After Jude watches his drug-dealer father get gunned down at the kitchen table, he's taken from their dangerous neighborhood to a comfortable home, an elite private school, and a mother he doesn't remember. Only fifteen, Jude is under suspicion for his father's murder, but to save his own life, he can't tell the police what he knows. To make things worse, Jude's mother is the district attorney. She can protect him from the police -- but when Jude's classmate overdoses on heroin, Jude is implicated, and his mother decides to prosecute. Jude is determined to clear his name, though he doesn't know that mysteries from his past have yet to be revealed -- secrets that will forever alter the course of his life. Jude's gripping story is at once moving and horrifying as it traces a young man's quest for acceptance and his incredible capacity for hope and resilience. Your students may recognize words like determine, analyze, and distinguish, but do they understand these words well enough to quickly and completely answer a standardized test question? For example, can they respond to a question that says "determine the point of view of John Adams in his Letter on Thomas Jefferson' and analyze how he distinguishes his position from an alternative approach articulated by Thomas Jefferson"? Students from kindergarten to 12th grade can learn to compare and contrast, to describe and explain, if they are taught these words explicitly. Marilee Sprenger has curated a list of the critical words students must know to be successful with the Common Core State Standards and any other standardized assessment they encounter. Fun strategies such as jingles, movements, and graphic organizers will engage students and make learning these critical words enjoyable and effective. Learning the critical vocabulary will help your students with testing and college and career readiness, and will equip them with confidence in reading, writing, and speaking. Marilee Sprenger is also the author of How to Teach So Students Remember, Learning and Memory, and Brain-Based Teaching in the Digital Age.

Study Guide by Andrew Clausen, for the 1961 Pulitzer Prize winning novel. Written by Harper Lee (1926- ) and published in 1960, To Kill a Mockingbird is her only novel. She grew up in the small town of Monroeville, Alabama, and drew upon many experiences and places that she knew as a child to create her novel's setting. In the sleepy southern town of Maycomb, Alabama, Scout Finch and her brother Jen revel in the glory days of childhood, trading stories and superstitions with Dill Harris, the imaginative nephew of their neighbor. Dill is especially fascinated with the legends surrounding the mysterious Boo Radley, who stays in his house all day, but, according to rumors, comes out at night to dine on squirrels and cats and peek in windows. Their summer days are spent adding to the Boo Radley legends or devising ways to make Boo come out. As Scout becomes increasingly uneasy about playing games that revolve around Boo Radley, she is guided by the wisdom of her father, Atticus, and Calpurnia, their cook. Scout is learning the ways and unwritten rules of southern society and how to get

along in it. Atticus is a lawyer with an extremely difficult case on his hands. Tom Robinson, a black man, has been accused of raping a white girl. With deep-seated prejudice working against him, Atticus must prove his client's innocence. Scout and Jem watch while their otherwise civilized neighbors show subtle disapproval or outright distaste for Atticus's defense of a black man. While Atticus struggles to do the right thing, Scout struggles with her Aunt Alexandra, who has come to live with them. Aunt Alexandra is set on making Scout into a refined southern lady by instilling in her the rules of social decorum. Atticus is more concerned that his children simply do what is right. Meanwhile, the trial of Tom Robinson reaches its conclusion, and tragedy befalls. All the while, Atticus is challenging the very structure of southern society and the prejudices around him.
