The purpose of this case study is to explore the impact that Third Culture Kids have on one international school community. Third Culture Kids or TCKs are children who live in a culture that is not the culture of their parents (Pollock & Van Reken, 1999).

## Access Free Third Culture Kids The Experience Of Growing Up Among Worlds

The concept of Third Culture Kids (TCKs), children who follow their globetrotting parents around the world, is not a new one and has been widely studied. However, there is one specific
