do these beautiful men mean by lying in a line? What kind of tempo was it to take off your clothes at a single word? Was it just a brain-teasing way of saying that he was a girl

or a girl whenever he wanted to? Since all the beauties are taking the initiative, then this little girl will ... Hehehehe!

Draws on personal letters, journals, and interviews with family members and colleagues to capture the life and times of Frances Marion

Poet, performance artist, and critic David Antin invented the “talk poem.” He insists that his poems be oral and created in front of a live audience, in a specific time and place, with the transcription of the performance adjusted for print by presenting it not in prose but in clumps of words without justified

margins or punctuation, peppered with white spaces that indicate pauses. In this book, editor Stephen Fredman provides a critical introduction to a selection of talk poems from three out-of-print collections, accompanied by a new interview with the author. As Fredman points out, Antin's work is a form of conceptual

writing that has influenced generations of experimental poets and prose writers. His profound and humorous talk poems are essential for classroom and scholarly discussions of the arts in modernism and postmodernism—offering as well an invitation to strengthen the ties between the sciences and the humanities.

This portrait of a Southern family ’ s downfall was the literary debut of the #1 New York Times–bestselling author of Sophie ’ s Choice. A finalist for the National Book Award, Lie Down in Darkness centers on the Loftis family—Milton and Helen and their daughters, Peyton and Maudie. The story, told through a series of flashbacks on the day of Peyton ’ s funeral, is a powerful depiction of a family doomed by its failure to forget and its inability to love. Written in masterful prose that “ achieves real beauty ” (The Washington Post), William Styron ’ s debut novel offers unflinching insight into the ineradicable bonds of place and family. The story of Milton, Helen, and their children reveals much about life ’ s losses and disappointments. Lie Down in Darkness, poignant and compelling, is a classic of modern American literature from the author who went on to earn high critical acclaim—with a Pulitzer Prize for The Confessions of Nat Turner and a National Book Award for Sophie ’ s Choice—and a place at the top of the New York Times bestseller list. This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

Poetry. Sid Miller's new book, HOW CAN I LOVE YOU (IF YOU WON'T LIE DOWN?) is a collection of poems that make you want to read more poems, more Sid Miller poems. He's got a little Jewish gangster in him, a little love machine, a father's nose, a green thumb gardener's feel for the soil, and a man who has traveled those little old roads of America that never seem to leave our collective unconscious. Mostly, Miller's poems are filled with tenderness and kindness. But, here's the rub—there's an edge to them, and that is what makes them so damn compelling. There is that constant tension and pressure which gives them extraordinary life, each and every one of them; they're cool and beautiful and carry on like those old Texaco gas stations somewhere out there in the vast, gorgeous expanse that digs deep into the warmest places of our humanity.

Kristin van Ogtrop knows she's lucky-fulfilling career, great husband, three healthy kids, and, depending on the hamster count, an impressive roster of pets. You could also say she's half-insane, but name one working mom who isn't. Using stories and insights from her own life, van Ogtrop offers a lexicon for working moms everywhere. Terms and concepts illustrate the highs (kids who know where their soccer cleats are, coworkers who don't hit "Reply All," dogs who helpfully eat whatever falls from the table) and the lows (getting out of the house in the morning, getting along with everyone at the office, getting willful kids into bed) of balancing work and family. Filled with amusing and resonant observations, JUST LET ME LIE DOWN establishes van Ogtrop as the Erma Bombeck of the new millennium.

This excellent book should be read by policy-makers, service providers and anyone working with or concerned about young people. - Margaret Chekri, FPA Information Officer. Teenage sexuality, pregnancy and motherhood have become matters of concern in many countries. A variety of both explanations and solutions have been put forward. This book reviews the existing state of knowledge within Britain, the USA and elsewhere. On their first-hand experiences as director of a unit for schoolgirl mothers and sociological researcher, the authors suggest ways of both reducing teenage pregnancies and providing more effective help for teenage mothers.

A heart-stopping novel of psychological suspense from the internationally bestselling author of The Wrong Mother and The Other Woman’s House Ruth Bussey once did something wrong – horribly wrong – and was nearly destroyed by her punishment. Now, she has tentatively rebuilt her life and unexpectedly found love with a man named Aidan Seed. But Aidan also has a secret, and one day he confides in Ruth: years ago, he killed a woman named Mary Trelease. Ruth’s initial horror turns to confusion when she realizes that she knows Mary Trelease, and Mary is very much alive. So why does Aidan insist that she’s dead? The fourth book in Sophie Hannah’s beloved Zailer and Waterhouse series, The Dead Lie Down is a sophisticated, addictive page-turner that will appeal to fans of Laura Lippman and Tana French.

