

## To Know Christ Jesus Frank Sheed

Captain America assembles the Avengers. Iron Man battles Thanos. Luke Skywalker duels Darth Vader. Aragorn charges Mordor. Batman confronts the Joker. Superman destroys Doomsday. Wonder Woman defeats Ares. We are captivated. Why? We are entranced by stories that heroes fight evil and sacrifice themselves for a greater good because we long for our world to be free from pain, suffering, and struggle. That’s the real hope and promise of Jesus—when He returns to set things right. In Hollywood Heroes, you’ll see how: Your favorite movie hero Ultimate Hero—Jesus of Nazareth Big screen stories parallel the real-world fight between good and evil Movies and characters can impart inspiring biblical life lessons on justice, purpose, courage, strength, sacrifice, faith, and love Hollywood Heroes begins with the true story of and sacrificed himself to save his teammates. Authors Frank and Zach Turek then use Spider-Man’s origin story to address the question: “Why would a good God allow evil?” You’ll then read how seven movie franchises—Captain America, Iron Man, Harry Potter, Star Wars, The Lo

and Wonder Woman—portray the battle against evil, providing a set of modern-day parables that reveal truths about God and His mission for us.

The classic text on examining the evidence for the Resurrection. Convinced that the story wasn’t true, Frank Morison started to write about Jesus’ last days. However, as he studied this crucial period something happened. . . First published in 1930, this is an in-depth exploration of the death of Jesus and the resurrection as recorded in the Bible. Using many information sources, this is crammed with vital detail that every Christian should know and is also a powerful tool for persuasion of those questioning Christianity. Writing this book changed Morison’s life.

This modern spiritual classic offers the reader an in-depth study of Jesus Christ as he lived and spoke in the Gospels. Sheed employs wide learning, profound spiritual insight, and a lucid style to bring the reader to a deep personal encounter with the living Lord.

The kingdom of God is the central theme of Jesus’ preaching. Through stories and images, Jesus teaches that God’s presence among us—his powerful reign—is both mighty and quiet, both welcoming and demanding. As small as a seed and as grand as a great dinner party, the ki

and transforms everyone who embraces it. In this volume of Alive in the Word, New Testament scholar Frank Matera explores three gospel passages that will orient you to this essential, transforming message of Jesus.

Early Christian Writings

The Day I Met Jesus

The Way of Jesus

*When He came to earth, Jesus Christ was rejected in every quarter in which He stepped. The Creator was rejected by His own creation. “He came to His own and His own received Him not,” said John. For this reason, Jesus Christ had “no where to lay His head.”*

*There was one exception, however. A little village just outside of Jerusalem named Bethany. Bethany was the only place on earth where Jesus was completely received. God’s Favorite Place on Earth is a retelling of Jesus’ many visits to Bethany and a relaying of the message it holds for us today. Frank Viola presents a beautifully crafted narrative from the viewpoint of Lazarus, one of the people who lived in Bethany with his two sisters. This incomparable story not only brings the Gospel narratives to life, but it addresses the struggle against doubt, discouragement, fear, guilt, rejection, and spiritual apathy that challenges countless Christians today. In profoundly moving prose, God’s Favorite Place on Earth will captivate your heart with its beauty, charm, and depth. In this book you will discover how to live as a “Bethany” in our world today, being set free to love and follow Jesus like never before.*

*As Pope Benedict XVI notes in the first meditation in this collection, knowing that there is a God who is good, who knows us, who is so near to us, is truly the gospel—the good news that brings us joy. These fifty-five reflections on passages from the gospels, taken from the pope’s homilies and Angelus messages over the first three years of his papacy, reveal Benedict’s passionate love for Christ, his depth of faith, his grasp of Scripture, and his perspective on the challenges facing us as Christians in the world today. Pope Benedict is a brilliant theologian and scholar, but first and foremost he is a pastor, and this is evident in every meditation in this collection. A strong advocate of lectio divina, the prayerful reading of the Scriptures, Pope Benedict shows us how much nourishment and inspiration we can derive from meditating on the word of God.*

