

Throne Of Jade The Temeraire Series Book 2

British naval officer Will Laurence's partnership with Temeraire, a rare Chinese imperial dragon, is threatened when Temeraire is summoned to the imperial court by the powerful Chinese emperor, who had intended the dragon to be a gift for Napoleon Bonaparte, not the companion of a lowly English pilot.

Book 2 of The Survivalist Series No electricity. No running water. No food. No end in sight. If life as you knew it changed in an instant, would you be prepared? In A. American's first novel, Going Home, readers were introduced to Morgan Carter, the resourceful, tough-as-nails survivalist who embarks on a treacherous 250-mile journey across Florida following the collapse of the nation's power grid. Now reunited with his loving wife and daughters in this follow-up to Going Home, Morgan knows that their happiness is fleeting, as the worst is yet to come. Though for years Morgan has been diligently preparing for emergency situations, many of his neighbors are completely unready for life in this strange new world--and they're starting to get restless. With the help of his closest companions, Morgan fights to keep his home secure--only to discover shocking information about the state of the nation in the process. Fans of James Wesley Rawles, William R. Forstchen's One Second After, and The End by G. Michael Hopf will revel in A. American's apocalyptic tale.

Crucible of Gold

Captain Laurence washes onto the shores of Japan with limited memories about his life, a situation that tests the strength of his bond with the dragon Temeraire.

Naomi Novik's stunning series of novels follow the global adventures of Captain William Laurence and his fighting dragon Temeraire as they are thrown together to fight for Britain during the turbulent time of the Napoleonic Wars.

The man Mary Anne Drew wants is marrying someone else! So to win him back, she buys a love potion. Mary Anne's not convinced spells and potions work, but still, she has to do something. Too bad the wrong man—aka Graham Corbett—drinks it. Then strange things begin to happen.... Graham has never shown any interest in Mary Anne. In fact, their arguments are legendary. But now Graham is acting anything but hostile! Could the potion really work? Or was Mary Anne looking for love in the wrong place all along?

In the third novel of the New York Times bestselling Temeraire series, Captain Will Laurence and his dragon transport precious cargo while fending off enemies on all sides. "A splendid series."--Anne McCaffrey
After their fateful adventure in China, Captain Will Laurence of His Majesty's Aerial Corps and his extraordinary dragon, Temeraire, are waylaid by a mysterious envoy bearing urgent new orders from Britain. Three valuable dragon eggs have been purchased from the Ottoman Empire, and Laurence and Temeraire must detour to Istanbul to escort the precious cargo back to England. Time is of the essence if the eggs are to be borne home before hatching. Yet disaster threatens the mission at every turn--thanks to the diabolical machinations of the Chinese dragon Lien, who blames Temeraire for her master's death and vows to ally herself with Napoleon and take vengeance. Then, faced with shattering betrayal in an unexpected place, Laurence, Temeraire, and their squad must launch a daring offensive. But what chance do they have against the massed forces of Bonaparte's implacable army?

The Mythic Dream

An historical fantasy with bite. This debut novel from Naomi Novik is set in the Napoleonic period and layers history with imagination and fantasy by adding a Dragon Air force to the battle for England.

From the New York Times bestselling author of the Temeraire novels comes

the first graphic novel in a thrilling new saga about the next generation of high-flying costumed crusaders HEROISM 101 As universities go, Liberty Vocational is the private college of choice for budding superheroes learning to master their extraordinary powers for the good of humankind. But for sixteen-year-old Leah Taymore, just making her way through classes without incident is shaping up to be a superhuman task. Star struck by legendary ex-hero turned student advisor Calvin Washington, petrified by ultrastrict dean Dr. Santos, and tongue-tied over her supercool (and handsome) classmate Paul Lyman, timid Leah fears that even her ability to manipulate atoms won't be enough to survive the rigors of L.V.—and become a full-fledged defender of all that is right. But the real test of her mettle is yet to come, in the form of infamous supervillain Bane, who has infiltrated Liberty with a sinister plan to bring down the best and brightest heroes of tomorrow before they even take flight.

