Parisians Out of Doors

Volume the first [-fifth], for the year 1731 [-1735] ...

Inspired by Paris, this lighthearted and deceptively wise contemporary memoir serves as a guidebook for women on the path to adulthood, sophistication, and style. Jennifer Scott's self-published success is now a beautifully packaged and fully illustrated gift book, perfect for those looking to lead a more fulfilling, passionate, and artful life. Paris may be the City of Light, but for many it is also the City of Transformation. Jennifer Scott arrived in Paris as an exchange student from California, she had little idea she would become an avid fan of French fashion and sophistication. Used to a casual life back home, in Paris she was hosted by a woman she calls "Madame Chic," mistress of a grand apartment in the Sixteenth Arrondissement. Madame Chic mentors Jennifer in the art of living, with elegance and an impeccably French less-is-more philosophy. Three-course meals prepared by the well-dressed Madame Chic (her neat clothes covered by an apron, of course) lure Jennifer from her frequent snacks, junk food, sweatpants, and TV. Additional time spent with "Madame Bohémienne," a charming single mother who passionately embraces Parisian joie de vivre, introduces readers to another facet of behind-closed-doors Parisian life. While Francophiles will appreciate the memoir of a young woman's adventure abroad, others who may not know much about France will thrill to the surprisingly do-able (yet often overlooked) makeup lessons, plus tips on how to create a capsule wardrobe with just ten useful core pieces. Each chapter of Lessons from Madame Chic reveals valuable secrets Jennifer learned while under Madame Chic's tutelage—tips you can master no matter where you live or the size of your budget. Embracing the classically French aesthetic of quality over quantity, aspiring Parisiennes will learn the art of eating (deprive yourself not of food, not chic), fashion (buy the best you can afford), grooming (le no-makeup look), among other tips. From entertaining to decor, you will gain insight on how to cultivate old-fashioned sophistication while living an active, modern life. Lessons from Madame Chic is the essential handbook for anyone that wants to look good, live well, and enjoy that Parisian je ne sais quoi in her own arrondissement.

*NATIONAL BEST SELLER • A mind-bending new collection of short stories from the internationally acclaimed, best-selling author. • “Some novelists hold a mirror up to the world and some, like Haruki Murakami, use the mirror as a portal to a universe hidden beyond it.” —The Wall Street Journal The eight stories in this new book are all told in the first person by a classic Murakami narrator. From memories of youth, meditations on music, and an ardent love of baseball, to dreamlike scenarios and invented jazz albums, together these stories challenge the boundaries between our minds and the exterior world. Occasionally, a narrator may or may not be Murakami himself. Is it memoir or fiction? The reader decides. Philosophical and mysterious, the stories in First Person Singular all touch beautifully on love and solitude, childhood and memory. . . all with a signature Murakami twist.*