*Practicing the presence of God is not on trial. It has already been proven by countless thousands of people. Indeed, the spiritual giants of all ages have known it. Christians who do it today become more fervent and beautiful and are tireless witnesses. Men and women who had been slaves of vices have been set free. Catholics and Protestants find this practicing the presence of God at the heart of their faith. Conservatives and liberals agree that here is a reality they need. People who are grateful for what this booklet has done for them are ordering wholesale quantities to give to friends. Letters from all parts of the world testify that in this game multitudes are turning defeat into victory and despair into joy. The results of this program begin to show clearly In a month. They grow rich after six months, and glorious after ten years. Somebody may be saying, “All this is very orthodox and very ancient.” It is indeed, the secret of the great saints of all ages. “Pray without ceasing,” said Paul, “in everything make your wants known unto God.” “As many as are led by the Spirit of God these are the sons of God.”*

*Chronicles the creation of Meredith Willson’s The Music Man—reprinted now as the Broadway Edition Composer Meredith Willson described The Music Man as “an Iowan’s attempt to pay tribute to his home state.” Now featuring a new foreword by noted singer and educator Michael Feinstein, this book presents Willson’s reflections on the ups and downs, surprises and disappointments, and finally successes of making one of America’s most popular musicals. Willson’s whimsical, personable writing style brings readers back in time with him to the 1950s to experience firsthand the exciting trials and tribulations of creating a Broadway masterpiece. Fresh admiration of the musical—and the man behind the music—is sure to result.*

Reimagining Church

*The sexual revolution has impacted our nation, our church and our family. Promiscuity, nudity and sexual obscenities have become commonplace, and our consciences have become desensitized. No longer is there a widespread outcry against the avalanche of filth flaunted daily before our eyes. The repercussions from sexual sin are mounting as moral convictions falter and sexual fads balloon. Neither the nation nor the individual can escape the consequences of disregarding God’s commandments. The Bible warns us that, "The wages of sin is death" (Rom. 6:23), and "The way of the transgressor is hard" (Prov. 13:15). Unless these kinds of works of the flesh are quickly mortified, they become demonic strongholds. Sowing to the flesh produces corruption (Gal. 6:8), and corruption (dead flesh) provides a banquet table for unclean spirits. The inevitable consequence of defilement is the loss of fellowship with a holy God. "Pursue... holiness, without which no one will see the Lord" (Heb. 12:14). Are the fleeting pleasures of sin worth the forfeiture of our fellowship with God? Learn how to break free from the bondage and repercussions from sexual sin.*

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Author Frank Viola gives readers language for all they knew was missing in their modern church experience. He believes that many of today's congregations have shifted from God's original intent for the church. As a prominent leader of the house church movement, Frank is at the forefront of a revolution sweeping through the body of Christ. A change that is challenging the spiritual status quo and redefining the very nature of church. A movement inspired by the divine design for authenticity community. A fresh concept rooted in ancient history and in God Himself. Join Frank as he shares God's original intent for the church, where the body of Christ is an organic, living, breathing organism. A church that is free of convention, formed by spiritual intimacy, and unbound by four walls.

Atheists deny we can know God because they deny there is a God to know. But even believers who affirm Gods existence sometimes dont know him. They dont know much about God because they neglect to think much about God and what God has revealed about himself. They accept that there is a God but they dont give much thought to what God is like. And even if they know a great deal about God in the sense of being able to state truths about him, they dont necessarily know him personally and intimately. In Knowing God (previously titled God and the Human Mind) the great Catholic writer, teacher, and publisher Frank Sheed helps readers to know that God exists, to think about who and what God is, and to know God personally. He clears away popular misunderstandings of God, often held by otherwise knowledgeable people. A masterful, lucid writer, Sheed is not timid about tackling the most challenging questions the human mind can pose about God, yet he does not reduce divine mystery to dry propositions or neglect the necessity of faith. Sheed acknowledges the limits of human words and human minds when it comes to God. At the same time, he carefully explains the meaning of Spirit, the role of theology and revelation, including the place of the Bible in the Church, and the experience of God in mysticism. In the final section, Sheed goes into the heart of the mystery of God, exploring God as the Trinity and the difference the Trinity should make in understanding God and ourselves.