A captivating picture book biography of a boy who imagined a world full of dragons and grew up to be beloved author J. R. R. Tolkien. John Ronald loved dragons. He liked to imagine dragons when he was alone, and with his friends, and especially when life got hard or sad. After his mother died and he had to live with a cold-hearted aunt, he looked for dragons. He searched for them at his boarding school. And when he fought in a Great War, he felt as if terrible, destructive dragons were everywhere. But he never actually found one, until one day, when he was a grown man but still very much a boy at heart, when he decided to create one of his own. John Ronald's Dragons, a picture book biography by Caroline McAlister and illustrated by Eliza Wheeler, introduces the beloved creator of Middle Earth and author of The Hobbit and The Lord of the Rings to a new generation of children who see magic in the world around them.

Saving the world is a test no school of magic can prepare you for in the triumphant conclusion to the New York Times bestselling trilogy that began with A Deadly Education and The Last Graduate. The one thing you never talk about while you're in the Scholomance is what you'll do when you get out. Not even the richest enclaver would tempt fate that way. But it's all we dream about: the hideously slim chance we'll survive to make it out the gates and improbably find ourselves with a life ahead of us, a life outside the Scholomance halls. And now the impossible dream has come true. I'm out, we're all out—and I didn't even have to turn into a monstrous dark witch to make it happen. So much for my great-grandmother's prophecy of doom and destruction. I didn't kill enclavers, I saved them. Me and Orion and our allies. Our graduation plan worked to perfection: We saved everyone and made the world safe for all wizards and brought peace and harmony to all the enclaves everywhere. Ha, only joking! Actually, it's gone all wrong. Someone else has picked up the project of destroying enclaves in my stead, and probably everyone we saved is about to get killed in the brewing enclave war. And the first thing I've got to do now, having miraculously gotten out of the Scholomance, is turn straight around and find a way back in.

From the New York Times bestselling author of A Deadly Education comes the eighth and penultimate volume of the Temeraire series, in which Will Laurence finds himself shipwrecked in Japan with no memory of his dragon, Temeraire, or his past. "A first-class entry in a remarkable and appealing series." —Kirkus Reviews (starred review) This alternate version of the Napoleonic War—with dragons!—ramps up as the eighth and penultimate Temeraire novel takes us to Japan, where a shattered Captain Laurence is washed up on the shores remembering nothing of his past save as the captain of the navy ship Reliant. He struggles to remember why he is in Japan and why he has a startling knowledge of the Chinese language. He has no memory whatever of his dragon, Temeraire—which distresses Temeraire greatly when they are finally reunited. But so great is their bond that the two once again find themselves at the forefront of the war against Napoleon . . . just when all looks most hopeless. Throne of Jade A Novel of Temeraire Del Rey

Together in one volume, here are the first three novels in Naomi Novik's

New York Times bestselling Temeraire series, combining the gripping history of the Napoleonic era, the thrill of Anne McCaffrey's Dragonriders of Pern books, and the excitement of Patrick O'Brian's seafaring adventures. In His Majesty's Service also includes an exclusive original Temeraire short story. Capt. Will Laurence is serving with honor in the British Navy when his ship captures a French frigate harboring most a unusual cargo—an incalculably valuable dragon egg. When the egg hatches, Laurence unexpectedly becomes the master of the young dragon Temeraire and finds himself on an extraordinary journey that will shatter his orderly, respectable life and alter the course of his nation's history. Thrust into England's Aerial Corps, Laurence and Temeraire undergo rigorous training while staving off French forces intent on breaching British soil. But the pair has more than France to contend with when China learns that an imperial dragon intended for Napoleon—Temeraire himself—has fallen into British hands. The emperor summons the new pilot and his dragon to the Far East, a long voyage fraught with peril and intrigue. From England's shores to China's palaces, from the Silk Road's outer limits to the embattled borders of Prussia and Poland, Laurence and Temeraire must defend their partnership and their country from powerful adversaries around the globe. But can they succeed against the massed forces of Bonaparte's implacable army?

