Beautifully illustrated classic fairytale in a lovely a large format.

The wolf gives his own outlandish version of what really happened when he tangled with the three little pigs.

English Fairy Tales By Flora Annie Steel "One of the great nineteenth-century folklorists, Joseph Jacobs collected stories from oral sources and made scholarly notes on their origin, but he deliberately recorded them in a plain and direct style which he thought suitable for children and which makes them 'supremely tellable'. First published in 1890, his famous collection includes all the well-known tales, such as JACK AND THE BEANSTALK and DICK WHITTINGTON, as well as British variants of stories common to many cultures. The illustrations by John Batten are taken from the first edition." We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Introduce kids to the planets and solar system in this fractured fairy tale retelling of the classic The Three Little Pigs. Parents and children alike will adore this out-of-this-world story, which is set in outer space! GREEP BOINK MEEP! The three little aliens are happily settling into their new homes when the Big Bad Robot flies in to crack and smack and whack their houses down! All of the animals are afraid of the Selfish Crocodile - he never let's them into his river, and he's always so snappy! And so when the Selfish Crocodile finds himself in terrible pain, no-one wants to help him - after all, what if he gobbles them up? But, to everyone's surprise, there is one animal in the forest who is willing to help . . . A brilliant tale of friendship, The Selfish Crocodile has become a picture book classic.

Retells the story of the three little pigs who leave home to find their fortune, only to meet up with the big bad wolf.

Practice makes perfect in this kick-butt fractured fairy tale. Why does this wolf think he can come to town and blow all the houses down? These three little pigs just aren't going to take it from that bully anymore! The first starts aikido lessons---he'll make mincemeat out of that wolf! His brother learns a little jujitsu--he'll chop that guy to pieces! But when the wolf actually appears, it turns out these two pigs aren't quite ready after all. Good thing their

sister has been training every day to master some serious karate moves that save the day. KIYA! Corey Rosen Schwartz serves up a fun combination of smart-aleck dialogue and tongue-in-cheek rhymes that'll have kids howling, and rising star Dan Santat's spunky illustrations are sure to pack a punch!
