knows no limits. Rob Coates is a survivor. He'd thought he'd won the lottery of life—a beautiful home, an incredible wife Anna, and their precious son Jack, who makes every day an extraordinary adventure. But when tragedy befalls his family, Rob becomes his own worst enemy, pushing away all he holds dear. With his world now suddenly just outside of his grasp, Rob turns to photography, capturing the beautiful skyscrapers and clifftops he used to visit—memories of the time when his family was happy. And just when it feels as though there's nowhere left to turn, Rob

Two Three, a timely, topical novel about love and family that will make you laugh and cry...and laugh again. In a town where nothing ever changes, suddenly everything does... Everyone knows everyone in the tiny town of Bourne, but the Mitchell triplets are especially beloved. Mirabel is the smartest person anyone knows, and no one doubts it just because she can't speak. Monday is the town's purveyor of books now that the library's closed—tell her the book you think you want, and she'll pull the one you actually do from the microwave or her sock drawer. Mab's job is hardest of

all: get good grades, get into college, get out of Bourne. For a few weeks seventeen years ago, Bourne was national news when its water turned green. The girls have come of age watching their mother's endless fight for justice. But just when it seems life might go on the same forever, the first moving truck anyone's seen in years pulls up and unloads new residents and old secrets. Soon, the Mitchell sisters are taking on a system stacked against them and uncovering mysteries buried longer than they've been alive. Because it's hard to let go of the past when the past won't let go of you. Three unforgettable

Austin, Texas, and experiences the joys, clichés, and awkward humiliations of the American high school experience—including falling in love. Perfect for fans of Nicola Yoon, When Dimple Met Rishi, and John Green. Norris Kaplan is clever, cynical, and quite possibly too smart for his own good. A Black French Canadian, he knows from watching American sitcoms that those three things don't bode well when you are moving to Austin, Texas. Plunked into a new high school and sweating a ridiculous amount from the oppressive Texas heat, Norris finds himself cataloging everyone he meets: the Cheerleaders, the Jocks, the Loners, and even the Manic Pixie Dream Girl. Making a ton of friends has never been a priority for him, and this way he can at least amuse himself until it's time to go back to Canada, where he belongs.

Yet against all odds, those labels soon become actual people to Norris...like loner Liam, who makes it his mission to befriend Norris, or Madison the beta cheerleader, who is so nice that it has to be a trap. Not to mention Aarti the Manic Pixie Dream Girl, who might, in fact, be a real love interest in the making. But the night of the prom, Norris screws everything up royally. As he tries to pick up the pieces, he realizes it might be time to stop hiding behind his snarky opinions and start living his life—along with the people who have found their way into his heart.

Follow the real lives of seven kids from Italy, Japan, Iran, India, Peru, Uganda, and Russia for a single day! In Japan Kei plays Freeze Tag, while in Uganda Daphne likes to jump rope. But while the way they play may differ, the shared rhythm of their days—and this one world

A Sudden Light

From the author of the million-copy bestselling *The Art of Racing in the Rain* comes the breathtaking and long-awaited new novel. This novel centres on four generations of a once terribly wealthy and influential timber family who have fallen from grace; a mysterious yet majestic mansion, crumbling slowly into the bluff overlooking Puget Sound in Seattle; a love affair so powerful it reaches across the planes of existence; and a young man who simply wants his parents to once again experience the moment they fell in love, hoping that if he can feel that emotion again, maybe they won't get divorced after all.

"A wrenching tale of first love and loss that exposes the undercurrents of a tidy suburban world." --Provided by publisher.

and escape his cruel home. Falling in love with his roommate was certainly not on the agenda, but fear and shame force him to hide his love and true self. Back home, weighed down by the expectations of their wealthy and powerful family, the love of Oto's twin sister wavers and, as their world begins to crumble around them, Oto must make drastic choices that will alter the family's lives for ever. Richly imagined with art, proverbs and folk tales, this moving and modern novel follows Oto through life at home and at boarding school in Nigeria, through the heartbreak of living as a boy despite their profound belief they are a girl, and through a hunger for

best friend, Nash. He's an incredibly talented graphic novelist. He loves books almost as much as she does. And she never has to deal with the awkwardness of seeing him in real life. They can talk about anything... Except who she really is. Because online, Halle isn't Halle—she's Kels, the enigmatically cool creator of One True Pastry, a YA book blog that pairs epic custom cupcakes with covers and reviews. Kels has everything Halle doesn't: friends, a growing platform, tons of confidence, and Nash. That is, until Halle arrives to spend senior year in Gramps's small town and finds herself face-to-face with real, human, not-behind-a-screen Nash.

If Halle tells him who she is, it will ruin the non-awkward magic of their digital friendship. Not telling him though, means it can never be anything more. Because while she starts to fall for Nash as Halle...he's in love with Kels.

