A veteran's moment of rage leads to a chase through the bayou in this tale of "jackhammer suspense" by the New York Times–bestselling author of *Swan Song* (Kirkus Reviews). Two decades after he finished serving his country in the jungles of Southeast Asia, Dan Lambert still pays the price. As he hustles for construction work in the heat of a brutal Louisiana summer, Dan tries to ignore the pounding in

his head—a constant reminder of the Agent Orange-caused leukemia which will soon end his life. And now the bank wants to repossess his truck. His attempt to reason with the loan officer does not get him far. Dan loses himself in rage, and for a moment is back in the jungle again. When he comes out of his bloodlust, he has shot the banker through the chest. There is nothing to do but run. On his trail are two peculiar bounty hunters: a onetime Siamese twin and a heavysset Elvis impersonator. To save his own life, Dan is going to have to remember why it was worth

living in the first place.

Fenicus Flint, a young dragon, lives with the last of his fading species in a secluded mountain sanctuary known as Berathor Valley. When he awakens from an accident that leaves him injured and temporarily unable to fly, Fenicus discovers that the peace and tranquility of his homeland has been shattered; Berathor is in ruins and his loved ones abducted. With few clues to guide him, the young dragon embarks on a dangerous quest beyond the sheltering walls of his homeland to find his loved ones before their flame is

This collection attempts to incorporate cultural studies into the understanding of schooling, not simply addressing how students read themselves as "members" of a distinct culture, but how they, along with teachers and administrators, read

popular texts in general. The purpose of this book is to suggest some alternative directions critical pedagogy can take in its critique of popular culture by inviting multiple reading of popular texts into its analysis of schooling and seeing many forms of popular culture as critical pedagogical texts. A middle-age half-Korean, half-Jewish woman has her cozy life turned upside down when the first love of her life returns to town and her absentee father shows up with an expensive car and the speech of a con man. In the tradition of Eric Lott's award-winning Love and Theft, Hartman's new book shows how the violence of

captivity and enslavement was embodied in many of the performance practices that grew from, and about, slave culture in antebellum America. Using tools from anthropology and history aswell as literary criticism, she examines a wealth of material, including songs, dance, stories, diaries, narratives, and journals to provide new insights into a range of issues. She looks particularly at the presentations of slavery and blackness in minstrelsy, melodrama, and the sentimental novel;the

disparity between actual slave culture and "managed" plantation amusements; the construction of slave culture in nineteenth-century ethnographic writing; the rhetorical performance of slave law and slave narratives; the dimension of slave performance practice; and the political consciousness of folklore. Particularly provocative is her analysis of the slave pen and auction block, which transmogrified terror into theatre, and her reading of the rhetoric of seduction in slavery law and legal cases

concerning rape.

Persuasively showing that the exercise of power is inseparable from its display, Scenes of Subjection will interest readers involved in a wide range of historical, literary, and cultural studies.

A once-glittering music hall now hides dark mysteries in this atmospheric thriller set in both present day and Edwardian London. A hundred years ago, the Tarleton Music Hall on London's south bank was one of the city's most popular attractions. People

Online Library Toby Flint Nuove Fantasie

lined up night after night to see its headliner, the legendary song-and-dance man Toby Chance. But that was before Toby disappeared in 1914. People were shocked to see the Tarleton suddenly locked up. But that's how it's been ever since. Today, with property prices soaring, an investment group hires Robert Fallon to survey the place. Fallon is as charmed by the project, especially when he hears the rumors of a Singing Ghost who haunts the building. But he must admit that something is

Online Library Toby Flint Nuove Fantasie

indeed odd about the Tarleton. What, for instance, can be made of the mysterious wall in the basement? Fallon delves into the Tarleton's history, and learns the story of the brilliant but troubled Toby Chance. But the deeper he goes, the harder it is to shake the feeling that he is being menaced by the past. From the author of The Balance Project comes a dual-timeline narrative featuring a 1949 Miss Subways contestant and a modern-day advertising executive whose careers and

Online Library Toby Flint Nuove Fantasie

lives intersect. "Schnall has written a book that is smart and timely...Feels perfect for fans of Beatriz Williams and Liza Klaussmann."

—Taylor Jenkins Reid, acclaimed author of The Seven Husbands of Evelyn Hugo "A fast-paced, clever novel filled with romantic possibilities, high-stakes decisions, and harsh realities. Perfect for fans of Fiona Davis's The Dollhouse, this engrossing tale highlights the role that ambition, sexism, and true love will forever play in women's lives." —Amy

Poeppel, author of *Small Admissions* In 1949, dutiful and ambitious Charlotte's dream of a career in advertising is shattered when her father demands she help out with the family business. Meanwhile, Charlotte is swept into the glamorous world of the Miss Subways beauty contest, which promises irresistible opportunities with its Park Avenue luster and local fame status. But when her new friend—the intriguing and gorgeous fellow-participant Rose—does something unforgivable,

Charlotte must make a heart-wrenching decision that will change the lives of those around her forever. Nearly 70 years later, outspoken advertising executive Olivia is pitching the NYC subways account in a last ditch effort to save her job at an advertising agency. When the charismatic boss she's secretly in love with pits her against her misogynistic nemesis, Olivia's urgent search for the winning strategy leads her to the historic Miss Subways campaign. As the pitch date closes in on her, Olivia finds

herself dealing with a broken heart, an unlikely new love interest, and an unexpected personal connection to Miss Subways that could save her job—and her future. The Subway Girls is the charming story of two strong women, a generation apart, who find themselves up against the same eternal struggle to find an impossible balance between love, happiness, and ambition.

Twenty eight florins a month is nowhere near enough when a wyvern's jaws snap shut on your helmet in the hot stink of battle, and the beast starts to rip the head from your shoulders. But if standing and fighting is hard, leading a company of men -- or worse, a company of mercenaries -- against the smart, deadly creatures of the Wild is even harder. It

Contemporary European Science Fiction Cinemas charts the evolution of European science fiction cinema in the 21st century, a

Online Library Toby Flint Nuove Fantasie

period in which Europe itself has faced myriad crises. Key to this study is an exploration of how European science fiction responds to prevalent issues such as the financial crisis, political extremism and violence, large-scale migration and indeed the potential breakup of the European Union itself. What futures does science fiction cinema envision for Europe? Is it capable of moving beyond dystopian visions of a continent beset by seemingly omnipresent turbulence? Emphasising science fiction's unique

Online Library Toby Flint Nuove Fantasie

ability to estrange, exploit and reflect upon popular concerns, this book directly engages with such questions, accounting for ongoing mutations in the very nature of the European project as it does so.