Discover the sweeping story of God's eternal plan. Deep within God's Word lies a wondrous story like no other. A drama that unfolded before time began. An epic saga that resonates with the heartbeat of God. A story that reveals nothing less than the meaning of life and God's great mission in the earth. From Here to Eternity presents three remarkable stories spanning from Genesis to Revelation. Each story traces a divine theme that is woven throughout scripture. Seen together, they offer an extraordinary glimpse into God's highest passion and grand mission. What you discover will forever change your view of life, the church, and our magnificent God.

"I've failed my family and disappointed God." If you're a divorced Christian, thoughts like these are not unfamiliar. The deeply saddening result? Many divorced christians are saddled with guilt and shame - a position re-inforced all too often by the church. Divorce is treated practically - if not in actuality - as an unforgivable sin. But what if we're wrong? What if we've misinterpreted Christ's words and intent? What if, out of our human error and fallibility, we've alienated and condemned divorced Christians? God's truth about the heart behind and necessity for divorce will free you from condemnation, guilt, and shame, and establish you in Jesus.

THEOLOGY FOR BEGINNERS FRANK SHEED — A Catholic Classic! — Includes Linked Headings, Index and Table of Contents — Includes Religious Illustrations Publisher: Available in Paperback: ISBN-13: 978-1-78379-502-4 " Not on bread alone doth man live," said Christ Our Lord, quoting Deuteronomy to the Devil. Everybody knows the phrase, and most people tend to complete it according to their own fancy of what is most important to the hungry soul of man. But it had its own completion in Deuteronomy and Our Lord reminded the Devil of that too—" but by every word that proceedeth from the mouth of God. " Revealed truth, then, is food. Now it is a peculiarity of food that it nourishes only those who eat it. We are not nourished by the food that someone else has eaten. To be nourished by it, we must eat it ourselves. PUBLISHER: CATHOLIC WAY PUBLISHING

If there are two words that seem not to fit together they are "society" and "sanity." Spend twenty minutes on the freeway or ten minutes reading the newspaper, or ponder the religious and political conflicts in some regions of the world, and you will understand the point. Yet if people are to thrive--to live fully and together in peace-- we must have sanity when it comes to society. And that requires sanity when it comes to thinking about man. Sanity involves seeing things as they really are. Social sanity requires seeing man as he really is--to grasp who and what human beings are and what sort of social arrangements help or hinder human flourishing. In this classic work, Society and Sanity, Catholic thinker Frank Sheed brings his brilliant mind and lucid writing style to bear on the good human society. By explaining perennial truths about human nature based on the wisdom of Catholic social ethics, Sheed's book is as pertinent today with our controversies about love, the nature of marriage, the role of government, the relationship of law and morality and of Church and State, and the duties of the citizen, as when he penned the work over a half a century ago.

Map of Life

The Game With Minutes

*Presents short biographical sketches of forty Christian saints, from before 500 to the twentieth-century.*

*Rev. ed. of: Ancient evidence for the life of Jesus. Includes bibliographical references and index.*

*Jesus was a spiritual teacher who demonstrated personal and social transformation. His earliest disciples were first known not as Christians but as followers of the Way. Jesus' Way was a spirituality of radical compassion.*

*He taught how to love and be loved by an extravagantly compassionate God; how to cultivate love for ourselves; and how to love our neighbors by extending love to the outcasts, the offensive, and even our enemies.*

*Compassion in Practice is an introduction to Christian compassion. It explains not just what Christian compassion looks like but how to practice it in a world ravaged by violence, fear, and reactivity. This book teaches us how to love as Jesus loved. Expanding on the foundation of Practicing Compassion, Frank Rogers defines the way Jesus prepared his disciples to transform hearts hardened from the assaults of life into compassionate hearts.*

*In Jesus on Trial, New York Times bestselling author David Limbaugh applies his lifetime of legal experience to a unique new undertaking: making a case for the gospels as hard evidence of the life and work of Jesus Christ. Limbaugh, a practicing attorney and former professor of law, approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew, Mark, Luke, and John. His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian. Ultimately, Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry—including his examination of historical and religious evidence beyond the gospels—and thereby affirms Christian faith, spirituality, and tradition.*

Combines selected philosophical passages from Thomas' "Summa Theologica" with detailed footnotes and explanations for modern readers.