A latest work by the award-winning author of *Victory of Eagles* continues the adventurous partnership between a British naval captain and a fighting dragon who work to protect their island home from the forces of Napoleon.

An all-new anthology of eighteen classic myth retellings featuring an all-star lineup of award-winning and critically acclaimed writers. Madeleine L'Engle once said, "When we lose our myths we lose our place in the universe." *The Mythic Dream* gathers together eighteen stories that reclaim the myths that shaped our collective past, and use them to explore our present and future. From Hades and Persephone to Kali, from Loki to Inanna, this anthology explores retellings of myths across cultures and civilizations. Featuring award-winning and critically acclaimed writers such as Seanan McGuire, Naomi Novik, Rebecca Roanhorse, JY Yang, Alyssa Wong, Indrapramit Das, Carlos Hernandez, Sarah Gailey, Ann Leckie, John Chu, Ursula Vernon, Carmen Maria Machado, Stephen Graham Jones, Arkady Martine, Amal El-Mohtar, Jeffrey Ford, and more, *The Mythic Dream* is sure to become a new classic.

From the New York Times bestselling author of *A Deadly Education* comes the fourth volume of the Temeraire series, as the Napoleonic Wars bring Will Laurence and Temeraire to Africa in search of aid. "Temeraire is a dragon for the ages."—Terry Brooks *Tragedy* has struck His Majesty's Aerial Corps, whose magnificent fleet of fighting dragons and their human captains valiantly defends England's shores against the encroaching armies of Napoleon Bonaparte. An epidemic of unknown origin and no known cure is decimating the noble dragons' ranks—forcing the hopelessly stricken into quarantine. Now only Temeraire and a pack of newly recruited dragons remain uninfected—and stand as the only means of an airborne defense against France's ever bolder sorties. Bonaparte's dragons are already harrowing Britain's ships at sea. Only one recourse remains: Temeraire and his captain, Will Laurence, must take wing to Africa, whose shores may hold the cure for the mysterious and deadly contagion. Naomi Novik's stunning series of novels follow the global adventures of Captain William Laurence and his fighting dragon Temeraire as they are thrown together to fight for Britain during the turbulent time of the Napoleonic Wars.

From the legendary New York Times bestselling author of *Only a Kiss and Only a Promise* comes the final book in the rapturous *Survivor's Club* series—as the future of one man lies within the heart of a lost but never-forgotten love... For the first time since the death of his wife, the Duke of Stanbrook is considering remarrying and finally embracing happiness for himself. With that thought comes the treasured image of a woman he met briefly a year ago and never saw again. Dora Debbins relinquished all hope to marry when a family scandal left her in charge of her younger sister. Earning a modest living as a music teacher, she's left with only an unfulfilled dream. Then one afternoon, an unexpected visitor makes it come true. For both George and Dora that brief first encounter was as fleeting as it was unforgettable. Now is the time for a second chance. And while even true love comes with a risk, who are two dreamers to argue with destiny?

The Throne of Jade

His Majesty's Dragon

From the New York Times bestselling author of A Deadly Education comes the fifth volume of the Temeraire series, as Will Laurence and Temeraire struggle to reunite and face the Napoleonic army on London's doorstep. "A story about friendship that transcends not only time and class, but species."—NPR For Britain, conditions are grim: Napoleon's resurgent forces have breached the Channel and successfully invaded English soil. Napoleon's prime objective is the occupation of London. Unfortunately, the dragon Temeraire has been removed from military service—and his captain, Will Laurence, has been condemned to

death for treason. Separated by their own government and threatened at every turn by Napoleon's forces, Laurence and Temeraire must struggle to find each other amid the turmoil of war. If only they can be reunited, master and dragon might rally Britain's scattered resistance forces and take the fight to the enemy as never before, for king and country—and for their own liberty.