"Vintage Follett . . . This is his most ambitious novel and it succeeds admirably." —USA Today Ellis, the American. Jean-Pierre, the Frenchman. They were two men on opposite sides of the Cold War, with a woman torn between them. Together, they formed a triangle of passion and deception, racing from terrorist bombs in Paris to the violence and intrigue of Afghanistan—to the moment of truth and deadly decision for all of them. . . .

Deborah and Simon St. James have taken a holiday in the winter landscape of Lancastershire, hoping to heal the growing rift in their marriage. But in the barren countryside awaits bleak news: The vicar of Wimslough, the man they had come to see, is dead—a victim of accidental poisoning. Unsatisfied with the inquest ruling and unsettled by the close association between the investigating constable and the woman who served the deadly meal, Simon calls in his old friend Detective Inspector Thomas Lynley. Together they uncover dark, complex relationships in this rural village, relationships that bring men and women together with a passion, with grief, or with the intention to kill. Peeling away layer after layer of personal history to reveal the torment of a fugitive spirit, Missing Joseph is award-winning author Elizabeth George's greatest achievement.

"A stunning account."—Kirkus, starred review "This profoundly literate memoir of courage stuns and moves, and in its ferocious honesty, delights."—Mark Medoff, Oscar-nominated screenwriter of Children of a Lesser God “A powerful look at what goes through the mind of someone whose life changes in the blink of an eye.”—Booklist Take It Lying Down is “a movingly intricate weave—a detailed and poetic chronicle of healing against all odds, an intense love story, a narrative of a young man’s journey from Maine to New Mexico and adulthood, and a book of literary inspiration and wisdom . . . this is not a medical book, not a self-help book: it’s a literate, occasionally theatrical, surprisingly buoyant, always philosophical and compelling journey through one man’s life.”—From the Foreword by Len Jenkin Jim Linnell is a writer, teacher, and director. He is Professor Emeritus in the Department of Theatre & Dance at the University of New Mexico and former Dean of the College of Fine Arts there. He is the author of Walking on Fire: The Shaping Force of Emotion in Writing Drama. His work has been performed in the U.S. and abroad in Mexico, Australia, New Zealand, and Israel. Linnell helped establish the MFA degree in Dramatic Writing at the University of New Mexico and an annual festival of new plays that now bears his name. He received his doctorate in directing from UC Berkeley. He and his wife live south of Albuquerque next to the Rio Grande; together they have three children and six grandchildren.

*This extraordinary collection of correspondence by Paul Bowles spans eight decades and provides an evolving portrait of an artist renowned for his privacy. From his earliest extant letter, written at the age of four, to his precocious effusions to Aaron Copeland and to Gertrude Stein; from his meditations on mescaline as relayed to Ned Rorem, to his intensely moving letters to Jane Bowles during her illness, In Touch fills in the lacunae left by previous biographers and offers a rare look at the many aspects of Bowles's brilliant career—as composer, novelist, short-story master, travel writer, translator, ethnographer, and literary critic. Here is Bowles on the genesis of his first novel, The Sheltering Sky; on his distaste for Western melodies and his dogged attempts to record indigenous Moroccan music; on the Beats, Gore Vidal, Truman Capote, and Tennessee Williams; on the nature and craft of writing; on Bernardo Bertolucci, David Byrne, and Sting; on the decline of American and the challenges of living in North Africa. Gossipy, reflective, enlightening, and always entertaining, In Touch stands as an epistolary autobiography of one of the legendary writers of our time, and a unique chronicle of the twentieth-century avant-garde.*

*This book is not a magic cure, but could be an aid for a sufferer or carer. If you wish to tackle this demon head on, and feel that education of the illness the only way forward, then this book is for you. Educate your self to the brim if you wish too, Hamish did, one thing that Hamish has learnt is that if you are prepared to be wrong it makes you more right even if you are not so. This book is about transient understanding and Hamish, being very transcendental, is well placed to observe and to experiment. This is not a case of the blind leading the blind but a story of how one person has ploughed through life with only his own mind and steely sincerity to work with. He has not stopped he has ploughed through life and has been able to explain his way to recovery, by writing this book. In effect educating himself better. His findings include voice hearing truths and untruths transient timing (probably the best evidence of the existence of God) Transient Response (the best way to experience God) duel realities Including Feuds Super Ego (Talking in tongues). The existence of numbers being more than just mathematical as well as other interesting true tales and short stories. He believes in four dimensions and in parallel universes, which are separated from our world and so are not dimensions but universes. He believes that there is a reason for the barrier between such universes. Having started writing for himself for personal progression he soon realised that this work could be worth something to others, and so he started writing to an audience and not just to himself. The essence of Hamish' life is represented in this book as transience, he is very transcendental and so is well placed to study its workings.*

