Now in Spanish! The colors of Hispaniola burst into life in this striking, evocative debut picture book that celebrates the joy of being Dominican. If Dominican were a color, it would be the sunset in the sky, blazing red and burning bright. If Dominican were a color, it ' d be the roar of the ocean in the deep of the night, With the moon beaming down rays of sheer delight. The palette of the Dominican Republic is exuberant and unlimited. Maiz comes up amarillo, the blue-black of dreams washes over sandy shores, and people ' s skin can be the shade of cinnamon in cocoa or of mahogany. This exuberantly colorful, softly rhyming picture book is a gentle reminder that a nation ' s range of hues is as wide as nature ' s itself.

"If ever a couple was ' meant to be, ' it ' s Tess and Gus. This is such a witty, poignant, and uplifting story of two lives crisscrossing over the years, with near miss after near miss. . . . I couldn ' t put it down." — Sophie Kinsella For fans of *One Day in December*, *The Flatshare*, and *This Time Next Year*, a wryly romantic debut novel that asks, what if you just walked by the love of your life, but didn ' t even know it? "TODAY IS THE FIRST DAY OF THE REST OF YOUR LIFE." Tess can ' t get the motto from her mother ' s kitchen knickknack out of her head, even though she ' s in Florence on an idyllic vacation before starting university in London. Gus is also visiting Florence, on a holiday with his parents seven months after tragedy shattered their lives. Headed to medical school in London, he ' s trying to be a dutiful son but longs to escape and discover who he really is. A chance meeting brings these eighteen-year-olds together for a brief moment—the first of many times their paths will crisscross as time passes and their lives diverge from those they ' d envisioned. Over the course of the next sixteen years, Tess and Gus will face very different challenges and choices. Separated by distance and circumstance, the possibility of these two connecting once more seems slight. But while fate can separate two people, it can also bring them back together again. . . .

Sins of the Fathers considers sins as nodes of cultural anxiety and explores the tensions between competing organizational categories for moral thought and behaviours, namely the Seven Deadly Sins and the Ten Commandments. Hilaire Kallendorf explores the decline and rise of these organizational categories against critical transformations of the early modern period, such as the accession of Spain to a position of world dominance and the arrival of a new courtly culture to replace an old warrior ethos. This ground-breaking study is the first to consider Spanish Golden Age comedias as an archive of moral knowledge. Kallendorf has examined over 800 of these plays to illustrate how they provide insight into aspects of early modern experience such as food, sex, work, and money. Finally, Kallendorf engages the theoretical terminology of Marxist literary criticism to demonstrate the inherent ambiguity of cultural change.

Poetry Of Discovery

This volume presents a new approach to Spanish Baroque drama, inspired by Foucauldian discourse archeology, whose rare fusion of meticulous philology and ambitious theory will be exciting and fruitful both for specialists of Spanish literature and for anyone invested in the history of European thought. Detailed readings are dedicated to some of the most prominent plays by Lope de Vega and Calderón de la Barca, both autos sacramentales (*El viaje del alma*; *El divino Orfeo*; *La lepra de Constantino*) and comedias (*El castigo sin venganza*; *El príncipe constante*; *El médico de su honra*). The "archeological" perspective cast on the plays implies an integration of their discourse-historical "foils", from pagan antiquity through the Middle Ages and the Renaissance, as well as a discussion of related discourses, mainly theological, philosophical and historiographical. A separate "excursus" suggests a reconsideration of the common manner in which the discursive relation between the Middle Ages, the Renaissance, Mannerism and the Baroque is conceptualized. Tragic Sense of Life

The Key to Personal Peace

This book was written expressly for you who are coaching children in Flag Football. We stress how to teach children to play this game and to have fun doing it. The book covers all facets of the game from the most basic "how to" pass, receive, run and grab the flags to game strategies and tactics. When coaching children it should be a fun experience for every-one, for you, for the parents, and most important of all, for the children. As a coach, we cover the teaching attitude and methods. We always keep in mind that these are children, and the game is for the kids and not for the adults. Winning isn't everything, but learning to play well and wanting to win is. We have taken the children from first grade through the eighth grade and broken them into three categories. In each category we discuss the players needs and abilities, what they are capable of in both the physical and emotion sense, and their limitations. We have also defined the coach's role, the parent's role and the player's role.

People are seeking the answer to the confusion, the moral sickness, the spiritual emptiness that oppresses the world. We are all crying out for guidance. For comfort. For peace. Is there a way out of our dilemma? Can we really find personal peace with God? Yes! But only if we look in the right place. The Key to Personal Peace not only includes trusted Biblical insights from renowned evangelist Dr. Billy Graham, but also includes the full gospel of John, making the book a perfect gift for evangelism or outreach. The Key to Personal Peace offers a look into how to live life in the fullness of God. Sections include: The Great Quest Our Dilemma What is God Like What Did Jesus Do for Us? Finding the Way Back Peace at Last Heaven, Our Hope Note: Must be ordered in multiples of 50.

