Perfect for fans of Jenny Milchman, Linda Castillo, and Lisa Gardner—the first book in a suspenseful new crime thriller series featuring the tough but haunted police chief Lizzie Snow, a big-city cop with a mission, taking on a small town with a dark side. Moving from Boston to remote Bearkill, Maine, isn't homicide cop Lizzie Snow's idea of a step up. But breaking away

from tragedy and personal betrayal is at least a step in the right direction. Her dead sister's fate still torments her, as does her long-missing niece's disappearance. Lizzie hopes to find the mysteriously vanished child here, amid the coming ice and snow. But in the Great North Woods, something darker and more dangerous than punishing winter is also bound for Bearkill. The town is a world apart in more than distance—full of people who see everything, say little, and know more than they'll share with an outsider. The only exceptions are the handsome

state cop who once badly broke Lizzie's heart and desperately wants another chance—and Lizzie's new boss, sheriff Cody Chevrier, who's counting on her years of homicide experience to help him solve his most troubling case, before it's too late. A rash of freak accidents and suicides has left a string of dead men—all former local cops. Now the same cruel eyes that watched them die are on Lizzie—and so is the pressure to find out what sort of monster has his hooks in this town, what his ruthless game is, and just how brutally he'll play to win. Whatever the

truth is, its twisted roots lie in the desolate backwoods of Aroostook County: where the desperate disappear, the corrupt find shelter, and the innocent lose everything. It's there that a cunning and utterly cold-blooded killer plans the fate of the helpless lives at his mercy—one of whom may be the lost child Lizzie will do anything to save. As a blizzard bears down, and Bearkill's dark secrets claw their way to the surface, Lizzie gears up for a showdown that could leave the deep, driven snow stained blood red. Who knew sleeping with the enemy could be this fun? Was the one night stand a good idea? Well, no.

Probably not in retrospect. In my defense I had just moved back into my grandparent's house, I'd lost my dream job, and a guy on Tinder had stood me up. It was like life had suddenly stamped 'LOSER' on my forehead. So when the guy behind the bar started giving me THE look...you know, the one that

promised I'd be screaming his name into the wee hours of the morning? When that guy also has the perfect amount of scruff on his chiseled chin, biceps bulging out of his t-shirt, and a cocky grin you knew he'd earned in the sack...when he gives you that look, you don't bother to figure out what your six degrees of separation are. You jump on that horse and ride it! Pun fully and completely intended. And accurate by the way. I fully admit to feeling sorry for myself and acting impulsively, but by the time I'd figured out WHO the bartender was, I was already falling for him. **Vaudeville Humor: The
Collected Jokes, Routines,

contains vaudeville jokes,

compiled by comedian Ed Lowry (1896- 1983).

Although occasionally found in bits and pieces in anthologies and in some period dramatic comedies, vaudeville humor has never before been available in one collection— performers rarely if ever kept a record of their jokes and routines. Fortunately, Ed Lowry was an inveterate collector. He kept copious notebooks of jokes and routines that he not only commissioned but also stole from other comics, clipped from newspapers, and copied from now defunct

popular magazines of the day. Editor Paul M. Levitt has reorganized the material into categories that preserve some of the flavor of Lowry's scrapbooks yet provide for finer distinctions. Part one, "Jokes," is organized by subject matter and cataloged by genre, dialects, and wordplay. From "Accidents" to "Work," this exhaustive catalog of humor features over one thousand jokes with topics that range from city slickers and country hicks through midgets and old maids to Swedes and tattoos. Part two, "MC Material: Biz,

Jokes, Routines, and Skits” is germane to the job of master of ceremonies, routines, and skits. It features topics from fractured fairy tales to stuttering. Part three, an appendix, “ Ed Lowry Laffter,” reproduces a privately published collection that is now a rare collector’ s item. “ Although some of the jokes can undoubtedly be found in other places,” explains Levitt in his introduction, “ I know of no source as rich as this one for the twenties and thirties, a period so

abundant in humor that for years afterward it fueled radio, cinema, and television."

What you have in your hands is the story of what author-bartender- painter-raconteur Mike Muri "used to be like," and it ain't pretty. softhearted brawler—took J.R. to the beach, to ballgames, and ultimately into their circle. They taught J.R., tended him, and provided a kind of fathering-by-committee. Torn between the stirring example of his mother and the lurid romance of the bar, J.R. tried to forge a self somewhere in the center. But when it was time for J.R. to leave home, the bar became an increasingly seductive sanctuary, a place to return and regroup during his picaresque journeys. Time and again the

bar offered shelter from failure, rejection, heartbreak—and eventually from reality. In the grand tradition of landmark memoirs, The Tender Bar is suspenseful, wrenching, and achingly funny. A classic American story of self-invention and escape, of the fierce love between a single mother and an only son, it's also a moving portrait of one boy's struggle to become a man, and an unforgettable depiction of how men remain, at heart, lost boys. Whether you're hosting a cocktail party, attending a business lunch, or relaxing with friends at the local brewery pub, you'll gain the confidence to know exactly what you love to drink and serve. And if you want to know how to mix an Old Fashioned on an airplane, that's in there too. Bottoms up!

Arranged by subject, a guide to classic quotations includes pieces for speeches, papers, training seminars, and dinners.

Certain lines define a movie. Marlene Dietrich in Morocco: "Anyone who has faith in me is a sucker." Too, there are lines that fit actor and character. Mae West in I'm No

Angel: "I'm very quick in a slow way." Jane Fonda in California Suite: "Fit? You think I look fit? What an awful shit you are. I look gorgeous." From the classics to the grade-B slasher movies, over 11,000 quotes are arranged by over 900 subjects, like accidents, double entendres, eyes (and other body parts!), ice cream, luggage, parasites, and ugliness. Each quote gives the movie title, production company, year of release, speaker of the line, and, when appropriate, a comment putting the quote in context.

Cosmopolitan: A Bartender's Life is a memoir of the bartending life structured as a

day in the life at Passerby, the bar owned and run by Toby Cecchini. It is, as well, a rich study of human nature—of the sometimes annoying, sometimes outlandish behavior of the human animal under the influence of alcohol, lust, and the sheer desire to bust loose and party. It's not a pretty picture, but it's always compelling through the gimlet-eyed gaze of the author. As his typical day progresses, from the almost pastoral quiet of opening the bar and setting up to the gathering rush of customers dropping in after work to the sheer madness of catering to a crazed crush of funseekers, Toby Cecchini muses over a

life spent in the service industry and the fascinating particulars of his chosen profession. Topics touched on include dealing with regulars, both welcome and not; sex and the bartender; cocktail connoisseurs (and drinks he refuses to make); learning the bartending ropes of the Odeon when young and newly arrived in New York; the sheer man-killing pace of keeping those drinks coming at flood tide; and the manifold varieties of weirdness and bad behavior that every bartender has to learn how to manage.

Cosmopolitan: A Bartender's Life is the hip, behind-the-scenes look at the frenzied yet undeniably fun atmosphere of

that great establishment—the bar—and Toby Cecchini is, by turns, witty, acute, mordant, and lyrical in dealing with the realities of his job, shedding plenty of light on the hidden corners of what people do when they go out at night.