In the holy city of Tova, the winter solstice is usually a time for celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial event proscribed by the Sun Priest as an unbalancing of the world.

From the New York Times bestselling author of *A Deadly Education* comes the sixth volume of the Temeraire series, as Will Laurence and Temeraire are exiled to Australia in the ever expanding war between Napoleon and Britain. "Temeraire and his fellow dragons are surely Novik's finest accomplishment."—BookPage Convicted of treason despite their heroic defense against Napoleon's invasion of England, Temeraire and Captain Will Laurence have been transported to a prison colony in distant Australia—and into a hornet's nest of fresh complications. The colony is in turmoil after the overthrow of military governor William Bligh—aka Captain Bligh, late of HMS *Bounty*. And when Bligh tries to enlist them in his bid to regain office, the dragon and his captain are caught in the middle of a political power struggle. Their only chance to escape the fray is accepting a mission to blaze a route through the forbidding Blue Mountains and into the interior of Australia. But the theft of a precious dragon egg turns their expedition into a desperate recovery operation—leading to a shocking discovery and a dangerous new complication in the global war between Britain and Napoleon.

A collection of the first three novels in Naomi Novik's stunning Temeraire series, following the global adventures of Captain William Laurence and his fighting dragon Temeraire as they are thrown together to fight for Britain during the Napoleonic Wars.

NEW YORK TIMES BESTSELLER • The specter of graduation looms large as Naomi Novik's groundbreaking, New York Times bestselling trilogy continues in the stunning sequel to *A Deadly Education*. HUGO AWARD FINALIST • LOCUS AWARD FINALIST • ONE OF THE BEST BOOKS OF THE YEAR: Polygon, Thrillist, She Reads • "The climactic graduation-day battle will bring cheers, tears, and gasps as the second of the Scholomance trilogy closes with a breathtaking cliff-hanger."—Booklist (starred review) In *Wisdom, Shelter*. That's the official motto of the Scholomance. I suppose you could even argue that it's true—only the wisdom is hard to come by, so the shelter's rather scant. Our beloved school does its best to devour all its students—but now that I've reached my senior year and have actually won myself a handful of allies, it's suddenly developed a very particular craving for me. And even if I somehow make it through the endless waves of maleficaria that it keeps throwing at me in between grueling homework assignments, I haven't any idea how my allies and I are going to make it through the graduation hall alive. Unless, of course, I finally accept my foretold destiny of dark sorcery and destruction. That would certainly let me sail straight out of here. The course of wisdom, surely. But I'm not giving in—not to the mals, not to fate, and especially not to the Scholomance. I'm going to get myself and my friends out of this hideous place for good—even if it's the last thing I do. With keen insight and mordant humor, Novik reminds us that sometimes it is not enough to rewrite the rules—sometimes, you need to toss out the entire rulebook. The magic of the Scholomance trilogy will continue in *The Golden Enclaves*

Temeraire

In the first novel of the New York Times bestselling Temeraire series, a rare bond is formed between a young man and a dragon, and together they must battle in the Napoleonic Wars. "A terrifically entertaining fantasy novel."—Stephen King Aerial combat brings a thrilling new dimension to the Napoleonic Wars as valiant warriors rise to Britain's defense by taking to the skies . . . not aboard aircraft but atop the mighty backs of fighting dragons. When HMS Reliant captures a French frigate and seizes its precious cargo, an unhatched dragon egg, fate sweeps Capt. Will Laurence from his seafaring life into an uncertain future—and an unexpected kinship with a most extraordinary creature. Thrust into the rarified world of the Aerial Corps as master of the dragon Temeraire, he will face a crash course in the daring tactics of airborne battle. For as France's own dragon-borne forces rally to breach British soil in Bonaparte's boldest gambit, Laurence and Temeraire must soar into their own baptism of fire.
