

Thousand Year Eve By Angelo Rodriguez Lacuesta

"Angelo Lacuesta's stories are a state-of-the-art reckoning of modern-day realities. Refined and cosmopolitan in tone and diction, they manifest a global, nay, universal delicate nuances of relations, from the quirky to the erotic. Subtle in their underpinnings, these savvy narratives locate characters in myriad depths of provenance. From downbeat, the cadence of imaginative contretemps bespeaks an old soul with a fresh voice. Marvelously, this collection can only augur well for contemporary Philippine literature." —Alfred A. Yuson, author of *Poems Singkwenta'y Cinco*

A Literary Reference to His Life and Work

Exploring cultural expressions of Puerto Rican queer migration from the Caribbean to New York, Philadelphia, Chicago, and San Francisco, Lawrence La Fountain-Stokes analyzes how artists have portrayed their lives and the discrimination they have faced in both Puerto Rico and the United States. Highlighting cultural and political resistance within Puerto Rico's gay, lesbian, bisexual, and transgender subcultures, La Fountain-Stokes pays close attention to differences of gender, historical moment, and generation, arguing that Puerto Rican queer identity changes over time and is experienced in very different ways. He traces an arc from 1960s Puerto Rico and the writings of Luis Rafael Sánchez to New York City in the 1970s and 1980s (Manuel Ramos Otero), Philadelphia and New Jersey in the 1980s and 1990s (Luz María Umpierre and Frances Negrón-Muntaner), and Chicago (Rose Troche) and San Francisco (Erika López) in the 1990s, culminating with a discussion of Arthur Avilés and Elizabeth Marrero's recent dance-theater work in the Bronx. Proposing a radical new conceptualization of Puerto Rican migration, this work reveals how sexuality has shaped and defined the Puerto Rican experience in the United States.

Touching on the work of philosophers including Richardson, Kant, Hume, Wittgenstein, Nietzsche, and Dewey, this study examines the history of what philosophers have had to say about "Shakespeare" as a subject of philosophy, from the seventeenth-century to the present. Stewart's volume will be of interest to Shakespeareans, literary critics, and philosophers.

Perspectives from Eastern Europe

The World beyond the West

Because of Eve

Christian Students and World Problems

The Repository of Arts, Literature, Commerce, Manufactures, Fashions and Politics

No matter how one defines its extent and borders, Eastern Europe has long been understood as a liminal space, one whose undeniable cultural and historical continuities with Western Europe have been belied by its status as an "Other" in the Western imagination. Across illuminating and provocative case studies, *The World beyond the West* focuses on the region's ambiguous relationship to historical processes of colonialism and Orientalism. In exploring encounters with distant lands through politics, travel, migration, and exchange, it places Eastern Europe at the heart of its analysis while decentering the most familiar narratives and recasting the history of the region.

Because of Eve is a thorough examination of how the Church and Christian men sought to define women and the roles women must play within the church, home, and society for more than two thousand years. The book examines the works of theologians, decrees of councils, canon law, statements of faith, and a myriad of other pronouncements that affected their generation--and the following generation's--beliefs concerning women. Each chapter considers the era in which these beliefs were voiced, as much of what was accepted as orthodoxy was reflected in or based on cultural beliefs.

WORDS OF PRAISE This important study surveys the roles of women, roles often assigned to them by men, through both biblical testaments and across Christian history to the contemporary church. It is a significant research resource for understanding historical, theological, spiritual and cultural interactions between males and females and the religious dogmas that influenced and divided them. ---Bill J. Leonard, Emeritus Professor of Divinity, Wake Forest University Joseph Early has meticulously researched the primary sources throughout the history of the Church to show definitively how men, for their own purposes, have used the Bible to categorize and define women. Early then goes further to show how these erroneous and unbiblical beliefs are reflected and amplified in some modern-day theologies and practices. As an observer of this six-year long research project, I can attest to the author's innate dedication and fidelity to the task of showing how God's word is not detrimental to women but instead uplifts them as co-heirs with Christ and indeed, on equal ground with their brothers in Christ. --Twyla K. Hernández, Professor of Missions, Campbellsville University Joseph Early 's Because of Eve: Historical and Theological Survey of the Subjugation of Women in the Christian Tradition is an incredibly useful compendium of Christian men 's beliefs about women across church history. With careful detail and ample primary source evidence, Early demonstrates how for most of church history, men have offered biblical interpretations and constructed misogynistic theologies that maintain and reproduce the subordination of women. This volume will be helpful for academics and general readers alike for its comprehensive documentation of the treatment of women in men 's thinking and writing from biblical times until the present. ---Susan M. Shaw, Professor of Women, Gender, and Sexuality Studies, Oregon State University