*Lives unexpected difficulties and disappointments can be discouraging when dealt the wrong hand of life. We are often discouraged by the tide the ocean of life sometimes blows in our direction. But, change can be made through prayer. In Something Happens after Prayer, author Pastor Ade Oyeyemi discusses how prayer should be an integral part of every Christians practice. Using a host of Biblical references and examples, Oyeyemi demonstrates that prayer works for those who need forgiveness, for those who need deliverance, and for those who need healing, wisdom, or mercy. He tells how there is no better way to respond to the storms of life than through prayer. Each chapter addresses a spiritual or life topic and offers a selection of appropriate prayers to send to God.*

*Something Happens after Prayer encourages believers to turn to prayer when faith is floundering and the oppression of Satan knocks on the door, when temptations weigh heavy and bad things are happening all around, when we become weak in the face of worry, when marriage comes under attack, and when health is threatened. Great things happen after prayer.*

*When crime reporter Molly Cates’s father died more than twenty-five years ago, the case was ruled a suicide, and Molly’s efforts to prove otherwise led to nothing but anguish and the breakup of her family. But now new information has come her way and she reopens the investigation—and a rush of old wounds—with a vengeance. Soon the personal becomes dangerously political as Molly’s search for the truth leads her from the stately halls of Texas government to the mean streets of Austin’s down-and-out—and ultimately to a moral dilemma she never could have anticipated.*

A young doctor who has devoted his life to serving those suffering from leprosy is struck by a terminal illness. He is only 40, when this diagnosis threatens to crush everything he holds so dear - his dreams, his faith, and even his own uniquely optimistic and joyous nature. I Will Lie Down in Peace is a touching account of how Dr Kumar Jesudasan and his young family cope with the confusion, anger, pain and loneliness brought on by this illness. The manner in which Kumar converts his painful confrontation with death into a positive and healing experience is told in this warm and moving book by his wife, Usha. The proceeds from the sale of this book will go towards the work Dr Kumar dedicated his life to: the care of those suffering from leprosy.

Tells the stories of Dellums’s remarkable life and of his political battles, with lessons learned about leadership, politics, and the importance of building coalitions to effect change. Profound and humane, Lying Down with the Lions ensures Ronald Dellums’s place as one of our most important leaders of the second half of the 20th century. When Dellums arrived in Washington in 1971 to represent Oakland, California, in the House of Representatives, his radical activism had already earned him a place on Nixon’s enemy list. When he retired in 1998—his radicalism still intact—he left a record of accomplishment that has made an indelible mark on our political landscape. From his days as a freshman from California’s 9th Congressional District, to helping to found the Congressional Black Caucus, to being the first African-American to serve on and later chair the House Armed Services Committee, Dellums’s tenure in the House is both a testament to his significant career and a crucible of American politics at the close of the century.

Carol Goodman has written a captivating novel about the life of two young girls in 1933, the height of the Depression, weaving in the stories of the families, a local murder, and the racial tensions that erupt in their community. Ms. Goodman puts the reader in the midst of this turmoil with subtlety and uncanny perception. This novel is a literary delicacy not to be missed. —Meg Peterson, author of Madam, Have You Ever Been Happy J. Carol Goodman, the well-known short story writer, has turned her considerable talents to the novel. She has written a riveting tale of young friendship and coming of age amidst a swirl of dark events set in a small New Jersey town during the Great Depression. It is a story of mystery, laugh-out-loud humor, deep humanity, and considerable charm. You will fall in love with Theodora. —Jan Slepian, author of award-winning The Alfred Summer and Astonishment: Life in the Slow Lane. Daring, dangerous and sometimes hilarious adventures, Theodora Davis, a minister’s daughter, in the height of the Depression and her best friend, Glorybe, are determined to make money to put food on the table. Glorybe’s father is ill and might lose his job or even die. Theodora has her first serious crush on him as she comes of age. The story occurs in the backdrop of racial tensions, which affects Theodora’s Colored friend, Jeremiah Johnson, who worked in the yard of the murdered man. Was he the murderer? Tension also rises between Theodora’s mother and father. Her mother is bombshell of an activist, unheard of in those days, to give “Colored” people equal rights. Her father believes the only way to bring about change is to change peoples’ hearts through the spirit of God. He is frightened that her mother’s actions are endangering the very people she so fervently wants to help. This conflict is resolved through a startling act at the end by Theodora’s father, an act that is against his moral precepts and against the law.