“So that in everything He might have the supremacy.” —Colossians 1:18 Christians have made the gospel about so many things—things other than Christ. Religious concepts, ideas, doctrines, strategies, methods, techniques, formulas, “its” and “things” have all eclipsed the beauty, the glory, and the reality of the Lord Jesus Himself. On the whole, Christians today are starved for a real experience of the living Christ. We know a lot about our Lord, but we don’t know Him very well. We know a lot about trying to be like Jesus, but very little about living by His indwelling life. JESUS MANIFESTO presents a fresh unveiling of Jesus as not only Savior and Lord, but as so much more. It is a prophetic call to restore the supremacy and sovereignty of Christ in a world—and a church—that has lost sight of Him. Every revival and restoration in the church has been a rediscovery of some aspect of Christ in the process of answering the ultimate question that Jesus put to His disciples: “Who do you say that I am?” Read this book and see your Lord like you’ve never seen Him before.

Jonas and his master, Elam the Pharisee, cross paths with a poor couple on their way to Bethlehem. Elam cares only for his expensive clothes and a good night's sleep, but Jonas finds himself drawn to these two strangers and even offers a gift to the child the young woman bears that night. Years later, Jonas again meets this child turned man, who now perform miracles and speaks boldly of God's kingdom. Jonas wonders, Who is this one who was born in a stable?

THEOLOGY AND SANITYFRANK SHEED — A Catholic Classic! — Includes Linked Headings, Footnotes, Index and Table of Contents — Includes Illustrations by Gustave Dore Publisher: Available in Paperback:ISBN-13: 978-1-78379-499-7 I played with the thought of dedicating this book TO ALL WHO KNOW LESS THEOLOGY THAN I. It would have sounded flippant. But it would have been exact. There are thousands who know more theology than I, and for them I have no message: they must teach me. But there are thousands who know less, and less is not enough: I must try to teach them. This book contains theology, not the great mass of it that theologians need, but the indispensable minimum that every man needs in order that he may be living mentally in the REAL WORLD—which is what the word SANITY means in my title. Sanity, remember, does not mean living in the same world as everyone else; it means living in the real world. But some of the most important elements in the real world can be known only by the revelation of God, which it is theology’s business to study. Lacking this knowledge, the mind must live a half-blind life, trying to cope with a reality most of which it does not know is there. This is a wretched state for an immortal spirit, and pretty certain to lead to disaster. There is a good deal of disaster around at this moment. PUBLISHER: CATHOLIC WAY PUBLISHING

Theology and Sanity

**Praise for Practicing Compassion** Everybody believes in compassion, but nobody tells you how to practice it. Until now. Frank Rogers turns compassion into a doable, daily practice—as simple as catching your breath and taking your pulse. If you want to read a book that actually has the capacity to change your life (and the world), beginning today, this is the book to read. —Brian D. McLaren **Author/speaker/blogger/activist (brianmclaren.net)** If you want clear, practical guidance on how to cultivate the inner resources to become a healing presence and force of good for the world, there is no better book than this and no better guide than Frank Rogers. —John Makransky Professor of Comparative Theology, Boston College Author of *Awakening through Love* Compassion is more than a sympathetic feeling—it's the bond of human connection. Most religions lift up compassion, yet few people actually teach how to practice it. Through rich and moving stories of people from various faiths, Frank Rogers shows ways to incorporate compassion in our daily lives. His interfaith perspective on mercy, kindness, and caring for one another trains us to Pay attention, Understand empathically, Love with connection, Sense the sacredness, and Embody new life (PULSE).

English journalist Frank Morison had a tremendous drive to learn of Christ. The strangeness of the Resurrection story had captured his attention, and, influenced by skeptic thinkers at the turn of the century, he set out to prove that the story of Christ's Resurrection was only a myth. His probings, however, led him to discover the validity of the biblical record in a moving, personal way. **Who Moved the Stone?** is considered by many to be a classic apologetic on the subject of the Resurrection. Morison includes a vivid and poignant account of Christ's betrayal, trial, and death as a backdrop to his retelling of the climactic Resurrection itself.—Print Ed. Reviews: "It is not only a study on the Resurrection account as the title seems to suggest, but it retells the whole passion of Jesus Christ.