Bestselling novelist Danielle Steel takes us on a harrowing journey into the heart of America's hidden shame in a novel that explores the power of forgiveness, the dark side of childhood, and one woman's unbreakable spirit. From her secret perch at the top of the stairs, Gabriella Harrison watches the guests arrive at her parents' lavish Manhattan townhouse. At seven, she knows she is an intruder in her parents' party, in her parents' life. But she can't resist the magic. Later, she waits for the click, click, click of her mother's high heels, the angry words, and the pain that will follow. Gabriella already knows to hide her bruises, certain she is to blame for her mother's rage--and her father's failure to protect her. Her world is a confusing blend of terror, betrayal, and pain. Her parents' aristocratic world is no safeguard against the abuse that knows no boundaries, respects no person, no economic lines. Gabriella knows that, try as she might, there is no safe place for her to hide. Even as a child, her only escape is through the stories she writes. Only writing can dull the pain of her lonely world. And when her parents' marriage collapses, Gabriella is given her first reprieve, as her father disappears, and then her mother abandons her to a convent. There, Gabriella's battered body and soul begin to mend. Amid the quiet safety and hushed rituals of the nuns, Gabriella grows into womanhood in a safe, peaceful world. Then a young priest comes into her life. Father Joe Connors never questioned his vocation until Gabriella entered the confessional and shared her soul. Confession leads to friendship. And friendship grows dangerously into love. Like Gabriella, Joe is haunted by the pain of his childhood, consumed by guilt over a family tragedy, for which he blames himself. With Gabriella, Joe takes the first steps toward healing. But their relationship leads to tragedy as Joe must choose between the priesthood and Gabriella, and life in the real world where he fears he does not belong, and cannot cope. Exiled and disgraced, and nearly destroyed, Gabriella struggles to survive on her own in New York. There she seeks healing and escape through her writing again, this time as an adult, and her life as a writer begins. But just when she thinks she is beyond hurt, Gabriella is once again betrayed by someone she trusts. Brought to the edge of despair, physically attacked beyond recognition and belief, haunted by abuse in her present and her past, she nonetheless manages to find hope again, and the courage to face the past. On a pilgrimage destined to bring her face-to-face with those who sought to destroy her in her early life, she finds forgiveness, freedom from guilt, and healing from abuse. When Gabriella faces what was done to her, and why, she herself is free at last. With profound insight, Danielle Steel has created a vivid portrait of an abused child's broken world, and the courage necessary to face it and free herself from the past. A work of daring and compassion, a tale of healing that will shock and touch and move you to your very soul, it exposes the terror of child abuse, and opens the doors on a subject that affects us all. The Long Road Home is more than riveting fiction. It is an inspiration to us all. A work of courage, hope, and love.

Here is a major work by a Chilean poet thought by many to be the most brilliant and important new voice in the Spanish language. In its first American edition, this poetry is presented in Spanish and English, so that readers of both languages may listen to Zurita's voice. *Anteparadise* can be read as a creative response, an act of resistance by a young artist to the violence and suffering during and after the 1973 coup that toppled the democratically elected Allende government. Zurita thus follows the example of several Latin American poets such as the Peruvian César Vallejo and Chilean Nobel laureate Pablo Neruda, sharing their passion and urgency, but his voice is unique.

Miss You

A Collection of Lyrics from the Thirteenth Century Down to the Present Time ...

30 DAYS

A leading critic of contemporary Spanish poetry examines here the work of ten important poets who came to maturity in the immediate post-Civil War period and whose major works appeared between 1956 and 1971: Francisco Brines; Eladio Cabañero; Angel Crespo; Gloria Fuertes; Jaime Gil de Biedma; Angel González; Manuel Mantero; Claudio Rodríguez; Carlos Sahagún; and José Angel Valente. Although each of these poets has developed an individual style, their work has certain common characteristics: use of the everyday language and images of contemporary Spain, development of language codes and intertextual references, and, most strikingly, metaphoric transformations and surprising reversals of the reader's expectations. Through such means these poets clearly invite their readers to join them in journeys of poetic discovery. Andrew P. Debicki's is the first detailed stylistic analysis of this generation of poets, and the first to approach their work through the particularly appropriate methods developed in "reader-response" criticism.

Take Me Home for Christmas

The Long Road Home

To the mentality that assumes, more or less consciously, that we must of necessity find a solution to every problem, belongs the argument based on the disastrous consequences of a thing. Take any book of apologetics-that is to say, of theological advocacy-and you will see how many times you will meet with this phrase-"the disastrous consequences of this doctrine." Now the disastrous consequences of a doctrine prove at most that the doctrine is disastrous, but not that it is false, for there is no proof that the true is necessarily that which suits us best. -from "The Rationalist Dissolution" This is the masterpiece of Miguel de Unamuno, a member of the group of Spanish intellectuals and philosophers known as the "Generation of '98," and a writer whose work dramatically influenced a wide range of 20th-century literature. His down-to-earth demeanor and no-nonsense outlook makes this 1921 book a favorite of intellectuals to this day, a practical, sensible discussion of the war between faith and reason that consumed the twentieth century and continues to rage in the twenty-first century. de Unamuno's philosophy is not the stuff of a rarefied realm but an integral part of fleshly, sensual life, metaphysics that speaks to daily living and the real world.
