NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary

Obi Okonkwo is an idealistic young man who, thanks to the privileges of an education in Britain, has now returned to Nigeria for a job in the civil service. However in his new role he finds that the way of government seems to be backhanders and corruption. Obi manages to resist the bribes that are offered to him, but when he falls in love with an unsuitable girl - to the disapproval of his parents - he sinks further into emotional and financial turmoil. The lure of easy money becomes harder to refuse, and Obi becomes caught in a trap he cannot escape. Showing a man lost in cultural limbo, and a Nigeria entering a

new age of disillusionment, No Longer at Ease concludes Achebe's remarkable trilogy charting three generations of an African community under the impact of colonialism, the first two volumes of which are Things Fall Apart and Arrow of God. From the legendary author of Things Fall Apart comes a long-awaited memoir about coming of age with a fragile new nation, then watching it torn asunder in a tragic civil war The defining experience of Chinua Achebe's life was the Nigerian civil war, also known as the Biafran War, of 1967–1970. The conflict was infamous for its savage impact on the Biafran people, Chinua Achebe's people, many of whom were starved to death after the Nigerian government blockaded their borders. By then, Chinua Achebe was already a world-renowned novelist, with a young family to protect. He took the Biafran

side in the conflict and served his government as a roving cultural ambassador, from which vantage he absorbed the war's full horror. Immediately after, Achebe took refuge in an academic post in the United States, and for more than forty years he has maintained a considered silence on the events of those terrible years, addressing them only obliquely through his poetry. Now, decades in the making, comes a towering reckoning with one of modern Africa's most fateful events, from a writer whose words and courage have left an enduring stamp on world literature. Achebe masterfully relates his experience, both as he lived it and how he has come to understand it. He begins his story with Nigeria's birth pangs and the story of his own upbringing as a man and as a writer so that we might come to understand the country's promise, which

turned to horror when the hot winds of hatred began to stir. To read *There Was a Country* is to be powerfully reminded that artists have a particular obligation, especially during a time of war. All writers, Achebe argues, should be committed writers—they should speak for their history, their beliefs, and their people. Marrying history and memoir, poetry and prose, *There Was a Country* is a distillation of vivid firsthand observation and forty years of research and reflection. Wise, humane, and authoritative, it will stand as definitive and reinforce Achebe's place as one of the most vital literary and moral voices of our age.

missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

Chinua Achebe is Africa's most prominent writer, the author of Things Fall Apart, the best known--and best selling--novel ever to come out of Africa. His fiction and poetry burn with a passionate commitment to political justice, bringing to life not only Africa's troubled encounters with Europe but also the dark side of contemporary African political life. Now, in Home and

Exile, Achebe reveals the man behind his powerful work. Here is an extended exploration of the European impact on African culture, viewed through the most vivid experience available to the author--his own life. It is an extended snapshot of a major writer's childhood, illuminating his roots as an artist. Achebe discusses his English education and the relationship between colonial writers and the European literary tradition. He argues that if colonial writers try to imitate and, indeed, go one better than the Empire, they run the danger of undervaluing their homeland and their own people. Achebe contends that to redress the inequities of global oppression, writers must focus on where they come from, insisting that their value systems are as legitimate as any other. Stories are a real source of power in the world, he concludes, and to imitate the literature of another