Because the author does not concern himself with textual criticism, he is able to impress on the reader a consistent picture of the events of Passion and Resurrection. For this reason the book will perform a helpful service to everyone who wants a reconstruction of those events."—Augustana Book News "A well-arranged summary of events relating to the resurrection of Christ and the pros and cons in the debate over their acceptance with emphasis on the latter."—Watchman Examiner "The story Mr. Morison has told of the betrayal and the trial of Christ is fascinating in its lucid, its almost incontrovertible, appeal to the reason. For me, he made those scenes live with a poignancy and vividness that I have found in no other account, not even in the various attempts that have been made to present the same facts in the guise of a novel."—J. D. Beresford

Jesus says, "All Scripture points to me" (John 5: 39). But what does that mean exactly? The 27 books of the New Testament are largely a commentary on the Old Testament, and each part of the Bible is a signpost to Jesus. Once this is properly understood, everything changes.

**Why does the allegiance that radical terrorists give to their false cause exceed the allegiance that most Christians today give to Jesus Christ? In *Insurgence*, bestselling author Frank Viola presents a radical proposal for Christians. Namely, that we have lost the explosive, earthshaking gospel of the kingdom that Jesus, Paul, and the other apostles preached. Viola argues that we've lost this dynamic, titanic, living gospel and exchanged it for a gospel of religious duty or permissiveness and "easy believism." In today's politically charged era, Christians on the progressive left as well as the conservative right both equate their particular viewpoints with the kingdom of God. Viola challenges and dismantles these perspectives, offering a fresh and revolutionary look at the gospel of the kingdom. Viola writes with gripping power, challenging Christians to embrace an unparalleled allegiance to Jesus Christ and his kingdom. This high-octane message is being reclaimed today, launching a spiritual *insurgence*.**

The church is tired of seeing Christians act ungraciously toward one another when they disagree. Social media has added to the carnage. Christians routinely block each other on Facebook because of doctrinal disagreements. The world watches the blood-letting, and the Christian witness is tarnished. But what if every Christian discovered that their favorite teacher in church history had blind spots and held to some false--and even shocking--views? Bestselling author Frank Viola argues that this simple awareness will soften Christians when they interact with each other in the face of theological disagreements. In *ReGrace*, he uncovers some of the shocking beliefs held by faith giants like C.S. Lewis, Luther, Calvin, Moody, Spurgeon, Wesley, Graham, and Augustine--not to downgrade or dismiss them, but to show that even "the greats" in church history didn't get everything right. Knowing that the heroes of our faith sometimes got it wrong will empower us to treat our fellow Christians with grace rather than disdain whenever we disagree over theology.

The writings in this volume cast a glimmer of light upon the emerging traditions and organization of the infant church, during an otherwise little-known period of its development. A selection of letters and small-scale theological treatises from a group known as the Apostolic Fathers, several of whom were probably disciples of the Apostles, they provide a first-hand account of the early Church and outline a form of early Christianity still drawing on the theology and traditions of its parent religion, Judaism. Included here are the first Epistle of Bishop Clement of Rome, an impassioned plea for harmony; The Epistle of Polycarp; The Epistle of Barnabas; The Didache; and the Seven Epistles written by Ignatius of Antioch - among them his moving appeal to the Romans that they grant him a martyr's death.

Two thousand years ago, Jesus Christ met face-to-face with people just like you. Broken, imperfect, sometimes fearful and without hope. *The Day I Met Jesus* is a beautifully crafted narrative that chronicles the remarkable encounters of five women in the Gospels who were desperate to find wholeness, security, and purpose. Like all of us, these women struggled with the regrets of their pasts, the stresses of their presents, and the worries of their tomorrows. Join Frank Viola and Mary DeMuth on a fascinating journey back in time as they retell the dramatic accounts of five women who met Jesus. Each narrative is told from each woman's unique perspective, yet tightly grounded in the Gospel accounts and faithful to first-century history. Elegantly written and profoundly stirring, this book blends creative narrative with uncommon insight, spiritual depth, and practical application. If you are someone who seeks a renewal of hope, faith, and love, *The Day I Met Jesus* will make your Bible come to life and usher you into a fresh encounter with your Lord.