Keeping A Big Secret

This work relates the adventures of an unnamed narrator crawling through the mud while dragging a sack of canned food. It is written as a sequence of unpunctuated paragraphs divided into three sections. "In Yemen in 1920 ... Adela Damari's parents desperately seek a future husband for their young daughter. After passage of the Orphan's Decree, any unbetrothed Jewish child left orphaned will be instantly adopted by the local Muslim community. With her parents' health failing, and no spousal prospects in sight, Adela's situation looks dire until

In this joyful and impactful picture book, a transgender boy prepares for the first day of school and introduces himself to his family and friends for the first time. Calvin has always been a boy, even if the world sees him as a girl. He knows who he is in his heart and in his mind but he hasn't yet told his family. Finally, he can wait no longer: "I'm not a girl," he tells his family. "I'm a boy--a boy in my heart and in my brain."

Quick to support him, his loving family takes Calvin shopping for the swim trunks he's always wanted and back-to-school clothes and a new haircut that helps him look and feel like the boy he's always known himself to be. As the first day of school approaches, he's nervous and the "what-ifs" gather up inside him. But as his friends and teachers rally around him and he tells them his name, all his "what-ifs" begin to melt away. Inspired by the authors' own transgender child and accompanied by warm and triumphant illustrations, this authentic and personal text promotes kindness and

attacks whenever she thinks about how her life hasn't turned out the way she dreamed. Even the beloved honeybees she raises in her spare time aren't helping her feel better these days. In the grip of a panic attack, she nearly collides with Jake--a troubled, paraplegic teenager with the tallest mohawk in Hood River County--while carrying 120,000 honeybees in the back of her pickup truck. Charmed by Jake's sincere interest in her bees and seeking to rescue him from his toxic home life, Alice surprises herself by inviting Jake to her farm. And then there's Harry, a

A physician-anthropologist explores how public health practices--from epidemiological modeling to outbreak containment--help perpetuate global inequities. In *Epidemic Illusions*, Eugene Richardson, a physician and an anthropologist, contends that public health practices--from epidemiological modeling and outbreak containment to Big Data and causal inference--play an essential role in perpetuating a range of global inequities. Drawing on postcolonial theory, medical anthropology, and critical science studies, Richardson

They're just not sure they're ready to share that with the world. Soon the entire family is keeping Claude's secret. Until one day it explodes. Laurie Frankel's *This Is How It Always Is* is a novel about revelations, transformations, fairy tales, and family. And it's about the ways this is how it always is: Change is always hard and miraculous and hard again, parenting is always a leap into the unknown with crossed fingers and full hearts, children grow but not always according to plan. And families with secrets don't get to keep them forever.

becomes both pregnant and single at the end of one spring semester, she and her two closest friends plunge into an experiment in tri-parenting, tri-schooling, and trihabiting as grad students in Seattle. Naturally, everything goes wrong, but in ways no one sees coming. Janey Duncan narrates the adventure of this modern family with hilarity and wisdom and shows how three lives are forever changed by (un)cooperative parenting, literature, and a tiny baby named Atlas who upends and uplifts their entire world. In this sparkling and wise debut novel, *The Atlas of Love*, Frankel's unforgettable heroines prove that home is simply where the love is.

A highly anticipated memoir by Gabriel Byrne, the award-winning

Read Free This Is How It Always Is The Warm And Uplifting Novel About A Family star of over 80 films, *Walking with Ghosts* is an exquisite portrait of an Irish childhood and a remarkable journey to Hollywood and Broadway success. "Make no mistake about it: *Walking with Ghosts* is a masterpiece. A book that will wring out our tired hearts. It is by turns poetic, moving, and very funny. You will find it on the shelf alongside other great Irish memoirs including those by Frank McCourt, Nuala O'Faolain and Edna O'Brien." —Colum McCann

As a young boy growing up in the outskirts of Dublin, Gabriel Byrne sought refuge in a world of imagination among the fields and hills near his home, at the edge of a rapidly encroaching city. Born to working class parents and the eldest of six children, he harbored a

childhood desire to become a priest. When he was eleven years old, Byrne found himself crossing the Irish Sea to join a seminary in England. Four years later, Byrne had been expelled and he quickly returned to his native city. There he took odd jobs as a messenger boy and a factory laborer to get by. In his spare time, he visited the cinema where he could be alone and yet part of a crowd. It was here that he could begin to imagine a life beyond the grey world of 60s Ireland. He reveled in the theatre and poetry of Dublin's streets, populated by characters as eccentric and remarkable as any in fiction, those who spin a yarn with acuity and wit. It was a friend who suggested Byrne join an amateur drama group, a decision that would

change his life forever and launch him on an extraordinary forty-year career in film and theatre. Moving between sensual recollection of childhood in a now almost vanished Ireland and reflections on stardom in Hollywood and Broadway, Byrne also courageously recounts his battle with addiction and the ambivalence of fame. *Walking with Ghosts* is by turns hilarious and heartbreaking as well as a lyrical homage to the people and landscapes that ultimately shape our destinies.
