

Three Cheers For No Ears Paperback

Yearning to receive absolution that will forgive a platitude of sins during his lifetime of service to the Roman Catholic Church as a curate of Rome, the dying Father Patrick OFlannery Donovan of the Society for Jesus makes his last confession. That confession transforms into a full exposition of the triumphs and tragedies befalling his Holy Mother Church during the twentieth century. However, while this confession is a compelling history of Vatican City, it is an account the Holy See is desperate to forever keep hidden from the lay public. But can a monumental, epic story of this caliber truly remain eternally classified as secrets of the State?

It is 1916. Bartholomew Bandy, fourth-year medical student, decides that it is time to join the War. The prim young Canadian expects that he will have few problems remaining clean and virtuous. But he is aware that his bland, horse-like face drives people crazy, and that he has a certain tendency to be accident-prone. How will the war affect him, and vice versa?

The realities of trench war at the front provide a contrasting backdrop for his adventures, as he blunders into contact with all sorts of people, both fictional and historical (the King, Lester Pearson, and Winston Churchill). Three Cheers For Me was first published in 1962, to wide critical acclaim. This expanded version first appeared in 1973, to launch the series now known as The Bandy Papers.

Three Cheers for No-Ears!

Have you ever wondered where terms like 'end of your tether', 'gets my goat' or 'letting ones hair down' come from? Or why we call some people 'geezers', 'sugar daddies' or 'lounge lizards'? Or where the words 'eavesdropping', 'nickname' and 'D-Day' come from? They are just a few of the many words and phrases that language expert Max Cryer examines in this fact-filled and fun new book. Max explains where these curious expressions come from, what they mean and how they are used. Along the way he tells a host of colourful anecdotes and

"The king of the gnomes has a magic pipe with which he blows a wonderful bubble and taking Ned. with him they both have a delightful time in Gnomeland"--Publisher's advertisement.

The dwarves have gone to battle and they have been victorious. But outside the realm, dark forces are at work.. . A secret army of Orcs, made immortal by the hidden powers of the Black Water, now marches towards Girdlegard, set to unleash its fury upon the kingdom. Sooner than they realize, Tungdil and his comrades will need to summon all their courage to do battle against this bloodthirsty horde. The Orcs are not the only threat. An unspeakable new power is growing and threatens the very

existence of the dwarves. But both enemies have forgotten one very important truth: a dwarf is never more dangerous than when total obliteration seems inevitable . . .

Once there was an elephant whose ears were so small, all the other elephants called him No-Ears. No-Ears is not a happy elephant. Constantly teased for being different, it's not until the old grand-daddy bull elephant finds himself in a spot of bother that No-Ears discovers that being different can be an advantage!

The Pocket Kenkyusha Japanese Dictionary is an essential reference for any English-speaker learning Japanese, whether they're studying the language at school or university, or learning it on their own. It offers detailed coverage of Japanese vocabulary, giving headwords and examples in both romanized and script form, along with thousands of examples that help you find the translation you need quickly and easily.

Translations for each entry are clear and concise, and offer guidance on grammar and usage, with slang, formal, and derogatory terms clearly marked. Additional supplements include a guide to grammar; help with pronunciation, numbers, and days of the week; and cultural information, covering topics such as the government, political parties, and historical periods of Japan. Readership: An essential reference for all English-speakers learning Japanese, whether they're at school, university, or teaching themselves the language.

Writing What You Know

Harper's Young People

The truth behind the expressions we use

It's easy for people to write about their feelings in a journal. It's more difficult, however, to convert personal experiences into stories worthy of publication?fiction, non-fiction, or poetry. Filled with engaging exercises, *Write from Life* guides writers in identifying story-worthy material and transforming their raw material into finished pieces, through conquering fears associated with personal exposure, determining a story's focus, shaping the material into a cohesive whole, and editing and revising

as needed. Writers working in any form will find this book invaluable for supplying them with the inspiration and practical instruction they need to get their experiences and emotions into print. In addition, they will learn to: Tap into difficult, guarded parts of their lives to tell the stories they desire Write emotionally intense material Decide which literary form is right for their stories Create the illusion of real speech with effective dialogue Tell their stories with authority Develop effective beginnings, middles, and ends Share their work with others and deal with reactions courageously Files' friendly, encouraging advice makes it a pleasure for writers to write the stories they are most passionate about. In an age when publishing can mean pushing a button on Facebook, Twitter, or a blog, there is an enduring urge to send stories out into the world. In an atmosphere of misinformation and lies that social media and the ease of publishing may encourage, we especially crave truth. The time to start telling it is now? so many aspiring writers have truths worth sharing and stories begging to be told! Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are

deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.