A Sequel to the all-time classic 'Pigs in the Parlor' by Frank Hammond. This book sets forth guiding principles from Scripture and the ministry of Jesus for confronting demons and delivering the oppressed. You will learn: The Nature & Function of the Demonic Kingdom; Discerning Right & Wrong Methods of Deliverance; Fears That Defeat Christian Soldiers; The Believer's Commission & Authority & Being Anointed; Maintaining Balance in Deliverance; Keeping Out Of The Devil's Reach, Demonic Connection With Mental Illness & Disease, and more. Specific Chapters on:

Prayer For Deliverance, Healing & Deliverance, Two Opposing Kingdoms, Filling the House, The Gadarene Demoniac, Binding & Loosing, A Deliverance Failure, The Mission of the Seventy, The Spirit of Intimidation, The Spirit of Infirmity, and more.

Who Moved the Stone?

"...The third day he rose again from the dead..."What?! Really?!Frank Morison, a former sceptic, originally had intended on putting the final nail in Jesus' coffin, only to realise he actually had risen from the dead!"Fascinating in its lucid, its almost incontrovertibly, appeal to the reason." J. D. Beresford"It is as though a skilled advocate, entirely convinced of the truth of his case, were unravelling the threads of some mystery ... It has the supreme merit o frankness and sincerity" The Sunday Times Studying the theology of the New Testament can be a daunting task, even to the knowledgeable Bible student or pastor. Each of the twenty-seven books, written by various authors, has its own theological emphasis and nuances. How do we elicit a coherent message from such theological diversity, especially given that some of the theological statements in the New Testament seem to be at odds with one another? Is such an endeavor achievable or even valid? Theology of the New Testament takes a balanced approach in response to these challenges. Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole. He not only examines each book's theological content individually, but also in relation to the rest of the New Testament, particularly within each of the three theological units that comprise the New Testament: the gospels and Acts, the Pauline epistles, and the general epistles and Revelation. This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books. In the end, Thielman finds a unified theological vision of the New Testament, anchored in the centrality of Jesus Christ. Frank Thielman's Theology of the New Testament is an outstanding achievement. The book is marked by scholarly depth, exegetical rigor, and theological profundity. Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents. Thomas R. Schreiner Professor of New Testament, The Southern Baptist Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher. Its clear style, lucid organization, and sound theological insight make it a prime resource for serious students in both the academy and the church. Karen H. Jobes, PhD Associate Professor of New Testament, Westmont College

Five-time bestselling author Frank McKinney boldly enters the Christian romance genre with this erotic, seductively spiritual love story. *The Other Thief* will arouse readers and their faith, leaving them wondering which side of the cross they would choose.

Francis Rose, lead singer for a meteorically popular Christian rock band, has it all—fame, fortune, family, and deep faith. With the support of his loving wife, young daughter, and Down-syndrome blessed son, he's gone from performing to an audience of 20 at his tiny Lutheran church in Keeler, Indiana, to selling out 20,000-seat arenas. His impact is global, soulful, and seemingly unstoppable. The seven deadly sins don't stand a chance against a man of Francis' character, morality, and faith. Or do they? Their alluring assault is relentless as Francis encounters each of them along his ascending path to superstardom. Will the full armor of God protect him, or will his vast talents and blessings be undone by the threats posed by a foreign and unlikely demon? Is it too late? Can he be saved? Should he be saved?

During His ministry on earth, Jesus of Nazareth spent most of His time healing the sick, casting out demons, training disciples, teaching the people, and preaching the kingdom of God. But what is Jesus Christ doing today? What is His present-day ministry?

In *Jesus Now*, bestselling author Frank Viola gives us the first comprehensive treatment of what Jesus has been doing since His ascension until His second coming. In an easy-to-read format, Viola explores the seven aspects of Christ's ministry today and shows how each one benefits the saved and the unsaved. Open these pages and discover what the Lord Jesus Christ is doing now and how it will impact your life.
